Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

### The madonna of the future, and other tales

We had been talking about the masters who had achieved but a single masterpiece -- the artists and poets who but once in their lives had known the divine afflatus and touched the high level of perfection. Our host had been showing us a charming little cabinet picture by a painter whose name we had never heard, and who, after this single spasmodic bid for fame, had apparently relapsed into obscurity and mediocrity. There was some discussion as to the frequency of this phenomenon; during which, I observed, H----- sat silent, finishing his cigar with a meditative air, and looking at the picture which was being handed round the table. "I don't know how common a case it is," he said at last, "but I have seen it. I have known a poor fellow who painted his one masterpiece, and" -- he added with a smile -- "he didn't even paint that. He made his bid for fame and missed it." We all knew H----- for a clever man who had seen much of men and manners, and had a great stock of reminiscences. Someone immediately questioned him further, and while I was engrossed with the raptures of my neighbor over the little picture, he was induced to tell his tale. If I were to doubt whether it would bear repeating, I should only have to remember how that charming woman, our hostess, who had left the table, ventured back in rustling rose-color to pronounce our lingering a want of gallantry, and, finding us a listening circle, sank into her chair in spite of our cigars, and heard the story out so graciously that, when the catastrophe was reached, she glanced across at me and showed me a tear in each of her beautiful eyes. Includes a biography of the author.

### The Madonna of the Future

### The Madonna of the Future

This book is a collection of five early works by one of the greatest novelists of the 19th century, Henry James. From the high society of Paris to the rural landscapes of New England, these stories explore the complexities of human relationships and the clash of old and new worlds. With its rich prose and subtle psychological insight, this book will captivate readers of all ages and backgrounds. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

### The Madonna of the Future, and Other Tales

We are delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades in its original form. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has

been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

### MADONNA OF THE FUTURE & OTHER

This is an unfinished novel by the American author Henry James that was published in 1917, a year after James' death. The novel is at once an eerie account of time travel and a bittersweet comedy of manners. A young American trades places with a remote ancestor in early 19th century England and encounters many complications in his new surroundings.

### MADONNA OF THE FUTURE & OTHER

The Sacred Fount is a strange book, concerning an unnamed narrator who attempts to discover the truth about the love lives of his fellow guests at a weekend party in the English countryside. He spurns the detective and keyhole methods as ignoble, and instead tries to decipher these relationships purely from the behavior and appearance of each guest. He expends huge resources of energy and ingenuity on his theories, much to the bemusement of some people at the party.

#### MADONNA OF THE FUTURE & OTHER

Martha Banta's *Henry James: An Alien's "History" of America* is the product of a lifetime of thinking about James and his odd, but oddly productive, relation to the land of his birth. A "biography" of an "autobiography," it serves as a peripatetic history of the central cross-currents and intersections between Europe and America, memory and history, romance and realism. These diverse elements structure James's channeling of his own experience as a displaced or "alienated" American into a variety of genres: memoirs and travel writing, novels and tales, letters and literary criticism, social and cultural commentary. Together they constitute the "never completed novel" of his ongoing "autobiographical" project. In its masterful weaving together of materials, text, and time-frames, *Henry James: An Alien's "History" of America* moves fluidly back and forth over the intricate tapestry of James's life and texts. It identifies and analyzes key moments, words, and tropes that echo across the years, tracing the instances of repetition, reversal, self-revelation, and re-vision that underwrite this "life-record." This study represents a major advance over conventional, sometimes oversimplified readings of James's "international theme." His attitudes about both Europe and America emerge here in their full complexity and contradictoriness. The breadth and depth of Banta's knowledge of James and of the historical America from which he emerged and which he never ceased to engage, however ambivalently, will make this a rich reading experience for general readers as well as scholars. David McWhirter editor of Henry James's New York Edition: *The Construction of Authorship and Henry James in Context*.

#### The Future of the Novel

This book is a collection of essays on ghostly fiction by Henry James. The contributors analyze James's use of the ghost story as a subgenre and the difficult theoretical issues that James's texts pose.

#### The Madonna of the Future. Longstaff's Marriage. Madame de Mauves

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have endeavoured to keep the quality of these images, so they represent accurately the original artefact. ## The Madonna of the Future

Reproduction of the original: The Outcry by Henry James

## Future of the Novel [in, the International Library of Famous Literature]

The Reverberator by Henry James

## The Sacred Fount

Madame de Mauves is a novella by Henry James, originally published in The Galaxy magazine in 1874. The story centers on the troubled marriage of a scrupulous American wife and a far from scrupulous French husband, and is told mostly from the point of view of a male friend of the wife. The tale reflects the intense interest James took in the "international theme," especially early in his career.

## Henry James. An Alien's "History" of America

Roderick Hudson by Henry James.

## Henry James and the Supernatural

Henry James is primarily known for themes of morality and hidden sexuality. Here's a comedic James, who deplored the media, about a match that may be ruined by a gossip column. Larky nonsense that foreshadows today's celebrity-driven media.

How to Write Literary Fiction - How to Write Literary Fiction by Reedsy 22,505 views 2 years ago 14 minutes, 47 seconds - Literary fiction, is known as one of the hardest genres to define, often described as a "you'll know it when you see it" type of genre.

What is literary fiction?

Think carefully about form

Create a flawed character

Know what you want to say

Write reflectively

Be purposeful

Be specific in your themes

Don't overthink the prose

Create events that reveal character

Don't be afraid to be weird

Focus on writing an interesting story
