The Baby Shift: Washington

When you can barely keep it together, the right woman can send everything into a tailspin... Tanner, a talented artist with an anger management problem, is anxious about his first day at a new job. Not only does he have new job jitters, he's worried those nerves might cause his inner wolf to come out, and he's not really sure what could happen if it does! But that's why he arranged to have breakfast with his best friend, who did a good job of calming him down and screwing his head on straight. But then he noticed her, and his inner wolf howled it's desire to pursue her at any length! Every Monday in 2019 I'll be releasing a brand new novella for you to gobble up! Love of the Wolf

A curvy girl with a heart that's too big for this bad boy wolf shifter Tammy can't wait to get away from the city. Away from the boyfriend that betrayed her, and all the pain that comes with having her heart broken.

Visiting her bestie, Allara in her small home town is just what the doctor ordered. But the townspeople are not what they seem. In fact, they're not even human. And one of those smoking hot wolf shifter men sets her body alight with his smoldering glance. Seeing the new Alpha pair, Allara and Reid, together is enough to make Jason green with envy. He's been waiting for his mate forever, and he's tried on every female in the pack just to see if she fit right. But when he meets a voluptuous female, the best friend of the female Alpha no less, his wolf leaps at the site of his mate. Tammy is the last thing Jason expects. Kind, outspoken and totally out of his league - but could she be everything he needs? Is Tammy brave enough to give love another chance? Especially when she finds out she's pregnant to the shifter... Or has Fate got it wrong this time? Love of the Wolf is a standalone steamy paranormal romance in the 'Pack Loyalty' world. Fated Mates, accidental pregnancy and a BBW heroine! Guaranteed happily ever after! Read it now!

Taken: The Alpha's Captive BBW Werewolf Romance

In Taken (The Alpha's Captive BBW Werewolf Paranormal Romance #1) Running for his life, he takes her along for the ride.... Werewolf Levi Harris has a habit of going off half-cocked and getting into trouble. But this time, the trouble just might prove fatal. He's stolen a trove of information from a powerful vampire mafia network, and they won't rest until they get it back—and get revenge. His only chance of survival is to extract the information and put it to use before the bad guys catch up with him. Curvy bombshell Harper Bailey is a good girl with a weak spot for bad boys. When Levi appears, she thinks her dreams have just rolled up on the back of a motorcycle. Little does she know that he's about to hijack her car and take her straight into the crossfire. But Levi himself might just prove the greatest danger of all.... This bbw biker werewolf shifter paranormal romance / urban fantasy features adventure, suspense, and steamy action. The Alpha's Captive BBW Werewolf Paranormal Romance series is a must-read for fans of shapeshifter romance authors like Milly Taiden, Lynn Red, Viola Rivard, and Liliana Rhodes.

Beck (BBW Bear Shifter Romance)

Don't put that in your mouth. Don't push your brother. Please stop crying. Harmony just needed to get through this day of nannying. The little boogers in her charge were turning their trip to the county fair into a competition of who could cause a migraine the fastest. She spotted a honey stand and thought a few sweet treats might win her a moment's respite. She spotted the owner of the stand and thought about something other than honey... It wasn't that Beck hated kids: he just wasn't used to them. All the crying, the erratic behavior and the tantrums were just too much. He had a feeling his reluctance on the topic of children was why he and his girlfriend of four years had to call it quits. There are some things you just can't compromise on, no matter what. While Harmony and Beck are busy trying to figure each other out, a lurking presence is about to make itself known, and none of their lives will ever be the same again. Alpha Feud BBW Paranormal Shifter Romance Series - Books 1 to 5

A BBW Paranormal Shifter Story An unyielding human with deadly skills from generations of training versus a dangerous werewolf with a heart of compassion. Who wins over Eliza's heart? ***Due to sexually graphic content and language that some may find offensive, this book is intended for mature readers only*** This complete set contains Books 1 to 5 Book 1 Eliza's life consisted of reporting on boring, crowd-pleasing events, like their country livestock fair. With the arrival of two handsome brothers, the lives of Eliza and her best friend, Melissa, are shaken to the core. For Eliza, the arrival of this new man becomes a test of her relationship with her current boyfriend, who she's been happily living with for over six years. Does Hayden, a complete stranger, really wield the power to make Eliza reconsider her relationship with Andrew? Book 2 The threat of a new pack arises and the forgiveness of an unintentional murder gives new light to the hearts of all. Among the pain and suffering, the bonds grow deeper, weaving a strong alliance between human and werewolf alike, ready to face the future. Meanwhile, Andrew's true colors come to the surface, leaving Eliza with a difficult choice to make. Does she stay with the man who she has already devoted seven years of her life to or does she choose Hayden, the dark and dangerous stranger, who has stirred the fires of passion within her? Book 3 Eliza has finally met the man of her dreams and is starting a new life. She is confident that there is nothing in this world that can go wrong. What she doesn't realize is that she isn't in her world anymore. She is in a world surrounded by supernatural beings that she thought only existed in myths. So when both her life and that of her unborn child is threatened by Deimos, an all-powerful supernatural being, she is at odds whether she has been taking her perfect life for granted. Book 4 Naomi is forced to leave her family to begin her training in Ireland, to replace Deimos as the Wolf Overlord. This brings her to the attention of a great enemy. The enemy has come up with a master plan to break the treaty between hunter and wolf and they will need Naomi to break that treaty. They are planning on using Naomi as their secret weapon against the wolves. How will they get Naomi to agree to all of this? How will they get her to abandon all her morals and beliefs, not to mention her entire family and her friends? Book 5 Having been fed a poison to forget her life prior to Colt's loving, Naomi struggles to hold onto her faith as he lay in a coma in a hospital. She is greeted by an old friend whom assists her in restoring her previous memories. Following her heart, she trains once more with her masters, getting a unique handle on the ability to transform. She follows her fate that brings her face to face with Deimos. Will her training be enough to defeat and rid the world of Deimos once and for all? My Secret To Bear

A Bear Shifter lost in his past must protect the only things he has left in this world, his mate and his cub. Cole Patton never knew who his parents were, but he knew his role in life. As a child he was an outcast, running away from foster homes in search of some kind of family. In the Marines he was a secret weapon, an eight hundred pound Grizzly Bear Shifter capable of breaching any bunker. And now that he was back home, he was a pity case, forgotten and living on the street. Struggling to balance his humanity with his bestial side, he knew that anyone he let close would be in danger. But what if a

greater danger is looming from his past? This full length bear shifter paranormal romance novel has all the action, steam and true love that only a Fated Mates story can deliver!

Desolation

He just wanted to get drunk and numb the pain. Too bad Fate had different plans... Kent had everything going for him. He'd finally found his own place, had a job he enjoyed, and a roommate he didn't want to strangle. It helped that they had...family troubles in common. But no peace ever lasts, does it? His roommate, Patrick, had decided to move out with his girlfriend, and the company he'd been at for five years was going under. Everything in Kent's life was falling apart, so with no where left to go, he went looking to drown his sorrows. But what he found was a way to put electricity in his veins. And he was a werewolf after all. He would be able to quit anytime he wanted, right? But the more cocaine Kent took, the more he wanted it. That is until he met Annalise. She was everything he wanted in a Mate. Was he strong enough to conquer his addiction for her? Or would he tear them both down in a spiral of destruction? Haven & Escape Bundle

Harper Bailey and Levi Harris are on the run from the vampire mafia, who will do anything to get back the files they've stolen. After the first attempt to read the files fails, Levi and Harper run the gauntlet to reach someone who can help. But with the vampire hot on their heels, their chances of success—and survival—are quickly shrinking. Anyone Levi loves is at risk of being used as leverage to get him to do some vampire's dirty work, so he swore long ago that he would always live the life of a lone wolf. Now he's far from happy with the thoughts that he's having about the curvy Harper Bailey, thoughts rooted in his most basic werewolf instincts. Harper thought she was coming along on an adventure to spice up her boring life. But she soon finds herself falling hard for the ruggedly handsome bad boy biker Levi even as she tries to save him from himself. The Alpha's Captive BBW Werewolf Paranormal Romance series is a must-read for fans of shapeshifter romance authors like Milly Taiden, Lynn Red, Viola Rivard, and Liliana Rhodes.

Her Billionaire Werewolf

All three of Alex and Eva's stories now in one volume! Taken by the Billionaire Werewolf Eva is screwed. Maybe. Okay, definitely. And in a bad, not a good, way. Her trouble-magnet little brother has gone and gotten involved with vampires...and the deal's gone bad. Now he owes them and their repayment plan involves dead bodies rather than monthly payments. Which means Eva has no choice but to approach the last person she ever wanted to for help. Alex. Her older, hot, ex-cousin from her mother's short-lived third, or was it fourth, marriage. He's also a billionaire. Hot, ripped, wealthy... Oh, yeah, and an alpha werewolf. There's just one problem. Alex Kingwood never does anything without a price... Her. For as long as he wants her. Turned by the Billionaire Werewolf She's bartered her body to the big, bad wolf...now she's in danger of losing her heart as well. In return for dealing with her brother's vampire problem, Eva belongs to the Alpha of the Kingwood pack, and billionaire werewolf, Alex. The sex is scorching, and Alex as powerful and charismatic as she'd remembered him. An overbearing asshole she can deal with, but when the mask slips, her heart might end up a casualty of their little war too. One weekend, that's all he'd thought he needed. Now a lifetime won't be enough... Alex has Eva, the woman he's lusted after for years. Sex. That's what he'd told himself was what he needed. He'd get her own from under his skin and get rid of her. But things don't go to plan when long-buried emotions get involved. Then someone else has issues with their arrangement, and Alex finds himself making the hardest choice of his life. Save her, kill her, or condemn her to a fate worse than death? Mated to the Billionaire Werewolf Eva has two problems; Her wolf and her lover are both avoiding her. New werewolf Eva has two problems. One, her wolf seems reluctant to make an appearance and two, Alex, her lover and alpha of the Kingwood pack, is avoiding her. Has she failed at being a wolf before she'd even begun? He bit her to save her life, so why won't he even look at her now? If she's not a wolf, she can't be his... Biting Eva to save her life was a mistake Alex can't regret, but pack law states he has to let her go if her wolf doesn't manifest. So far, Eva's wolf seems non-existent, a fact more than one member of the pack has noticed. He has to distance himself from her, send her away, but he can't. Add in a deal he doesn't want to make with the local vampires, and Alex is ready to cut loose and deal with some issues with his claws and teeth... But pack law rules absolute and a challenge is issued that could destroy their future before it begins...

Alpha's Blood

I BOUGHT HER. I OWN HER. BUT SHE'LL NEVER BE MINE...A Vampire King?The moment she stepped on stage, I had to have her in my bed. My submissive, kneeling at my feet.But this captive virgin is more than what she seems?A spy in my kingdom. A weapon honed by my enemy. She hates me, but hate is a passion perilously close to love...A captured queen?All my life I've trained for one purpose. One ultimate goal: kill the Vampire King.I expected a fight. Pain. Torture. I didn't expect to want him. My body is a weapon he turns against me.But I can't forget my fallen pack. My quest for revenge. My mission is simple:Seduce him. Earn his trust. Bring him down.Above all: don't fall in love.This is a stand-alone romance, HEA guaranteed, no cheating. This enemies-to-lovers story contains a cool,

collected vampire and the she-wolf sent to bring him down. If such material offends you, do not buy this book.

Taken, Pursuit, & Flight

In this bundle, the first three books of The Alpha's Captive BBW Werewolf Paranormal Romance Bundle brought together for the first time! The werewolf is just the start of Harper Bailey's bad day.... Werewolf Levi Harris has a habit of going off half-cocked and getting into trouble. But this time, the trouble just might prove fatal. He's stolen a trove of information from a powerful vampire mafia network, and they won't rest until they get it back—and get revenge. His only chance of survival is to extract the information and put it to use before the bad guys catch up with him. Curvy bombshell Harper Bailey is a good girl with a weak spot for bad boys. When Levi appears, she thinks her dreams have just rolled up on the back of a motorcycle. Little does she know that he's about to hijack her car and take her straight into the crossfire. Harper loves bad boys, but Levi might be one step too far. The Alpha's Captive BBW Werewolf Paranormal Romance series is a must-read for fans of shapeshifter romance authors like Milly Taiden, Lynn Red, Viola Rivard, and Liliana Rhodes.

Bearly Together (BBW Bear Shifter Bodyguard Hero Romance)

Cheryl Langford has had a lifetime of Always The Bridesmaid, Never The Bride. Growing up with her best friend Beth, she always felt she lived in her best friend's shadow. Beth was an amazing friend, but Cheryl wanted to stop feeling like a supporting character in her own life. So when she heard that Beth was going to get married to a Bear Shifter bodyguard, it was a bittersweet event. Then she met Derrick, the groom's Bear Shifter brother, and her life would never be the same. Derrick Ash wanted to be anywhere but this wedding. Yes, it was his own brother taking his vows. Yes, he was honored to be a groomsman and take part in the celebration. But at the end of the day this was just another round of being the little brother. Go here, make sure the caterer is putting out the food, wear this suit, blah blah blah. Late as usual, he burst into the only empty room to change...at least he thought it was empty. When he took in Cheryl's delicious bare curves he realized this wedding was going to be one to remember. Unfortunately, he was right. This 11,000+ word novella has all the heat and passion you'd expect from a Fated Mates story! Keywords: bear shifter, bad boy, bbw, fated mates, paranormal romance with sex, pnr, curvy, gothic romance, new adult romance, clan, pack, series, fantasy, steamy romance, paranormal romance books for adults, reformed rake, contemporary romance, hot romance, hot shifter romance, shifter romance series, instalove, shifter conflicts, new adult, urban fantasy, alpha male, werebear, shapeshifter, wounded hero, romantic suspense, womens fiction, action adventure, military love, outlaw, rebel, thrilling, great chemistry, enemies to friends

Chosen by the Vampire Kings

Every hundred years, tradition dictates that all eligible females in Sweetwater assemble for the choosing ceremony. Two vampire kings have separate territories within the surrounding countryside. Both are eager to pick their future brides. What a waste of her freaking time. Tanya is among the many women at the choosing ceremony. As far as she's concerned it's an outdated, sexist event and if it wasn't mandatory she so wouldn't be here. It's not important that the two males are ridiculously rich and handsome. Deep down she knows a plain Jane like her will never be picked by one of the kings anyway. Many of the women in the town square are stunningly beautiful and model thin. Most seem enthusiastic about being a queen even if it means being mated to a blood sucker, which suits her just fine. Imagine her surprise though when King Brant sets his sights firmly on her. Once a vampire king has decided, there's no going back. But her home is in Sweetwater. Being forced to live amongst the vampire species...big gulp...forced to mate with a vampire...is not what she had in mind for herself. Maybe she can convince him to let her go, to pick again. If not, she'll have to find a way to escape his - very muscled and rather delicious - clutches.

Dark Prince

Carpathians are an immortal race of beings with animal instincts. Every Carpathian male is drawn to his life mate: a Carpathian or human female able to provide the light to his darkness. Without her, the beast within slowly consumes the man until turning vampire is the only option.' Raven Whitney is a psychic who has used her gift to help the police track down a serial killer. Now she is determined to escape the glare of recent publicity for the peace and quiet of the Carpathian Mountains. Prince Mikhail Dubrinsky is the leader of his people but, as his ancient Carpathian race grows ever closer to extinction,

he is close to giving in to the heavy weight of loneliness and despair. From the moment their minds touch, Raven and Mikhail form a connection. But there are those who incorrectly view all Carpathians as vampires, and are determined to give their extinction a helping hand.

Blood Truth

The #1 New York Times bestselling author of the “utterly absorbing” (Angela Knight, New York Times bestselling author) Black Dagger Brotherhood series and The Savior brings you the next sizzling and passionate paranormal romance in the Black Dagger Legacy series. As a trainee in the Black Dagger Brotherhood’s program, Boone has triumphed as a soldier and now fights side by side with the Brothers. Following his sire’s unexpected death, he is taken off rotation against his protests—and finds himself working with a former homicide cop to catch a serial killer: Someone is targeting females of the species at a live action role play club. When the Brotherhood is called in to help, Boone insists on being part of the effort—and the last thing he expects to meet is an enticing, mysterious female...who changes his life forever. Ever since her sister was murdered at the club, Helaine has been committed to finding her killer, no matter the danger she faces. When she crosses paths with Boone, she doesn’t know whether to trust him—and then she has no choice. As she herself becomes a target, and someone close to the Brotherhood is identified as the prime suspect, the two must work together to solve the mystery...before it’s too late. Will a madman come between the lovers, or will true love and goodness triumph over a very mortal evil?

Tangled Bond (Holly Woods Files, #2)

One date with the sexier-than-sin Detective Drake Nash. Simple. Until you take into account that my brother finally proposed to his girlfriend, so Nonna is on a warpath-and the crazy old bat has Cupid by the balls. The upcoming mayoral elections has everyone running on full speed, and while I couldn't give any less craps about the corrupt Holly Woods mayor's office, a dead body in the middle of a campaign speech has me thrown right into the middle of it. The victim is close to the mayor, but all he cares about is minimizing the damage to his campaign, so he hires me to work alongside Drake to close the case as quickly as possible. Bad news for our tentative relationship. We disagree far more than we agree, but being at loggerheads won't get this murder solved... Or deal with the arrival of someone from his past. The mysteries behind the murder aren't the only things unraveling, and despite being knee-deep in lies and corruption and bonds so tangled they're almost indecipherable, I have to figure out if I'm willing to fight for Drake the way I do justice... Or if he'll be my one who gets away. (TANGLED BOND is the second book in the Holly Woods Files series. Although there isn't a cliffhanger, this book does not stand alone and TWISTED BOND must be read first.)

As You Desire

A rake in tarnished armor... Desdemona Carlisle has spent most of her young life dreaming of a knight in shining armor. When a dashing figure in midnight-black riding a snow-white steed comes to rescue her from the ruffians who have kidnapped her, she believes her destiny has finally arrived. She surrenders herself to the masked stranger's embrace only to discover her rescuer is none other than Harry Braxton, the scoundrel who stole her heart when she was just a girl, adding it to his collection of exotic treasures as if it were just another trinket. Harry Braxton doesn't want to be any woman's knight-errant. He plays the role of notorious rake to hide the dangerous secret that has kept him from offering Desdemona his own heart. But his tarnished armor soon begins to crumple beneath the irresistible assault of Desdemona's sparkling wit, her dazzling beauty, her teasing and tender touch. As a legendary treasure hunter, he never dreamed he'd be forced to give up the most priceless treasure of all. When Lord Ravenscroft, Harry's aristocratic cousin, comes courting, Desdemona makes a startling discovery. She might yearn for a hero, but what she really needs is a man—the only man who can fulfill all of her desires... “Connie Brockway's work brims with warmth, wit, sensuality and intelligence.”—Amanda Quick, New York Times bestselling author “If it's smart, sexy, and impossible to put down, it's a book by Connie Brockway!”—Christina Dodd, New York Times bestselling author “If you're looking for passion, tenderness, wit, and warmth, you need look no further. Sissy Dreams: From Boyfriend to Girlfriend

Receiving a text from Sasha, my girlfriend, at work was always risky. Especially when she wanted to know if her girlfriend was horny. A short and sweet (and filthy) story.

Play it Safe

No connections. Play it safe. These were the rules Ivey lived her life by. Until she hit Mustang, Colorado, a perfectly imperfect town where the citizens were welcoming and one of them included the tall, beautiful, macho man, rancher cowboy, Grayson Cody. On the run for a decade, Ivey knew she was supposed to play it safe. But she was tired of being on the run. She wanted normal. She wanted real. She wanted a home. And she wanted Grayson Cody. And Gray wanted Ivey. Everyone who saw them could see they belonged together. There was one man in this world for Ivey and one woman for Grayson Cody. So they fell in love. But just as quickly as they fell together, they were betrayed and torn apart. Separated for years, Ivey was certain her life would not include her rancher cowboy. Until the town of Mustang

reached out when Gray was in trouble. Even though she thought he broke her heart, she charged in to help, only for Gray and Ivey to discover they were betrayed. And not only that, Gray had an enemy who would stop at nothing to defeat him.

Uncaged (an MMA Stepbrother Romance)

Fighting and f*cking - that's all I know. Win the fight. Pick a girl. Screw her brains out. Rinse and repeat. Every night ends up the same, with my opponent tapping out and a smoking-hot girl in my bed. Until Penny. I want to tangle her hair in my hands and taste her lips, make her scream my name all night long. Every single night. She's mine... until the mafia takes her. To get her back, I make a deal with the devil... one last fight. This time, she's the prize. --- Bad boy...cage fighter...stepbrother. Pierce Fletcher is naked from the waist down. He came into my shop demanding a tattoo, and I've got to do it. It's already very clear just how much he wants me. He looks at me like I'm already his property. One peek at his body and I'm hooked. One arrogant smirk and I'm ready to have his rough hands all over me. Why do I let him unravel me? It doesn't matter, anyway. The mob wants to use me to get to him... but he's not going to let that happen. And neither am I.

Beautiful Disaster

They created the game but eighteen year old Nicholas Grayson mastered the rules. They are young and entitled and utterly bored with their lives, so they play games to entertain themselves. They call it the "bet" and new girl Ellie Holbrook is their latest target. Ellie is not the kind of girl Nicholas dates, but she is pretty enough to be his next conquest and so he sets out to seduce her and claim a nice little prize at the end. But her seduction proves difficult when she openly rejects his advances. In his dogged pursuit of her he slowly finds himself in her small circle of trusted friends and meets her two year old daughter, Sophie. Life takes a startling turn for Nicholas when he realizes his happiness now lies with the young mother and her daughter. Falling in love with Ellie isn't something Nicholas ever thought could happen to him and he's completely frightened at how fiercely she makes him feel. But before he can further examine those emotions and clearly process them, enemies from Nicholas's personal circle of friends conspire to tear them apart and he must now decide whether their love is worth saving or allow his friends to take away the greatest thing that's ever happened to him.

For four years, Grace Sullivan wrote to a Marine she never met, and fell in love. But when his deployment ended, so did the letters. Ever since that day, Grace has been coasting, academically and emotionally. The one thing she's decided? No way is Noah Jackson - or any man - ever going to break her heart again. Noah has always known exactly what he wants out of life. Success. Stability. Control. That's why he joined the Marines and that's why he's fighting his way - literally - through college. Now that he's got the rest of his life on track, he has one last conquest: Grace Sullivan. But since he was the one who stopped writing, he knows that winning her back will be his biggest battle yet.

His Purrfect Mate

Shannon is a quarter puma but can't shift. She's just a human with a few extra genes. But she knows how dangerous shifters are, and now she's their prey, captured by a group of werewolves for a deadly hunt. Anton's body responds fervently to Shannon, and he vows to protect her with his life. Only to discover she's the enemy. But it's mating heat, and he's about to lose all control to that driving sexual need.

SECOND SIGHT AND SEDUCTION... Daniel Mackenzie lives up to the reputation of the scandalous Mackenzie family—he has wealth, looks, and talent, and women love him. When he meets Violet Bastien—one of the most famous spiritual mediums in England—he immediately knows two things: that Miss Bastien is a fraud, and that he's wildly attracted to her. Violet knows she can't really contact the other side, but she's excellent at reading people. She discerns quickly that Daniel is intelligent and dangerous to her reputation, but she also finds him generous, handsome, and outrageously wicked. But spectres from Violet's past threaten to destroy her, and she flees England, adopting yet another identity. Daniel is determined to find the elusive Violet and pursue the passion he feels for her. And though Violet knows that her scandalous past will keep her from proper marriage, her attraction to

Daniel is irresistible. It's not until Daniel is the only one she can turn to that he proves he believes in something more than cold facts. He believes in love.

The Wicked Deeds of Daniel Mackenzie

A year after her divorce from her manipulative, sweet-talking ex-husband, Yancy Stevens has settled into life as a single mother to her eighteen month old little girl. She enjoys her work, loves her daughter, and has wonderful girlfriends to lean on. While her life isn't perfect, she's finally back in control of it. There's just one problem: Charles Faulkner. Her new colleague in the office is arrogant and can't seem to remember her name. However, it's probably for the best that he's a jerk because he's also the most handsome man she's ever seen. If she didn't detest him, she would become a bumbling idiot every time they spoke. After a heated argument, his attitude toward her changes dramatically and sparks of a different sort begin to fly. Against her better judgment, Yancy takes the risk and gives Charles a chance. As she learns more about him, she truly wants to let go of her past, drop her defenses and try to trust him. It's a scary proposition for a woman who's learned the hard way, if something seems too good to be true, it probably is.

Earning Yancy

The twelfth-century French poet Chrétien de Troyes is a major figure in European literature. His courtly romances fathered the Arthurian tradition and influenced countless other poets in England as well as on the continent. Yet because of the difficulty of capturing his swift-moving style in translation, English-speaking audiences are largely unfamiliar with the pleasures of reading his poems. Now, for the first time, an experienced translator of medieval verse who is himself a poet provides a translation of Chrétien's major poem, *Yvain*, in verse that fully and satisfyingly captures the movement, the sense, and the spirit of the Old French original. *Yvain* is a courtly romance with a moral tenor; it is ironic and sometimes bawdy; the poetry is crisp and vivid. In addition, the psychological and the socio-historical perceptions of the poem are of profound literary and historical importance, for it evokes the emotions and the values of a flourishing, vibrant medieval past.

The St. James Encyclopedia Of Popular Culture, 2nd ed., updates and augments the over ten-year-old first edition. It includes 3,036 signed essays (300 of them new), alphabetically arranged, and written or reviewed by subject experts and edited to form a consistent, readable, and straightforward reference. The entries cover topics and persons in major areas of popular culture: film; music; print culture; social life; sports; television and radio; and art and performance (which include theater, dance, stand-up comedy, and other live performance). The entries analyze each topic or person's significance in and relevance to American popular culture; in addition to basic factual information, readers will gain perspective on the cultural context in which the topic or person has importance.

To uphold family honor and tradition, Sheetal Prasad is forced to forsake the man she loves and marry playboy millionaire Rakesh Dhanraj while the citizens of Raigun, India, watch in envy. On her wedding night, however, Sheetal quickly learns that the stranger she married is as cold as the marble floors of the Dhanraj mansion. Forced to smile at family members and cameras and pretend there's nothing wrong with her marriage, Sheetal begins to discover that the family she married into harbors secrets, lies and deceptions powerful enough to tear apart her world. With no one to rely on and no escape, Sheetal must ally with her husband in an attempt to protect her infant son from the tyranny of his family.

Duty and Desire Book Club Edition

JACK LONDON (1876-1916), American novelist, born in San Francisco, the son of an itinerant astrologer and a spiritualist mother. He grew up in poverty, scratching a living in various legal and illegal ways -robbing the oyster beds, working in a canning factory and a jute mill, serving aged 17 as a common sailor, and taking part in the Klondike gold rush of 1897. This various experience provided the material for his works, and made him a socialist. "The son of the Wolf" (1900), the first of his collections of tales, is based upon life in the Far North, as is the book that brought him recognition, "The Call of the Wild" (1903), which tells the story of the dog Buck, who, after his master's death, is lured back to the primitive world to lead a wolf pack. Many other tales of struggle, travel, and adventure followed, including

"The Sea-Wolf" (1904), "White Fang" (1906), "South Sea Tales" (1911), and "Jerry of the South Seas" (1917). One of London's most interesting novels is the semi-autobiographical "Martin Eden" (1909). He also wrote socialist treatises, autobiographical essays, and a good deal of journalism.

Moon-face and Other Stories

'KUMBA AFRICA', is a compilation of African Short Stories written as fiction by Sampson Ejike Odum, nostalgically taking our memory back several thousands of years ago in Africa, reminding us about our past heritage. It digs deep into the traditional life style of the Africans of old, their beliefs, their leadership, their courage, their culture, their wars, their defeat and their victories long before the emergence of the white man on the soil of Africa. As a talented writer of rich resource and superior creativity, armed with in-depth knowledge of different cultures and traditions in Africa, the Author throws light on the rich cultural heritage of the people of Africa when civilization was yet unknown to the people. The book reminds the readers that the Africans of old kept their pride and still enjoyed their own lives. They celebrated victories when wars were won, enjoyed their New Yam festivals and villages engaged themselves in seasonal wrestling contest etc; Early morning during harmattan season, they gathered firewood and made fire inside their small huts to hit up their bodies from the chilling cold of the harmattan. That was the Africa of old we will always remember. In Africa today, the story have changed. The people now enjoy civilized cultures made possible by the influence of the white man through his scientific and technological process. Yet there are some uncivilized places in Africa whose people haven't tested or felt the impact of civilization. These people still maintain their ancient traditions and culture. In everything, we believe that days when people paraded barefooted in Africa to the swamp to tap palm wine and fetch firewood from there farms are almost fading away. The huts are now gradually been replaced with houses built of blocks and beautiful roofs. Thanks to modern civilization. Donkeys and camels are no longer used for carrying heavy loads for merchants. They are now been replaced by heavy trucks and lorries. African traditional methods of healing are now been substituted by hospitals. In all these, I will always love and remember Africa, the home of my birth and must respect her cultures and traditions as an AFRICAN AUTHOR.

Kumba Africa

Lacey Benoit is in need of a fresh start. Her best friend, Dr. Zoe Millis, has been begging her to make the move from Maine to California. Taking a leap of faith, Lacey does just that. Living in San Diego definitely has its perks, such as, sunshine and beaches. The best part of moving to the west coast, however, is that Steven is still on the east coast. Catching your almost husband having sex with one of your bridesmaids on your wedding day would make even the strongest woman jaded. Therefore, Lacey has sworn off men for a while, especially men who travel a lot that have easy access to loose women. When Lacey meets the new enforcer for the San Diego Scorpions, she thinks she might be in trouble. But she is determined to fight her attraction to the sexy NHL hunk. And she is successful...for about a day.

The Enforcer

"Jacob (Yock) Bauman, a young member of an Amish community near Kitchener, Ontario, chafes at the strict (and, he believes, outmoded) beliefs of his elders, particularly those of his father, Christy. World War I is raging in Europe, and most of Canada's young men have gone off to fight with the British forces, but the Amish, because of their pacifist convictions, have refused to join the war effort. By deciding to enlist, Yock alienates himself not only from family and community, but also from the lovely Katie Brubacher, with whom he has fallen in love. When Yock returns from the war Katie has wed someone else and, ironically, the very acts of bravery which have made him a hero to the rest of Canada have made Yock a bloody-handed villain to his own people. Although the compassionate Katie offers to leave her husband and go off with him, Yock accepts his status as an outcast and departs alone, but not before admitting that, while standing over the body of a slain German soldier, the meaning of pacifism was, at last, powerfully revealed to him. In the end, Yock's stern father (now a bishop) is vindicated--but at the loss of the one he sought to save, his beloved and only son!"--Playdatabase.com

The Acne Prescription delivers a complete program that incorporates Dr. Perricone's trademark three-tiered approach (anti-inflammatory diet, targeted acne-fighting nutritional supplements, and breakthrough topical applications) that will help you clear your skin in a matter of days. Not only will you see impossible-to-ignore improvement in your skin, the program will help improve your body's overall health and appearance. And, Dr. Perricone will tell you what to do to treat the pitting and scarring that often affects adult acne sufferers. The Acne Prescription features dramatic before-and-after photos, rock-solid scientific background explications, and a day-by-day program of meals and exercises. And, Dr Perricone will dispel common medical myths regarding the causes and treatment of acne. By following the Perricone Program of diet, vitamins, topical applications, and exercise, you can dramatically reduce the appearance of blemishes and breakouts, and achieve a smoother look within three days You will look and feel better than you ever thought possible. Good health and beautiful skin – an unbeatable combination.

Charles Pettigrew, First Bishop-elect of the North Carolina Episcopal Church

I have a dog. An inconvenient dog. When I wake up, my dog is inconvenient. When I'm getting dressed, my dog is inconvenient. And when I'm making tunnels, my dog is SUPER inconvenient. But sometimes, an inconvenient dog can be big and warm and cuddly. Sometimes, an inconvenient dog can be the most comforting friend in the whole wide world.

The Easy Pit Boss Wood Pellet Grill And Smoker Cookbook

Through superfoods, nutritional supplements, and state-of-the-art topical applications, the "New York Times" bestselling author of "The Wrinkle Cure" presents an astonishing program to reverse the aging process, inside and out. Two four-color inserts.

The Acne Prescription

Imagine that you are living in a country that does not recognize you as a citizen in spite of the fact that your people have maintained a continuous existence there for several centuries. If that was not enough of a traumatic experience, consider that because of your racial, ethnic and religious identity other ethnic groups that are fighting the brutal military regime in your country for their self-determination and human rights consider you as "settlers" from a neighboring country. It must be your worst nightmare when you realize that half of your people (almost 2 million) have been forced to take asylum or refuge outside, and you may be the next in line to seek a way out of this living hell of xenophobia, discrimination, intolerance, racism and bigotry. The victims are the Rohingya people of Burma (Myanmar). Because of their religion, race, ethnicity, color and language they are the most discriminated and persecuted people in our planet. Some argue that they are also one of the most forgotten. The Myanmar military regime has denied their citizenship rights, claiming that they are illegal settlers from nearby Bangladesh who have moved into Arakan during the British occupation of Burma in the 19th century. Is there any truth to such allegations? Does the military junta apply the same litmus test against all ethnic and religious groups in matters of citizenship? What is the basis for a nation's claim to self-determination? Must a people wander in the wilderness for two millennia and suffer repeated persecution, humiliation and genocide to qualify? How about the rights of a minority community to survive with their culture and traditions intact? Do they need to be 'children' of a 'higher' God to qualify? What makes the children of a 'lesser' God to be forgotten and denied the same treatment and privilege that was granted hitherto to other nations? For much of its history, Burma has been ruled by military. As has once again been demonstrated recently they are brutal, savage and tyrannical. They have ignored people's verdict in the election and imprisoned leaders and workers of the democracy movement. They cannot be guarantors or protectors of human rights of anyone, let alone religious and ethnic minorities. Do you know that the Rohingyas - face cruel restriction on marriage and those married without government authorization are paraded naked on the streets? - Are restricted from traveling outside their villages? - Have no legal right to own land or property? - Are restricted from getting education, finding work, getting medical and health care? - Are subjected to land confiscation, forced eviction and destruction of homes, offices, schools, mosques, shops, etc., and face religious persecution on a daily basis? - Are victims of staged riots, forced starvation, arbitrary taxation, extortion, arrest, torture and extra-judicial killings? - Are forced to do slave labor for establishment of government infrastructure, new Buddhist settlements, pagodas and monasteries on evicted lands with the government intent of changing the landscape and demography of Arakan? - Are forced to convert to Buddhism &/or worship Buddha? Do you know that when it comes to the Rohingya people, the Burmese government doesn't uphold any of the Articles of the Universal Declaration of Human Rights? Nothing can excuse us from the criminal silence that we practice in not voicing our concern about the plight of the Rohingya people. "The Forgotten Rohingya" makes a strong case for mobilizing concerned citizens of our globe to ease their sufferings. The author analyzes origin of the Rohingya people and offers ideas to solve their problem. The author also discusses problems of xenophobia and racism, which are so rampant in this country of many races, ethnicities and religions. He also analyzes the role of Daw Suu Kyi and failure of Burma's orange revolution.

Almost all low- and middle-income postcolonial countries now use English or another dominant language as the medium of instruction for some, if not all, of the basic education cycle. Much of the literature about language-in-education in such countries has focused on the instrumentalist value of English, on one side, and the rights of learners to high quality mother tongue-based education, on the other. The polarised nature of the debate has tended to leave issues related to the processes of learning in English as a Medium Instruction (EMI) classrooms under-researched. This book aims to provide a greater understanding of the existing challenges for learners and educators and potential strategies that can support more effective teaching and learning in EMI classrooms. Contributions illustrate the impact that learning in English has on learners in a range of regional, national and local contexts and put forward theoretical and empirical analyses to support more relevant and inclusive educational policies. This volume was originally published as a special issue of *Comparative Education*.

Salvation

Warning: This erotica contains scenes and elements that may be disturbing to some readers. Please review the full content warning below. Jessica Martin is not a nice girl. As Prom Queen and Captain of the cheer squad, she'd ruled her school mercilessly, looking down her nose at everyone she deemed unworthy. The most unworthy of them all? The "freak," Manson Reed: her favorite victim. But a lot changes after high school. A freak like him never should have ended up at the same Halloween party as her. He never should have been able to beat her at a game of Drink or Dare. He never should have been able to humiliate her in front of everyone. Losing the game means taking the dare: a dare to serve Manson for the entire night as his slave. It's a dare that Jessica's pride - and curiosity - won't allow her to refuse. What ensues is a dark game of pleasure and pain, fear and desire. Is it only a game? Only revenge? Only a dare? Or is it something more? This book contains intense fantasy scenes of hard kinks/edgeplay, graphic sex, and harsh language. It is intended only for an adult audience. Beware: this is a dark, weird, kinky read. The activities depicted therein are dangerous and are not meant to be an example of realistic BDSM. Reader discretion is advised. Kinks/Fetishes within: erotic humiliation, fearplay, painplay, knifeplay, consensual non-consent (CNC), orgasm denial, boot worship, spanking, crying, blowjobs, clowns, group sexual activities, spit, bondage, public play, bloodplay.

English as a Medium of Instruction in Postcolonial Contexts

In a time when the Industrial Revolution has become an all-out war, mad science rules the world—with mixed success. In *Agatha H and the Siege of Mechanicsburg*, Agatha Heterodyne, the last of the Heterodyne family, has returned to her family's hereditary town with the might of the Wulfenbach Empire hot on her heels. The only thing holding off an outright attack is Gilgamesh Wulfenbach, the heir to the Empire, who has joined Agatha and her friends inside the great artificially intelligent fortress of Castle Heterodyne. Now they must race to repair the mechanisms that once allowed the Castle to defend Mechanicsburg, before the rest of Europa shows up to take all the revenge the mad Heterodynes of the past so richly earned. From the Hugo Award-winning *Girl Genius* online comics comes this fourth book in the Agatha H. series, and like the previous three books, it will engage you in a unique world of adventure, romance, and mad science!
