Section Three Exteriority in the Face

Preface

You Can See Here that the Piece of an Empire Is Now Which Issues War Rest on War and that Piece of that Empire Is Not Ultimately Going To Give Us a Fix Right We Have To Understand a Primordial and Original Relation of Course that Relation Is Primarily What He's GonNa Be Talking about Now We See Here a Sort of Moment Here Where Levin Oz Reveals His I Think His His Jewish Theological Side Right When He Talks about the Extraordinary Fella Prophetic Eschatology Our Eschatology Sometimes Think about in Theology Is a Question of What Happens in the End and It's It's It's the Way in Which in Eschatology in in the Jewish Religion the Notion of the Messiah

Everything under the Auspices of a Single Thesis You've Totalized that Which Is Other than You Right but Eschatology Provides a Clue for a Different Way of Thinking about these Relationships Right Eschatology Is a Relationship with the Surplus Always Exterior to the Totality Right because Wherever One Is in History the Eschatology Transcends It Right for Instance in Protestant Christian We Also See the Conception of Eschatology the Idea that Christ Will Return Right and So No Matter What Happens in History That S Comma S Khatallah Eschatological Point Is Always Transcendent to any Historical Understanding or Conceptually Hold Right So Eschatology Gives Us a Clue to a Transcendence beyond Totality Right and that's How I'm Understanding His Discussion Here Right and Ultimately It Goes to the Concept of Infinity
