Mark also hated the military and now spends his days in a life of sexual leisure, enjoying poetry and totally at peace with his fate. Dale settles in and finds not only does he enjoy this life, he loves Mark, too. Despite tragedy striking too close to home in their protected world, they find room to love their Master's newest pets, Cooper and Nate. When the war ends and the Terran pets are granted their freedom, the men are faced with a choice: return, or stay with the owner they've grown to love? ** A Siren Erotic Romance

Heart Song [True Blood Mate 1]

"Lose yourself: Swoon has wicked fun answering that age-old query: What do women want?"—Chicago Tribune Contrary to popular myth and dogma, the men who consistently beguile women belie the familiar stereotypes: satanic rake, alpha stud, slick player, Mr. Nice, or big-money mogul. As Betsy Prioleau, author of *Seductress*, points out in this surprising, insightful study, legendary ladies' men are a different, complex species altogether, often without looks or money. They fit no known template and possess a cache of powerful erotic secrets. With wit and erudition, Prioleau cuts through the cultural lore and reveals who these master lovers really are and the arts they practice to ensnare women. What she discovers is revolutionary. Using evidence from science, popular culture, fiction, anthropology, and history, and from interviews with colorful real-world ladykillers, Prioleau finds that great seducers share a constellation of unusual traits. While these men run the gamut, they radiate joie de vivre, intensity, and sex appeal; above all, they adore women. They listen, praise, amuse, and delight, and they know their way around the bedroom. And they've finessed the hardest part: locking in and revving desire. Women never tire of these fascinators and often, like Casanova's conquests, remain besotted for life. Finally, Prioleau takes stock of the contemporary culture and asks: where are the Casanovas of today? After a critique of the twenty-first-century sexual malaise—the gulf between the sexes and women's record

discontent—she compellingly argues that society needs ladies' men more than ever. Groundbreaking and provocative, *Swoon* is underpinned with sharp analysis, brilliant research, and served up with seductive verve.

Words You Should Know How to Spell

"MISHA I can't help but smile at the lyrics in her letter. She misses me. In fifth grade, my teacher set us up with pen pals from a different school. Thinking I was a girl, with a name like Misha, the other teacher paired me up with her student, Ryen. My teacher, believing Ryen was a boy like me, agreed. It didn't take long for us to figure out the mistake. And in no time at all, we were arguing about everything. The best take-out pizza. Android vs. iPhone. Whether or not Eminem is the greatest rapper ever... And that was the start. For the next seven years, it was us. Her letters are always on black paper with silver writing. Sometimes there's one a week or three in a day, but I need them. She's the only one who keeps me on track, talks me down, and accepts everything I am. We only had three rules. No social media, no phone numbers, no pictures. We had a good thing going. Why ruin it? Until I run across a photo of a girl online. Name's Ryen, loves Gallo's pizza, and worships her iPhone. What are the chances? F*ck it. I need to meet her. I just don't expect to hate what I find. RYEN He hasn't written in three months. Something's wrong. Did he die? Get arrested? Knowing Misha, neither would be a stretch. Without him around, I'm going crazy. I need to know someone is listening. It's my own fault. I should've gotten his phone number or picture or something. He could be gone forever. Or right under my nose, and I wouldn't even know it. *Punk 57 is a stand alone New Adult romance. It is suitable for ages 18+."--Amazon.com

His best friends, Vinny and Archie, insist the curvy redhead is the answer to all their problems. They fall too hard and too fast, and the last thing he wants is for Annalise to break their hearts. Annalise is hiding from her dark past, trying her best to make her own way in life. She can't refuse their attention, but her mind and heart are in disagreement. How can a menage a quatre ever work long term? And why would three of the hardest, sexiest cowboys settle for only one woman? It doesn't take long for hearts and tempers to burn hot on the ranch. Once they give into their passion, their foursome becomes an addiction. But can three dominant cowboys share the woman they love? Or will Annalise tear their friendship apart? #MFMM

The Bloody Chamber and Other Stories

WITH AN INTRODUCTION BY HELEN SIMPSON From familiar fairy tales and legends â€" Red Riding Hood, Bluebeard, Puss in Boots, Beauty and the Beast, vampires and werewolves â€" Angela Carter has created an absorbing collection of dark, sensual, fantastic stories.

The Voice in Cinema

Chion analyzes imaginative uses of the human voice by directors like Lang, Hitchcock, Ophuls, Duras, and de Palma.

The Optical Unconscious

The Optical Unconscious is a pointed protest against the official story of modernism and against the critical tradition that attempted to define modern art according to certain sacred commandments and self-fulfilling truths. The account of modernism presented here challenges the vaunted principle of "vision itself." And it is a very different story than we have ever read, not only because its insurgent plot and characters rise from below the calm surface of the known and law-like field of modernist painting, but because the voice is unlike anything we have heard before. Just as the artists of the optical unconscious assaulted the idea of autonomy and visual mastery, Rosalind Krauss abandons the historian's voice of objective detachment and forges a new style of writing in this book: art history that insinuates diary and art theory, and that has the gait and tone of fiction. The Optical Unconscious will be deeply vexing to modernism's standard-bearers, and to readers who have accepted the foundational principles on which their aesthetic is based. Krauss also gives us the story that Alfred Barr, Meyer Shapiro, and Clement Greenberg repressed, the story of a small, disparate group of artists who defied modernism's most cherished self-descriptions, giving rise to an unruly, disruptive force that persistently haunted the field of modernism from the 1920s to the 1950s and continues to disrupt it today. In order to understand why modernism had to repress the optical unconscious, Krauss eavesdrops on Roger Fry in the salons of Bloomsbury, and spies on the toddler John Ruskin as he amuses himself with the patterns of a rug; we find her in the living room of Clement Greenberg as he complains about "smart Jewish girls with their typewriters" in the 1960s, and in colloquy with Michael Fried about Frank Stella's love of baseball. Along the way, there are also narrative encounters with Freud, Jacques Lacan, Georges Bataille, Roger Caillois, Gilles Deleuze, and Jean-Fran ois Lyotard. To embody this optical unconscious, Krauss turns to the pages of Max Ernst's collage novels, to Marcel Duchamp's hypnotic Rotoreliefs, to Eva Hesse's luminous sculptures, and to Cy Twombly's, Andy Warhol's, and Robert Morris's scandalous decoding of Jackson Pollock's drip pictures as "Anti-Form." These artists introduced a new set of values into the field of twentieth-century art, offering ready-made images of obsessional fantasy in place of modernism's intentionality and unexamined compulsions.

The Moronic Inferno

At the age of ten, when Martin Amis spent a year in Princeton, New Jersey, he was excited and frightened by America. As an adult he has approached that confusing country from many arresting angles, and interviewed its literati, filmmakers, thinkers, opinion makers, leaders and crackpots with characteristic discernment and wit. Included in a gallery of Great American Novelists are Norman Mailer, Gore Vidal, Truman Capote, Joseph Heller, William Burroughs, Kurt Vonnegut, John Updike, Paul Theroux, Philip Roth and Saul Bellow. Amis also takes us to Dallas, where presidential candidate Ronald Reagan is attempting to liaise with born-again Christians. We glimpse the beau monde of Palm Beach, where each couple tries to out-Gatsby the other, and examine the case of Claus von Bulow. Steven Spielberg gets a visit, as does Brian de Palma, whom Amis asks why his films make no sense, and Hugh Hefner's sybaritic fortress and sanitised image are penetrated. There can be little that escapes the eye of Martin Amis when his curiosity leads him to a subject, and America has found in him a superlative chronicler.

First Footsteps in East Africa, Or, An Exploration of Harar

Hal Wallis (1898-1986) might not be as well known as David O. Selznick or Samuel Goldwyn, but the films he produced—Casablanca, Jezebel, Now, Voyager, The Life of Emile Zola, Becket, True Grit, and many other classics (as well as scores of Elvis movies)—have certainly endured. As producer of numerous films, Wallis made an indelible mark on the course of America's film industry, but his contributions are often overlooked. Bernard Dick offers the first comprehensive assessment of the

producer's incredible career. A former office boy and salesman, Wallis first engaged with the film business as the manager of a Los Angeles movie theater in 1922. He attracted the notice of the Warner brothers, who hired him as a publicity assistant. Within three months he was director of the department, and appointments to studio manager and production executive quickly followed. Wallis went on to oversee dozens of productions and formed his own production company in 1944. Dick draws on numerous sources such as Wallis's personal production files and exclusive interviews with many of his contemporaries to finally tell the full story of his illustrious career. Dick combines his knowledge of behind-the-scenes Hollywood with fascinating anecdotes to create a portrait of one of Hollywood's early power players.

'Dazzling...Pinker's big idea is that language is an instinct...as innate to us as flying is to geese...Words can hardly do justice to the superlative range and liveliness of Pinker's investigations' - Independent
'A marvellously readable book...illuminates every facet of human language: its biological origin, its uniqueness to humanity, its acquisition by children, its grammatical structure, the production and perception of speech, the pathology of language disorders and the unstoppable evolution of languages and dialects' - Nature

The Language Instinct

A MAN WHO CAN WEAR ANY FACE Caro Yeats doesn't run from much. As a former investigative reporter now working PR for Toronto's supernaturals, what she hasn't seen mostly isn't worth seeing. But the assignment to "rebrand" Eric Kelton's out-of-control alter egos has her on edge from the start. Kelton is the heirarch of the Masquerada, beings able to change their face—their entire persona—on a whim. Eric's charisma muddles her instincts. How can she trust a man who can become anybody? A WOMAN WITHOUT A PASTERic has never met anyone like Caro, with her lightning wit and uncanny insight. But desirable as she is, he'd be a fool to let her near. Struggling to hide the sudden loss of his powers, Eric can't risk becoming entangled with a woman who scorns her supernatural side and claims not to play politics. The enemies on her trail are strong, clever, and vicious. And when they force Eric and Caro together, the fallout could shatter far more than two hearts . . .

Masked Possession

Michel de Certeau considers the uses to which social representation and modes of social behavior are put by individuals and groups, describing the tactics available to the common man for reclaiming his own autonomy from the all-pervasive forces of commerce, politics, and culture. In exploring the public meaning of ingeniously defended private meanings, de Certeau draws on an immense theoretical literature in analytic philosophy, linguistics, sociology, semiology, and anthropology--to speak of an apposite use of imaginative literature.

Character Sketches of Romance, Fiction and the Drama

With the skills of a playwright, the vision of a producer, and the wisdom of an experienced teacher, David Rush offers a fresh and innovative guide to interpreting drama in *A Student Guide to Play Analysis*, the first undergraduate teaching tool to address postmodern drama in addition to classic and modern. Covering a wide gamut of texts and genres, this far-reaching and user-friendly volume is easily paired with most anthologies of plays and is accessible even to those without a literary background. Contending that there are no right or wrong answers in play analysis, Rush emphasizes the importance of students developing insights of their own. The process is twofold: understand the critical terms that are used to define various parts and then apply these to a particular play. Rush clarifies the concepts of plot, character, and language, advancing Aristotle's concept of the Four Causes as a method for approaching a play through various critical windows. He describes the essential difference between a story and a play, outlines four ways of looking at plays, and then takes up the typical structural devices of a well-made play, four primary genres and their hybrids, and numerous styles, from expressionism to postmodernism. For each subject, he defines critical norms and analyzes plays common to the canon. *A Student Guide to Play Analysis* draws on thoughtful examinations of such dramas as *The Cherry Orchard*, *The Good Woman of Setzuan*, *Fences*, *The Little Foxes*, *A Doll House*, *The Glass Menagerie*, and *The Emperor Jones*. Each chapter ends with a list of questions that will guide students in further study.

The World of William Clissold

Oh, gosh! exclaimed Margaret, recovering herself. "Don't you go thinking he's as good as all that. From what he was telling me at breakfast the other day, he used to make the round trip to purgatory every night or so, --only he said it was paradise. Keep your old brandy. He wouldn't like it anyway. Not him! He says he's swallered enough champagne to float the whole American Navy."

Siren in the City

From a beloved master of crime fiction, *Nightmare in Pink* is one of many classic novels featuring Travis McGee, the hard-boiled detective who lives on a houseboat. Travis McGee's permanent address is the Busted Flush, Slip F-18, Bahia Mar, Lauderdale, and there isn't a hell of a lot that compels him to leave it. Except maybe a call from an old army buddy who needs a favor. If it wasn't for him, McGee might not be alive. For that kind of friend, Travis McGee will travel almost anywhere, even New York City. Especially when there's a damsel in distress. "As a young writer, all I ever wanted was to touch readers as powerfully as John D. MacDonald touched me."—Dean Koontz The damsel in question is his old friend's kid sister, whose fiancé has just been murdered in what the authorities claim was a standard Manhattan mugging. But Nina knows better. Her soon-to-be husband had been digging around, finding scum and scandal at his real estate investment firm. And this scum will go to any lengths to make sure their secrets don't get out. Travis is determined to get to the bottom of things, but just as he's closing in on the truth, he finds himself drugged and taken captive. If he's being locked up in a mental institution with a steady stream of drugs siphoned into his body, how can Travis keep his promise to his old friend? More important, how can he get himself out alive? Features a new Introduction by Lee Child

Getting Married

Leopold von Sacher-Masoch was born in Lemberg, Austrian Galicia, on January 27, 1836. He studied jurisprudence at Prague and Graz, and in 1857 became a teacher at the latter university. He published several historical works, but soon gave up his academic career to devote himself wholly to literature. For a number of years he edited the international review, *Auf der Höhe*, at Leipzig, but later removed to

Paris, for he was always strongly Francophile. His last years he spent at Lindheim in Hesse, Germany, where he died on March 9, 1895. In 1873 he married Aurora von Rumelin, who wrote a number of novels under the pseudonym of Wanda von Dunajew, which it is interesting to note is the name of the heroine of *Venus in Furs*. Her sensational memoirs which have been the cause of considerable controversy were published in 1906. During his career as writer an endless number of works poured from Sacher-Masoch's pen. Many of these were works of ephemeral journalism, and some of them unfortunately pure sensationalism, for economic necessity forced him to turn his pen to unworthy ends. There is, however, a residue among his works which has a distinct literary and even greater psychological value. His principal literary ambition was never completely fulfilled. It was a somewhat programmatic plan to give a picture of contemporary life in all its various aspects and interrelations under the general title of the *Heritage of Cain*. This idea was probably derived from Balzac's *Comedie Humaine*. The whole was to be divided into six subdivisions with the general titles *Love, Property, Money, The State, War, and Death*. Each of these divisions in its turn consisted of six novels, of which the last was intended to summarize the author's conclusions and to present his solution for the problems set in the others. This extensive plan remained unachieved, and only the first two parts, *Love and Property*, were completed. Of the other sections only fragments remain. The present novel, *Venus in Furs*, forms the fifth in the series, *Love*.

A Student Guide to Play Analysis

Despite the relevance of Eustathios to both Classical and Byzantine studies, no monograph and no collective volume in English has yet been devoted to his figure. This book attempts to fill in this gap by addressing the various facets of his output - above all his commentaries on Homer, Dionysius the Periegete, Pindar, and the Iambic Canon on the Pentecost; but also his historiographical work, his speeches and his theological production receive due attention. The book also tackles several aspects of Eustathios' style (proverbs, allusions, etc.), and the meaning of his work in the context of his historical moment. Addressed at specialists but also at graduate students with an interest in the reception of Classical antiquity and in Byzantine civilisation, the volume gathers papers by leading scholars from various countries, and it opens up new paths of research in several areas of philology and history, above all by interweaving and juxtaposing Eustathios' dimension as an Homerist and an immensely learned classical scholar with his capacities as an orator, a highly praised teacher, a rhetorically refined writer of Greek prose, an historian of his own turbulent times, and an archbishop who had to fulfil his everyday duties.

Quill's Window

Fags, Hags and Queer Sisters is a provocative account of the importance of women and cross-gender identification in gay male culture. It offers a range of cultural readings from Tennessee Williams's classic *A Streetcar Named Desire* and Forster's 'gay' novel *Maurice* through Pulp Fiction, queer lifestyle magazines, Roseanne, slash fan fiction and Jarman's *Edward II* to Almodovar's camp classic *Women on the Verge of a Nervous Breakdown*. Theoretically sophisticated, yet passionate, accessible and opinionated, *Fags, Hags and Queer Sisters* takes issue with many of the sacred cows of contemporary gay politics, and offers a number of new concepts in lesbian and gay theory.

Venus in Furs

Blackstar Theory takes a close look at David Bowie's ambitious last works: his surprise 'comeback' project *The Next Day* (2013), the off-Broadway musical *Lazarus* (2015) and the album that preceded the artist's death in 2016 by two days, *Blackstar*. The book explores the swirl of themes that orbit and entangle these projects from a starting point in musical analysis and features new interviews with key collaborators from the period: producer Tony Visconti, graphic designer Jonathan Barnbrook, musical director Henry Hey, saxophonist Donny McCaslin and assistant sound engineer Erin Tonkon. These works tackle the biggest of ideas: identity, creativity, chaos, transience and immortality. They enact a process of individuation for the Bowie meta-persona and invite us to consider what happens when a star dies. In our universe, dying stars do not disappear - they transform into new stellar objects, remnants and gravitational forces. The radical potential of the Blackstar is demonstrated in the rock star supernova that creates a singularity resulting in cultural iconicity. It is how a man approaching his own death can create art that illuminates the immortal potential of all matter in the known universe.

A Rolling Stone-Kirkus Best Music Book of 2020 The definitive account of pop music in the mid-eighties, from Prince and Madonna to the underground hip-hop, indie rock, and club scenes Everybody knows the hits of 1984 - pop music's greatest year. From "Thriller" to "Purple Rain," "Hello" to "Against All Odds," "What's Love Got to Do with It" to "Wake Me Up Before You Go-Go," these iconic songs continue to dominate advertising, karaoke nights, and the soundtracks for film classics (*Boogie Nights*) and TV hits (*Stranger Things*). But the story of that thrilling, turbulent time, an era when Top 40 radio was both the leading edge of popular culture and a moral battleground, has never been told with the full detail it deserves - until now. *Can't Slow Down* is the definitive portrait of the exploding world of mid-eighties pop and the time it defined, from Cold War anxiety to the home-computer revolution. Big acts like Michael Jackson (*Thriller*), Prince (*Purple Rain*), Madonna (*Like a Virgin*), Bruce Springsteen (*Born in the U.S.A.*), and George Michael (*Wham!'s Make It Big*) rubbed shoulders with the stars of the fermenting scenes of hip-hop, indie rock, and club music. Rigorously researched, mapping the entire terrain of American pop, with crucial side trips to the UK and Jamaica, from the biz to the stars to the upstarts and beyond, *Can't Slow Down* is a vivid journey to the very moment when pop was remaking itself, and the culture at large - one hit at a time.
