"Liaozhai" Strange Tales from a Chinese Lonely Studio (Complete Translation)

Liaozhai Zhiyi (Liaozhai; Chinese: 聊齋志異) is a collection of English Strange Tales from a Chinese Lonely Studio is a collection of Classical Chinese stories by Pu Songling comprising close to five hundred "marvel tales" in the zhiguai and chuanqi styles which serve to implicitly criticise societal issues then. Dating back to the Qing dynasty, its earliest publication date is given as 1740. Since then, many of the critically lauded stories have been adapted for other media such as film and television. The main characters of this book apparently are ghosts, foxes, immortals and demons, but the author focused on the everyday life of commoners. He used the supernatural and the unexplainable to illustrate his ideas of society and government. He criticized the corruption and injustice in society and sympathized with the poor. The book is complete translation of all volumes (Vol. 1 to 12) of Liaozhai.

Chinese Ghost Stories - Strange Stories from a Chinese Studio

Chinese Ghost Stories - Strange Stories from a Chinese Studio, is a collection of 164 Classical Chinese stories compiled by Pu Songling. These hair-raising tales focus on the everyday life of commoners and their interaction ghosts, fox spirits, immortals, demons and other spirits. Pu Songling used the supernatural and the unexplainable to illustrate his ideas of society and government. Through the stories he criticized the corruption and injustice in society and sympathized with the poor. With the embedded Confucian-styled moral standards and Taoist principles this collection of supernatural stories. Dating back to the Qing dynasty, its earliest publication date is given as 1740. Since then, many of the critically lauded stories have been adapted for other media such as film and television. Long considered of true classic of Chinese literature, this second edition of Herbert Giles translation, with over 600 footnotes of backstory, provides a fascinating glimpse into the daily life of the Chinese in the time period, while tantalizing the reader with tales of the supernatural.

Chinese Ghost and Love Stories

Strange Stories from a Chinese Studio or *Liaozhai Zhiyi* (also *Strange Tales from a Chinese Studio* or *Strange Tales of Liaozhai*) is a collection of nearly 500 mostly supernatural tales written by Pu Songling in Classical Chinese during the early Qing dynasty. The stories differ broadly in length, with the shortest under a page long. Many are classified as *Chuangi*, or *Zhiquai*, sometimes translated as "marvel tales".

Strange Stories from a Chinese Studio

Act as miniatures that aim to be regarded as the pinnacle of classical Chinese fiction. These tales with their prose and wordplay, include 104 stories that reveal a world, in which nothing is as it seems. Here a Taoist monk conjures up a pear tree, a scholar recounts his incarnations, and a woman out-foxes the fox-spirit that possesses her.

Chinese Ghost & Love Stories

Classic Chinese Love Tales includes some of the best classics from China. Written in a graceful and beautiful style, each story evokes images of overcoming love's obstacles, passion, and the endurance of tragedy. These stories are exceptional in literary merit. Classic Chinese Love Tales is an intoxicating collection of tales of romance, desire, customs, and erotic virtues from mysterious China! This collection of seventeenth century classic Chinese literature includes beautiful stories such as Tu Shih-Niang-Beautiful Courtesan, The Wedding of Ya-Nei, A Strange Destiny, The Error of The Embroidered Slipper, The Counterfeit Old Woman, The Monastery of the Esteemed-Lotus, and A Complicated Marriage.

Chinese Ghost & Love Stories

Strange Stories from the Lodge of Leisures gathers twenty-five stories from Pu Songling's collection of more than four hundred short stories—exquisitely amusing miniatures that are regarded as the pinnacle of classical Chinese fiction. His work departed from the prevailing literary fashion that was dominated by more realistic stories written in the colloquial language. Pu instead wrote his stories in the classical idiom, freely adopting forms and themes from the old “marvel tales” of the Tang and Song dynasties. Although Pu lived and died as an obscure provincial schoolteacher, his work gained fame when it was first printed in 1766, some fifty years after his death, inspiring many imitations and creating a new vogue for classical stories. His tales have not only spawned translations, adaptations, and sequels, but have also inspired world-renowned writers such as Franz Kafka, Lafcadio Hearn, Jorge Luis Borges, and Mo Yan. Pu's tales are populated with ghosts, foxes, immortals, and demons, but he focused on the everyday life of commoners. He used the supernatural and the unexplainable to illustrate his ideas of society and government, to criticize the corruption and injustice in society, and sympathized with the poor. Pu is concerned with four main themes: the skewed feudal system, the corrupt examination system of his day, the love between poor scholars and powerless women, and reforming bad behavior. He embedded Confucian-styled moral standards and Taoist principles into parables but the enduring genius of his writing is that it never fails to entertain even as it aims to enlighten.

Classic Chinese Love Stories

Excerpt from Some Chinese Ghosts By the labors of linguists like Julien, Pavie, Remusat, De Rosny, Schlegel, Legge, hervey-saint-denys, Williams. Biot, Giles, Wylie, Beal, and many other Sinologists. TO such great explorers, indeed, the realm of Cathayan story belongs by right of discovery and conquest; yet the humbler traveller who follows wonderingly after them into the vast and mysterious pleasure-grounds of Chinese fancy may surely be permitted to cull a few of the marvellous flowers there growing, a self-luminous hwa wang, a black lily, a phosphoric rose or two, - as souvenirs of his curious voyage. Strange Stories from the Lodge of Leisures

Exquisite and amusing miniatures regarded as the pinnacle of classical Chinese fiction. With their elegant prose, witty wordplay and subtle charm, the 104 stories in this selection from *The Strange Tales of Pu Songling* (1640-1715) reveal a world in which nothing is as it seems. Here a Taoist monk conjures up a magical pear tree, a scholar recounts his previous incarnations, a woman out-foxes the fox-spirit that possesses her, a child bride gives birth to a thimble-sized baby, a ghostly city appears out of nowhere and a heartless daughter-in-law is turned into a pig. In his tales of humans coupling with shape-shifting spirits, bizarre phenomena, haunted buildings and enchanted objects, Pu Songling pushes back the boundaries of human experience and enlightens as he entertains. Some Chinese Ghosts (Classic Reprint)

Excerpt from *Some Chinese Ghosts* I think that my best apology for the insignificant size of this volume is the very character of the material composing it. In preparing the legends I sought especially for weird beauty; and I could not forget this striking observation in Sir Walter Scott's "Essay on Imitations of the Ancient Ballad": "The supernatural, though appealing to certain powerful emotions very widely and deeply sown amongst the human race, is, nevertheless, a spring which is peculiarly apt to lose its elasticity by being too much pressed upon." Strange Stories from a Chinese Studio

Strange Tales from a Chinese Studio is a famous collection of about 500 short stories by Pu Songling (1640 - 1715), a writer of the Qing Dynasty. Fifty-one stories are selected for this English edition. These stories cover a wide range of subjects, such as werewolves and fish spirits and ghosts and monsters that are personified. Like human beings, they have feelings of good and evil, beauty and ugliness, love and hatred as well as happiness and discontent. These mystical stories reflect the social life of the time in which they were written. Living under a feudal monarchy, the writer had to criticize the unfairness of the feudal system and express his indignation by writing of fox spirits and monsters. Although most of these stories are progressive and written with a critical slant, some of them still have ideas of feudal superstition and fatalism. The stories in Strange Tales from a Chinese Studio are written in simple and straightforward language, but they are highly structured with complicated plots that often employ the technique of combining illusion with reality. Some of these stories are based on popular folk legends and thus have a plain, folksy style. The ideological and artistic achievements of Strange Tales from a Chinese Studio have greatly influenced later novels and operas.
