Nearer My God to Thee

Nearer My God to Thee examines the full story of the army chaplains who accompanied the airborne forces to all theatres of war between 1942-1945. The chaplains landed with their troops, by parachute and on gliders, mainly behind enemy lines, and shared the dangers and challenges of operations from North Africa, through Sicily, Italy, D-Day and Arnhem to the crossing of the Rhine. In the front line of allied action, the chaplains ministered to their men spiritually and materially, performing acts of courage, aiding medical staff, taking services in difficult circumstance and burying the dead. The book examines the role of the chaplains and their differing experiences. At least two died defending the wounded at dressing stations, several took over leadership of the men in the chaos of battle. At Arnhem chaplains became prisoners of war as they stayed to look after wounded when the allied troops retreated over the Rhine. Chaplains were present with the SAS in North Africa and in France. The book uses hitherto unpublished material including first-hand accounts and letters to tell the dramatic stories of individuals and the multi-faceted work of the airborne chaplains as a whole. Their story is an important part of the narrative of airborne forces in the Second World War.

His Roman-Catholic faith has been an enduring part of the life and personality of William Buckley, Jr. Now, for the first time since his ground breaking *God and the Man* at Yale he has written a book about faith--his own. *Nearer, My God, An Autobiography of Faith* is William Buckley's superbly written story of his life seen through his abiding love for the Catholic Church, a love instilled in him from childhood. He reminisces about his school days in England, his family, the affect the Lunn/Knox dialogue had on him, and examines many aspects of Catholicism and its theology, doctrine and liturgy and on the way discourses about Lourdes, the vernacular mass, the Church and the State, the Crucifixion, the priesthood, contraception as well as the many people who have assisted him on his life's journey. A remarkable, revealing book about one man and his faith.

Excerpt from *Nearer My God to Thee: Its Origin and Its Romance* Mrs. Adams died in 1848, at the age of forty-three, two years after the death of her sister Eliza, who died unmarried, at the same age. Many and interesting are the stories told in connection with the usefulness of this hymn, which has been an inspiration wherever the Christian religion has gone. It is a special favourite of Miss Helen Gould, whose sweet winsomeness and noble charity have made her one of the best loved women of our land. Excerpt from *Nearer, My God, to Thee* Contributed it (with others) to a small collection made for a chapel in London. A copy of this collection found its way to Pittsburg, Pa., and Dr. Clarke took *Nearer, My God, to Thee* for the Service Book. From this it was taken for the Plymouth Collection, and in a short time was added to nearly all hymnbooks. It is sung to the tune of Bethany, not only in the churches of England and America, but on the continent of Europe and at all missionary stations, for there is not a language into which it has not been translated. Mrs. Adams did not live to see its popularity, dying of consumption a few years after writing it. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Nearer, My God, to Thee

The first critical analysis of the Titanic as modern myth, this book focuses on the second of the two Titanics . The first was the physical Titanic , the rusting remains of which can still be found twelve thousand feet below the north Atlantic. The second is the mythical Titanic which emerged just as its tangible predecessor slipped from view on 15 April 1912. It is the second of the two Titanics which remains the more interesting and which continues to carry cultural resonances today. The Myth of the Titanic begins with the launching of the 'unsinkable ship' and ends with the outbreak of the 'war to end all wars'. It provides an insight into the particular culture of late-Edwardian Britain and beyond this draws far greater conclusions about the complex relationship between myth, history, popular culture and society as a whole.

Excerpt from An Historical and Biographical Sketch of the Hymn "Nearer My God to Thee" Its Author, and the Poet Robert Browning's Relation to Its Composition In Christ my soul shall be Nearest my God to Thee, Nearest to Thee. The Rev. Dr. Whitley \calls attention to The fact that the Trus tees were not satisfied with the hymn, as Miss Sarah Flower wrote it, and asked the Editor to write a final verse, but I am glad to say that our standard book, the 'baptist Church Hymnal, ' ignores the addition.
