Sideshow

This is the astonishing account of America's secret and illegal war against Cambodia from 1969 to 1973.

Sideshow

In this second volume of Henry Kissinger's "endlessly fascinating memoirs" (The New York Times), Kissinger recounts his years as President Nixon's Secretary of State from 1972 to 1974, including the ending of the Vietnam War, the 1973 Middle East War and oil embargo, Watergate, and Nixon's resignation. This second volume of Henry Kissinger's monumental memoirs covers his years as President Richard Nixon's Secretary of State (1972–1974), including the ending of the Vietnam War, the 1973 Middle East War and oil embargo, Watergate, and Nixon's resignation. Years of Upheaval opens with Dr. Kissinger being appointed Secretary of State. Among other events of these turbulent years that he recounts are his trip to Hanoi after the Vietnam cease-fire, his efforts to settle the war in Cambodia, the "Year of Europe," two Nixon-Brezhnev summit meetings and the controversies over arms control and détente, the military alert and showdown with the Soviet Union over the Middle East war, the subsequent oil crisis, the origins of shuttle diplomacy in the Middle East, the fall of Salvador Allende in Chile, and the tumultuous events surrounding Nixon's resignation. Throughout are candid appraisals of world leaders, including Nixon, Golda Meir, Anwar Sadat, King Faisal, Hafez al-Asad, Chairman Mao, Leonid Brezhnev, Willy Brandt, Helmut Schmidt, Georges Pompidou, and many more. At once illuminating, fascinating, and profound, Years of Upheaval is a lasting contribution to the history of our time by one of its chief protagonists.

Sideshow

Portraits of eight presidents illuminate the pursuit of empire.

Years of Upheaval

This book offers an original interpretation of the effect of legislative-executive relations on the war in Indochina and proposes a number of methods that might be used to build widespread support for American foreign policy.

Lying for Empire

This book will be the first systematic examination of the role that ethics plays in international security in both theory and practice, and offers the reader a concrete ethics for global security. Questions of morality and ethics have long been central to global security, from the death camps, world wars and H-bombs of the 20th century, to the humanitarian missions, tsunamis, terrorism and refugees of the 21st. This book goes beyond the Just War tradition to demonstrate how ethical commitments influence security theory, policy and international law, across a range of pressing global challenges. The book highlights how, from patrolling a territorial border to maintaining armed forces, security practices have important ethical implications, by excluding some from consideration, presenting others as potential threats and exposing them to harm, and licensing particular actions. While many scholars and practitioners of security claim little interest in ethics, ethics clearly has an interest in them. This innovative book extends the traditional agenda of war and peace to consider the ethics of force short of war such as sanctions, deterrence, terrorism, targeted killing, and torture, and the ethical implications of new security concerns such as identity, gender, humanitarianism, the responsibility to protect, and the global ecology. It advances a concrete ethics for an era of global threats, and makes a case for a cosmopolitan approach to the theory and practice of security that could inspire a more just, stable and inclusive global order. This book fills an important gap in the literature and will be of much interest to students of ethics, security studies and international relations.

Congress and the Fall of South Vietnam and Cambodia

This guidebook is an outgrowth of a 1991 conference on "Teaching about Genocide on the College Level." The book is designed as an introduction to the subject of genocide to encourage more teachers to develop new courses and/or integrate aspects of the history of genocide into the curriculum. The book is divided into two parts. Part 1, "Assumptions and Issues," contains the essays: (1) "The Uniqueness and Universality of the Holocaust" (Michael Berenbaum); (2) "Teaching about Genocide in an Age of Genocide" (Helen Fein); (3) "Presuppositions and Issues about Genocide" (Frank Chalk); and (4) "Moral Education and Teaching" (Mary Johnson). Part 2, "Course Syllabi and Assignments," contains materials on selected subject areas, such as anthropology, history, history/sociology, literature, political science, psychology, and sociology. Materials include: "Teaching about Genocide" (Joyce Freedman-Apsel); (2) "Destruction and Survival of Indigenous Societies" (Hilda Kuper); (3) "Genocide in History" (Clive Foss); (4) "History of Twentieth Century Genocide" (Joyce Freedman-Apsel); (5) "Comparative Study of Genocide" (Richard Hovannisian); (6) "The History and Sociology of Genocide" (Frank Chalk; Kurt Jonassohn); (7) "Literature of the Holocaust and Genocide" (Thomas Klein); (8) "Government Repression and Democide" (R. J. Rummel); (9) "Human Destructiveness and Politics" (Roger Smith); (10) "The Politics of Genocide" (Colin Tatz); (11) "Genocide and 'Constructive' Survival" (Ron Baker); (12) "Kindness and Cruelty: The Psychology of Good and Evil" (Ervin Staub); (13) "Genocide and Ethnocide" (Rhoda Howard); (14) "The Comparative Study of Genocide" (Leo Kuper); (15) "Moral Consciousness and Social Action" (Margi Nowak); and (16) "Selected List of Comparative Studies on Genocide" (Helen Fein). (EH)

Cambodia and the International Community

In this concise and compelling history, Cambodia's past is described in vivid detail, from the richness of the Angkorean empire through the dark ages of the 18th and early-19th centuries, French colonialism, independence, the Vietnamese conflict, the Pol Pot regime, and its current incarnation as a troubled democracy. With energetic writing and passion for the subject, John Tully covers the full sweep of Cambodian history, explaining why this land of contrasts remains an interesting enigma to the international community. Detailing the depressing record of war, famine, and invasion that ha.

Credences

An intellectual dissection of the modern media to show how an underlying economics of publishing warps the news.

Ethics and Global Security

Packed full of insightful stories from Springsteen's long career, *Bruce Springsteen: The Stories Behind the Songs* takes a detailed look at each and every one of Springsteen's album tracks, providing a unique look at this rock legend's method, as well as some of the many anecdotes and tales that are prolific in his long music history. Deeply researched, laced with insight from decades of fandom and original reporting, this book is an exhaustive and unique look at the writing, recording and significance of Springsteen's singular catalog of songs. Each album is discussed and then each song is examined in terms of lyrical meaning, placing in historical context where necessary or relevant. It's the first book to cover every officially released track, from hits to obscurities, from 1974's *Greetings From Asbury Park, N.J.* to 2014's *High Hopes*.

The Meaning of History

NSC 68 and the Political Economy of the Early Cold War re-examines the origins and implementation of NSC 68, the massive rearmament program that the United States embarked upon beginning in the summer of 1950. Curt Cardwell reinterprets the origins of NSC 68 to demonstrate that the aim of the program was less about containing communism than ensuring the survival of the nascent postwar global economy, upon which rested postwar US prosperity. The book challenges most studies on NSC 68 as a document of geostrategy and argues instead that it is more correctly understood as a document rooted in concerns for the US domestic political economy.

Kissinger and the Meaning of History

The focus of this book is to examine the growing impact of globalization on education policy and development in the Asia Pacific region. It analyses the reaction of selected societies and the strategies that their governments have adopted in response to the tidal wave of marketization, corporization, commercialization and privatization. Particular attention is paid to educational restructuring in the context of globalization.

Teaching about Genocide

An examination of geography's critical effects on battles throughout the ages

A Short History of Cambodia

Provides a social history of how the CIA used the psychedelic drug LSD as a tool of espionage during the early 1950s and tested it on U.S. citizens before it spread into popular culture, in particular the counterculture as represented by Timothy Leary, Allen Ginsberg, Ken Kesey, and others who helped spawn political and social upheaval.

Manufacturing Consent

"In a kaleidoscopic narrative ... bestselling author David Talbot tells the gripping story of San Francisco in the turbulent years between 1967 and 1982--and of the extraordinary men and women who led to the city's ultimate rebirth and triumph."--P. [4] of cover.

Bruce Springsteen

When the Khmer Rouge troops entered Phnom Penh on 17th April 1975, it seemed that the Cambodian revolution had been secured. During the following four years, Cambodian society was dramatically transformed at great cost in terms of human misery and death. Despite its outward display of total power, the regime of Democratic Kampuchea was deeply fragmented along factional lines within the Communist Party of Kampuchea which eventually ripped it apart. On the morning of 25th December 1978, a huge military force of the People's Army of Vietnam spearheaded a counter attack by the Kampuchean Front for National Salvation, led by a former KR commander, Heng Samrin. They found a country in ruins, the economy shattered and the people shocked and dispirited. This book examines the Cambodian revolution before and after Pol Pot and attempts to explain the reasons for its ultimate

failure. In particular, it traces the efforts of the post-DK regime, that of the People's Republic of Kampuchea, to rebuild both the state and the revolution. Many factors intervened to defeat their efforts to restore revolution. Nevertheless, the PRK did rebuild the state and the economy, and it helped return people's lives to the conditions of pre-revolutionary days.

Books in Print Supplement

This edition of Ben Kiernan's account of the Cambodian revolution and genocide includes a new preface that takes the story up to 2008 and the UN-sponsored Khmer Rouge tribunal. Kiernan's other books include 'Blood and Soil: A World History of Genocide and Extermination from Sparta to Darfur' and 'How Pol Pot Came to Power'.

NSC 68 and the Political Economy of the Early Cold War

The truth about the remaining dark secret of the Iran-Contra scandal- the United States government's collaboration with drug smugglers. Powderburns is the story of Celerino Castillo III who spent 12 years in the Drug Enforcement Administration. During that time, he built cases against organized drug rings in Manhattan, raided jungle cocaine labs in the Amazon, conducted aerial eradication operations in Guatemala, and assembled and trained anti-narcotics units in several countries. The eerie climax of Agent Castillo's career with the DEA took place in El Salvador. One day, he recieved a cable from a fellow agent. He was told to investigate possible drug smuggling by Nicaraguan Contras operating from the ilpango air force base. Castillo quickly discovered that Contra pilots were, indeed, smuggling narcotics back into the United States - using the same pilots, planes, and hangars that the Central Intelligence Agency and the National Security Council, under the Direction of Lt. Col. Oliver North, used to maintain their covert supply operation to the Contras.

Globalization and Educational Restructuring in the Asia Pacific Region

On the last days of Osho, 1931-1990, in U.S.A. and India.

Crossword Lists

"Excellent and absorbing.... Indispensable to any attempt to understand the Khmer Rouge." -William Shawcross New York Review of Books "A dramatic account of Pol Pot's rise to power in 1975 and his direction of Cambodia's autogenocide.... David Chandler has given us an absorbing and authoritative portrait of Brother Number One and a fascinating insight into Cambodia's cruel history." —Frederick Z. Brown New York Times Book Review "This first biography of Pol Pot is valuable not just for what it tells us about Cambodia's past, but for helping us understand the present and perhaps predict the future.... Superbly written, pioneering work. Chandler makes up for the paucity of details about Pol Pot's life by painting a rich tableau of his times and setting out the historical context of his policies.... The only plausible portrait of the man whose gentle persona and brutal actions remain an enduring paradox." -Nayan Chanda Far Eastern Economic Review "This book is particularly welcome. Although a work of scholarship, [it] has the fast pace of a thriller.... [Chandler's] analysis rings true, and he has no ideological axe to grind; he is willing to go where the evidence takes him." -Asian Wall Street Journal Weekly "Chandler's gracefully written biography of the enigmatic revolutionary of this century, Saloth Sar (alias Pol Pot), deserves wide readership.... Chandler successfully walks a fine line, condemning Pol Pot and all his works, but trying to understand what motivates him.... Recommended without reservation." -Choice "No biographer could hope for a more elusive or enigmatic subject than Pol Pot. From interviews and extensive research, Chandler pieces together a riveting account of the life of this inaccessible man who was alternately mild mannered, cultivated, and genocidal.... Highly recommended." -Library Journal In Cambodia's recent, tragic past, no figure looms larger or more ominously than that of Pol Pot. In this revised edition of the first book-length study of the man, the historian David P. Chandler throws light on the shadowy figure of Pol Pot, illuminating the ideas and behavior of this enigmatic man and his entourage against the background of post-World War II events, providing a key to understanding this horrific, pivotal period of Cambodian history.

Military Geography for Professionals and the Public

This award-winning grammar course book provides the basis for linguistic courses and projects on translation, contrastive linguistics, stylistics, reading and discourse studies. Accessible and reader-friendly throughout, key features include: chapters divided into modules of class-length materials

each new concept clearly explained and highlighted authentic texts from a wide range of sources, both spoken and written, to illustrate grammatical usage clear chapter and module summaries enabling efficient class preparation and student revision.

Acid Dreams

This extensive Handbook addresses a range of contemporary issues related to Prison Tourism across the world. It is divided into seven sections: Ethics, Human Rights and Penal Spectatorship; Carceral Retasking, Curation and Commodification of Punishment; Meanings of Prison Life and Representations of Punishment in Tourism Sites; Death and Torture in Prison Museums; Colonialism, Relics of Empire and Prison Museums; Tourism and Operational Prisons; and Visitor Consumption and Experiences of Prison Tourism. The Handbook explores global debates within the field of Prison Tourism inquiry; spanning a diverse range of topics from political imprisonment and persecution in Taiwan to interpretive programming in Alcatraz, and the representation of incarcerated Indigenous peoples to prison graffiti. This Handbook is the first to present a thorough examination of Prison Tourism that is truly global in scope. With contributions from both well-renowned scholars and up-and-coming researchers in the field, from a wide variety of disciplines, the Handbook comprises an international collection at the cutting edge of Prison Tourism studies. Students and teachers from disciplines ranging from Criminology to Cultural Studies will find the text invaluable as the definitive work in the field of Prison Tourism.

Season of the Witch

Diane France loves bones. Why? Because they talk to her. Every skeleton she meets whispers secrets about the life-and death-of its owner. Diane France can hear those secrets because she's a forensic anthropologist, a bone detective. She has the science skills and know-how to examine bones for clues to a mystery: Who was this person and how did he or she die? Bones tell Diane about the life and times of famous people in history, from a Russian royal family to American outlaws and war heroes. They speak to her about murders, mass disasters, and fatal accidents. One day she's collecting skeletal evidence at a crime scene. A phone call later she's jetting to the site of a plane crash or other unexpected tragedy to identify victims. Young readers will be captivated by the thrilling real-life story of this small-town girl full of curiosity and mischief who became a world-famous bone detective.

The People's Republic of Kampuchea, 1979-1989

In this collection of short stories, Ken Kesey challenges public and private demons with a wrestler's brave and deceptive embrace, making it clear that the energy of madness must live on.

Defense Indicators
