Experiencing God in Marriage, Family and the Church

For all who dare to be honest... Most Christians are content to spend their lives in churches where mystery is denied and doubt is unwanted. Where uncertainty is shunned and honest questions are stuffed into a corner, never to be brought out again. This audio book is for the rest of us. For those who live with distinct doubts . . . but whose passion for God remains deeper still. For those who have been confused by the world—and perhaps by our own desires—and still long to connect with a God who forgives and embraces us. For those who believe that our personal wrestlings can somehow make our faith mature—and our need for God complete. Sharing his own personal vulnerabilities with soul-stirring reminders for your faith journey, Stephen Shortridge delivers a hope-filled work—encouraging mystery rather than explaining it, affirming doubt rather than removing it . . . for all who dare to be honest.

Human Intimacy

Healthy, vibrant sex between husband and wife is the deepest expression of love. And God intended it to be that way. More than a how-to book on better sex, *When Two Become One* offers a vision of lovemaking that encourages a deeper experience of intimacy in the physical, spiritual, and emotional realms. It introduces The Lovemaking Cycle®, a model for examining lovemaking in order to solve intimacy problems. Included are discussion questions that encourage spouses to communicate with each other. Finally, a book for Christian husbands and wives that blends both emotional and sexual fulfillment in one volume. This is a perfect resource for married couples and counselors, and makes a great gift for engaged couples.

When Two Become One

Dietrich von Hildebrand here explores the mystery of sexuality with a firm and beautiful Catholic understanding. He corrects mistakes some Christian authors make about marital sexuality, details the unique profundity of sexual desire, warns you about wrong approaches to sex that can destroy a marriage, explains the meaning of the conjugal act (it's much more than mere satisfaction of desire), and shows why modesty and purity are important even within marriage. He even reveals how to tell genuine from false love, and how the true lover regards his beloved's shortcomings!

Man, Woman, and the Meaning of Love

Dan B. Allender and Tremper Longman III have together written this brief, simple and engaging introduction to help couples build healthy and happy marriages. Following the "leave, weave and cleave"

imagery of the Bible, they help couples learn how to leave their parents, weave a life together and cleave to each other.

Human Intimacy

With the trend of divorce in Christendom, it has become worrisome that some believers are fast changing the ancient landmark of God. Over time, many couples have bounced back from a vast range of seemingly irreversible problems such as unresolved conflicts, extramarital affairs, lack of intimacy, excessive quarrels, insufficient and ineffective communication, inadequate quality of time spent together due to busy schedules, suffocating partners, children issues, trial separation and many more complex and difficult situations. With absolute trust in God, following biblical principles and spiritual counseling coupled with prayer; virtually, anyone can have the marriage of their dreams. By God's grace and through the inspiration of the Holy Spirit, the author instructs through this compendium on Principles of Christian Marriage and Family Life about how to resolve your matrimonial problems and have a marital life of heaven on earth.

The Intimate Mystery

A good marriage isn't something found; it's something made. In this revised and updated edition of the bestselling book *A Lifelong Love*, author Gary Thomas shares that when couples pursue spiritual purpose and worship it builds lasting intimacy and friendship between them. In *A Lifelong Love*, Thomas takes couples on three essential journeys leading to a strong marriage: The journey toward each other The journey toward God The journey toward love Whether readers are feeling discouraged about their marriage or simply want to infuse their relationship with greater spiritual and relational passion, *A Lifelong Love* offers the guidance they need to embrace the eternal intentions that God has for them.

PRINCIPLES OF CHRISTIAN MARRIAGE AND FAMILY LIFE

Does your marriage need a tune-up? Are the pressures of life pulling you apart? Have you gotten so busy with your lives that you have forgotten about your dreams? What you need is a little bit of faith and a great big change of perspective. What you need is a fresh word from God. Most of you believe Psalms 119:105, "Thy word is a lamp unto my feet and a light unto my path." But all too often, the reality is that we don't really understand God's will, and we don't know his plan for our marriage. If I have hit the nail on the head take courage, take hope, and take this book home with you. In it you will discover the pathway of God's Living Word. Pathway to Intimacy will teach you how to seek God's will for your marriage, how to find answers in God's Word, how to empower your relationship with renewed love, and how to intertwine God in your marriage. My God can change your perspective and empower you to change your circumstances. My God has a word for your marriage, and once you hear that word, you will never be the same again.

God's Will for Love in Marriage

Claiming Our Deepest Desires integrates the spirituality of marriage with the practical experience of marriage. M. Bridget Brennan and Jerome L. Shen, a married couple, invite readers to reflect on God's call to marriage, the nature of the call, and the acceptance. There is something different about this book. Many couples are confused about how to find the will of God for their lives, marriages and families. Do you desire for more intimacy and passionate linking? Do you miss the feeling of togetherness that you and your spouse felt when you first met? As a couple, is it a problem for you to communicate openly? Are you scared that being honest will hurt each other's feelings? Maybe you are feeling discouraged by stubborn arguments over apparently irrelevant issues. Alternatively, perhaps you have begun to feel like you have "fallen out of love". Do you want to have more sex or less sex than your spouse does? If you have had an affair, or if you have been hurt by your spouse's infidelity, you might be feeling uncertain if, and how, you can settle your feelings, and be able to relink and connect. Ready to Wed

Coming out of the womb, we did not come with the knowledge, so therefore Love, Marriage and Family are things one has to learn. The title of this book really describe the book. Love, Marriage, and Family. Most people think love is something mysterious, love is one of the most used word in the English language, but also one of the most confused word. Love is a choice, since you have to pick who you want to love, there are so many types of love. Marriage is a vocation, vocation means a calling from God, in another word you are called to love your spouse to consecrate your life to your partner, to commit, with intimacy, and passion. Marriage is not for everyone, one of the most problem people are confronted with in a marriage, the ladies don't know the purpose of a man in a marriage and the men don't see why a lady is necessary. This book exposed the physiques of both gender, the ladies can endure more than the guys, they are conditioned to carry, nurture, deliver, push, sensitive, which is of their beauty. But the guys are very physical, they have strength, discipline, smart, more logical. Looking at it they are quite different but they were created to complete each other, they will get together and create one human being. As Humans God expects us to live as a community which is a product of families, When God said love your neighbor as you love yourself, if you have to enumerate your neighbor, who should be your first neighbor, your first should be your spouse, then your children. So society expects a great participation of your family to have a nice world. This book is pretty deep there are so much to learn, Definitely you will have a great time reading this book.

Missing Links in Marriages & Families Journey

Living on Solid Ground Most couples struggle at some point in their relationship with hard questions of marriage and family life, such as, what is God's primary purpose for marriage? What does it mean for a man to be the head of a home? Is divorce ever acceptable? How do we raise children who will love God? What does God have to say about the way we communicate, or about sexual intimacy? Authors Steve and Dee Brestin have wrestled with these questions in their own marriage and have found that

God's Word is the only reliable blue-print for marriage and family life. This study will guide you through the encouragement that the Bible gives for those relationships. Jesus told us the storms will come and batter our homes, but if we obey him, our house will stand firm.

Human Intimacy

Why does God care? He cares because he loves us and yearns to see his creation blessed and fruitful. He told Adam and Eve to replenish the earth and gave them the means to do so. The damage that sin brought in through disobedience has caused great division among those that have dared to obey God in being married. The tools God gives us are quite available to those that desire to be successful in their relationship of husband and wife. The beginning of this is found in the best toolbox ever put together, the Word of God. If you and your spouse would open it with a true heart for knowledge and instruction, the author would surely and most assuredly guide you to the things required for your situation and prepare you to be an example to others. He gives common sense, but requires humility to grow in understanding and implementation of his wisdom. I have tried over the years to help couples from every walk of life realize the importance of acknowledging that you cannot meet the demands of governing a marriage in joy and effectively raising a family without the great author and finisher of our faith. I've known couples who ignored this advice and rejected the tools made available by God, and their marriages did not last, or they were most miserable and all manner of discord was brought into their institution. The result was bitterness, infidelity, and no peace, and eventually it was destroyed. I've also known couples that have navigated the waters of life in their institution for well over sixty years, and took the time to find the wisdom of God in using the tools he provided in raising their families and obtaining peace. You too can change the course of your marriage and recover the joys you shared when you realized your love for each other. You must set aside the destructiveness of pride and arrogance, and pursue the knowledge, understanding, and the wisdom of God in Christ Jesus. If you ask him, he will teach you and help you restore the joy and build a strong foundation for the future of the relationship, and that of your family. None of us have all the answers, but we have access to the one that does, Jesus Christ, the ultimate bridegroom. I hope that you and your spouse find the peace and joy that marriage is supposed to have. Meet the challenges with confidence in the Lord and each other, and trust the love and friendship that brought you to the altar and God's throne; always be ready to listen and slow to speak. Honor the person that you are joined to before God. Love ye one another. Bless you both.

The Art of Intimate Marriage

Not a comprehensive marriage manual, and not a complete exploration of the theological significance of marriage, this book focuses on two key ingredients in a vital marriage: friendship and sexual intimacy. Drawing from the wisdom of the Bible, especially Proverbs, CBeeke shows you how to grow closer to your spouse, emotionally and physically.

Seeking Love, Marriage and Family

Sexual intimacy in marriage is a great gift from a good God that cements couples together and brings unity and happiness. Nevertheless, in our broken and messed-up world we often need help and direction to understand and enjoy what it means to give ourselves to one another, and to overcome some of the difficulties and questions that every Christian husband and wife faces. Adrian and Celia Reynolds are straightforward and compassionate as they look at Scripture to guide couples in this area. They give five clear biblical principles relating to sex and apply them to the common questions Christian couples ask about intimacy.

Building Your House on the Lord

Women know how to work hard at marriage. Often their efforts end up sabotaging rather than building intimacy. Do you want to understand why? In this rewrite of her bestseller *Finding the Hero in Your Husband*, acclaimed Christian clinical psychologist and speaker Dr. Juli Slattery gently guides women through topics that are inherently woven into every imperfect marriage. *Finding the Hero in Your Husband, Revisited*, challenges misconceptions and outright misinformation that have misguided women for decades. In truth, women have power in marriage-but they don't often know how to use it. Illustrated with insightful real-life case examples, this book is both an educational resource as well as a practical "how-to" guide for navigating everyday trials as well as deeper difficulties. Juli offers understandable explanations of God's design, healthy expectations that re-frame experiences, and relatable applications that women of faith can practice to influence their marriage and deepen their

relationship with God. Finding the Hero in Your Husband, Revisited, will help you more clearly see and encourage the hero within your husband by examining your own heart. Book jacket.

Intimacy has an anatomy. Owning and using the components of intimacy is how relationships maximize. God invented intimacy for his relationships with those who love him, both male and female, whom the Bible calls the bride of Christ. He created marriage after that same pattern, so couples could experience both spiritual and human intimacy using the same principles. God made people in His image, and the root meaning of the word image in the Bible is shadow. Marriage is the image, or shadow, of God's relationship with his church. This workbook has simple, down-to-earth instruction for building intimacy with God, and with your spouse, based on the relationship-building pattern found throughout the Bible. The centerfold of this workbook is a diagram entitled *A Shadow Named Marriage*©. It illustrates God's relationship-building pattern, and each chapter in the workbook explains one of the pattern's steps. Grasping each chapter before going on to the next is important. Preview the centerfold diagram before using the workbook to see which steps you have experienced with God on the spiritual part of it. Do the same for your marriage on the physical part. Referring to it often will help you benefit from each chapter. Intimacy needs ownership and focus, thus the famous slogan, "into-me-see". Intimacy

delivers more pleasure than fantasy because it is real and owns the ultimate power of truth. Relationship requires involvement and this workbook requires reader interaction. Chapters are intentionally short; readers finish the book with their own life details. Scripture is more than history; it has eternal principles which God personally brings to life for everyone who truly wants his help. He made intimacy without limits, allowing continuous improvement for everyone who chooses to follow Him there. Intimacy begins by you becoming the passionate bride of Christ, the spiritual model of the earthly marriage you long for... whether you are married or not. This is true because God is the author of intimacy, and because he already wants intimacy with you. Therefore, it is now your response to his love that is the key to you having intimacy in that relationship. Intimacy within marriage takes more time and work, because both partners are only human. However, developing intimacy with God shows you how God designed relationships to work. Once both spouses have growing intimacy with God, their intimacy as a couple has divine power to multiply, as you will see. Intimacy becomes a way of life, with never-ending opportunities for increase. Whatever is valuable has a counterfeit, which is not valuable. Real relationships are valuable, whereas shallow interactions are counterfeit. Intimacy is valuable, whereas fantasy and lust are counterfeits. God is eternal, and the things of God own the power of endurance and increase. Following God's relationship-building pattern aligns you to receive the power that he, the author of intimacy, reserves for it. Doing something else simply cannot access this power. Intimacy has an anatomy, and God wants you to have it. It is okay if you know nothing about God or the Bible. This workbook introduces you to what he is like and what he has to say. Please visit our Internet website www.intimateanatomy.com for more information about getting to know him personally. For now, get ready to receive some good news. We still use this workbook ourselves because the truths in it are timeless. Couples we have counseled found this workbook very helpful for building intimacy and we believe your relationship will greatly benefit as well. It is time to discover the components of Intimate Anatomy.

Kingdom Marriage

While this illuminating book focuses on marriage, it also examines other important relationships: child-parent, family, friendships, and business associates. The MacDonalds define and discuss the five building blocks on which all good relationships are established: commitment, transparency, sensitivity, communication, and enablement.

Human Intimacy

Kimberling offers insights like connecting every day in spite of what's in the way, learning how to fight in the right ways, stopping the insanity of doing the same thing over and over even when it isn't working, and finding that the best sex ever is well within the context of Christian marriages. Enter the Ring

"Now the man and his wife were both naked, but they felt no shame." (Genesis 2:25) Imagine a marriage with complete intimacy, vulnerability, transparency and trust. Imagine a marriage rooted in faith, friendship and mutual fulfillment. Imagine a marriage with amazing sex, but where great sex is only the icing on the cake. This might all sound too good to be true, but it's actually what God designed marriage to be, and He doesn't want you settling for anything less. Having a 'Naked Marriage' is about much more than just nakedness in the bedroom (although that's part of the fun). It means being naked emotionally and spiritually as well as physically. Intimate Anatomy

****A new updated edition is now available.**** Do you want a great marriage? Most people do. Yet, few people have great marriages, in large part because it is so easy to settle for the mundane in marriage. God did not intend for marriage to be boring and ordinary. In *Tools for a Great Marriage*, marriage and family life educator, William Batson, uses expert wisdom and practical common sense to show how several indispensable marital tools can help any couple build a satisfying, fun, loving, and lasting marriage. Couples will learn how to: turn their bad talk into love talk; make their personality differences work for them; practice the Principle of Satisfaction in their sex life; defeat the enemy of every marriage selfishness; turn stormy times into opportunities to love each other more; keep conflicts from turning into nasty, knockdown, drag-out fights. *Tools for a Great Marriage* gives you the blueprint for building your marriage on God's principles in a format that is simple, clear, practical, and easy to apply. At the end of each chapter there is a section called Tool Time for Couples containing follow-up questions which set the stage for great couple times together. A resource section in the back of the book includes additional tools for maintaining a great marriage. The Foreword was written by Dr. Gary Chapman, bestselling author of "The 5 Love Language#."

Till the Heart be Touched

Winner of a Catholic Press Association Award: Family Life Books (First Place). In *Intimate Graces*, bestselling author and Catholic media personality Teresa Tomeo and her husband, Dominick Pastore, invite couples to enrich their marriages by practicing the fourteen Spiritual and Corporal Works of Mercy. Through their own story and that of other married couples, Tomeo and Pastore demonstrate how reciprocating the works of mercy brings out the best in a marriage. The Catholic Church encourages believers to perform Corporal and Spiritual Works of Mercy, tangible actions that show charity toward others. In *Intimate Graces*, Teresa Tomeo and her husband, Dominick Pastore, demonstrate how applying the fourteen traditional virtues of Catholic spirituality can foster deeper intimacy in any marriage. The couple uses personal stories and reflections, as well as the experiences of other Catholic couples, to show how a husband and wife can become, in a real way, a haven of compassion and virtue for each other. Tomeo and Pastore each write in their own voice and include reflection questions, practical suggestions, and a prayer at the end of each chapter.
