December

De twaalfde maand van de wereldwijde hitserie Calendar Girl is December. Lees vanaf nu elke 1e van de maand hoe het met Mia Saunders gaat. Let op! Dit is een losse maand, de maanden zijn ook samen in verschillende bundels verkrijgbaar. Mia weet niet wat ze moet verwachten als ze naar de besneeuwde bergen van Aspen wordt gestuurd om een documentaire te maken over lokale ambachtslieden. Het highclass skigebied is niet echt de natuurlijke habitat voor een zoonbidster als zij. Mia is op een ongebruikelijke manier aan deze klus gekomen; een anonieme man betaalt handenvol geld om haar het item te laten maken. Gelukkig kan ze terecht bij een knappe filmmaker annex surfer, wiens familie er een vakantiehuisje bezit. Mia trekt haar parka en Uggs aan en laat de warmte van Californië achter zich, klaar om de beste maand van het jaar te vieren met haar nieuwe schoonfamilie ... tot uit het niets de vrouw verschijnt die jaren geleden haar leven op zijn kop zette. Elke maand heeft ze een nieuwe cliënt: een beroemde Franse kunstenaar, een zakenman, een verpletterend aantrekkelijke maffiazoon, een topsporter, een senator op leeftijd... Heel verschillende mannen die één ding gemeen hebben: voor Mia's gezelschap betalen ze zonder met hun ogen te knippen een ton. Seks is een optionele extra. Na twaalf avontuurlijke maanden zal er voor Mia meer veranderd zijn dan enkel haar banksaldo... De pers over Calendar Girl 'Fris, grappig en ongelooflijk hot. Je zult steeds weer verliefd worden op Audrey Carlans Calendar Girl-serie en snakken naar het volgende deel.' Meredith Wild, #1 NYT Bestsellerauteur 'Dit is een KILLER-start van Carlans maandelijkse serie!' Give Me Books 'Audrey slaat weer toe! Ze maakte me aan het lachen én aan het huilen met haar prachtige woorden! Ik ben verliefd op deze boeken.' Hooks & Books Book Blog

De elfde maand van de wereldwijde hitserie Calendar Girl is November. Lees vanaf nu elke 1e van de maand hoe het met Mia Saunders gaat. Let op! Dit is een losse maand, de maanden zijn ook samen in verschillende bundels verkrijgbaar. Wes heeft de hel op aarde overleefd en is terug waar hij moet zijn: in Mia's armen, in haar bed. Na alles wat ze hebben meegemaakt zal niets de twee nu nog uit elkaar drijven. Ook Mia's nieuwe klus niet: ze moet naar New York om beroemdheden te interviewen. Ze kan kiezen uit genoeg nieuwe vrienden, zoals de knappe Mason Murphy, pitcher van de Red Sox, en sexy Anton Santiago, de Latin Lov-ah. Ze willen maar wat graag meedoen – iets té graag naar Wes' smaak. Met haar nieuwe familie erbij heeft Mia alle ingrediënten voor een sprookjesachtige Thanksgiving. Afgezien van die ene lege plek aan tafel, die maar door één iemand gevuld kan worden... March

"Be prepared for a serious book hangover as you embark on a year's worth of sexy heroes and wild rides!" –Meredith Wild, #1 NYT Bestselling Author of the Hacker Series Synopsis A fiancée. I'm going to Chicago to pretend to be some Italian Stallion's future wife. Why a massive hunk, boxer, and rich restaurateur needs a fake bride is beyond me. Then again, I'm not paid to know why. I'm paid \$100,000 to be his escort, or in this case, the woman he's supposedly "going" to marry. The moment I met Antony "Tony" Fasano, I thought I might have lost my ability to breathe. In my twenty four years of life, I'd not seen anything like him. Clad only in a small towel precariously dangling from his hips--water droplets streaming down every inch of his muscular frame--I knew right then and there, I'd finally seen male perfection in all its raw glory. What happened next blew me away. It was now abundantly clear why he needed me...a fake fiancée.

The Landscape of Lexicography

This book consists of a series of papers that look at three different aspects of the landscape as seen in dictionaries from across Europe. Multilingual diachronic case studies into lexicographical descriptions of flora, landscape features and colours concentrate on three supposedly simple words: daisies (*Bellis perennis* L.), hills and the colour red. The work is part of the ongoing LandLex initiative, originally developed as part of the COST ENeL - European Network for e-Lexicography - action. The group brings together researchers in lexicography and lexicology from across Europe and is dedicated to studying multilingual and diachronic issues in language. It aims to valorise the wealth of European language diversity as found in dictionaries by developing and testing new digital annotation tools and a historical morphological dictionary prototype. Funded by the Horizon 2020 Framework Programme of the European Union

"Fresh, fun, and unbelievably hot, Audrey Carlan's Calendar Girl series will have you falling in love over and over again and craving the next installment." ~ Meredith Wild, #1 NYT Bestselling Author It's really simple. I needed money. A lot of money. One million dollars to be exact. The amount didn't matter. All that mattered is that at the end of that price tag held my father's life. No money. No life. The time limit was one year. On January 1st I had to pay up or my Father was going to be killed. When you're faced with an ultimatum like this, you do whatever you have to do. And that's exactly what I did. The job...Exquisite Escorts. My role, serve as high priced arm candy to anyone that can afford the \$100,000 price tag for a month of my company. Sex is optional (for me) and a 20% increase on the price. Mia Saunders just barely escaped a paltry life back home in Las Vegas until she gets the call that her Father has been beaten to within an inch of his life for not paying his gambling debt. Problem is, the lone shark is her lousy, ruthless ex-boyfriend. Another guy in a long line of men she'd fallen head over heels for. Not anymore. Mia's mission is simple. Serve as a high-priced escort for her Aunt's company and pay monthly against her Father's bad debt. A month with a rich man who she doesn't have to sleep with if she doesn't want to? Easy money. At least that's the way it was supposed to go. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

"Mia's whirlwind journey is a refreshing mix of adventure, soul-searching, and steaming hot physical intensity that packs an emotional punch." –Meredith Wild, #1 NYT Bestselling Author of the Hacker Series Synopsis A muse. Me. The motorcycle riding, ass-kicking, concert t-shirt wearing chick from Las Vegas, is a world-renowned French artist's muse. For a month. I had no idea when I took the escort job with Exquisite Escorts I would be standing naked in front of a blank canvas in a Seattle warehouse. "Love on Canvas" he calls his exhibit, a combination of photographic stills and paint entwined to create the most awe-inspiring pieces the world will ever see. Except every last one of them features me and a moment in time where I was vulnerable. Alec Dubois played on those vulnerabilities, teaching me lessons about love and life that would stay with me through the rest of my days. *** Mia Saunders continues her mission to bail out her comatose father whose life is on the line to a dangerous loan-shark who happens to be Mia's ex-boyfriend. For this journey, she serves as a high-priced escort to French artist named Alec Dubois in Seattle, Washington. Each installment in the Calendar Girl Serial will release every month throughout 2015. The Republican Alternative

The Republican Alternative seeks to move beyond the mere notion of scholarly inquiry into the republic—the subject of recent rediscovery by political historians interested in Europe's intellectual heritage—by investigating the practical similarities and differences between two early modern republics, as well as their self-images and interactions during the turbulent seventeenth and eighteenth centuries. Among the world's most economically successful societies, Switzerland and the Netherlands laid much of the foundation for their prosperity during the early modern period discussed here. This volume attempts to clarify the special character of these two countries as they developed, including issues of religious plurality, the republican form of government, and an increasingly commercially-driven agrarian society.

The Older Prisoner

This book critically explores the world of older prisoners to provide a more nuanced understanding of imprisonment at old age. Through an ethnographical study of male and female older prisoners in two Belgian prison settings, one in which older prisoners are integrated and one in which they are segregated, it informs debates and seeks to recognise ageist discourse, attitudes, practices in prison. The Older Prisoner seeks to situate the older prisoner from both a penological and gerontological perspective, organised around the following broad themes: the construction of the older prisoner, the physical prison world, the social prison world, surviving prison and giving meaning. The book allows readers to navigate between contrasting perspectives and voices rather than reinforcing traditional narratives and prevailing discourses on the older prisoner. In doing so, it hopes to open up a broader dialogue on ageing and punishment. It also offers insights into the concept of meaning in life as an analytical tool to study prisoners.

"Damn, Audrey did it again! Made me smile, made me laugh & made me cry with her beautiful words! I am in love with these books." –Hooks & Books Blog Synopsis Politics, phallic statues, and pretty women. Literally everywhere you look, you see an old man and a gold-digging, cling-on wrapped around their wrinkly arms. Looks as though my hot streak ended when Warren Shipley, one of the nation's wealthiest men, hired me to play arm-candy to save face with the other one percenters he did business with. At least that's what I thought when I arrived in Washington, DC, until I was met by old man Shipley's debonair and insanely handsome son. The Senator from California, Aaron Shipley. Youngest senator in the history of politics, single, beyond rich, and the face of every political magazine around the US. Women everywhere wanted a taste of that power. Me, I'd always thought politics were boring...boy was I wrong. Democracy had never been more exciting. *** In the sixth book of the Calendar Girl serial, Mia is sent to our nation's capital, Washington, DC. Still on her mission to save her father, she embraces the life of a gold-digging mistress in order to get a life-saving project off the ground. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia's journey as an escort to twelve clients in twelve different locations. Playthings in Early Modernity

An innovative volume of fifteen interdisciplinary essays at the nexus of material culture, performance studies, and game theory, *Playthings in Early Modernity* emphasizes the rules of the game(s) as well as the breaking of those rules. Thus, the titular "plaything" is understood as both an object and a person, and play, in the early modern world, is treated not merely as a pastime, a leisurely pursuit, but as a pivotal part of daily life, a strategic psychosocial endeavor.

English in the Netherlands

This volume provides the first comprehensive investigation of the Netherlands in the World Englishes paradigm. It explores the history of English contact, the present spread of English and attitudes towards English in the Netherlands. It describes the development and analysis of the Corpus of Dutch English, the first Expanding Circle corpus based on the design of the International Corpus of English. In addition, it investigates the applicability of Schneider's (2003, 2007) Dynamic Model, concluding that this and other such models need to move away from a colonisation-driven approach and towards a globalisation-driven one to explain the continued spread and evolution of English today. The volume will be highly relevant to researchers interested in the status and use of English in the Netherlands. More broadly, it provides a timely contribution to the debate on the relevance of the World Englishes framework for non-native, non-postcolonial settings such as Continental Europe.

Divine Desire

Lexi Angelo has grown up helping her dad with his events business. She likes to stay behind the scenes, planning and organizing...until author Aidan Green - messy haired and annoyingly arrogant - arrives unannounced at the first event of the year. Then Lexi's life is thrown into disarray. In a flurry of late-night conversations, mixed messages and butterflies, Lexi discovers that some things can't be planned. Things like falling in love... Six conventions, a girl with a clipboard, a boy with two names - and one night that changes everything. 'A gorgeous, one of a kind novel, perfect for fans of Rainbow Rowell' Maximum Pop!

Unconventional

Using found texts, images, and technologies (such as slide projectors, typewriters, typographical elements, and relief printing), Czech artist Pavel Büchler distills new meaning from the everyday. With lightness and precision, he appropriates objects from their usual functions and places them in sober compositions, making references to art history, literature, and philosophy in the process. This is the first monograph to offer a complete overview of Büchler's body of work, ranging from his early collages to the 'action activities' and 'artist books'. Includes essays by Pavlina Morganova and Philippe Pirote, plus an interview with the artist by Lisa Le Feuvre.

Pavel Büchler

A Family Occupation investigates Dutch-language texts by well-known authors which address the occupation and its aftermath in the lives of victims, collaborators, bystanders and Dutch internees in

the prison-camps of Indonesia. It is the first English-language introduction to writings by and about the "Children of War" and their cultural context. Their themes and literary conventions throw an interesting light on the Dutch approach to issues such as guilt and innocence, memory and narrative, national identity, victimhood, child abuse, post-traumatic stress disorder, amnesia and recovered memory.

A Family Occupation

Examines the nature of variables influencing language attrition. The study concentrates on the lexicon of long-term Dutch expatriates living in Victoria.

You Get a Bit Wobbly...

Having spent her childhood at the Owl House and returned to nurse her ageing parents, artist Helen Martins totally transformed its interior and garden. Described as an integrated environmental artwork, the Owl House has become a popular off-the-beaten-track attraction for tourists.

Five Thousand Years of Sustainability?

Religious ideas, practices, discourses, institutions, and social expressions are in constant flux. This volume addresses the internal and external dynamics, interactions between individuals, religious communities, and local as well as global society. The contributions concentrate on four areas: 1. Contemporary religion in the public sphere: The Tactics of (In)visibility among Religious Communities in Europe; Religion Intersecting De-nationalization and Re-nationalization in Post-Apartheid South Africa; 2. Religious transformations: Forms of Religious Communities in Global Society; Political Contributions of Ancestral Cosmologies and the Decolonization of Religious Beliefs; Esoteric Tradition as Poetic Invention; 3. Focus on the individual: Religion and Life Trajectories of Islamists; Angels, Animals and Religious Change in Antiquity and Today; Gaining Access to the Radically Unfamiliar in Today's Religion; Religion between Individuals and Collectives; 4. Narrating religion: Entangled Knowledge Cultures and the Creation of Religions in Mongolia and Europe; Global Intellectual History and the Dynamics of Religion; On Representing Judaism.

If sensuality had a name, it would be without doubt Utamaro. Delicately underlining the Garden of Pleasures that once constituted Edo, Utamaro, by the richness of his fabrics, the swan-like necks of the women, the mysterious looks, evokes in a few lines the sensual pleasure of the Orient. If some scenes discreetly betray lovers' games, a great number of his shungas recall that love in Japan is first and foremost erotic.

Dynamics of Religion

Looking at the ways in which the memory of slavery affects present-day relations in Amsterdam, this ethnographic account reveals a paradox: while there is growing official attention to the country's slavery past (monuments, festivals, ritual occasions), many interlocutors showed little interest in the topic. Developing the notion of "trace" as a seminal notion to explore this paradox, this book follows the issue of slavery in everyday realities and offers a fine-grained ethnography of how people refer to this past – often in almost unconscious ways – and weave it into their perceptions of present-day issues.

Dutch society has undergone radical changes in recent years, due to complex political, social and ethnic developments. Reframing Dutch Culture examines issues of nationality, ethnicity, culture and identity in The Netherlands from an ethnological perspective, linking past traditions and notions of identity with more recent transformations. Weaving in a range of fascinating case studies, contributors provide an interdisciplinary analysis of these changes. The developments are related to wider European and global transformation processes, highlighting the contribution of Dutch ethnology to the international debate. This timely collection provides a fascinating and insightful window on modern Dutch society.

Tracing Slavery

Swimsuits, sun, surfing, and a sexy Samoan. I headed to the island of Oahu, Hawaii to meet with cutting-edge swimsuit fashion designer, Angel D'Amico, to serve as head model for the "Beauty Comes

in All Sizes" swimsuit campaign. The designer wants to show the world that beauty is not just a size two. My curves got me into this gig, and, the moment I laid eyes on my modeling "partner," I'd never been happier with my buxom form. Tai Niko had everything the average man lacked. Height, broad shoulders, a nipped in waist, square pecs, tree trunk thighs, and a look that rivaled "The Rock." The part that made me drool and weakened my knees, was the thick, intricate tribal tattoos running down the entire left side of his muscled frame from shoulder to ankle. The design was unlike anything I'd ever seen, and I couldn't wait to trace the tips of my fingers over every inch. *** In the fifth book of the Calendar Girl serial, Mia is sent to Oahu, HI. Still on her mission to save her father, she embraces the model life to prove beauty really does come in all sizes. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia's journey as an escort to twelve clients in twelve different locations. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

Reframing Dutch Culture

"The Trouble with Trust" poses the question: if trust is considered to be important for successful cooperation, why don't high-trust work relationships predominate? Part of the explanation, the author argues, is that it is particularly difficult to build and maintain trust in work relations.

When David Gorlaeus (1591-1612) passed away at 21 years of age, he left behind two highly innovative manuscripts. Once they were published, his work had a remarkable impact on the evolution of seventeenth-century thought. However, as his identity was unknown, divergent interpretations of their meaning quickly sprang up. Seventeenth-century readers understood him as an anti-Aristotelian thinker and as a precursor of Descartes. Twentieth-century historians depicted him as an atomist, natural scientist and even as a chemist. And yet, when Gorlaeus died, he was a beginning student in theology. His thought must in fact be placed at the intersection between philosophy, the nascent natural sciences, and theology. The aim of this book is to shed light on Gorlaeus' family circumstances, his education at Franeker and Leiden, and on the virulent Arminian crisis which provided the context within which his work was written. It also attempts to define Gorlaeus' place in the history of Dutch philosophy and to assess the influence that it exercised in the evolution of philosophy and science, and notably in early Cartesian circles. Christoph Lüthy is professor of the history of philosophy and science at Radboud University Nijmegen, the Netherlands.

The Trouble with Trust

The Colour and Colour Naming conference, held in 2015 at the University of Lisbon, offered a chance to explore colour naming processes from a cross-linguistic approach. The conference was an initiative of the working group Lexicography And Lexicology from a Pan-European Perspective, itself part of the COST action European Network of Lexicography. The working group investigates the various ways by which vocabularies of European languages can be represented in dictionaries and how existing information from single language dictionaries can be displayed and interlinked to better communicate their common European heritage. The proceedings gather together a selection of studies originally presented at the conference. The first section of the volume outlines a Pan-European perspective of colour names; the second section is devoted to the categorisation and lexicographic description of colour terms.

International Guy Inc. is owned and operated by Parker Ellis, a ladies' man with a high IQ and a big libido. He's the most successful life and love coach in the world, and he's smart enough to know he can't run a multimillion-dollar company alone. He hires two friends whose areas of expertise complement his own. They comprise The Dream Maker, The Love Maker, and The Money Maker. Together, they advise the wealthiest people in the world: Hollywood hotshots, European royalty, and the CEOs of multibillion-dollar companies. And sometimes they can't help it when things heat up and they end up in bed with their clients. Quite literally. This International Guy likes his playboy lifestyle, and he's not looking for commitment. After all, there's a whole world waiting for him. But as he goes from city to city, and from woman to woman, it's possible that he just might find his own love along the way...

Colour and colour naming: crosslinguistic approaches

Gaudi's bizarre and romantic buildings, interiors and exteriors, mosaics and public spaces, have imbued Barcelona with unique character and ensured his place in the pantheon of great architects.

International Guy: Paris, New York, Copenhagen

He's all wrong for her, but nothing has ever felt so right... He's a sexual dominant. She's sworn off sex. There's no way they can make a relationship work—or can they? After surviving a traumatic event at age fifteen and the ensuing estrangement from her family, Natalie Bryant has worked for years to reinvent herself into the woman she is today—a happy teacher fresh out of college and enjoying her first winter in New York City with her faithful dog, Fluff, by her side. Natalie isn't expecting her life to change completely during a routine stroll through Greenwich Village on a blustery January day. But when Fluff breaks loose and charges into a park, Natalie gives chase and crashes into her destiny. Only after Fluff bites and draws blood from the man who accidentally knocked Natalie down does she realize Fluff has bitten the biggest movie star in the world. He has no business being enthralled by the gorgeous, young, innocent teacher... Natalie captivates Flynn Godfrey from the first moment their eyes meet while she is lying on the ground and he's fighting off her ferocious little beast of a dog. The only thing Flynn knows for certain is if he lets Natalie get away, he'll regret it for the rest of his life. After only a short time in her presence, Flynn is prepared to change who he is to be what she needs. He knows he's in big trouble when she says she won't sleep with him and he doesn't care if it means he gets to keep her in his life. But can he turn his back on the lifestyle that has defined him? Can he deny the desires that drive him to give Natalie the introduction to love and romance she so deserves? And most of all, can he keep his truth hidden from her long enough to have forever with her? Join Flynn and Natalie in their three-part story: VIRTUOUS, VALOROUS and VICTORIOUS. From New York to Los Angeles, from Hollywood to Las Vegas, Flynn and Natalie's whirlwind love affair has it all—romance, passion, steamy hot sex, relentless paparazzi and a murder that could be their undoing. PLEASE NOTE: VIRTUOUS and VALOROUS contain cliffhangers before Flynn and Natalie's story concludes in VICTORIOUS. If you hate dirty-talking heroes who put it all on the line for the women they love, who leave no desire unfulfilled, who will do anything it takes to protect what's theirs... If elements of BDSM make you queasy, if smoking hot sex isn't your thing, if cliffhangers make you rage, if you hate first-person points of view from the heroine AND the hero... this series is NOT for you! You've been warned... The Quantum Series Book 1: Virtuous (Flynn & Natalie, part 1) Book 2: Valorous (Flynn & Natalie, part 2) Book 3: Victorious (Flynn & Natalie, part 3) Book 4: Rapturous (Hayden & Addie, stand alone) Book 5: Ravenous (Jasper & Ellie, stand alone) Book 6: Delirious, (Kristian & Aileen, stand alone) Book 7: Outrageous (Emmett & Leah) Book 8: Famous (Marlowe) p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; line-height: 14.0px; font: 12.0px Times; color: #000000; -webkit-text-stroke: #000000} span.s1 {font-kerning: none}

Many think they know the legends behind tulipmania and the legacy of the Dutch East India Tea Company, but what basic knowledge of Dutch history and culture should be passed on to future generations? A Key to Dutch History and its resulting overview of historical highlights, assembled by a number of specialists in consultation with the Dutch general public, provides a thought-provoking and timely answer. The democratic process behind the volume is reminiscent of the way in which the Netherlands has succeeded for centuries at collective craftsmanship, and says as much about the Netherlands as does the outcome of the opinions voiced.

In recent years, there has been an explosion of research focused on using technology in healthcare, including web- and mobile- health assessment and intervention tools, as well as smartphone sensors and smart environments for monitoring and promoting health behavior. This work has shown that technology-based therapeutic tools offer considerable promise for monitoring and responding to individuals' health behavior in real-time. They may also function as important clinician-extendors or stand-alone tools, may be cost-effective and may offer countless opportunities for tailoring behavioral monitoring

and intervention delivery in a manner that is optimally responsive to each individual's profile and health behavior trajectory over time. Additionally, informational and communication technologies may be used in the context of decision support tools to help individuals better understand and access treatment. Technology may enable entirely new models of healthcare both within and outside of formal systems of care and thus offers the opportunity to revolutionize healthcare delivery. This edited book defines the state of scientific research related to the development, experimental evaluation, and effective dissemination of technology-based therapeutic tools targeting behavioral health. Behavioral Healthcare and Technology provides an overview of current evidence-based approaches to leverage technology to promote behavioral health, including management of substance use, mental health, diet/exercise, medication adherence, as well as chronic disease self-management. Additionally, the book defines the state of implementation research examining models for deploying technology-based behavioral healthcare systems and integrating them into various care settings to increase the quality and reach of evidence-based behavioral healthcare while reducing costs.

"Sinfully delicious from start to finish! Sexy, smart, and so unique! I was completely immersed in Mia's journey." –Katy Evans, NYT Bestselling Author Synopsis Baseball, beer, and a hot boy. Nothing can beat that. Until I meet Mason "Mace" Murphy the next "it" pitcher for the Boston Red Sox and my client. He's immature, arrogant, sexy as sin, and the last man that's going to get into my panties. He's not used to hearing the word no from women, so I'm going to spell it out for him. N = Not going to happen. O = Out of your league buddy. I was hired to cuddle up to the annoying, beautiful athlete, and give prospective advertisers and fans a different view of this hot-shot professional baller. Only he's everything I detest in a man all wrapped into a dream package. Baseball player, talented, athletic body, sculpted face, and ass you can bounce quarters off of. Unfortunately, he also believes he's God's gift to women, a man-whore, throws money around like it grows on trees, and conceited. The challenge for him, to break down my defenses and get in there. My challenge, avoid hopping in the sack with him at all costs. *** Mia Saunders continues her mission to save her comatose father from her dangerous, loan-shark ex-boyfriend. This month, she serves as a high-priced escort to a professional baseball player named Mace Murphy in Boston, MA. Each installment in the Calendar Girl Serial will release every month throughout 2015. The stories will feature Mia's journey as an escort to twelve clients in twelve different locations. Warning: This book is designed for audiences 18+ due to language and graphic sexual content.

They Came They Conquered

Beginning with Timur, Sultan Ghazni who invaded India seventeen times at the head of a large army, plundering the country of its great wealth, to the last Mughal Emperor Bahadur Shah, banished from the country by the British - details and descriptions of every incident and each king astonish and exhilarate us. The approach is direct, simple and unambiguous. From Timur to Bahadur Shah it is one engaging account. The book should find a place in every household, as an authentic account of ourselves. A flawless portrait. -THE HINDU Madhan while explaining historical events uses modern similes... In spite of being a cartoonist in his previous avatar Madhan did not caricature the Moghul Emperors and their subjects. I am so pleased he did not sit on judgement as a south Indian non-Muslim writer. -KAMAL HAASAN

Shilappadikaram

The peerless young Kovalan leaves his loyal wife Kannaki for the courtesan Madhavi, and though he returns to her, he still meets his death because of her ill-omened ankle bracelet. The Shilappadikaram has been called an epic and even a novel, but it is also a book of general education. Adigal packed his story with information: history merging into myth, religious rites, caste customs, military lore, descriptions of city and country life. And four Cantos are little anthologies of the poetry of the period (seashore and mountain songs, hunters and milkmaid s song). Thus the story gives us a vivid picture of early Indian life in all its aspects.

The Bhaft Anthology of Tamil Pulp Fiction

Each tale in this volume reveals some or all facets of Tenali Ram's character.

Epigraphia Carnatica: Coorg inscriptions

The Dravidian language family is the world's fourth largest with nearly 250 million speakers across South Asia from Pakistan to Nepal, from Bangladesh to Sri Lanka. This authoritative reference source provides a unique description of the languages, covering their grammatical structure and historical development, plus sociolinguistic features. Each chapter combines a modern linguistic perspective with traditional historical linguistics, and a uniform structure allows for easy typological comparison between the individual languages. New to this edition are chapters on Bemba, Kumbha, Kux, Kvi and Malayalam, and enlarged sections in various existing chapters, as well as updated bibliographies and demographic data throughout. The Dravidian Languages will be invaluable to students and researchers within linguistics, and will also be of interest to readers in the fields of comparative literature, areal linguistics and South Asian studies.

Inscriptions At Sravana Belgola

This is a reference grammar of the standard spoken variety of Tamil, a language with 65 million speakers in India, Sri Lanka, Malaysia and Singapore. The spoken variety is radically different from the standard literary variety, last standardized in the thirteenth century. The standard spoken language is used by educated people in their interactions with people from different regions and different social groups, and is also the dialect used in films, plays and the media. This book, a much expanded version of the author's Grammar of Spoken Tamil (1979), is the first such grammar to contain examples both in Tamil script and in transliteration, and the first to be written so as to be accessible to students studying the modern spoken language as well as to linguists and other specialists. The book has benefitted from extensive native-speaker input and the author's own long experience of teaching Tamil to English-speakers.

Witty Tales of Tenali Rama

The tropical island of Sri Lanka is a paradise for tourists, but in 2009 it became a hell for its Tamil minority, as decades of civil war between the Tamil Tiger guerrillas and the government reached its bloody climax. Caught in the crossfire were hundreds of thousands of schoolchildren, doctors, farmers, fishermen, nuns and other civilians. And the government ensured through a strict media blackout that the world was unaware of their suffering. Now, a UN enquiry has called for war-crimes investigations. Those crimes are recounted here to the wider world for the first time in sobering, shattering detail.

The Dravidian Languages

The Importance of Being Earnest is the final play of Oscar Wilde, and it is considered his masterpiece. The play is a farcical comedy with the theme of switched identities: the play's two protagonists engage in "bunburying" (the maintenance of alternative personas in the town and country) which allows them to escape Victorian social mores. Working within the social conventions of late Victorian London, the play's major motives are the triviality with which it treats institutions as serious as marriage, and the resulting satire of Victorian ways.

A Reference Grammar of Spoken Tamil

A MASKED MAN . . . Winter Makepeace lives a double life. By day he's the stoic headmaster of a home for foundling children. But the night brings out a darker side of Winter. As the moon rises, so does the Ghost of St. Giles-protector, judge, fugitive. When the Ghost, beaten and wounded, is rescued by a beautiful aristocrat, Winter has no idea that his two worlds are about to collide. A DANGEROUS WOMAN . . . Lady Isabel Beckinshall enjoys nothing more than a challenge. Yet when she's asked to tutor the Home's dour manager in the ways of society-flirtation, double-entendres, and scandalous liaisons-Isabel can't help wondering why his eyes seem so familiar-and his lips so tempting. A PASSION NEITHER COULD DENY During the day Isabel and Winter engage in a battle of wills. At night their passions are revealed . . . But when little girls start disappearing from St. Giles, Winter must avenge them. For that he might have to sacrifice everything-the Home, Isabel . . . and his life.

A Kannada-English Dictionary

Hitherto, the academic study of Indian cinema has focused primarily on Bollywood, despite the fact that the Tamil film industry, based in southern India, has overtaken Bollywood in terms of annual output. This book examines critically the cultural and cinematic representations in Tamil cinema. It outlines its history and distinctive characteristics, and proceeds to consider a number of important themes such as gender, religion, class, caste, fandom, cinematic genre, the politics of identity and diaspora. Throughout, the book cogently links the analysis to wider social, political and cultural phenomena in Tamil and Indian society. Overall, it is an exciting and original contribution to an under-studied field, also facilitating a fresh consideration of the existing body of scholarship on Indian cinema.

Historical Grammar of Telugu

The Lal Kitab, a rare book in urdu, was popular in north-west India, Pakistan, Iran and many other countries. This English version has added new dimensions to make it more lucid and easier to understand.

Still Counting the Dead

Tamil Cinema in the Twenty-First Century explores the current state of Tamil cinema, one of India's largest film industries. Since its inception a century ago, Tamil cinema has undergone major transformations, and today it stands as a foremost cultural institution that profoundly shapes Tamil culture and identity. This book investigates the structural, ideological, and societal cleavages that continue to be reproduced, new ideas, modes of representation and narratives that are being created, and the impact of new technologies on Tamil cinema. It advances a critical interdisciplinary approach that challenges the narratives of Tamil cinema to reveal the social forces at work.

Vikatakavi Tenali Rama

Asian - Australians have often been written about by outsiders, as outsiders. In this collection, compiled by award - winning author Alice Pung, they tell their own stories with verve, courage and a large dose of humour. These are not predictable tales of food, festivals and traditional dress. The food is here in all its steaming glory - but listen more closely to the dinner - table chatter and you might be surprised by what you hear. Here are tales of leaving home, falling in love, coming out and finding one's feet. A young Cindy Pan vows to win every single category of Nobel Prize. Tony Ayres blows a kiss to a skinhead and lives to tell the tale. Benjamin Law has a close encounter with some angry Australian fauna, and Kylie Kwong makes a moving pilgrimage to her great - grandfather's Chinese village. Here are well - known authors and exciting new voices, spanning several generations and drawn from all over Australia. In sharing their stories, they show us what it is really like to grow up Asian, and Australian. Contributors include: Shaun Tan, Jason Yat - Sen Li, John So, Annette Shun Wah, Quan Yeomans, Jenny Kee, Anh Do, Khoa Do, Caroline Tran and many more.

The Importance of Being Earnest

inch....this work is likely to become a standart work very quickly and is to be recommended to all schools where recorder studies are undertaken inch. (Oliver James,Contact Magazine) A novel and comprehensive approach to transferring from the C to F instrument. 430 music examples include folk and national songs (some in two parts), country dance tunes and excerpts from the standard

treble repertoire of•Bach, Barsanti, Corelli, Handel, Telemann, etc. An outstanding feature of the book has proved to be Brian Bonsor's brilliantly simple but highly effective practice circles and recognition squares designed to give, in only a few minutes, concentrated practice on the more usual leaps to and from each new note and instant recognition of random notes. Quickly emulating the outstanding success of the descant tutors, these books are very popular even with those who normally use tutors other than the Enjoy the Recorder series.

[This] introductory textbook examines theories of personality, starting from the viewpoint that there are eight basic aspects to personality: psychoanalytic, ego, biological, behaviorist, cognitive, trait, humanistic, and interactionist. Later chapters apply these aspects to individual differences such as those of gender and culture. Summaries after each chapter encapsulate key theorists and concepts discussed. -<http://www.bn.com>.

Lal Kitab - a Rare Book on Astrology

The recent discovery of inscribed pottery in South India indicate that the history of writing among the Dravidian people did not begin with the introduction of Brahmi writing to South India. In this paper we review the epigraphic evidence that indicate that a continuity of script existed from Harappan times down to the South Indian Megalithic period and beyond.

Tamil Cinema in the Twenty-First Century

One of the best English translations of this ancient Indian treatise on politics, social mores, love, and intimacy are the Kama Sutra, which Mallanaga Vatsyayana wrote in the second century CE. Its clean presentation raised the bar for Sanskrit translation. The Kama Sutra is a unique combination of sexology, society, psychology. It has been hailed as a great work of Indian literature for more than 1,700 years and has served as a window for the West into the mysticism and culture of the East. The Kama Sutra, a prehistoric Indian literature, is regarded as the most important Sanskrit study of human sexuality. The Kama Sutra remains one of the most accessible and entertaining of all the ancient classics, having been written with frankness and unassuming simplicity. The Kama Sutra is so significant as a work of philosophy, psychology, sociology, theology, science, and sexology that it simultaneously had an impact on Indian civilization and remained a crucial component in understanding it.

Growing Up Asian in Australia

Mani Ratnam's *Nayakan* is among Time's '100 Best Movies Ever'; and Roja launched A.R. Rahman. This book, unique to Indian cinema, illuminates the genius of the man behind these and eighteen other masterly films. For the first time ever, Mani Ratnam opens up here, to Baradwaj Rangan, about his art, as well as his life before films. In these freewheeling conversations—candid, witty, pensive, and sometimes combative—many aspects of his films are explored. Ratnam elaborates in a personal vein on his choice of themes, from the knottiness in urban relationships (*Agni Natchatiram*) to the rents in the national fabric (*Bombay*); his directing of children (*Anjali*); his artful use of songs; his innovative use of lighting; as also his making of films in Hindi and other languages. There are fond recollections of collaborations with stalwarts like Balu Mahendra, P.C. Sreeram, Thotta Tharrani and Gulzar, among many others. And delectable behind-the-scenes stories—from the contrasting working styles of the legendary composer Ilaiyaraaja and Rahman to the unexpected dimensions Kamal Haasan brought to the filming of *Nayakan* to what *Raavan* was like when originally conceived. In short, like Mani Ratnam's films, *Conversations* surprises, entertains and stimulates. With Rangan's personal and impassioned introduction setting the Tamil and national context of the films, and with posters, script pages and numerous stills, this book is a sumptuous treat for serious lovers of cinema as well as the casual moviegoer looking for a peek behind the process.

Rajinikanth is, quite simply, the biggest superstar cinema-crazy India has ever seen. His stylized dialogues and screen mannerisms are legion, and his guy-next-door-cum-superhero image has found a hysterically appreciative following among millions of moviegoers. Naman Ramachandran's marvellous biography recounts Rajini's career in meticulous detail, tracing his incredible cinematic journey from Apoorva Raagangal (1975) to Kochadaiyaan (2013). Along the way, the book provides rare insights into the Thalaivar's personal life, from his childhood days to his times of struggle—when he was still Shivaji Rao Gaekwad—and then his eventual stardom: revealing how a legend was born.

With reference to life and work of M.G. Ramachandran, b. 1917, Indian motion picture actor and Chief Minister of Tamil Nadu.

A text for students of literature, *Short Fiction from South India* brings together English translations of twelve short stories originally written in Kannada, Malayalam, Tamil and Telugu. While the introduction sketches the phenomenon and history of translation in the Indian context, the exercises at the end of each unit encourage students to concentrate on various elements that constitute a story-theme, imagery, vocabulary and style.
