Forever a Soldier

Contains thirty-seven narratives, drawn from letters, diaries, private memoirs, and oral histories in which American veterans describe their experiences serving in conflicts from the First World War to the twenty-first-century war in Iraq.

Forever a Soldier

This soldier's wounds go deep... Newly returned home from combat, Hank is battered, but not quite broken. Now it's his job to keep a hundred-year-old house from falling down around his ears. He's all alone-just like he wants... until one irrepressible woman invades his sanctuary, hunting the secrets hidden within. A determined scholar searching for a legend... Graduate student Lale is investigating a century-old mystery. Unraveling it is her ticket to tenure and life as a star history professor. But one surly former soldier is standing between her and the information she needs. She'll break his heart... or heal him. Lale launches a charm attack Hank can't resist, and Lale isn't immune to the core of honor shining through Hank's surly defenses. But when Lale threatens to unearth Hank's secrets along with those in the archive, their hearts might not survive the upheaval.

Forever a Soldier

A wounded soldier searching for healing... Hank Moreno returned home from combat not quite broken but definitely battered. His job now is to recover from his tour of duty and to keep a hundred-year-old house from falling down around his ears. No one calls, no one visits-just as he likes. But then one irrepressible woman invades his sanctuary, hunting the secrets hidden within. A determined scholar searching for a legend... Graduate student Lale Pehlivan is investigating a century-old mystery. Unraveling it will guarantee she becomes a star history professor. But one surly former soldier is guarding the family archives-and standing between her and the information she needs. There's no escape from the person destined to break your heart... Lale launches a charm attack Hank can't resist, and the sterling honor Lale finds beneath Hank's surliness tunnels under her own defenses. But when

Lale threatens to unearth Hank's secrets along with those in the archive, their hearts might not survive the upheaval.

Forever a Soldier

All Patricia Fitzgerald wants is to live happily ever after with her soldier... With their relationship finally out in the open, and Carter on the fast track to recovery, Patty spends Black Friday helping him with his charity event. Their attempt to spread Christmas cheer is interrupted, though, when Patty's ex-boyfriend Ben, who has been harassing her for months, shows up. Fearing for Patty's life, one of the men on the protection detail springs into action. Patty finally thinks her worries are over, but the media won't leave her alone... The press is everywhere. Patty wants to move on with her life, but they're relentless in their badgering about the circumstances surrounding Ben. If that isn't enough stress to endure, someone spikes Patty's drink during a New Year's Eve event, and it isn't her meddling ex. Luckily, Carter is there to save her when she collapses, but this constant threat to her life isn't going away. Planning a wedding becomes tedious instead of fun when you're constantly looking over your shoulder... A cake tasting is supposed to be one of those days as a future bride when you get to sit back and take a break from the chaos of planning the ceremony. Someone new is out there, though, and they aren't happy with how Patty handled Ben and her newfound fame in the press. Can Carter manage to keep his fiancée safe long enough to put their ordeal with Ben behind them for good and finally become... forever her soldier?"

Forever My Soldier

The memoir of an infantryman's tour of duty in Vietnam during America's most controversial war. The author details being drafted into the Army in 1968, and being sent to Vietnam in 1969. He experienced losing many friends and was ultimately seriously wounded in action. This book is a testament to the triumph of the human spirit.

A Soldier's Story

A weekend to remember...leads to the surprise of his life.

The Soldier's Forever Family (Mills & Boon Superromance) (Soldiers and Single Moms, Book 1)

"Del Rey book." Battling the Taurans in space was one problem as Private William Mandella worked his way up the ranks to major. In spanning the stars, he aged only months while Earth aged centuries.

The Forever War

War defines his past. Living haunts his present. Peace mocks his future. Forever Soldiers is the final book in the military fantasy series The Tyrus Chronicles. Months have passed since Tyrus ended a decade of war between Turine and Genesha by destroying the Genesha's sorcerous artifact. He had hoped that taking his family south would grant him the peace he desired, but even in the Southern Kingdoms war welcomes him instead. Ava strikes a deal with the Southern Kingdom leaders to protect her brother, taking his place in their fight to protect their lands from invading forces. Having spent her adult life entrenched in battle, Ava doesn't hold any illusions as to what awaits her. A new land, a new language, and new obstacles reinforce what she already knows-nothing in life is easy. Her men, an entire nation, and most of all, her family depends on her success. Without a call of war to answer, Tyrus leads his group of settlers to their new town, taking on the role of mayor with the skills he has honed for more than a decade-assess, prioritize, plan, execute. When memories of the past begin to cloud his judgement, he is forced into a new kind of war. One he doesn't know he can or wants to fight. Once a soldier, forever a soldier.

Forever Soldiers

Chloe loves Logan with all her heart but when she learns she

A Soldier's Forever

"Nothing in my army training had prepared me for what happened in Jerusalem in February 1965." In Chris McQuaid's stunning memoir, *Elegy for a Broken Soldier*, a traumatic event led to his Post-Traumatic Stress Disorder (PTSD). Music became the only respite that provides him solace. Chris was a

member of the Irish Army guard of honour for the visit of US President John F. Kennedy to Dublin in June 1963. With the cheers of the crowds lining the presidential route still ringing in his ears, he felt "ten feet tall" as he prepared for his first UN peacekeeping mission to the Congo. On a UN mission to Cyprus in 1965, trauma changed Chris's life forever, marking the beginning of his PTSD. In Lebanon in 1980, his life was threatened, and the shock effectively ended his military career. Neither event originated on the battlefield, but from within the Irish Army. Despite severe depression and suicidal thoughts, Chris continued his education and returned to the service to become a commissioned officer. He left the army in 1986 with a glowing service record. A long legal wrangle and a succession of psychiatric and psychological assessments have led to even greater health problems, but Chris has survived it all.

Elegy for a Broken Soldier

Alone in the universe, and still a soldier, Mandella awaits his next interaction with the Taurans, whiling away the days organizing his troops. In his commanding role as Major, one he feels supremely unqualified for, the decisions he makes will result in death and destruction. But with no other place for him in the universe, he has no choice but to perpetuate the violence that has stolen his future, his love, and his life from him, in the vague hope that this Forever War will one day come to an end...

The Forever War #6

Emily knows her big brother, Tom, wants to leave Hillside Farm and go overseas to the war, but Emily doesn't want him to go. 'Everyone else is going,' said Tom to Emily when their uncle was gone. 'That's not a good reason,' said Emily. The Soldier's Gift is a moving story of one family's courage and endurance during the First World War, the terrible losses at Gallipoli and a time that changed Australia forever.

The Soldier's Gift

Military Appreciation notebook journal diary A novelty design notebook for the men and women in uniform to write in, share their combat experience and stories, meditate and memorialize their thoughts whilst on deployment. An excellent gift to give to a wife, husband, brother, son and any loved one in the military

Forever My Hero

When Kate Shea works as a nurse in war-torn Viet Nam, she tries to hide from the war's horror in a love affair with a young soldier

Forever Sad the Hearts

Grandpa talks about his war adventures all the time. And Harry loves listening. His father was a soldier too, in a different war. But Harry never knew his dad, and his mother won't talk about him. In finding out why, Harry discovers a deeper truth, one that will change his life forever. Some wars don't just happen on a battlefield . . .

Harry's War

Forever a Soldier By: Jean Hart Forever a Soldier is a collection of poetry with lots of works about the U.S. military, honoring Jean Hart's late husband, who served for 21 years. Join her on her journey celebrating two people who shared a lifetime of love and devotion.

Forever a Soldier

'Vivid, graphic and moving' Mail on Sunday Book of the Year 'It has a wonderful immediacy and vitality - living history in every sense' Anthony Horowitz 'Fantastic' Dan Snow 'Compellingly authentic, revelatory and beautifully written. A gripping tour de force' Damien Lewis 'Stirring and unsettling in equal measure, this is history writing at its most powerful' Evening Standard Seventy-five years have passed since D-Day, the day of the greatest seaborne invasion in history. The outcome of the Second World War hung in the balance on that chill June morning. If Allied forces succeeded in gaining a foothold in northern France, the road to victory would be open. But if the Allies could be driven back into the sea, the invasion would be stalled for years, perhaps forever. An epic battle that involved 156,000 men, 7,000 ships and 20,000 armoured vehicles, the desperate struggle that unfolded on 6 June 1944 was, above all, a story of individual heroics - of men who were driven to keep fighting until the German defences

were smashed and the precarious beachheads secured. Their authentic human story - Allied, German, French - has never fully been told. Giles Milton's bold new history narrates the day's events through the tales of survivors from all sides: the teenage Allied conscript, the crack German defender, the French resistance fighter. From the military architects at Supreme Headquarters to the young schoolboy in the Wehrmacht's bunkers, *D-Day: The Soldiers' Story* lays bare the absolute terror of those trapped in the frontline of Operation Overlord. It also gives voice to those hitherto unheard - the French butcher's daughter, the Panzer Commander's wife, the chauffeur to the General Staff. This vast canvas of human bravado reveals 'the longest day' as never before - less as a masterpiece of strategic planning than a day on which thousands of scared young men found themselves staring death in the face. It is drawn in its entirety from the raw, unvarnished experiences of those who were there.

D-Day

"Rosita felt like a taco all wrapped up in Mama Elena's rebozo shawl." Three year old Rosita Chavez is dark eyed, cute, and cuddly. The Chavez family is desperately poor, struggling to get ahead. A humorous accident lands Rosita's gradpa, skinny Abuelo Don Juan and his donkey, right in the middle of wealthy Helen Winter's flower beds. The situation ignites a bond of friendship which develops between the two families. Don Juan is pressured by his wife, Lupita, to accomplish that which is beyond his reach. Wearing her long skirts, an apron and huarache sandals, Rosita's mother, Mama Elena is strong, hard working, loving and kind. Six year old Daniel Winters takes to her immediately. Mama Elena treats Daniel as if he were her own son. He becomes protective of Rosita. The two families' entertaining adventures exploring the historical sites of the City of Cuernavaca help develop a mutual understanding of their cultural differences. While Rosita and her family struggle to achieve what the Winters take for granted, the Winters on the other hand, begin to change their outlook on life and take pleasure in learning about the people around them. Helen Winters is determined to help the Chavez family in a way that does not hurt their pride. "Rosita in Mexico" is an educational and emotionally heart-warming book for children ages 9 to 99. Pointing out the cultural differences, the historical wealth, and the geographical diversity of Mexico, this book begins to fill the gap in understanding between the peoples inhabiting the North American Continent.

All My Love, Forever

In the year 2104, cloning and genetics had become a technological force. The US army, private companies, and foreign militaries became more technologically advanced. To gauge the powers of the technology, the US army ran multiple tests and scenarios from 2075 to 2104. Enclosed in this book are all the people, technologies, and stories that they accumulated, documenting a historical scenario in the feat of military science. Answering the great question: What is superior? Swine or monkey genetics?

The Forever Soldier

A weekend to remember ... leads to the surprise of his life. Adam Scott never thought he was missing out. Since leaving the military, he's been working at a luxurious resort: no commitments, no complications. Just the way he likes it. That is, until the morning Adam meets a young boy on the beach--a boy who looks very much like him. His son. Six years ago, Adam and Joanna Zielinski indulged in a passionate, no-strings weekend. Even now, their chemistry still burns. But Adam knows all too well that some men shouldn't be fathers. He'll protect his son the best way he knows how ... even if it means saying goodbye to the family he never knew he wanted.

The Soldier's Forever Family

Award-winning writer Matti Friedman re-creates the experience of a band of Israeli soldiers charged with holding a remote outpost in Lebanon during an unnamed war that foreshadowed the conflicts in Afghanistan, Iraq, and elsewhere.

Pumpkinflowers

Part of the Pentagon's most daring and controversial attempt since Vietnam to bring social science to the Afghanistan battlefield, three tough-minded American civilians find their humanity tested and their lives forever changed by this little-known mission.

The Tender Soldier

This Deployment Journal is a great way to keep track of all the things that happen, your thoughts and feelings on your deployment away from your loved ones. The interior is a two page layout including prompts and space to write: Name, Date, Time & Weather - Enter your name, date, time and what the weather was like. Today I Feel - Write how you are feeling that day. I Am Excited About - Record the things you are looking forward to. I Am Concerned About - For writing anything that has you worried. Something Or Someone That Brightened My Day - What was that special something that happened today that put a smile on your face. What Happened Today - Write what your activities were for the day. What I Miss Most - Enter the things that you are thinking about that you miss the most. Things I Can't Wait To Share - Record the things you want your loved ones to know. News From Friends & Family - Write if you received a phone call, text, email, letter, care package, etc. World News & Events - Record news and events that are going on in the world today. There's plenty of blank lined space to record any other notes such as your thoughts, ideas, memories, describing your adventures, special times, travels, any prayer you want to remember. Journals are a good way to relieve stress after a bad day. Makes a perfect book for taking on a deployment, basic training or any time you're away from your loved ones. Will make a perfect keepsake diary for you and your family to look back on. Designed for men and women soldiers alike. Simple and easy to use daily. Small enough you can take with you when you travel. Small, convenient design size of 6x9 inches, 100 pages, soft matte finish cover, white paper, paperback. Get one today! Thank you for your service!

Together Forever Maybe In Distance But Never At Heart

Vietnam, 1969. Juarez, 2009. Three men tied together by the war they left behind on a collision course with the new one. As old grievances resurface close to the border, the bodies pile up. Can the men escape the cycles of violence, or will they be swallowed by them again, this time forever? COLLECTS LOST SOLDIERS #1-5

Lost Soldiers

Based mainly on oral evidence and soldiers' letters, tells the story of over half-a-million African troops who served with the British Army in campaigns in the Horn of Africa, the Middle East, Italy, and Burma. Looks at the impact of army life and travel on the men and their families, and the role of ex-servicemen in post-war nationalist politics.

Fighting for Britain

"SOLDIER:- Dead Or Alive?" has been recognised as the only book of it's kind by "FOREVER STAR BOOK OF WORLD RECORDS" and "OMG BOOK OF RECORDS" which is dedicated to Martyred Soldiers of Indian Army. The book is crafted by 105 Authors and compiled by "VAISHNAVI JHA and SHIVAM SINHA". Altogether they want to spread a message that "Soldiers Never Die...They Are Alive Forever In Our Hearts". This book is full of those tales which can make you cry as life of an Army Man is struggle in itself. The book also reflects the problem of using "DEAD" word for soliders. Using "DEAD" word for soldiers is shameful and disrespectful as well because they sacrifice their lives for us.

Soldier

Behind enemy lines is a harrowing place to be. Few survive and those that do may never be the same again. World War II was no gentleman's war. There was brutality all around and death may have been a welcomed alternative to captivity. Rescue or survival was wanted even more though. There are stories of those that have been caught behind the enemies lines. They are cut off from their allies. Alone. Desperate. These are just a few of those stories. Ask yourself, what would you do to survive? What lengths would you go to in order to make it out alive? This book explores what some did when faced with that very real question. Germany was determined to crush Yugoslavia when it broke ties with them and aligned themselves with the Allied Forces. When a British envoy arrived to meet if Yugoslavian leaders, they find themselves running for their lives as the Germans close in. What was to be a diplomatic mission, soon turns into a nightmare. Will they all make it home alive? The Special Air Service is one of the most elite units in the British military. These men come from all corners of the United Kingdom and are some of the best out there. What happens when an already beleaguered unit finds it's self behind enemy lines and betrayed by possibly one of their own? This is another action packed book on the men that fought, and sometimes died, in World War II. They sacrificed their lives for the freedom of not only others but their own countries as well. Some of their stories are forever immortalized here in these pages.

World War 2 Soldier Stories Part IX

A young man has realized that families last forever and that the military may offer his best chance for a forever family. When Christian Zweig was born, he faced unlimited opportunities and family support. But tragedy struck in unexpected ways and his family was forever changed. Christian faced the future prospect of growing up without the support and love of his family which led him down a path of finding a forever family. His journey to reach his goal of finding a successful career and a forever family takes him on a journey that would have never been contemplated at the start of his journey.

A Student Soldier Endures Forever

UPDATE: THIRD EDITION - WITH EVEN MORE ADDED CONTENT!! Few would argue that the Nazi Germany Regime was brutal and inhumane. The atrocities that were committed by the Nazi's will remain a shameful chapter in history for possibly centuries to come. Beyond that though are the humans behind the swastika. This book takes a look at those men. In Poland, the Germans fought for ground, taking a beating on all sides. At times, they were forced back but eventually prevailed. While we do not celebrate their win, the story behind it is a tactical lesson. A lesson that even modern military leaders can take note of. This story is not just about the Germans though but the valor of the Polish men who fought back against them as well. There is the story of a German soldier that earned one of the highest medals for combat action after fighting for over 50 days of close combat until he was injured and captured by the Soviets. Read about his war actions and the other honors that he earned. Find out if he survived the war or if he was lost forever in Soviet hands. Then there is the chilling story of Stalingrad and the dreaded Kessel. This was not just a battle of a city but of a larger scale. The horrors that awaited the solders there were some of the worst in the war outside of the Germans own concentration camps. Read about what desperate measures, desperate men took in order to survive. This book takes a look at the other side of the lines without judgement or endorsement. If you ever wondered what happened on the other side of the battle, this is the perfect place to start. Comments from Other Readers: "I have read many of Ryan Jenkins' book. I appreciate the style and their succicent structure. More than the ease in which I am able to read these books, I love the content. I enjoy being regaled with history. I don't like books that are overwrought or the cover something common. I read the first 2 parts of solider stories and I enjoyed them. When I learned about part 2, I had to buy. In this installment, I learned about the war from the German perspective. Oftentimes, we learn about the evils of the Third Reich but told from another perspective. It's good to get that insight. I feel I have a better understanding of that part of history as a result of reading this." - Rob (Columbus, USA) "There are plenty of stories that you may not know about that happened during World War 2 since the main focus is on the survivors and those who's accounts were written before death. This is a great book if you want to know more about the German side. Not all of them were bad people, so this is very interesting to me. This book accounts for only a few soldiers but it's very detailed on what they went through during the course of the war." - Ashleigh (San Diego, USA)

I Want to Be a Soldier

SHE WOULD HEAL HIM. SHE WOULD HELP HIM BECOME THE STRONG MAN THAT HE WAS BEFORE. When Isadora is diagnosed as a schizophrenic patient, she musters up her courage and seeks treatment at the Mente Pacifica psychiatric clinic. Little does she know that as she recovers and is ready to leave the clinic, a certain Captain Obrien is going to be admitted and she will have to treat him too! He is young, admirable, irresistible...and broken. She is young, , annoying and determined...to mend him. After their first encounter, which happens in the most brutal and filmy way, the two patients start developing a friendship incomparable to others. Anything can become an adventure for Isadora and her stay at the clinic becomes more like a stay at a funfair the moment the Captain walks in. But the real question was; what would happen when the Captain would be cured? Will they walk in separate directions or will fate bring them together in the most unusual manner? If you love military romance and you want to spend a nice little time with a heartwarming romantic book, then this book is for you!

World War 2

Theme: war, family, courage, role of women/girls, Leyla's village is broken, and it is all because of the war. She can't go to school, her best friend has been forced to move away, and American soldiers occupy her small village. Now, Leyla has to spend all day at the sewing shop with her mother and the other women of the village. But when she meets an American soldier who happens to be a women, Leyla's view of the world is changed forever.

Be My Soldier Forever

After living a normal life for twenty years, a war halfway around the world forever alters the life of a young man... The 1960s were a turbulent time for the United States. Anti-war riots, race riots, and gender equality protests shook America and permanently changed the composition of the American way of life. But for Ray Anderson, life was peaceful and full of normalcy. That is, until his number was drawn. Unlike others who dodged the draft, Anderson, knew his country needed him and accepted the call to arms. Leaving behind everything he knew and loved, Anderson embarked upon a new life, one in which he must fight to preserve the freedom of world, by attempting to stop the tyrannical aggression the North Vietnamese inflict upon its Southern brothers and sisters. After witnessing the atrocities of war, Anderson comes home to ungrateful and unsympathetic protestors, heckling him as he attempts to reenter the "real world." An American Soldier in Vietnam is a means of conveying the harsh conditions American soldiers faced in Vietnam, and the cruel treatment Veterans experienced at the hands of their fellow Americans.

The Soldier

A tour of duty through the worst that the world has to offer Before his time as a professor of writing at the Massachusetts Institute of Technology, before penning multiple Nebula and Hugo Award-winning novels and stories, Joe Haldeman was a soldier in Vietnam, an experience that changed him and colored much of what he has written. War Year is Haldeman's first novel and his first attempt to describe what he saw in Vietnam and give insight into what happened for the benefit of those who weren't there. The minimalist War Year follows the life of John Farmer, a combat engineer, over the course of a year in Vietnam. John undergoes training, and then, along with his fellow soldiers, does whatever it takes to survive in unforgiving conditions. Powerful and affecting, War Year reaches its highest peaks as it describes with enduring truth the sights and experiences of what it was like to be in the humid jungles of Vietnam in 1968. This ebook features an illustrated biography of Joe Haldeman including rare images from the author's personal collection.

An American Soldier in Vietnam

It is said that "Old soldiers don't die, they just fade away." In truth they neither die nor fade away, but rather live eternally both in spirit as well as materially. Their hearts beat now and reside within the very being of all Americans today... From the freedom to express our thoughts and feelings openly, our hopes and dreams freely, and our visions of a better life for ourselves and for those we love. All without fear of unfair judgement or cruel and inhumane persecution. They reside not only within us but all around us, right here in our own great America... They are manifest in the great achievements that could only be born of a truly free society. Made possible through the courageous and selfless sacrifices of those who have fought to defend our god given rights many of those being our courageous American Armed Forces. Wars continue to bring out the very worst in mankind, and also the very best. It is only through our experience of overcoming such realities and that we individually and collectively come

ever closer to the greater good. This story is the account of one very fortunate and courageous air man, Armand DiSchiavi. In spite of seemingly unsurmountable odds, somehow survived many dreadful experiences. In the following pages he shares with us an incredible journey that lead to his capture, legendary Stalag 17B incarceration, terrifying Death March, and ultimately his freedom. In addition he shares with us his personal and insightful revelations that were born of his most extraordinary voyage. It changed his life...forever. A stirring biography about an ex-prisoner of war enthralls reader Deerfield Beach, FL (Release Date TBD) Armand C. DiSchiavi is one of two remaining survivors from the 390th Bomb Group, Combat Crew #24, who was imprisoned at Stalag 17-B in Krems, Austria, from 1944 through 1945. He lives to tell his tale of The Eternal Soldier. Stalag 17-B was the most infamous of the German prison camps, the subject of countless Hollywood films. This mesmerizing book chronicles the first hand account of DiSchiavi's experiences based on daily entries in a diary that he kept as a prisoner of war (POW). Filled with details on all the events in DiSchiavi's military career, the book draws audiences not only for those who have been through the war or knows someone who has suffered the ordeal but also for those who enjoy a good engrossing read. These pages contain many illustrations and official government documents that DiSchiavi has accumulated over the years, plus some that he has obtained by writing to the World War II archives. He also included pertinent technical data for each mission he completed. Get ready to be riveted with a gripping memoir that will surely keep you to the edge of your seats till the very last page, Armand C. DiSchiavi's The Eternal Soldier. For more information, log on to www.Xlibris.com.

War Year

In the year 2043, the Ngumi War rages. Limited nuclear strikes have been used on Atlanta and two enemy cities, but the war goes on, fought by 'soldierboys' - indestructible war machines operated by remote control by soldiers hundreds of miles away. Julian Class is one of these soldiers, and for him war is truly hell. The psychological strain of being jacked-in to his soldierboy - and the genocidal results - are becoming too much to bear. Now he and his companion, Dr Amelia Harding, have made a terrifying scientific discovery, which could literally take the universe back to square one. Except that for Julian, the discovery isn't so much terrifying as tempting... Winner of the Hugo Award for best novel, 1998 Winner of the Nebula Award for best novel, 1998 Winner of the John W. Campbell Award for best novel, 1998

The Eternal Soldier

'A great and inspiring book from Doncaster's bravest son. Read it in a day' - Jeremy Clarkson 'Ben is the embodiment of positive thinking. What he has achieved, in large part through willpower, is nothing short of miraculous. An inspiration to us all' - Ant Middleton The story of Ben Parkinson MBE, the most injured soldier to have survived Afghanistan --- What were you doing when you were 22? Where were you in the world? What did you want to do with your life? Ben Parkinson was a 6'4" Paratrooper. He was in Afghanistan fighting for his country. He wanted to always be a soldier, to be a father and to get home in one piece. But we don't always get what we want. So the question is: how do we react when that happens? Easy: You find something new to fight for. Ben Parkinson MBE is an inspiration to everyone. He suffered 37 injuries when his Land Rover hit a mine in Helmand in 2006, including brain damage, breaking his back and losing both his legs. This book follows the story of what led him to that moment his life changed forever - and what happened next. Doctors didn't think Ben could survive the trauma - then they didn't think he would wake up, or talk again, or walk again. Time after time, Ben pushed the ceiling on what was possible, going on to carry the Olympic flame in 2012 and receiving an MBE for the enormous feats he has undertaken for charity. What he has achieved in the face of adversity - for others as well as for himself - is nothing short of a miracle. Nerve-wracking, heart-warming and full of classic soldier's humour, Losing the Battle, Winning the War is a book you'll be thinking about long after the last page. 'Ben Parkinson is my hero. His story is one of immeasurable courage and character, a testament to the extraordinary resilience of the human spirit' - Dan Jarvis MP, author of Long Way Home

Forever Peace

Prejudice Superstition And A Soldier With A Magic Touch Determined to uncover the truth about her mysterious Appalachian past, Maggie O'Neil drives to Heather's Hollow in search of her granny, the only other surviving member of the O'Neil clan. Her grandmother's uncanny sixth sense and healing powers intrigue the emergency-room nurse when they meet, but what really fascinates her is her granny's

neighbour, brooding ex-soldier Abram Devane. The secretive major pretends to like his solitude, but Maggie's gut feeling says he's not immune to her. And as all of Heather's Hollow knows, when the O'Neil women look into the future with their bewitching green eyes, whatever they see comes true. Herself in this soldier's arms forever is the sight before Maggie. Can Abram face down the demons in his past and allow himself to see the same thing?
