Why Does God Care Who I Sleep With?

Answers one of the biggest barriers to belief. Christians are increasingly seen as outdated, restrictive and judgmental when it comes to sex before marriage, cohabitation and homosexuality. In fact for many people, this issue is one of the biggest barriers for them considering Christianity. Sam Allberry, author of many books including *Is God Anti-gay* sets out God's good design for the expression of human sexuality, showing that God himself is love and that only he can satisfy our deepest desires. It is a great reminder of the Bible's positive blueprint for love, sex and marriage and ideal for giving away to people who may see this as a stumbling block for belief.

Making Room for Her

This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1887 edition. Excerpt: ...its consequences. "Sin is the sting of death," the deadly weapon through which death does his work, and has his power; but this weapon has been taken out of his hand. "The strength of sin is the law; " but the law has been divinely-vindicated, its claims have been satisfied. Its demands have been met in the Person and work of a divine human Mediator and Vindicator, --one who, identifying Himself with man in his sin and its penalty, identifies man with Him in His triumph over sin and death and all their consequences. The sting of death has been thus taken away; and death itself, in divine assurance, as in actual human experience, shall be finally and fully abolished. "Through death," He who proclaims Himself the resurrection and the life, through His own death of atoning sacrifice and suffering, " He destroyed him that had the power of death, that is, the Devil,"--the first great murderer of men's souls and bodies, --"and thus delivered them who, through fear of death, were all their lifetime subject to bondage." "I am come," is His own language, "that My sheep "--My people--" might have life, and that they might have it in exceeding abundance." "I am He that liveth, and was dead, and hold the keys of hell and of death." "He died and rose again, and lives, that He may be Lord both of the dead and of the living." "I," said He, "am the living bread that came down from heaven. If any man eat of that bread, he shall live forever." "I know My sheep, and I give unto them eternal life,"--life in the fullest sense of that word possible to human possession and enjoyment. Thus, in union with Him, they "die no...

The Sin Eater's Daughter 2: The Sleeping Prince

The Ultimate Guide to Christian Singleness covers a wide range of common questions Christians singles often have. Why am I still single? Is God calling me to a life of singleness? How can I use this season for God's glory? Is God punishing me with singleness because of my past sins? How can I find a godly spouse? This book is divided into four sections which cover the common phases of Christian singleness. It has 30 short chapters, each with three reflection questions meant for small group Bible studies or individual use.

The Ultimate Guide to Christian Singleness

Repent, confess your sins, and you are forgiven? Is that person you see in the mirror the same person on the inside? Sometimes reflections can't be trusted! Pastor Riddley is a great pastor who is well-known in the city of Atlanta; everyone he meets thinks highly of him. Pastor Riddley, however, comes from a troubled past in which now he has turned his life over to God. He has now become a saved man. Pastor Riddley is married to the most beautiful Christian woman, Olivia, who seems to be the best thing that has ever happened to him. She has changed his life in so many ways, but for some reason, he cannot stop lying! Can Olivia trust her own husband? Is he who she thinks he is? What you don't know can hurt you, especially when sin is blinded by love! What's done in the dark always comes to the light. Secrets are meant to be kept. The past is the past until death do you part, but sometimes it comes back to haunt you! What goes around comes around, so trust no one because you just might be sleeping with the enemy! God forgives your sins, but is that enough? Say your prayers, Christians, because karma is back, and the bitch ain't playing!

Christian Treasury

As a Christian woman, who suffered years of emotional abuse from my preaching spouse, I have discovered that I'm not alone. Millions of Christian women stay in an abusive marriage because they are taught it is a sin to get a divorce. As much as the Lord doesn't like divorce, He does not want us to live in an abusive marriage. You don't have to stay there and suffer in silence, while your husband has an affair, shows severe mood swings, and verbally abuse you, and all this is before he get up the preach to the congregation. We are princess of the King; we deserve the best that our Father has to offer. Jesus came to save us from our sins, but he also came to heal us, to provide for us, be it physically or emotionally. God is still delivering his people from the hands of Pharaoh today. I wanted to let women know that there is someone who understands and who's been there. As I frantically search within the church walls for a woman who would give me the right advice and all I ran up against are women who stayed until their spouse died or they are still in the abusive marriage. The others never had an abusive marriage and didn't know what to say. Whether you stay or go, this book is not to help you make up your mind, but to just share my personal discover of my marriage to a minister, that know matter how I tried to keep it together, fell apart anyway. Be encouraged and seek the Lord's guidance and your life. GOD IS STILL IN CONTROL.

The Emphasised Bible

Women desire to live well. However, living well in this modern world is a challenge. The pace of life, along with the new front porch of social media, has changed the landscape of our lives. Women have been told for far too long that being on the go and accumulating more things will make their lives full. As a result, we grasp for the wrong things in life and come up empty. God created us to walk with him; to know him and to be loved by him. He is our living well and when we drink from the water he continually provides, it will change us. Our marriages, our parenting, and our homemaking will be transformed. Mommy-blogger Courtney Joseph is a cheerful realist. No subject is off-limits as she moves on to marriage, parenting, and household management. Rooted in the Bible, her practical approach includes tons of tips that are perfect for busy moms, including: Simple Solutions for Studying God's Word How to Handle Marriage, Parenting, and Homemaking in a Digital Age 10 Steps to Completing Your Husband Dealing With Disappointed Expectations in Motherhood Creating Routines that Bring Rest Pursuing the Discipline and Diligence of the Proverbs 31 Woman There is nothing more important than fostering your faith, building your marriage, training your children, and creating a haven for your family. Sleeping with the Devil, Awakened by God

The Sin Eater's Daughter

The Legend of Sleeping Bear

It started with a mother's love... Fleeing from a forest fire, a mother bear urges her two cubs into the watery shelter of a vast body of water. Though it will be difficult, she knows if they can swim across to the opposite shore, they will be safe. With calls of encouragement and steadfast love, Mother Bear guides her cubs across the great lake, Lake Michigan. And the story of what happens once Mother Bear reaches the far shore becomes the legend behind the natural wonder known as Sleeping Bear Dune. In 1998 writer Kathy-jo Wargin and nature artist Gijsbert van Frankenhuyzen combined their talents to bring *The Legend of Sleeping Bear* to life. Published to wide acclaim, the book was soon named the Official Children's Book of Michigan.

Named for its famed dunes, this national park was designated the "Most Beautiful Place in America" in 2011 on ABC's Good Morning America show. Topics include the park's many natural features such as its dune formations, beaches, and forests, as well as its numerous cultural attractions, including an 1871 lighthouse.

Mishe-Mokwa and the Legend of Sleeping Bear

While nearly everyone has a memory of their own favorite tattered teddy bear, the details of the day President Theodore "Teddy" Roosevelt refused to shoot a bear have been lost to time. Now, nearly 100 years later, the legend that has grown around that fateful encounter will captivate you in this delightful tale. Gijsbert van Frankenhuyzen brings his magical touch to another great American legend with illustrations for the origins of America's favorite stuffed animal and how it got its name. Author Frank Murphy shares the history and lucky timing of two candy store entrepreneurs who took the story of President Theodore Roosevelt's warm-hearted gesture in refusing to shoot a cornered bear and turned it into a legend of the toy world. Relive the memory of your own timeless, tattered "Teddy's" bear with *The Legend of the Teddy Bear*.

S is for Sleeping Bear Dunes

The fantastic Legend team of Kathy-jo Wargin and Gijsbert van Frankenhuyzen have another beautiful book to add to the Sleeping Bear and Mackinac Island stories. A Grandmother's love for her grandchildren is magically portrayed in *"The Legend of the Loon"*. A perfect addition to your collection, this book remains true to the heartwarming qualities you've come to expect from these legendary storytellers.

The Legend of the Teddy Bear

Long, long ago, the ancient people of the forest gathered around warm fires and told the tale of a time long past, when the land known as "Michigane" was covered with ice and snow. For thousands of years the cruel North Wind ruled the land North of Up North, chasing away the gentle, benevolent winds from the East, West and South. Winter stayed the whole year round, so nothing could live in Michigane. Not until an old warrior and a young boy traveled through the frigid cold with nothing but warm hearts and an old pair of mittens was there hope that the frozen land would eventually come to life. Trinka Hakes Noble is the noted author of numerous award-winning picture books including *The Scarlet Stockings Spy*, the ever-popular *Jimmy's Boa* series and *Meanwhile Back at the Ranch* (both featured on Reading Rainbow). Her many awards include ALA Notable Children's Book, Booklist Children's Editors' Choice, IRA-CBC Children's Choice, Learning: The Year's Ten Best, and several Junior Literary Guild Selections. Trinka makes her home in Bernardsville, New Jersey. *The Legend of Michigan* is the 20th book that Gijsbert van Frankenhuyzen has illustrated for Sleeping Bear Press. His other titles include *The Legend of Sleeping Bear*, the #1 Midwest bestselling *Legend of the Petoskey Stone*, and Texas Bluebonnet runner-up *Mercedes and the Chocolate Pilot*. Gijsbert and his family live in Bath, Michigan.

The Legend of the Loon

"He came into the world in the middle of the thicket, in one of those little, hidden forest glades which seem to be entirely open but are really screened in on all sides." So begins one of the most beloved nature stories. Felix Salten wrote *Bambi: A Life in the Woods* in 1923. It was translated into English in 1928, becoming a Book-of-the-Month Club hit. Though not originally written for children, the film rights were sold to the Walt Disney studios and the animated movie was released in 1942. Taken directly from the first chapter of Salten's original tale, *Bambi's First Day* depicts the early moments of the fawn's life in the safety of a forest glen and the shelter of his mother's embrace. Lush oil paintings by Gijsbert van Frankenhuyzen showcase the beauty of the natural world and tenderly bring to life the heartfelt devotion and love of a mother for her child. Felix Salten is the pen name for Austrian writer Siegmund Salzmann who wrote short stories, plays, novels, and essay collections. Artist Gijsbert van Frankenhuyzen has illustrated more than 20 books with Sleeping Bear Press, including the bestselling *The Legend of Sleeping Bear*; *Mercedes and the Chocolate Pilot*; *Friend on Freedom River*; and his popular *Hazel Ridge Farm* stories. Gijsbert lives in Bath, Michigan, with his wife, Robbyn. They both travel to schools in the Great Lakes area.

The Sleeping Bear Wakes Up

The sixth tale in our Legend series, *The Legend of the Petoskey Stone* focuses on the naming of this unique fossil, found only on the shores of Lake Michigan. From the ancient, warm sea that covered most of the state, through Native American history and the history of the town named after a great chief, *The Legend of the Petoskey Stone* is a welcome addition to the fables so richly told and illustrated by this much-loved and honored children's book team. Author Kathy-jo Wargin has earned national acclaim through award-winning children's classics such as Michigan's official state book, *The Legend of Sleeping Bear*, Children's Choice Award winner *The Legend of the Loon*, *The Edmund Fitzgerald: Song of the Bell*, and many others. Kathy-jo enjoys writing about nature and its effect on all our lives, and is a frequent guest speaker throughout the country. She is also a faculty member of the Bear River Writers Workshop, sponsored by the University of Michigan. She lives in Petoskey, Michigan. Since the publication of *The Legend of Sleeping Bear*, artist Gijsbert van Frankenhuyzen has been an established presence in the world of children's book illustration. His many other titles with Sleeping Bear Press include *The Edmund Fitzgerald: Song of the Bell*, *Adopted by an Owl*, *Jam & Jelly* by Holly & Nellie, and *The Legend of Leelanau*. Gijsbert and his family live in Bath, Michigan.

The Legend of Michigan

A beautiful tale of the painted turtle Makinauk, his animal friends, and their discovery of new lands and long-lasting friendship.

Bambi's First Day

Do you know how to scare a bear? Would you bang pots and pans? Would you rattle some cans? Would you shout? Would you yell? Would you ring a loud bell? Do you know how to scare a bear? How would you scare a bear out of your cabin? Or out of your fishing boat? How about away from your campfire? And what if he climbed in your bunk? Would the bed go kerplunk? From the author-illustrator team who created *Moose on the Loose* comes yet another example of the high jinks and hilarity that happens when wildlife wanders indoors. In this contest of wills, who will win? And once again, by story's end, young campers will know exactly how to scare a bear!

The Legend of the Petoskey Stone

Around the world Santa Claus has many names. But in a deep, swampy bayou of Louisiana, he's known as Papa Noël. In such a hot and humid place, there can be no sleds or reindeer, so Papa Noël rides the river in a boat that's pulled by eight alligators, with a snowy white one named Nicollette in the lead. On this particular Christmas Eve, it's so foggy on the river that even Nicollette's magical glowing-green eyes may not be enough to guide Papa Noël. The alligators are tired, grumpy and bruised from banging into cypress trees, and Papa is desperate to get all the gifts to the little children. Well, "quicker than a snake shimmies down the river," the clever Cajun people come up with a solution that saves the day. A colorfully inventive Christmas tale, *Papa Noël* is a lesson in fast thinking, as well as a witty introduction to a part of America that's rich in folklore and legend.

The Legend of Mackinac Island

The Legend of the Lady's Slipper is a suspenseful tale of a young maiden's run through the forest in an attempt to save the people of her village. Dashing through the forest, with starlight at her heels, *Running Flower* is a testament of courage, loyalty, and sacrifice. You will remember her story whenever you see delicate pink and white lady's slippers carpeting the ground of a northern forest. Add *The Legend of the Lady's Slipper* to your collection and let it enchant you for years to come. Kathy-jo Wargin aims to help young readers notice the most intricate details of a story by adding the nuances that create magic and wonder in a good tale. Kathy-jo Wargin (Nelson) was born in Tower, Minnesota and moved to Grand Rapids at the age of seven. She studied music composition at University of Minnesota-Duluth. Her transition to writing books was a natural step. As well, her love for children and her desire to expose them to vivid written descriptions, inspire her to write with great attention to the nuances of a story, opening their minds to see all the possibilities in a scene or situation. Gijsbert van Frankenhuyzen captures his lifelong connection to nature and wildlife. His talent for mural painting can be seen in several museums, including Fort Mackinac on Mackinac Island, Michigan. Born in the Netherlands, Gijsbert studied at the Royal Academy of Arts in Holland and immigrated to the United States in 1976. In 1993, after 17 years as the Art Director for the Michigan Natural Resources Magazine, he ventured

out on his own. His highest professional achievement comes from being selected numerous times into the internationally renowned Leigh Yawkey Woodson Birds in Art exhibition, held in Wisconsin. Gijbert and his wife Robbyn, give nature tours at their home outside Lansing, Michigan where they live with their two daughters, Kelly and Heather.

Scare a Bear

The Pine Barrens region in New Jersey has long been a place of mystery, with its dark pine groves, black swamps, and dank bogs, oftentimes shrouded in mist and fog. Reputed to be haunted by spirits, it's an unsettling place to be sure. But of all the mysterious happenings and sights to be found in the Pine Barrens, there is none so intriguing as the Jersey Devil. Since its first reported sighting in 1735, local lore has it that a "devil-like" creature with the head of a horse, the wings of a bat, and the hooves of a goat has menaced townspeople, frightened livestock, and caused all manner of trouble over the years. Is the Jersey Devil real? Award-winning author Trinkia Hakes Noble weaves a spellbinding tale about the origins of the legend of the Jersey Devil. Atmospheric illustrations by artist Gerald Kelley bring the tale to spooky life.

Sleeping Bear

The author addresses key scientific questions previously explained by rich mythologies, from the evolution of the first humans and the life cycle of stars to the principles of a rainbow and the origins of the universe.

The Legend of Papa Noel

A collection of stories drawn from Michigan's rich folk heritage

The Legend of the Lady's Slipper

What would you do with a moose on the loose? Would you chase him, or race him, or stand up to face him? What would you do with a moose on the loose? What would you do with a moose in your yard? Or in your house? How about in your room? Or in your tub? Would you give him two boats? Would you see if he floats? What would you do? Colorful, comic artwork highlights the hilarity that ensues when wildlife wanders indoors. Can boy best beast? By story's end, young readers will know exactly what to do when a moose goes on the loose! Kathy-jo Wargin is the bestselling author of more than 30 books for children. Among her many awards for her work are an IRA Children's Choice Award for The Legend of the Loon and an IRA Teachers' Choice Award for Win One for the Gipper. Kathy-jo lives in Minnetonka, Minnesota. John Bendall-Brunello began drawing at quite a young age, and especially loves illustrating animals and children, capturing movement and life within simple and bold compositions. He has illustrated over 60 children's books. John lives part of the year in Cambridge, England, and part in Cannes in the south of France.

The Legend of the Jersey Devil

Voyageur is the French word for "traveler," but in the Great Lakes region during the seventeenth century it described those men who made their living trading furs and goods along water routes. Traveling by canoe, these voyageurs helped to establish north woods trading posts and settlements, opening up the West to future exploration. Young Jacques's father is such a voyageur. He works long hours in bitterly cold weather, absent from home for weeks at a time. As he awaits his father's return from a season of trading, Jacques dreams of the day he will hold the canoe paddle and join the ranks of voyageurs. Author Kathy-jo Wargin is known for her many stories celebrating Great Lakes lore and north woods history including the 2001 IRA Children's Choice Award winner, The Legend of the Loon. She lives with her family in Petoskey, Michigan. David Geister's body of work with Sleeping Bear Press continues to grow and includes The Legend of Minnesota, also written by Kathy-jo Wargin. He specializes in historic art and has a background in commercial art. David lives with his family in Minneapolis, Minnesota.

The Life of the Sleeping Bear

Where do Petoskey stones come from? Based on a Native American legend a family learns the story of a natural wonder. Perhaps the answer lies in the discovery that Mother Bear has been leaving her tears all over the beaches of Lake Michigan for hundreds of years. Walk the shores of Lake Michigan with grandpa and his grandchildren on their rock hunting expedition, in search of the great Petoskey

stone. Grandpa passes on the age old Ojibwe Sleeping Bear legend, and reveals the untold story of the Tears of Mother Bear.

The Magic of Reality

Long ago Beaver did not look like he does now. Yes, he had two very large front teeth, but his tail was not wide and flat. It was thick with silky fur. Vain Beaver is inordinately proud of his glorious tail. When he's not bragging about his tail, Beaver spends his time grooming it, while the other woodland creatures go about their business of finding food and shelter for their families. Eventually Beaver's boasting drives away his friends and he is left on his own. But when his tail is flattened in an accident (of his own making), Beaver learns to value its new shape and seeks to make amends with his friends. Based on an Ojibwe legend.

Michigan Legends

Leaving port from Superior, Wisconsin on a sunny November day, the crew of the Edmund Fitzgerald is looking forward to a routine crossing of deep Lake Superior. Heading for a port in Cleveland, the giant transport ship is loaded with ore that will be used to build cars. But disaster is building in the wind as a gale storm begins to track after the great ship. This suspenseful retelling of the last hours of the doomed vessel pays homage to all sailors who traverse deep waters, in fair skies and foul. Atmospheric paintings from award-winning artist Gijsbert van Frankenhuyzen bring the story to life. The author of the best-selling books *The Legend of Sleeping Bear* and *The Legend of Mackinac Island*, Kathy-jo Wargin aims to help young readers notice the most intricate details of a story by adding the nuances that create magic and wonder in a good tale. She lives in the woods of northern Michigan with her family. *The Edmund Fitzgerald* is her 10th book with Sleeping Bear Press. Born in the Netherlands, Gijsbert van Frankenhuyzen, or "Nick" as he prefers to be known, studied at the Royal Academy of Arts in Holland. He immigrated to the United States in 1976. *The Edmund Fitzgerald* is Nick's 13th children's book with Sleeping Bear Press. *The Legend of Sleeping Bear* was Nick's first book and has sold more than 200,000 copies.

Moose on the Loose

The young maiden Leelinau is forbidden from going into the Spirit Wood. But Leelinau so enjoys her time spent there with the Pukwudjinees (the tiny fairies of the forest) that she risks playing with them time and time again. The legend explores the resistance many of us harbor of entering adulthood. This is the fifth title written by Kathy-jo Wargin and illustrated by Gijsbert van Frankenhuyzen in our Legend series which currently has 400,000 copies in print. *The Legend of the Sleeping Bear*, the title that began the series, is the official State of Michigan children's book. "Leelinau was so happy to be in the Spirit Wood once again that she began to dance all around. Then she sat down amidst a mess of large tree roots that fit like a chair made just for her. But this time, as she sat there to rest, she heard strange whispers. At first, Leelinau thought it sounded like baby robins trying to catch their first breaths, or ferns being tossed back and forth in the wind. But Leelinau wasn't quite sure, so she listened more carefully. She heard more whispers, and then voices. Leelinau became frightened. Her heart pounded like a large drum in her chest, and her throat felt tight and narrow."

The Voyageur's Paddle

A poetic retelling of a Michigan Odawa Indian legend of the giant bear mother and her cubs who flee from danger and find a new home.

Tears of Mother Bear

A man who sleeps for twenty years in the Catskill Mountains wakes to a much-changed world.

The Legend of the Beaver's Tail

This deceptively simple bedtime book helps your child understand the lakeshore environment of Michigan and Sleeping Bear Dunes. As children say goodnight to the animals that call the beach home, they form lasting connections to the real-world environments and ecosystems around them. Even the most reluctant sleeper can't resist the lyrical rhymes and soothing illustrations. Sure to become your child's favorite bedtime story, *Goodnight Sleeping Bear* travels through the dunes at sunset to lull your

little one to sleep. With sturdy pages and rounded corners, this book is durable enough for lots of learning fun.

The Edmund Fitzgerald

Illustrator Gijsbert van Frankenhuyzen and wife Robbyn team up again for another wildlife tale drawn from their encounters with the animal kingdom. Told in journal form and rendered in beautifully detailed artwork, the van Frankenhuyzens give a "day in the life" view as the fox Samantha begins her journey from injured kit to independent adult living on her own. Always respecting the boundaries between the wild and the human ways of life and based on years of work as licensed wildlife rehabilitators, Gijsbert and Robbyn recommend readers "do not try this at home." Saving Samantha is Gijsbert's fourteenth book with Sleeping Bear Press. He has also illustrated the best-selling *The Legend of Sleeping Bear*, *The Legend of Leelanau*, and most recently *The Edmund Fitzgerald: Song of the Bell*. He and Robbyn live with their daughters in Bath, Michigan, on a 40-acre farm.

The Legend of Leelanau

Mei hates springtime. Why? Because it's only in the spring that Nian, a fierce dragon, is able to leave his mountain prison under the sea to terrorize the local village. When the villagers hear the rumblings of Nian's hungry stomach, they know that winter has ended and spring is coming. But this year on the night before the first day of spring, a magical warrior visits Mei in her dreams. He tells Mei that it is her destiny to face and defeat Nian. But she must do it within 15 days or the dragon will be free forever. Author Virginia Loh-Hagan (*PoPo's Lucky Chinese New Year*) gives this retelling of the Nian legend an original twist, while explaining the origins of Chinese New Year traditions.

The Legend of the Sleeping Bear

At the southernmost tip of New Jersey lie the resort town of Cape May and its sparkling sandy beaches, sheltering the Delaware Bay. Formed by melting glaciers thousands of years past, the Delaware River flows from its headwaters to spill into the Delaware Bay. And for thousands of years, fragments of quartz rock have ridden the river, plucked from the mountains lining its banks. Polished and buffed as they tumble along, these rock particles dazzle like gemstones when tossed onto Cape May's sandy shores. Beloved by beachcombers, these "diamonds" are the daughters of the river, linking the state's past and present. Delving into the natural beauty of New Jersey's famous coastline, storyteller Trinka Hakes Noble has crafted a wondrous tale explaining the origin of the Cape May Diamond. Trinka Hakes Noble's award-winning picture books include *The Last Brother*, *The Scarlet Stockings Spy* (an IRA Teachers' Choice, 2005), and the popular *Jimmy's Boa* series. Her awards include ALA Notable Children's Book, IRA-CBC Children's Choice, and several Junior Literary Guild Selections. She lives in Bernardsville, New Jersey. E.B. Lewis is the acclaimed illustrator of numerous award-winning picture books, including the 2005 Caldecott Honor Book, *Coming On Home Soon*. He teaches illustration at the University of the Arts in Philadelphia and is a member of the Society of Illustrators in New York City. He lives in Folsom, New Jersey.

Goodnight Sleeping Bear

Retells the Miwok Indian legend in which a little measuring worm saves two bear cubs stranded at the top of the rock known as El Capitan.

Saving Samantha

In the course of its extraordinary history, the Jersey Devil has been exorcised, shot, electrocuted, declared officially dead, and scoffed as foolishness--none of which has had any effect on it or the people who persist in seeing it! This mysterious creature is said to prowl the lonely sand trails and mist-shrouded marshes of the Pine Barrens, and emerge periodically to rampage through the towns and cities of New Jersey and eastern Pennsylvania, leaving many communities in near-hysteria. The authors show that while a few appearances have been out-right fraud and others have likely been the result of mass hysteria, this creature has been seen by enough sane, sober, and responsible citizens to keep the possibility of its existence alive and tantalizing. Over 50,000 in print
