The Crucible

The Crucible is a study in the mass hysteria which led to the 1692 Salem witchcraft trials, concentrating on the fate of some of the key figures caught up in the persecution. It powerfully depicts people and principles under pressure and the issues and motivations involved. At the same time, it is also a parable for the events of the McCarthy era in the USA of the 1950s when anyone suspected of left-wing views was arraigned for 'Un-American Activities'.

The Crucible

Southern Cameroon, West Africa 1936 A virus mutated and crossed the barrier from primate to human. In less than a century it had claimed the lives of twenty-five million people. Africa, a land of natural beauty and riches, ripe for plunder, full of dark menace. In a near future scenario of viral pandemic, global religious conflict, climate change and mass migration, America and the Middle East are locked in a religious fundamentalist race to Armageddon, while the old nations of Europe flex their imperial muscles. Will mankind rediscover the Garden of Eden or ignite the crucible of the apocalypse? The Europeans are using stealth and Thomas is the most deadly of mercenaries. Any conscience he had died with his wife and children under a blood-soaked African sun. He works for an agency with a taste for righting wrongs on a grand scale - an organisation with deep pockets, altruistic motives and a pragmatic approach to the dispensation of justice. Greg is a failed philanderer and small-time inventor, struggling to earn a crust for his family. When the enigmatic Thomas steals his identity, Greg is lured into a web of global corruption, conspiracy and murder. But are these unlikely friends really on the side of good or evil?

Elements of Literature

A literary study guide that includes summaries and commentaries.

The Crucible -

Nineteen Eighty-Four (1949) was George Orwell's final novel and was completed in difficult conditions shortly before his early death. It is one of the most influential and widely-read novels of the post-war period.

The Crucible

The RCAF, with a total strength of 4061 officers and men on 1 September 1939, grew by the end of the war to a strength of more than 263,000 men and women. This important and well-illustrated new history shows how they contributed to the resolution of the most significant conflict of our time.

Nineteen Eighty-Four

Arguments over what democracy actually meant in practice and how it should be implemented raged throughout the early American republic. This exploration of the Pennsylvania experience reveals how democracy arose in America and how it came to accommodate capitalism.

The Crucible of War, 1939-1945

For some fifty years now, Arthur Miller has been not only America's premier playwright, but also one of our foremost public intellectuals and cultural critics. *Echoes Down the Corridor* gathers together a dazzling array of more than forty previously uncollected essays and works of reportage. Here is Arthur Miller, the brilliant social and political commentator-but here, too, Miller the private man behind the internationally renowned public figure. Witty and wise, rich in artistry and insight, *Echoes Down the Corridor* reaffirms Arthur Miller's standing as one of the greatest writers of our time.

Crucible of American Democracy

Often the church is accused of being so embedded in the culture that effective prophecy leveled at the culture is impossible. But this book illustrates that there was a time and a place where the church community was faithful to its mission as the body of Christ, as church leaders led, people lifted high the cross, and they marched into the uncertainty that still prevails. Here is a time and place where the call to risky discipleship was answered not with whimpers, whines, and excuses, but with the power of faithful Christians living out their call. This book illustrates what it can mean to faithfully answer the call to discipleship and God's service. Many people wonder if they would be able to stand up for their faith if it meant great personal sacrifice or the sacrifice of people they love. They wonder what they would risk for their faith, if anything. In the United States where cost/benefit analysis is a popular way to assess risk, many Christians wonder if they might not have to stand alone, because too many see the risks as too costly. As suggested by the title, this book draws upon a collection of sermons and addresses given by Peter Storey in a variety of contexts between 1966 and 1993. The original audiences ranged from the all-white Central Methodist Church in Johannesburg, to the South African Council of Churches, to the nation of South Africa, and to the world. All of these sermons and addresses are directly related to specific historical events: security police confrontations, beatings, and tear-gassings in churches around the country of South Africa; an imposed State of Emergency; the murder of 14-year-old Stompie Sepie by Winnie Mandela's thugs; and the violent jockeying for power between Mandela's African National Congress, Chief Mangosutho Buthe's Inkatha Movement, and F. W. de Klerk's regime. The book offers the full perspective of what it means to speak truth, empower people to stand for the truth, and to pastor souls during times when living truth seems almost impossible. Key Features: 1. Foreword by Desmond Tutu 2. 15 chapters, each including a brief description of the original context, the sermon and its connection with the present, and a prayer 3. Epilogue by Will Willimon

X-kit Lit Series Fet:the Crucible

Little is known about sixth-century Arabia. Yet from this distant time and place emerged a faith and an empire that stretched from Iberia to India. G. W. Bowersock illuminates this obscure yet most dynamic period in Islam, exploring why arid Arabia proved to be fertile ground for Muhammad's message and why it spread so quickly to the wider world.

Echoes Down the Corridor

The Field is John B. Keane's fierce and tender study of the love a man can have for land and the ruthless lengths he will go to in order to obtain the object of his desire. It is dominated by Bull McCabe, one of the most famous characters in Irish writing today. An Oscar-nominated adaptation of *The Field* proved

highly successful and popular worldwide, and starred Richard Harris, John Hurt, Brenda Fricker and Tom Berenger.

With God in the Crucible

DigiCat Publishing presents to you this special edition of "The Old Man and the Sea" by Ernest Hemingway. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

The Crucible of Islam

Thomas Blackwood is a shadow, working for a covert organization that dispenses justice on a grand scale. Twisted by personal tragedy, he has no hesitation wiping out his nominated targets. A collusion of terrifying proportions, with echoes of Clancy and le Carré, Koobi Fora will change forever your view of First World intervention in Africa, the cradle of human life.

The Field

Now a major motion picture starring Kate Winslet Tilly Dunnage left her hometown of Dungatar in rural Australia under a black cloud of accusation. Years later Tilly, now a couturier for the Paris fashion houses, returns home to make amends with her mentally unstable mother. Mid-century Dungatar is a small town, and small towns have long memories. At first she wins over the suspicious locals with her extraordinary dressmaking skills. But when the eccentric townsfolk turn on Tilly for a second time, she decides to teach them a lesson and exact long-overdue revenge... Packed with memorable characters, acid humour and luscious clothes, The Dressmaker is an irresistible gothic tale of small-town revenge.

The Old Man and the Sea

Winner of the Northern California Book Award for Nonfiction "Both a serious work of history...and a marvelously readable dramatic narrative." —San Francisco Chronicle On the first Sunday in December 1941, an armada of Japanese warplanes appeared suddenly over Pearl Harbor, Hawaii, and devastated the U.S. Pacific Fleet. Six months later, in a sea fight north of the tiny atoll of Midway, four Japanese aircraft carriers were sent into the abyss, a blow that destroyed the offensive power of their fleet. Pacific Crucible—through a dramatic narrative relying predominantly on primary sources and eyewitness accounts of heroism and sacrifice from both navies—tells the epic tale of these first searing months of the Pacific war, when the U.S. Navy shook off the worst defeat in American military history to seize the strategic initiative.

Koobi Fora

Go tell the Spartans, stranger passing by, That here, obedient to their laws, we lie. Nearly 2,500 years ago, in 480BC, at a bleak pass in a far-flung corner of eastern Greece, three hundred Spartan warriors faced the army of Xerxe

The Dressmaker

Perhaps it is well for me to explain that the subject-matter of the papers published in this book has not been philosophically treated, nor has it been approached from the scholar's point of view. The writer has been brought up in a family where texts of the Upanishads are used in daily worship; and he has had before him the example of his father, who lived his long life in the closest communion with God, while not neglecting his duties to the world, or allowing his keen interest in all human affairs to suffer any abatement. So in these papers, it may be hoped, western readers will have an opportunity of coming into touch with the ancient spirit of India as revealed in our sacred texts and manifested in the life of to-day. (Author's Preface)

Pacific Crucible: War at Sea in the Pacific, 1941-1942 (Vol. 1) (The Pacific War Trilogy)

In this State Standards-aligned Literature Kit™, we divide the novel by chapters or sections and feature reading comprehension and vocabulary questions. In every section, we include Before You Read and After You Read questions. The Before You Read activities prepare students for reading by setting a

purpose for reading. They stimulate background knowledge and experience, and guide students to make connections between what they know and what they will learn. The After You Read activities check students' comprehension and extend their learning. Students are asked to give thoughtful consideration of the text through creative and evaluative short-answer questions and journal prompts. Also included are writing tasks, graphic organizers, comprehension quiz, test prep, word search, and crossword to further develop students' critical thinking and writing skills, and analysis of the text. About the Novel: The Crucible is the award-winning play written by Arthur Miller about the Salem witch trials of 1692. One night in Salem Massachusetts, a group of girls are caught dancing in the woods by Reverend Parris. His own daughter falls into a coma soon after, and the town is ablaze with talks of witchcraft. The Reverend sends for Reverend Hale to examine the girl for witchcraft. Hale concludes that the town of Salem is in fact engulfed in witchcraft as one by one the girls accuse other townspeople of communing with the devil. A trial ensues causing those accused to either deny these allegations, or confess, thus accusing someone else. This cycle finally culminates in the death of several innocent townsfolk. The Crucible is a historical dramatization of true events that show reputation is more important than admitting ignorance. All of our content is aligned to your State Standards and are written to Bloom's Taxonomy.

Sadhana

LONGLISTED FOR THE MAN BOOKER PRIZE 2017 'Smith's finest. Extraordinary, truly marvellous' Observer 'Superb' Financial Times 'Breathtaking' TLS 'Pitch-perfect' Daily Telegraph 'A tale of two girls who meet in a West London dance class... A page-turner that's also beautifully written' Glamour 'There is still no better chronicler of the modern British family than Zadie Smith' Telegraph SHORTLISTED FOR THE NATIONAL BOOK CRITICS CIRCLE AWARDS 2017 A dazzlingly exuberant new novel moving from north west London to West Africa, from the multi-award-winning author of White Teeth and On Beauty Two brown girls dream of being dancers - but only one, Tracey, has talent. The other has ideas: about rhythm and time, black bodies and black music, what it means to belong, what it means to be free. It's a close but complicated childhood friendship that ends abruptly in their early twenties, never to be revisited, but never quite forgotten either. Bursting with energy, rhythm and movement, Swing Time is Zadie Smith's most ambitious novel yet. It is a story about music and identity, race and class, those who follow the dance and those who lead it . . .

The Crucible - Literature Kit Gr. 9-12

"A true classic of world literature . . . A masterpiece that has inspired generations of writers in Nigeria, across Africa, and around the world." —Barack Obama "African literature is incomplete and unthinkable without the works of Chinua Achebe." —Toni Morrison Nominated as one of America's best-loved novels by PBS's The Great American Read Things Fall Apart is the first of three novels in Chinua Achebe's critically acclaimed African Trilogy. It is a classic narrative about Africa's cataclysmic encounter with Europe as it establishes a colonial presence on the continent. Told through the fictional experiences of Okonkwo, a wealthy and fearless Igbo warrior of Umuofia in the late 1800s, Things Fall Apart explores one man's futile resistance to the devaluing of his Igbo traditions by British political and religious forces and his despair as his community capitulates to the powerful new order. With more than 20 million copies sold and translated into fifty-seven languages, Things Fall Apart provides one of the most illuminating and permanent monuments to African experience. Achebe does not only capture life in a pre-colonial African village, he conveys the tragedy of the loss of that world while broadening our understanding of our contemporary realities.

A White Heron

Frankenstein; or, The Modern Prometheus, generally known as Frankenstein, is a novel written by the British author Mary Shelley. The title of the novel refers to a scientist, Victor Frankenstein, who learns how to create life and creates a being in the likeness of man, but larger than average and more powerful. In popular culture, people have tended to refer to the Creature as "Frankenstein," despite this being the name of the scientist. Frankenstein is a novel infused with some elements of the Gothic novel and

the Romantic movement. It was also a warning against the "over-reaching" of modern man and the Industrial Revolution, alluded to in the novel's subtitle, *The Modern Prometheus*. The story has had an influence across literature and popular culture and spawned a complete genre of horror stories and films. It is arguably considered the first fully realized science fiction novel.

Hamlet

The bestselling *Journey to the West* comic book by artist Chang Boon Kiat is now back in a brand new fully coloured edition. *Journey to the West* is one of the greatest classics in Chinese literature. It tells the epic tale of the monk Xuanzang who journeys to the West in search of the Buddhist sutras with his disciples, Sun Wukong, Sandy and Pigsy. Along the way, Xuanzang's life was threatened by the diabolical White Bone Spirit, the menacing Red Child and his fearsome parents and, a host of evil spirits who sought to devour Xuanzang's flesh to attain immortality. Bear witness to the formidable Sun Wukong's (Monkey God) prowess as he takes them on, using his Fiery Eyes, Golden Cudgel, Somersault Cloud, and quick wits! Be prepared for a galloping read that will leave you breathless!

The Crucible

He is Guts, the Black Swordsman, a warrior of legendary prowess — relentless, fearless, merciless. As cold and brutal as the iron of the massive sword he wields. Bent on revenge against the unholy forces that have branded him for sacrifice, but especially on Griffith, one of the demon lords of the Godhand. But Griffith was once a man, the leader of the Hawks, a renowned cadre of elite fighters with a young Guts as its fiercest champion. Though forged in a crucible of cruelty and violence, nothing could prepare Guts for a confrontation with Nosferatu Zodd, a superhuman beast who slaughters Guts' comrades as easily as a scythe cuts wheat. Even Guts and Griffith are no match for the abomination's power...but something Griffith wears around his neck may well be!

Swing Time

Amid the turbulence of prerevolutionary Russia, the lives of two families become inextricably entwined. When Anna Burenin leaves her tiny village to work in St. Petersburg, she is thrust into the life of the spoiled Princess Katrina Fedorcenko. Soon both peasant and princess will face the prospect of their beloved Russia being torn apart.

Things Fall Apart

Tackling the same twisted subject as Stacy Schiff's much-lauded book *The Witches: Salem, 1692*, this Sibert Honor book for young readers features unique scratchboard illustrations, chilling primary source material, and powerful narrative to tell the true tale. In the little colonial town of Salem Village, Massachusetts, two girls began to twitch, mumble, and contort their bodies into strange shapes. The doctor tried every remedy, but nothing cured the young Puritans. He grimly announced the dire diagnosis: the girls were bewitched! And then the accusations began. The riveting, true story of the victims, accused witches, crooked officials, and mass hysteria that turned a mysterious illness affecting two children into a witch hunt that took over a dozen people's lives and ruined hundreds more unfolds in chilling, novelistic detail—complete with stylized black-white-and-red scratchboard illustrations of young girls having wild fits in the courtroom, witches flying overhead, and the Devil and his servants terrorizing the Puritans— in this young adult book by award-winning author and illustrator Rosalyn Schanzer. Taught in middle and high schools around the U.S., the 17th-century saga remains hauntingly resonant as people struggle even today with the urgent need to find someone to blame for their misfortunes. *Witches!* has been honored with many prestigious awards, including: . Journey to the West

Edward Stanton is a man hurtling headlong toward middle age. His mental illness has led him to be sequestered in his small house in a small city, where he keeps his distance from the outside world and the parents from whom he is largely estranged. For the most part, Edward sticks to things he can count on ... and things he can count. But over the course of 25 days (or 600 hours, as Edward prefers to look at it) several events puncture the walls Edward has built around himself. In the end, he faces a choice: Open his life to experience and deal with the joys and heartaches that come with it, or remain behind his closed door, a solitary soul.

Berserk Volume 5

This electronic version has been made available under a Creative Commons (BY-NC-ND) open access license. The *Malleus* is an important text and is frequently quoted by authors across a wide range of scholarly disciplines. Yet it also presents serious difficulties: it is difficult to understand out of context, and is not generally representative of late medieval learned thinking. This, the first book-length study of the original text in English, provides students and scholars with an introduction to this controversial work and to the conceptual world of its authors. Like all witch-theorists, Institoris and Sprenger constructed their witch out of a constellation of pre-existing popular beliefs and learned traditions. Therefore, to understand the *Malleus*, one must also understand the contemporary and subsequent debates over the reality and nature of witches. This book argues that although the *Malleus* was a highly idiosyncratic text, its arguments were powerfully compelling and therefore remained influential long after alternatives were forgotten. Consequently, although focused on a single text, this study has important implications for fifteenth-century witchcraft theory. This is a fascinating work on the *Malleus Maleficarum* and will be essential to students and academics of late medieval and early modern history, religion and witchcraft studies.

The Crown and the Crucible (The Russians Book #1)

This study examines a series of recurring patterns that can be observed in Miguel de Cervantes's *Novelas ejemplares* (1613). Author E. T. Aylward proposes that the precise ordering of Cervantes's twelve novellas is based on the thematic and structural patterns of the individual stories contained in the collection.

They Say

Seminar paper from the year 2010 in the subject English - Literature, Works, grade: 1,7, Ernst Moritz Arndt University of Greifswald (Anglistik/Amerikanistik), course: Proseminar: Lost in Literature, language: English, abstract: What happened in Salem, in 1692, is today described as one of the darkest episodes in American history. Still today, historians try to find out what caused the disastrous outbreak of the witch craze but the only thing they can be sure about is that they can not explain why so many people had to die. "Accusations of witchcraft were not unusual in the seventeenth-century world [...]" What was so special about the time and place that such an outbreak of random accusations became possible? "[...] "Salem" has become an icon in American culture. The trials have become a metaphor for hysterical prosecution, unfounded accusations, and confessions that have no reasonable explanation." Believe in witchcraft had existed for hundreds of years before the hysteria broke out in Salem. The colonists who came to Massachusetts had a strong belief in the devil and his agents and were mainly Puritans, who came to America to gain religious freedom. There are many things you could compare between the historical account of the witch hunt and Arthur Miller's play *The Crucible*. This paper is going to analyse the portrayal of a Puritan society in Miller's play and will try to find out whether the religion of the people and therewith their way of life have caused the rising of the witch scare and the horrible outcome for the characters in the play. It is going to be analysed why normal people start accusing their neighbours and friends for witchcraft although many of them are aware of the consequences for the accused. At first it is going to be described how Arthur Miller informed himself about the happenings of 1692 in order to underline his credibility of being able to create the Puritan society of that time. In the following the terms 'Puritanism' and 'Puritan' will be briefly defined. The main part of the paper will concentrate on the analysis of Puritan traits, beliefs, and lifestyles in *The Crucible* in order to find out whether they might have played a part in the catastrophe.

Witches

'It's coming - the postponeless Creature' Electrifying poems of isolation, beauty, death and eternity from a reclusive genius and one of America's greatest writers. One of 46 new books in the bestselling Little Black Classics series, to celebrate the first ever Penguin Classic in 1946. Each book gives readers a taste of the Classics' huge range and diversity, with works from around the world and across the centuries - including fables, decadence, heartbreak, tall tales, satire, ghosts, battles and elephants.

18 Nocturnes

Screen plays is a ground-breaking volume that chronicles the rich and surprising history of stage plays produced for the small screen between 1930 and today. The collection makes a compelling case for the centrality of the theatre to the past and present of British television drama.

600 Hours of Edward

A collection of critical essays that examines Arthur Miller's classic drama, "*The Crucible*;" and contains an historical overview of the play, chronology of the life and works of the author, and introduction by Harold Bloom.

The 'Malleus Maleficarum' and the construction of witchcraft

The Crucible Concept
