Renwar Vallée

Narbi Valley Town, also known as Middle Quarters, was established in the early eighteenth century in the land of Cantala. It is home to humans, light and dark witches, as well as warlocks who occupy the North and South of the land. It was forbidden for humans and witches to marry or intermingle, unless it was for ritualistic purposes. Humans lived in constant fear of the evil beings that would sacrifice their loved ones and use them in demonic rituals toward Satan. A battle between good and evil resulted in the death of one of the members of the upper echelons in the witches hierarchy. As time passed, witches and warlocks soon intermarried with humans, as the former chose to give up their craft and live a human or Christian life. However, as good as life appeared to be, evil still lurked in the darkness, growing and hiding while biding its time until it launched a new onslaught of wickedness on those that

lay below. One hundred years later, with the rise of the upper witches bloodline, the threat of raising Satan and his demons in the twenty-first century is real. A prophecy was foretold of eight souls that would help save the town and neighboring countries whose livelihood is threatened by the sudden rise of demonic activities, resulting from the agents of Lucifer infiltrating most of the town. With the threat of complete annihilation on the horizon, a young man will face the biggest question of his life: does God really exist? His name is Renwar Valle, and together with his young friends, he will need to stand against evil to rescue the souls of Narbi Valley Town. When the curtain falls, will good prevail, or will evil take full control?

Dragons & Demons

So far, everything I'd put together went something like this: 1) There was a freaky paranormal organization I've never heard of sending people to protect me from ruthlessly lethal demons bent on murdering me for absolutely no reason I could think of. 2) A dangerous duo of charismatic twin brothers one of which is somehow related to me had been sent to do the job. 3) A sparky (and sparkly) and daring new teen girl that takes bipolar to a whole new level and just maybe needs to check into an insane asylum, was acting like we had been friends forever or were going to be. Which, though the thought was definitely interesting, scared me slightly. 4) All these things added up to a wonderful sitcom made specially by God for me, called: The End of My Normal Life as I Knew It. God.

Unfortunately, circumstances are quickly spinning out of her control, and she might find herself forced to work with an angel who'd rather kill her than love her.
