After a short break from calculating taxes, the bank's alarm goes off, and a gorgeous yet mysterious man halts him in the hall. His name is Hector, and he isn't a threat to her security; in fact, he is a very gentle man with noble causes who needs help in his heist once it fails to go as he planned. He offers him two and a half million dollars if he helps him escape, and Laurent comes up with a plan. Mated to the Alpha [Full Collection]

There are normal random life events, like falling in love with a stranger, and then there is “having your first gay experience with an (admittedly very sexy) Alpha werewolf and ending up pregnant” kind of random. Ethan feels like he is a plain guy, until he is hired to entertain the werewolves during the annual Mating Ball. He goes in expecting to have a good night and make some extra money on the side. What he doesn't expect is for one of the Alpha wolves to show an interest in him. Max, a successful entrepreneur and one of the top Alpha's in the city, has been getting pressure from all sides to find a mate, settle down and prove his Alpha genes. Only, he has no interest in doing any of those things, until he meets Ethan. He wants nothing else than to take Ethan as his mate, even if the man insists that he is straight. After a whirlwind night, Ethan wakes up pregnant. Something neither of them realised was possible. Now the two men need to navigate the next steps of their relationship, living together, getting married and all the while trying to keep the pregnancy out of the media. It isn't easy, not on either of them, but they are hellbent on making it work, for the baby, for their families and for each other. Soon, you will take my... my seed. But first, my sons must induct you into the..." he turned his head, coughing wildly before he turned back. "To the pack. You will become one of us, your soul must be a wolf before you can hold my," he stopped just short of telling me exactly what he was going to do, but I had some kind of idea. "A test?" I asked as my fingers dropped away from him when he moved. My question made the alpha laugh a horrible, strained laugh. "If you can't handle them," he said, cocking his head. "Then why do you think you could handle me?" I sucked a breath deep into my lungs, inhaling his scent one last time before he was gone. "Now," he growled. "Prepare my mate. And don't try anything. Do you understand, Althar?" I turned my head to see which one he was talking to, but to my surprise, something absolutely unbelievable – even after all that – took place. The copper-colored wolf lay on his side, panting. He acknowledged what his father said, but then he wrenched from around, thrashing so hard I thought he'd break his back. Moments later, he stood on his hind legs as they filled with muscle and the fur seemed to recede into his skin. His body twisted, contorted, and before my eyes, he turned into something very similar to a man – a human man – but he was just slightly different. And way, way, bigger. Every part of him was huge. The muscles of his legs, his hard biceps, and his powerful chest were all more impressive and intimidating than any person I'd ever seen. And then, I looked down.

The Alpha Wolf Takes His Mate - Reluctant Virgin Rough Werewolf Gangbang

Can a gentle werewolf heal the heart of a smart-mouthed mage? NYT bestseller Gail Carriger, writing as G. L. Carriger, presents an offbeat gay romance in which a sexy werewolf with a white knight complex meets a bad boy mage with an attitude problem. Sparks (and other things) fly. Max fails everything - magic, relationships, life. So he works for DURPS (the DMV for supernatural creatures) as a sumage, cleaning up other mages' messes. The job sucks and he's in no mood to cope with redneck biker werewolves. Unfortunately, there's something oddly appealing about the huge, muscled Beta visiting his office for processing. Bryan AKA Biff (yeah, he knows) is gay but he's not out. There's a good chance Max might be reason enough to leave the closet, if he can only get the man to go on a date. Everyone knows werewolves hate mages, but Bryan is determined to prove everyone wrong, even the mage in question. Delicate Sensibilities? This story contains M/M sextimes and horrible puns. If you get offended easily, then you probably will. The ----San Andreas Shifter stories contain blue language, dirty deeds, and outright admiration for the San Francisco Bay Area. Not for the faint of heart (mouth/tongue/etc.). This book stands alone, but there is a prequel short story featuring Bryan's brother, Alec, the Alpha. Want to know why the pack moved? As the days pass, she begins to find odd solace in her mundane routine with her captors. Everything changes when an Alpha werewolf is thrown into her prison cell. The semi-feral man trapped with her is powerful, and he is not happy. ~~~~~ PG Excerpt ~~~~~ Excerpt from Dangerous Woods: "Ah, but do you remember how to dance for me?" he asks with an emphasis on the last two words. Her eyes widen at the peculiar question. His fingers tighten on her chin, enough to draw blood from her delicate skin where his nails dig into them. From the corner of her eyes, she sees Sir Lucan baring his teeth in an almost snarl. "I have always danced for you, my King," she answers carefully. "Good girl," he says. "Give me a kiss." He does not wait for her to respond as he pulls her chin forward forcibly until his lips are on hers, fingers clenching hard on her jaw to pry her lips open so he can taste inside her mouth. His tongue seems to be everywhere at once, sliding over her teeth and around her tongue. She resists the urge to bite him, knowing that the repercussions of hurting the King would be swift and harsh. She obediently follows when he links an arm around her waist and pulls down to sit on his lap. He tastes of grapes and burning alcohol. She goes slack in his arms, not wanting to displease the King. She lets out a distressed whimper that he mistakes for pleasure, his fingers hiking her skirt up, past her stockings, exposing lace garters that she wears beneath it. She reacts without thinking then, clenching the hem of her skirt and pulling it back down. He chuckles and pulls away. "Shy little thing, aren't you?" he comments, the corner of his eyes wrinkling in amusement. "Have you let anyone touch you?" She shakes her head, mortified that he is asking what he already knows. None of the dancers in his court is allowed to lay with another. Even the maids pity them sometimes, for their inability to even talk to another man without risking the King's ire. She is special in that regards, because she is a dancer who got away. Perhaps, she should have run further. She thinks of the kiss that she's shared with Sir Lucan and swallows the lump in her throat. Something must have shown on her face because he asks, "Have you been a good girl for me, my dear?" She flinches. "I've been good, my King," she says looking down. His fingers are tinted with red when he pinches her chin again. "Perhaps I should check you here, hmm? Would you prefer that?" He shifts her on his lap, dragging her legs open until she is straddling him on the throne. She puts her weight on her knees and doesn't rest on his lap, like he wants to. He wraps his arms around her small waist and pulls her to him. She yelps, placing hands on either sides of his head to keep from falling forward completely. She dare not move when she feels his hands on her thighs beneath her skirt, nor when he unlaces the garter she wears to hold her stocking up. She feels his fingers on her ass, clenching the soft flesh there and cupping her behind in front of all the men and dancers. She shakes her head, her eyes filling with tears of humiliation. "Please, my King. I have not laid with anyone." He grins, pleased by her answer, and then pulls her forward to press another kiss on her closed lips. "Good girl," he says and his fingers slide beneath her garments. She hears a low snarl from the knights, and suddenly, she is released. "Dance for me."
