Candy Licker

Candy Raye Montana gets more than she had bargained for when she signs up with the House of Homicide, the hottest recording label on the east coast, and its CEO "Hurricane" Jackson, a man as talented as he is cruel, who gives her a painful lesson in the price of success. By the author of G-Spot. Original. 50,000 first printing.

Candy Licker

She wanted to be a hip-hop star but the streets got in the way. Have you ever laid down with a man and wasn't sure if you'd ever get back up? Tossed the sheets with a bone-knocking fear that only a hard-core hustler could produce? Sexed him like your life depended on it, because in reality it did? You still with me? Then let's roll over to my house. Harlem. 145th Street. Grab a seat and brace yourself as I show you the kind of pain that street life and so-called success can bring. . . . Nineteen-year-old Candy Raye Montana, an ex—drug runner for the Gabriano crime family and a former foster child, dreams of becoming a hip-hop superstar, if only someone will discover her talents. Someone does. Mega music producer and king thug of Harlem, Junius "Hurricane" Jackson, CEO of the House of Homicide recording studio, cuts a deal and puts Candy on the stage. Suddenly she is a hot new artist on the notorious Homicide Hitz record label. Her career takes off and she blazes the charts, but it's not long before Candy realizes that the man she thought was her knight is nothing more than a cold-blooded nightmare. Caught between the music and the madness, between the dollars and the deals, Candy belongs to Hurricane—body and soul—and must endure his sadistic bedroom desires while keeping his sexual secrets hidden from the world. But Candy has some strong desires of her own that simply cannot be denied, especially when she finds herself turned on by a brilliant investment baller who just happens to be Hurricane's right-hand man. Candy longs for her freedom, but if Hurricane gets wind of her betrayal the blowback will be lethal—and not only will she risk losing her recording contract, she just might lose her life.

Dirty Rotten Liar

Noire's versatile storytelling keeps the urban erotic genre hot! --Kiki Swinson, bestselling author of the Wifey series What can go wrong when con-mami Mink LaRue joins forces with her slick-tongued look-alike Dy-Nasty Jenkins to run a three-hundred-grand hustle on the super-rich Dominion oil family?

With the conniving Philadelphia stripper Dy-Nasty seeking to dip her fingers into the same pot of gold, Mink knows she has to play her hand right and hustle at the very top of her grind. But when Mink is suddenly called back home to be at the bedside of her sick mother, she is forced to leave Dy-Nasty alone at the mansion to work a solo scam on the Dominions and possibly claim the entire jackpot for herself. Will Dy-Nasty lie her way into the hearts of the Dominions and be declared a rightful heir to the vast family fortune? Or, will fate throw a cruel twist in the game and get both ghetto princesses kicked out of the mansion and left on the curb, dead broke? "Noire knows all about street slang, scams, strip clubs, and fierce sex bouts. . . This is top-of-the-line street lit." --Library Journal on *Natural Born Liar* (starred review) "Sizzling, action-packed, electric and gut-wrenching." --RT Book Reviews on *Lifestyles of the Rich and Shameless*

Sexy Little Liar

Mink LaRue, after conning a Texas family out of a fortune, is back for more as the trust fund is now up for grabs, but she is surprised when another con artist, who acts and looks exactly like her, comes to town to challenge her.

Red Hot Liar

After gaining control of the Dominion family's oil billions, Mink LaRue must contend with new threats to her power. Original.

Thong on Fire

I was just a lost little girl forced to make it in a grown woman's world. A child turned out by the rulers of the game. When you get thrown into a snakepit you better learn how to wiggle! It's all about survival, baby. And not only did I learn the code of the streets, I made my own damn rules and got paid in the process. So listen close, but watch your pockets. I'm a Harlem girl. A scandalous chick. A ruthless mama. Me and this city are just alike. Grimy. And we never, ever sleep... It's a hard knock life for Saucy Sarita Robinson and the rules of the game are clear: get yours or get had. When her father gets popped in an armed robbery and her mother turns to drugs, Saucy is left to scratch out a life for herself on the streets of Harlem, and this city-slick vixen refuses to become a victim. Young, hot, and hungry for the spotlight, Saucy has a full package and uses her assets to get whatever she wants: 128th Street has its own rules, and she knows them well. With sex as her weapon of choice, Saucy hustles her way straight into the heart of the hip-hop underworld, preying upon any man -- or woman -- who might help her get ahead. But Hottt Saucy just can't get enough. Her calculating nature and insatiable appetite for power and prestige tempt her into dangerous waters, and before long she finds herself in too deep. The shot callers of the hip-hop world have a few tricks for Saucy -- a gutter plan to force her back onto the very streets that she came from. But Saucy refuses to go down easy. She plots her revenge against some of the most powerful playas in the music industry, never suspecting that her enemies will fight back...and fight back hard.

Hittin' the Bricks

"Urban erotica has never been hotter!" --Nikki Turner, author of *Black Widow* Have you ever been betrayed by those you love? Violated in the worst kind of way? And no matter how hard you tried to fight your way out of a trick bag, no matter how tall you tried to walk, did the cold streets of life lead you right back to your grimy destiny? The bestselling author of *G-Spot* and *Candy Licker*, Noire pens the intense tale of Eva Patterson, a tragic daughter of the ghetto who finds peril on the streets of New York. With an abusive mother and a heroin monkey on her back, Eva experiences a series of traumatizing events, forcing her to flee her Brooklyn tenement and seek refuge with her beloved cousin Fiyah in Harlem. But fate is not done wreaking havoc in Eva's life yet. Poised on the brink of progress, Eva meets King Brody, a vicious Harlem drug lord who runs Bricks, the hottest rap club in town. Unbeknownst to Eva, her cousin Fiyah's thirst for glory leads him to cut a killer deal with Brody. A trade-off is arranged: Fiyah gets a recording contract--and Brody gets Eva. The problem is, Eva already has a man: Ice Mello Williams, a hot Harlem rapper who has a bitter feud going with Fiyah and is determined to seize his recording contract. Torn between the man she loves and a violent kingpin, Eva becomes an unwilling pawn in a deadly game of cat and mouse. Can Fiyah and Mello help her elude the sadistic jaws of Brody, or will she end up losing her life in his brutal trap?

Hood

CHECK IT. Lamont be my government, but Hood be my name. I earned my stripes chilling up in Fat Daddy's joint, a Brownsville barbershop in the belly of Brooklyn. Some called me a street savior...others said I was just another Brownsville boy gone bad. Whatever. I brung it and I took it too. But when it was all said and done, I walked away with a lesson learned in street loyalty: ain't no need in looking over your shoulder in this game. Because your real enemies ain't aiming at your back. They lunging straight for your heart. Ya dig? Lamont "Hood" Mason is a fearless nineteen-year-old gangsta who was born and raised in the projects of Brooklyn, New York. He was an abandoned child who roamed the cold city streets and fought hard for survival. The only thing constant in his young life was the safety of a Brownsville barbershop owned by a father figure called Fat Daddy. The barbershop is where Hood comes of age, but cutting hair isn't the only thing Fat Daddy has going on. His daughter, Egypt, is the love of Hood's young life, and the one person whose dreams of a stable future can lead him off the grimy urban corners and out of the hustling life. But when Fat Daddy gets caught slippin and crosses paths with Xanbar, a notoriously brutal drug kingpin, his vices threaten to bring death down on the family Hood loves. In an effort to protect his own, Hood and his best friend and hustling partner, Dreko, take to the streets on a bloody mission that doesn't go exactly as planned. Hood returns to find his world turned upside down by a wave of sex, violence, and betrayal. No longer the starving kid on the street, he's now a man seeking vengeance and retribution, and he might be forced to choose between bending or breaking as he picks up the shattered pieces of his life, one by one.

Natural Born Liar

20-year-old petty thief and ex-escort Mink LaRue has just been informed that an age-progressed photo is a dead-ringer for her. Down on her luck, and with her gangster boyfriend about to get out of jail and discover that she's blown through his stash of drug money, Mink learns that the girl in the picture is actually an adopted child who went missing 16 years ago while vacationing with her oil baron parents. Mink makes a beeline to Dallas, Texas, pretending to be the Dominions' long-lost daughter. Will the sexy little liar worm her way into her newfound-sibling's trust fund?

Stone Cold Liar

As a newly-minted Dominion family heiress, Mink has new golden moves to snag even more of the family fortune. Trouble is, her hidden love games with seductive uncle-by-marriage-only Suge have them at bad-news odds - and more than her heart is in dirty sexy trouble. When the family patriarch is shot, Mink is up against a crossfire of old Dominion rivals, blackmailers, and elegant scammers out to take them down for good. What she needs is a surprise ally - her identical twin Dy-Nasty. But her scheming sibling's conniving threatens to end Mink's moneyed ride and ace her into lockdown.

Unzipped

Have you ever had everything you love snatched from your hands in the blink of an eye? Do you know what it's like to watch helplessly as those you cherish burn to a crisp? Have you ever heard a mournful cry for street justice and then realized that the only person left to heed the call was you? Pearl Baines is a straight Harlem stunna. She and her twin sister, Diamond, are chased by some of the most notorious ballers in New York City. But while their father, ex-gangsta Irish Baines, devotes his life to rehabilitating young thugs, his sexy twin daughters fall hard for the glamour and glitter of strip clubs and street life. Unlike Diamond, though, Pearl is able to shake off the trappings of the hood in search of a better future. After graduating at the top of her class, Pearl becomes an FBI agent and plans to get as far away from the grime of Harlem as possible. But fate is cruel and the streets always get their due. On what should have been the happiest night of her life, Pearl's family perishes in a ball of merciless flames—flames intentionally set on the orders of Mookie Mason, her father's archenemy and the most ruthless gangsta in Harlem. Crazy with grief, Pearl becomes unzipped. Hell-bent on retribution, she prepares for battle in New York's urban jungle. With the help of Menace, an ex-lover who once trampled all over her heart but was deeply loyal to Irish Baines, Pearl puts her FBI training and tactical skills to work in a murderous mission designed to do what her father wasn't able to: take down Mookie Mason, and his entire crew, one at a time.

Baby Brother

A new pulp tale by the best-selling author of G-Spot is an adventure filled with the urban music, eroticism, and danger of the author's most popular works. Original. 60,000 first printing.

Between My Thighs

When thirty-year-old Raquel Howard graduated from college with her Ph.D. in Clinical Psychology, she promised herself that the next man that ventured between her thighs would be equivalent to her credentials. Her hunger for a love of her own was fed when she met Troy Thomas, smooth-operator and business owner that would take Raquel on the ride of her life.

G-Spot

Her man demanded loyalty, but her body wouldn't obey. Have you ever rolled over in the middle of the night and realized you were doing things you swore you'd never do? Sexing brothers you vowed you'd never touch? Bending backwards and stooping lower than you ever thought you'd stoop? Well if you can feel me even a little bit, then let me hit you with a story that just might blow your mind. . . . Nineteen-year-old Juicy Stanfield is the sexy young girlfriend of Granite "G" McKay, owner of Harlem's notorious G-Spot Social Club. A drug dealer with a lethal streak, he runs Harlem with an iron fist. But even the cash and the bling can't keep Juicy from getting restless, and while G fulfills her every material desire, she's burning up with unrequited sexual energy. To cheat on him would mean a death sentence; so Juicy finds pleasure in secret ways: fantasizing on crowded subways or allowing her eyes to hungrily take in the male dancers on the club's ladies night. But as Juicy's sexual cravings grow stronger, one thing becomes frighteningly clear: She's a virtual prisoner in G's dangerous world. As G begins to suspect her of playin' him, he pulls the reins he keeps on her even tighter. If she's ever to escape and get a life of her own she must find a way to start stashing away some of G's cash. But doing that under G's watchful eye is a challenge she might not live up to—especially when her appetite tempts her with the deadliest desire of all: G's very own son. . . .

A Hypersexual Society

As many can attest, the prevalence of sexual imagery has increased in modern society over the past half century. In this timely new study, Kenneth Kammeyer traces the historical development of sexual imagery in America and society's preoccupation with it, all within a firm theoretical and sociological framework.

Tied to the Tracks

"Seemingly out of the blue, tiny documentary company Tied to the Tracks is handed the opportunity of a lifetime: a personal invitation from reclusive literary legend Miss Zula Bragg to make a film about her life. For Angie Mangiamiele and her award-winning team, it's almost too good to be true - and impossible to pass up. But for Angie, the prospect of visiting Miss Zula's home town in the Deep South is a mixed blessing because it means coming face to face with the man she once thought was the love of her life. Now head of Ogilvie University's literature department, John Grant is engaged to local beauty Caroline Rose. In a small town rich in tradition and rife with gossip, the sparks that fly when the two former lovers meet again can't escape the attention of the closeknit community, mind Caroline's four sisters and the overbearing Aunt Patty-Cake, who aren't about to let any strangers from the city interfere with the impending nuptials."--Provided by publisher.

The Routledge Dictionary of Modern American Slang and Unconventional English

The Routledge Dictionary of Modern American Slang offers the ultimate record of modern, post WW2 American Slang. The 25,000 entries are accompanied by citations that authenticate the words as well as offer examples of usage from popular literature, newspapers, magazines, movies, television shows, musical lyrics, and Internet user groups. Etymology, cultural context, country of origin and the date the word was first used are also provided. In terms of content, the cultural transformations since 1945 are astounding. Television, computers, drugs, music, unpopular wars, youth movements, changing racial sensitivities and attitudes towards sex and sexuality are all substantial factors that have shaped culture and language. This new edition includes over 500 new headwords collected with citations from the last five years, a period of immense change in the English language, as well as revised existing entries with new dating and citations. No term is excluded on the grounds that it might be considered offensive as a racial, ethnic, religious, sexual or any kind of slur. This dictionary contains many entries and citations that will, and should, offend. Rich, scholarly and informative, The Routledge Dictionary of Modern American Slang and Unconventional English is an indispensable resource for language researchers, lexicographers and translators.

New York Times bestselling author Zane presents a tantalizing short story collection, which is now the basis of the Cinemax series Zane's Sex Chronicles, calls for a sexual revolution and brings forth our favorite characters—Patience James, Maricruz, Lyric, Eboni, and Ana Marie—as they balance common day-to-day issues, a slew of hot sex, and the fine men in the big city. Anyone who thinks that men are by nature more sexual than women or that African American women are especially inhibited hasn't read Zane. Here, she presents an erotic read in three parts: Wild, Wilder, and Off Da Damn Hook. With a unique ability to tell it like it is—and also to tell it like it could be in your wildest dreams—Zane crafts stories about everyone from the sensual housewife who wants her husband to experiment more to a secret underground sorority of women that organizes some rather unconventional social events. By turns tender and outrageous, *The Sex Chronicles* is a pleasure from beginning to end.

Words to Rhyme with

After the many interdisciplinary perspectives on nonverbal communication offered by the author in his previous seven John Benjamins books, which have generated a wide range of scholarly applications, the present monograph is dominated by a very broad concept of translation. This treatment of translation includes theater and cinema (enriching our intellectual-sensorial experience of both 'reading act' and 'viewing act') and offers among other topics: sensorial-intellectual-emotional pre- and post-reading interactions with books; mute or audible 'oralization' of texts; the translator's linguistic and nonverbal-cultural fluency and implicit textual paralanguage and kinesics; translating functions of pictorial illustrations; the blind's text and film perception; the foreign reader's cultural background and circumstances; theater and cinema spectators' total sensory-intellectual experience of plays and films beyond staging or projection; the multiple interrelationships between cinema and theater performers, spectators and their environments, of special interest to all those involved in the theater; and the translator's challenging textual perception of sounds and movements. Over 800 literary quotations, and two virtually exhaustive English inventories of sound- and movement-denoting words with many examples, offer serious students of translation, language or literature a rich reference and drill source.

One Day

"One of the 50 Best Nonfiction Books of the Last 25 Years"—Slate On New Year's Day 2013, two-time Pulitzer Prize-winner Gene Weingarten asked three strangers to, literally, pluck a day, month, and year from a hat. That day—chosen completely at random—turned out to be Sunday, December 28, 1986, by any conventional measure a most ordinary day. Weingarten spent the next six years proving that there is no such thing. That Sunday between Christmas and New Year's turned out to be filled with comedy, tragedy, implausible irony, cosmic comeuppances, kindness, cruelty, heroism, cowardice, genius, idiocy, prejudice, selflessness, coincidence, and startling moments of human connection, along with evocative foreshadowing of momentous events yet to come. Lives were lost. Lives were saved. Lives were altered in overwhelming ways. Many of these events never made it into the news; they were private dramas in the lives of private people. They were utterly compelling. *One Day* asks and answers the question of whether there is even such a thing as "ordinary" when we are talking about how we all lurch and stumble our way through the daily, daunting challenge of being human.

The Book of the New Sun: Volume 2

An extraordinary epic, set a million years in the future, in the time of a dying sun, when our present culture is no longer even a memory. The torturer's apprentice, Severian, exiled from his guild after falling in love with one of his prisoners, is now the Lictor of Thrax, a city far distant from his home. But it is not long before Severian must flee this city, too, and journey again into the world. Embattled by friends and enemies alike, pursued by monstrous creatures, the one-time torturer's apprentice must overcome hitherto unimagined perils, as he moves closer to fulfilling his ultimate destiny. This edition contains the concluding two volumes of this four-volume novel, *The Sword of the Lictor* and *The Citadel of the Autarch*.

The Book of Why

A pioneer of artificial intelligence shows how the study of causality revolutionized science and the world 'Correlation does not imply causation.' This mantra was invoked by scientists for decades in order to avoid taking positions as to whether one thing caused another, such as smoking and cancer and carbon dioxide and global warming. But today, that taboo is dead. The causal revolution, sparked

by world-renowned computer scientist Judea Pearl and his colleagues, has cut through a century of confusion and placed cause and effect on a firm scientific basis. Now, Pearl and science journalist Dana Mackenzie explain causal thinking to general readers for the first time, showing how it allows us to explore the world that is and the worlds that could have been. It is the essence of human and artificial intelligence. And just as Pearl's discoveries have enabled machines to think better, *The Book of Why* explains how we can think better.

The Bloomsday Book

Bill Maher is on the forefront of the new wave of comedians who influence and shape political debate through their comedy. He is best known not just for being funny, but for advocating truth over sensitivity and taking on the political establishment. Maher first came to national attention as the host of the hit ABC-TV program *Politically Incorrect*, where he offered a combustible mixture of irreverence and acerbic humor that helped him to garner a loyal following, as well as a reputation for being a controversial bad boy. Bill Maher's popular new HBO television show, *Real Time*, has put Maher more front and center than ever before. Particularly one regular segment on the show, entitled "New Rules," has been a hit with his ever-growing legion of fans. It is the part of the show during which Maher takes serious aim, bringing all of his intelligence, incisiveness, wit, and his signature exasperation to bear on topics ranging from cell phones ("I don't need my cell phone to take pictures or access the Internet. I just need it to make a phone call. From everywhere! Not just the places it likes!") to fast food ("No McDonald's in hospitals. I'm not kidding!") to the conservative agenda ("Stop claiming it's an agenda. It's not an agenda. It's a random collection of laws that your corporate donors paid you to pass."). His bestselling book, *New Rules*, brings these brilliantly conceived riffs and rants to the written page. This new edition of the book, in paperback for the first time, also features some brand-new material.

Revealing Revelation

Anda mungkin beruntung memiliki pekerjaan atau proyek mendatang dengan visi yang cemerlang. Namun, upaya mewujudkan visi ini sering kali tak mudah. Setiap hari Anda gampang sekali terjebak dalam berbagai hal: surel yang seolah tiada habisnya, tenggat yang molor, rapat-rapat seharian yang menyita waktu, dan proyek jangka panjang yang hanya berdasarkan asumsi. Sudah waktunya Anda mencoba Sprint, sebuah metode untuk memecahkan masalah dan menguji ide-ide baru, menyelesaikan lebih banyak hal dengan efisien. Buku ini ditulis Jake Knapp, mantan Design Partner Google Ventures, untuk menuntun Anda merasakan pengalaman menerapkan metode yang telah mendunia ini. Sprint mewujudkan pengekseskusan ide besar hanya dalam lima hari. Menuntun tim Anda dengan checklist lengkap, mulai dari Senin hingga Jumat. Menjawab segala pertanyaan penting yang sering kali hanya disimpan di benak mereka yang sedang menguji ide/konsep/produk. Sprint juga membantu Anda lebih menikmati setiap proses. Anda bisa mengamati dan bergabung dengan ratusan dari pelaku Sprint di seluruh dunia melalui tagar #sprintweek di Twitter. Sebuah proyek besar terjadi pada 2009. Seorang insinyur Gmail bernama Peter Balsiger mencetuskan ide mengenai surel yang bisa teratur secara otomatis. Saya sangat tertarik dengan idenya—yang disebut “Kotak Masuk Prioritas”—dan merekrut insinyur lain, Annie Chen, untuk bergabung bersama kami. Annie setuju, tetapi dia hanya punya waktu sebulan untuk mengerjakannya. Kalau kami tidak bisa membuktikan bahwa ide itu bisa diterapkan dalam jangka waktu tersebut, Annie akan beralih ke proyek lainnya. Saya yakin waktunya tidak akan cukup, tetapi Annie adalah insinyur yang luar biasa. Jadi, saya memutuskan untuk menjalaninya saja. Kami membagi waktu sebulan itu ke dalam empat bagian yang masing-masing lamanya seminggu. Setiap pekan, kami menggarap desain baru. Annie dan Peter membuat purwarupa, lalu pada akhir minggu, kami menguji desain ini bersama beberapa ratus orang lainnya. Pada akhir bulan, kami menemukan solusi yang bisa dipahami dan diinginkan orang-orang. Annie tetap menjadi pemimpin untuk tim Kotak Masuk Prioritas. Dan entah bagaimana caranya, kami berhasil menyelesaikan tugas desainnya dalam waktu yang lebih singkat dari biasanya. Beberapa bulan kemudian, saya mengunjungi Serge Lachapelle dan Mikael Drugge, dua orang karyawan Google di Stockholm. Kami bertiga ingin menguji ide perangkat lunak untuk konferensi video yang bisa dijalankan lewat peramban. Karena saya berada di kota tersebut hanya selama beberapa hari, kami bekerja secepat mungkin. Pada penghujung kunjungan saya, kami berhasil menyelesaikan purwarupanya. Kami mengirimkannya ke rekan kerja kami lewat surel dan mulai menggunakannya dalam rapat. Dalam beberapa bulan, seluruh perusahaan sudah bisa menggunakannya. (Selanjutnya, versi yang sudah dipoles dan disempurnakan dari aplikasi berbasis web tersebut dikenal sebagai Google Hangouts.) Dalam kedua kasus tersebut, saya menyadari bahwa saya bekerja jauh lebih efektif ketimbang rutinitas kerja harian saya atau ketika mengikuti lokakarya diskusi sumbang saran. Apa yang membedakannya? Saya menimbang kembali lokakarya tim yang saya gagas sebelumnya. Bagaimana kalau saya memasukkan elemen ajaib lainnya—fokus pada kerja individu, waktu untuk membuat purwarupa, dan tenggat yang tak bisa ditawar? Saya lalu menyebutkan, “sprint” desain. Saya membuat jadwal kasar untuk sprint pertama saya: satu hari untuk berbagi informasi dan mereka ide, diikuti dengan empat hari pembuatan purwarupa. Sekali lagi, tim Google menyambut baik eksperimen ini. Saya memimpin sprint untuk mendesain Chrome, Google Search, Gmail, dan proyek-proyek lainnya. Ini sangat menarik. Sprint ini berhasil. Ide-ide diuji, dibangun, diluncurkan, dan yang terbaik, kebanyakan dari ide-ide ini berhasil diterapkan dalam dunia nyata. Proses sprint menyebar di seisi Google dari satu tim ke tim lain, dari satu kantor ke kantor lain. Seorang desainer dari Google X tertarik dengan metode ini, jadi dia menjalankan sprint untuk sebuah tim di Google Ads. Anggota tim dalam sprint di Ads kemudian menyampaikannya kepada kolega mereka, dan begitu seterusnya. Dalam waktu singkat saya mendengar penerapan sprint dari orang-orang yang tidak saya kenal. Dalam perjalanannya, saya membuat beberapa kesalahan. Sprint pertama saya melibatkan empat puluh orang—jumlah yang sangat besar dan justru hampir menghambat sprint tersebut, bahkan sebelum dimulai. Saya menyesuaikan waktu yang diperlukan untuk mengembangkan ide dan pembuatan purwarupa. Saya jadi memahami mana yang terlalu cepat, terlalu lambat, hingga akhirnya menemukan yang waktu paling sesuai. Beberapa tahun kemudian, saya bertemu Bill Maris untuk membicarakan sprint. Bill adalah CEO Google Ventures, perusahaan modal ventura yang didirikan Google untuk berinvestasi pada startup-startup potensial. Dia adalah salah satu orang berpengaruh di Silicon Valley. Namun, Anda tidak akan menyangkanya dari pembawaannya yang santai. Pada sore itu, dia mengenakan pakaian khasnya, yaitu topi bisbol dan kaus dengan tulisan tentang Vermont. Bill tertarik untuk menjalankan sprint dengan startup dalam portofolio GV. Startup biasanya hanya memiliki satu kesempatan emas untuk mendesain sebuah produk yang sukses, sebelum akhirnya kehabisan dana. Sprint bisa membantu mencari tahu apakah startup-startup ini berada di jalur yang tepat sebelum akhirnya mereka bisa berkecimpung dalam tahapan yang lebih berisiko untuk membangun dan meluncurkan produk mereka. Dengan menjalankan sprint, mereka bisa mendapatkan sekaligus menghemat uang. Namun

agar berhasil, saya harus menyesuaikan proses sprint ini. Saya sudah berpikir mengenai produktivitas individu dan tim selama beberapa tahun. Namun, saya hampir tidak tahu apa-apa mengenai startup dan kebutuhan bisnis mereka. Tetap saja, antusiasme Bill meyakinkan saya bahwa Google Ventures adalah tempat yang tepat untuk menerapkan sprint—sekaligus tempat yang tepat bagi saya. “Ini misi kita,” ujarnya, “untuk bisa menemukan entrepreneur terbaik di muka bumi dan membantu mereka membuat dunia ini menjadi tempat yang lebih baik.” Saya tentu tak bisa menolaknya. Di GV, saya bergabung dengan tiga rekan lain: Braden Kowitz, John Zeratsky, dan Michael Margolis. Bersama, kami mulai menjalankan sprint dengan startup-startup, bereksperimen dengan prosesnya, dan menguji hasilnya agar bisa menemukan cara untuk memperbaikinya. Ide-ide dalam buku ini lahir dari semua anggota tim kami. Braden Kowitz memasukkan desain berbasis cerita dalam proses sprint, sebuah pendekatan tak biasa yang berfokus pada pengalaman konsumen alih-alih komponen individu atau teknologi. John Zeratsky membantu kami memulai dari akhir sehingga tiap sprint bisa membantu menjawab berbagai pertanyaan bisnis paling penting. Braden dan John memiliki pengalaman dalam bisnis dan startup, hal yang tidak saya miliki, dan mereka menyesuaikan prosesnya untuk menciptakan fokus yang lebih baik dan keputusan yang lebih cerdas di tiap sprint. Michael Margolis mendorong kami untuk mengakhiri tiap sprint dengan pengujian di dunia nyata. Dia menjalankan riset konsumen, yang perencanaan dan pelaksanaannya bisa menghabiskan waktu berminggu-minggu, dan menemukan cara untuk mendapatkan hasil yang jelas hanya dalam sehari. Ini benar-benar sebuah keajaiban. Kami tidak perlu lagi menebak-nebak apakah solusi kami bagus atau tidak karena di akhir tiap sprint, kami mendapatkan jawabannya. Kemudian ada Daniel Burka, seorang entrepreneur yang mendirikan dua startup sebelum menjual salah satunya ke Google dan bergabung dengan GV. Saat kali pertama menjelaskan proses sprint kepadanya, dia skeptis. Baginya, sprint terdengar seperti serangkaian proses manajemen yang rumit. Namun, dia sepakat untuk mencoba salah satunya. “Dalam sprint pertama itu, kami memangkas prosesnya dan menciptakan sesuatu yang ambisius hanya dalam sepekan. Saya benar-benar jatuh hati.” Setelah kami berhasil meyakinkannya, pengalaman langsung Daniel sebagai seorang pendiri startup dan sikapnya yang tidak menoleransi omong kosong membantu kami menyempurnakan prosesnya. Sejak sprint pertama di GV pada 2012, kami telah beradaptasi dan bereksperimen. Mulanya kami mengira pembuatan purwarupa dan riset yang cepat hanya akan berhasil untuk produk berskala besar. Mampukah kami bergerak sama cepatnya jika konsumen kami adalah para ahli di berbagai bidang seperti kesehatan dan keuangan? Tanpa disangka, proses lima hari ini bisa bertahan. Proses ini sesuai untuk semua jenis konsumen, mulai dari investor sampai petani, dari onkolog sampai pemilik bisnis skala kecil. Juga bagi situs web, aplikasi iPhone, laporan medis, hingga perangkat keras berteknologi tinggi. Tidak hanya untuk mengembangkan produk, kami juga menggunakan sprint untuk menentukan prioritas, strategi pemasaran, bahkan menamai perusahaan. Proses ini berulang-ulang menyatukan tim dan menjadikan ide-ide menjadi nyata. Selama beberapa tahun belakangan, tim kami mendapatkan beragam kesempatan untuk bereksperimen dan memvalidasi ide kami mengenai proses kerja. Kami menjalankan lebih dari seratus sprint bersama dengan startup-startup dalam portofolio GV. Kami bekerja bersama, sekaligus belajar dari para entrepreneur brilian seperti Anne Wojcicki (pendiri 23andMe), Ev Williams (pendiri Twitter, Blogger, dan Medium), serta Chad Hurley dan Steve Chen (pendiri YouTube). Pada awalnya, saya hanya ingin membuat hari-hari kerja saya efisien dan berkualitas. Saya ingin berfokus pada apa yang benar-benar penting dan menjadikan waktu saya berharga—bagi saya, tim, dan konsumen kami. Kini, lebih dari satu dekade kemudian, proses sprint secara konsisten telah membantu saya meraih mimpi tersebut. Dan saya sangat senang berbagi mengenai hal tersebut dengan Anda dalam buku ini. Dengan keberuntungan, Anda bisa memilih pekerjaan Anda karena visi yang tajam. Anda ingin berbagi visi tersebut kepada dunia, baik yang berupa pesan, layanan, maupun pengalaman, dengan perangkat lunak maupun keras, atau bahkan—sebagaimana dicontohkan dalam buku ini—sebuah cerita atau ide. Namun, mewujudkan visi ini tak mudah. Gampang sekali terjebak dalam berbagai hal: surel yang seolah tiada habisnya, tenggat yang molor, rapat-rapat seharian yang menyita waktu Anda, dan proyek jangka panjang yang hanya berdasarkan asumsi. Prosesnya tidak harus selalu seperti ini. Sprint menawarkan jalur untuk memecahkan masalah-masalah besar, menguji ide-ide baru, menyelesaikan lebih banyak hal, dan melakukan semuanya dengan lebih cepat. Sprint juga membantu Anda lebih menikmati prosesnya. Dengan kata lain, Anda benar-benar harus mencobanya sendiri. Ayo kita mulai. —Jake Knapp San Francisco, Februari 2016 [Mizan, Bentang Pustaka, Manajemen, Ide, Kreatif, Inovasi, Motivasi, Dewasa, Indonesia] spesial seri bentang bisnis & startup

New Dawn: Now & Here

Doctor Who – new dawn explores the latest cultural moment in this long-running BBC TV series: the casting of a female lead. Analysing showrunner Chris Chibnall and Jodie Whittaker's era means considering contemporary Doctor Who as an inclusive, regendered brand. Featuring original interview material with cast members, this edited collection also includes an in-depth discussion with Segun Akinola, composer of the iconic theme tune's current version. The book critically address the series' representations of diversity, as well as fan responses to the thirteenth Doctor via the likes of memes, cosplay and even translation into Spanish as a grammatically gendered language. In addition, concluding essays look at how this moment of Who has been merchandised, especially via the 'experience economy', and how official/unofficial reactions to UK lockdown helped the show to further re-emphasise its public-service potential.

Doctor Who – New Dawn

This book is for anyone who has suffered rejection, abandonment, and pain; frankly, anything that has come between them and being the best person they can be. A New Dawn has been written according to what I remember and according to accounts given me by family members. And please let me make

it very clear, it is not and never will be my desire to hurt or blame others for anything that has happened in my life. Blame should never be an issue in the struggles of life. However, there were things from my past that influenced certain actions that took place as I grew up. As you read my autobiography it could help you to avoid some of the same pitfalls I suffered. Not only that, but writing my life's story was extremely therapeutic as I put my feelings into words.

A NEW DAWN

In war, no one is safe. War has come to Thornstone, Tarkin's Point, and Thoriddon, throwing all three nations into chaos. Led by the demon lord Vagborar, the legions of orcs are bent on nothing less than the total annihilation of both human and dwarf. With their demonic allies, they just might succeed. But not without a fight. As Serena tries to find answers and a path to victory, Orin and Brom fight with both sword and spell to turn back the tide of darkness. Beside them are a kingdom of dwarves and a city of humans, but even they may not be enough to beat back such a force. If they hope to survive, they need to come together, but with each nation under siege, uniting as one is easier said than done. When one of them is freed from battle, hope is rekindled, but prejudices rise to the surface, threatening everything. If any of them hope to survive, past actions and old hatreds must be forgotten. Hard decisions and painful sacrifices must be made. And pride and egotism must be set aside for the greater good. If not, a new age of evil will dawn upon the world.

Fans of the literary phenomenon known as the Twilight series can't help wanting more. A New Dawn gives it to them, inviting readers to join some of their favorite YA authors as they look at the series with fresh eyes and fall in love with Edward, Bella, and the rest of Forks, Wash., all over again. Edited by bestselling author Ellen Hopkins, A New Dawn is packed with the same debates readers engage in with friends: Should Bella have chosen Edward or Jacob? How much control do Meyer's vampires and werewolves really have over their own lives? The collection also goes further: Is Edward a romantic or a (really hot) sociopath? How do the Quileute werewolves compare to other Native American wolf myths? What does the Twilight series have in common with Shakespeare? With contributions from Megan McCafferty, Cassandra Clare, Rachel Caine, and many more, A New Dawn answers these questions and more for a teen (and adult!) audience hungry for clever, view-changing commentary on their favorite series.

NEWDAWN CENTRAL

This emotionally riveting book traces the travails of three young Polish Jewish women attempting to resurrect their lives in the bitter aftermath of World War II. After years in a concentration camp, they must first fend off the lusty Russian soldiers who free them. Then comes the arduous trek home. Other people live in their houses now, and the village is hostile. Where will they go? How will they survive? Is anyone they knew and loved still alive? Traveling far, often passing as non-Jews, they learn to cope and

endure. Finally, their search for freedom bears fruit in the promise of a Jewish homeland. But pioneering Israel means new hardships: housing shortages, scant medicine, food rationing, political conflict. And enemies everywhere, from harsh British rulers to warrior Arab neighbors. *New Dawn* is a book of many miracles. As history, it thrillingly recounts how Jews from vastly different cultures joined forces to fight for Israel. As Holocaust literature, it is significant. A half-century after the fact, time is running out for survivors, and the need for testimony is pressing. This book makes a major contribution to that growing genre.

A New Dawn

Faith in Jesus Christ incorporates all Christians into the body of Christ, the invisible communion of all believers. But the church, as a human institution, remains broken and unable to embody fully this unity or oneness. Too often, the failure of Christians to manifest God's love is rooted in differences in culture, traditions, or language that lead to fear and misunderstanding. This book brings together a collection of stories—of songs—that give the reader insight, that provide examples of how to share stories and learn from them, and that ultimately can lead to a new way of understanding the concepts of beloved community and the body of Christ.

The characters are intriguing and develop in pace with the plot."-Saskatchewan Library Forum A New Dawn Rising is set in the fictional town of Laurel Creek, Georgia, just north of burgeoning Savannah in 1809. John Connolley, nearing thirty years old, yearns to own some land of his own but, though white, he was born into slavery. Now, fifteen years later, John faces the impossible task of raising enough money to live freely. A New Dawn

In 2241 the dominant superpower on Earth, the USAN, successfully concludes the fourth world war. The nation breathes a sigh of relief and looks forward to the resumption of elections. Across the solar system the leading industrialist in the USAN's small colony on Mars is thinking about independence. When the Martian population votes in favour Mars secedes from the union. It seems to be a fait accompli until it's suggested that a massive dropship carrying spacecraft, Ephialtes, built to patrol the Earth, could be refitted for interplanetary spaceflight. Maybe the USAN could use its military might to persuade the colonists to reconsider. With an enormous instrument war of heading toward them the Martians resolve to defend their independence. Limited resources force them to rely on wit and ingenuity as they prepare their defences. Can they prevail against the mighty Ephialtes? Political intrigue, heart-pounding action and page-turning drama abound in this gripping opening to the Ephialtes Trilogy. ** Review "The story effectively generates suspense for the inevitable confrontation between the two planets . . . An absorbing, inventive introduction to Parker's version of the 23rd century, where politics still reign." - Kirkus Reviews "For fans of this kind of military sci-fi, there's every reason to pick this title up. The book is an exceptional example of its genre that does all it sets out for succinctly, but pushes for a full, fleshed-out trilogy as something to look forward to: a trilogy that seems likely to meet expectations. The book oozes quality throughout." - Self-Publishing Review, 4 Stars From the Author My book Ephialtes is the first of a trilogy set in the twenty-third century, detailing the conflict arising between Earth and its former colony on Mars. The book charts the social, political and military forces that shape the Martian secession, and the unintended consequences that arise from it. Ephialtes is a sprawling narrative, the trilogy covering two planets and multiple generations. Book One lays out the beginnings of this huge adventure and is, I believe, a terrific opening for what is yet to come.

The Confession of Lucifer, Fallen Angel

To be a follower of Jesus means to bear witness to the truth of God. In an age when so many contemporary voices portray faith as a form of personal therapy, Gene L. Davenport, Professor Emeritus of Religion at Lambuth University, has consistently reminded us in his own witness that the truth of the

Gospel entails confrontation with the world that dwells in darkness. These essays in honor of Davenport address the meaning of witness in the face of racism, sexism, and religious bigotry, to name but some of the forms this darkness takes. The topics range from emerging forms of prayer to religious themes in cowboy music, from the work of white pastors in Mississippi during the growing Civil Rights Movement to the meaning of the Righteous Gentile in Jewish-Christian friendship. This collection of eleven cases of citizens organizing for change in Canada and the United States gives form and substance to the ideal of a new economy based on fairness and environmental sustainability. These are stories of local citizens responding to the economically distorting effects of globalization, the environmental degradation brought about by industrial development and a deep concern about climate change. Grappling with complex problems in their local communities, they are forging innovation, prying open cracks in the system and seizing opportunities to redirect economic life. The cases in Citizen-Led Innovation for a New Economy explore urban and rural initiatives among citizens in ethnically diverse settings — First Nations, Inuit, Latino, African American, predominantly white and mixed communities — where self-organized efforts to bring about change have generated innovation in economic and social life. Innovation in these cases means a new way of working, tying economic justice to the creation of multiple types of environmental, economic and social assets or forms of wealth. They are stories of individuals working together to challenge the short-term focus of political leadership by taking action for the sake of future generations.

After his sister and mother are murdered by human traffickers, Bishop Rider, a former medic and police officer, spends the remainder of his life hunting not only the men who took his family from him, but every person like them. He is joined by many partners throughout his war. But when Jeramiah Abram, the son of one of the men who murders Rider's mother and sister, seeks out Rider to make amends for what his father set into motion all those years ago, a new level of retribution is born. But one man can only stand for so long against such darkness, and though Bishop Rider's story unfolds within the pages of A Better Kind Of Hate, The Big Machine Eats, All Of Them To Burn, Brand New Dark, and Old Man Rider, all stories end, and Bishop Rider, he's no exception, succumbing to the cancer within him. Which brings us to The Abram Files and the question of what happens to those we leave behind. Jeramiah, now on his own, finds himself facing two choices; retreat from the life of murder and retribution he's been a part of for years or pick up where he and Rider left off and using methods he'd kept in check while Rider was alive, attempt to end what he and Rider together could not. He will finish the work. Critical Acclaim for THE ABRUM FILES: "The Abram Files is more than just a collection. It's a statement. The mission continues. The guilty must face their fate. Love and Blood are both spilled across the pages." —S.A. Cosby, bestselling author of All The Sinners Bleed and Razorblade Tears "If Andrew Vachss threw out his keyboard and somehow learned how to write on a chainsaw, then you get an idea of how Beau Johnson tells a tale. I don't know if Grindhouse Noir is even a thing, but if it is, Johnson is the king." —Todd Robinson, author of The Hard Bounce and Rough Trade "Dark, bloody, and full of Hell, The Abram Files is line after line of pure, uncut, chainsaw noir. I loved it!" —Paul J. Garth, author of The Low White Plain "Violent though it may be, I'm chalking The Abram Files up as one of my feel-good books of the year. In a world where this seems increasingly doubtful, we are reminded in these stories, time and again, that actions still have consequences. It's not simply enjoyable fiction, it's arguably vital. Beau Johnson is the poet laureate of vengeance and righteous anger." —C. Matthew Smith, author of Twentymile "Beau Johnson's newest novel, The Abram Files, is chock-full of Old Testament-style

justice and picks up right where his Bishop Rider series left off. Jeramiah Abrum is one bad good dude!" —Eli Cranor, author of the Edgar Award-winning *Don't Know Tough* and *Ozark Dogs* "With every book, Beau Johnson continues to deliver the hardest-core noir out there. Call it *Chainsaw Noir*: funny, dark and bloody, but with a moral heart beating beneath it all." —Nick Kolakowski, author of *Love & Bullets* and *Payback Is Forever* "With *The Abrum Files: A Bishop Rider Book*, Johnson makes you feel dirty, deranged and evokes a visceral reaction with each and every story. It runs the gamut of emotions—sorrow, remorse and elation—all the while knowing that you're in the steady hands of Johnson's pristine prose. This will make fans of Bishop Rider very happy." —Steve Stred, author of *Mastodon*, *Father of Lies*, and *Churn the Soil* "The Abrum Files is Beau Johnson doing what he does best: demonstrating his innate understanding of the power of crime fiction—that once you crack through a sternum and scrape away the muck and the grime you find the truest aspects of humanity beating underneath." —Rob Hart, author of *The Warehouse* and *The Paradox Hotel* "Beau Johnson is back, baby, and more ruthless than ever. More kills, more pain, more satisfyingly gruesome tidbits to whet your appetite for justice. The Abrum Files showcases Johnson's razor-sharp wit and brass-knuckle skills for storytelling, each brief story giving the exact amount to keep reader's turning pages. Whether Bishop Rider lives or not, I'm happy as long as Johnson is setting pen to paper." —Laurel Hightower, author of *Crossroads* and *Below* "Equal parts terrifying, horrifying, exhilarating, and relentless, *The Abrum Files* is a roller coaster ride into the cavernous recesses of the worst of mankind. No one writes more viscerally about violence and its emotional toll than Beau Johnson, and his latest is another brutal dose of righteous vengeance that will leave you ragged and begging for more." —James D.F. Hannah, author of the Henry Malone thriller series
