Devil, Demons, and Spiritual Warfare

The Battlefield: Our MindsOur most powerful enemy has many names—Satan, the devil, the evil one, the serpent. No matter what you call him, he seeks to conquer and destroy your spirit, soul, and body. But the power God has made available to you is far greater than anything in Satan's realm. Through this book, you will learn how to: Be empowered to resist Satan's attacks Conquer entrenched sins and habits Overcome your temptations Pray and see miracles happen Release others from spiritual bondage Realize that Jesus drove out demons, and you can do the same. The time is now for you to defeat Satan and live a life of power and victory!

21 Things the Devil Cannot Do

The devil's weaknesses far outnumber his strengths. "Know your enemy" is an ancient military principle that has stood the test of time; yet we forget this when we enter the spiritual battlefield. How much do you really know about Satan? Is misinformation inadvertently hurting you and your loved ones? In this accessible, hands-on book, respected pastor and broadcaster Duane Vander Klok reveals the devil's true limits--and exposes all the things he cannot do. In doing so, Pastor Duane equips you to take a firm grip on the spiritual weapons Jesus gave us and to wield them more effectively. He also shows you how to pinpoint, and then to reclaim, the areas in which you have unknowingly given the enemy influence in your life. Don't give the devil more power than he actually has. Through Jesus, you have authority to defeat him. It's time to put him in his place.

The Lamb's Book of Life

This sensational book written by Carl Brice will edify your spirit concerning the will of God. The Bible teaches us that we are destroyed for lack of knowledge. Therefore, through knowledge and faith in the risen Savior, you can be certain that your name will appear in the Lamb's Book of Life. This wealth of information compiled together is designed to draw souls closer to God. Our Heavenly Father demonstrated great love for his creation when he gave his only begotten Son Jesus to be a living sacrifice for a sinful world. There is no other form of worship known to man that imparts this type of unconditional love. Therefore, we should be extremely grateful for the priceless gift of salvation God has given us. The Lamb's Book of Life contains the necessary information which will illuminate the path to eternal life in Christ Jesus. To the one who accepts the redemption of the Lord, the same will find their name written in the Lamb's Book of Life. www.EdifyYourSpirit.com

Waging Spiritual Warfare

Power Over the Enemy Dr. Richard Ing shares his extensive worldwide experience with unseen and powerful enemies. He exposes how to defeat the deceptions used by Satan whose plan is to destroy your spirit, soul and body. He also shows how to be equipped for spiritual battle and how to: Bring powerful angels to assist you Identify the enemy's strategies Break through strongholds Receive divine protection Minister to the oppressed By exercising the authority that God has given you, you will discover that you have more power than Satan. Then, you can effectively block his evil attacks and achieve victory.

People in Glass Houses

The eighties were my formative years, and while other teenagers were gyrating to rock 'n' roll, we were praying for revival. We were taking communion, not cocaine. We treated virginity like a wedding present, not a cold sore. And why wouldn't we? We were told we could be, we already were, anything we wanted to be... We were armed and dangerous. Armed with the power of God and dangerous in the eyes of Satan. Tanya Levin grew up in the church that became Hillsong—the country's most ambitious, entrepreneurial and influential religious corporation. People in Glass Houses tells how a small Assemblies of God church in a suburban school hall became a multi-million dollar tax-free enterprise and a powerful force in Australia today. Opening up the world of Christian fundamentalism, this is a powerful, personal and at times very funny exploration of an all-singing, all-swaying mega church.

Mechanics in Ministry

Greetings in the name of our risen King, Jesus Christ. This book is but a glance at the core values that should govern a Christian's life. This book will reveal to the believer the true substance of what their mission is in this life. The same assignment that Jesus charged to His disciples exists today. Believe in the power of God and arise and possess the land.

Valley of Dry Bones Live Again Rebuilding the Walls of Your Torn Down Life

Are you ready to rebuild the walls of your life? Tear down the old walls and build anew. I am ready to rebuild the walls of my life. There's no need to feel burdened or discouraged because the walls of your life have been torn down. Let us take encouragement from Nehemiah and other biblical characters, as encouragement on how to pursue not just strong walls, but God Himself, who is our fortress and deliverer. God is our stronghold, our deliverer. He is our fort, our bastion. God is our castle and our citadel. Failure is not fatal. One mistake doesn't make you a loser. You are not a mistake. A mistake is

what you did not what you are. Our scars represent strength not weakness. Yes they can and they will be a great army in the name of Jesus. Your situation may look as hopeless as it did for the Assyrians but I can almost guarantee. What God has is for you. Even though your blessings may be delayed I believe in my heart they won't be denied. Abundance and blessings are on the way! In Jesus Name.

It Is Written

For we do not wrestle against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this age, against spiritual hosts of wickedness in the heavenly places. – Ephesians 6:12 It is written that there is an ancient war going on! Whether you are aware of it or not, whether you believe in that sort of thing or not, and whether you care or not, that battle rages on even now as you read this. Have you ever wondered: Is the devil real? Can people really be possessed by demons? If so, can Christians be affected by demonic activity? What power does the enemy have over me? What power do I have over the enemy? Is there anything I can do to lose that power? Is there anything I can do to gain more power? How do I claim and use my authority in Christ? Is there any way to get the devil to leave me and my family alone? It Is Written: A Field Guide to Spiritual Warfare answers all of these questions and more by pointing the reader to the Word of God (book, chapter, and verse) for relevant, practical application on exactly how to overcome Satan (and his army) as well as how to take the fight to the enemy. Are you tired of getting pounded on by the devil day after day, week after week, month after month, and year after year? If so, then this is the path to freedom for you! It may surprise you to learn that it is written that if you are an authentic, obedient child of God then the devil doesn't have any power over you, unless you just give it to him! Furthermore, it is written that if you are indeed "in Christ" then you are actually the one with all the power and authority over the kingdom of darkness. Behold, I give you the authority to trample on serpents and scorpions, and over all the power of the enemy, and nothing shall by any means hurt you. – Luke 10:19 It Is Written: A Field Guide to Spiritual Warfare will teach you exactly how to endorse and enforce this God-given power and authority.

The Sinner's Guide

The author of this book was the favorite writer of St. Teresa of Avila, St. John of the Cross, St. Vincent de Paul, etc. St. Teresa of Avila credited this book with having converted over a million people in her time. This is the most persuasive book we know to encourage people to abandon sin and embrace repentance and virtue. The logic is relentless and effective. For mastery of subject, command of Scripture and total impact on the reader, no book surpasses The Sinner's Guide! Impr.

Breaking Strongholds of the Devil, Satan

The devil's strongholds originated in the spirit realm. Satan, the devil, has many ways of creating and holding a person in a certain condition to benefit his purposes and cause in the world. Once he sets his plan, it's going to be carried out by the individual regardless of being a Christian; believer or nonbeliever, it makes no difference. He has a way to hold individuals to his cause, whether it's delayed or not; his method of holding persons under his control is even greater among Christians. Why is that? Because most Christians believe they are "exempt" from the devil's strongholds. Big mistake! No one is exempt from the forces of evil, whose strongholds are among the highest level of evil and wickedness in the spiritual realm. A person can bind themselves in a stronghold without having any knowledge; it's not Satan but their spirit of perception, which is as real, active, and alive as the person themselves, for which Satan, the devil, gets the credit and blame. The spirit of perception of the mind is more powerful than the world acknowledges. The spirit of perception can hold a person in restraint forever without changing their perception. The world does not acknowledge or consider the spirit of perception is the culprit, which Satan feeds off, and that holds the world, the entire world, in total darkness! Satan is the god of this world and its system of things, which he controls because of the world's lack of knowledge of strongholds. Most of the world population does not know what a stronghold really represents in all human lives. No one is exempt from strongholds, which can bind a person until death! This book, Breaking Strongholds of the Devil Satan, shall give some light to the world about how strongholds bind persons for lifetimes. He or she can be set free of any and all strongholds in minutes where others have been held a lifetime and died.

Best Kept Secrets of the Gospel of Jesus Christ

I had a religion professor at Brigham Young University who often asked, What is the best kept secret of The Mormon Church? After declaring all answers amiss he would make this statement; The best kept secret of The Mormon Church is the Gospel of Jesus Christ! Over the years of teaching gospel doctrine I have found his statement to be all too true. Despite their best study efforts and the abundance of scriptural resources, many members do not understand some fundamental and extremely important doctrines. I invite you to feast with me upon the meat of more exalted concepts.

Demons, the Answer Book

The Devil is real, and his demonic presence can be seen and felt in this world in a powerful way. Yet, according to Lester Sumrall, we can wage war upon the Devil, and we can win through the power given to us by Jesus Christ! Find out why you can expect demons to fall to the divine power and why you can expect to win!

The Spiritual Battle For Salvation

Time is seeming to go faster and faster. Events worldwide are keeping us speechless. A lot of things are not adding up any more. The spiritual confusion amongst Christianity becomes more and more complex. What is going on? Are we living in the endtimes? Is something about to happen? The present church is spiritually asleep. A strong spirit of deception is deceiving the church into a false Gospel and a false Christianity. Christian leaders world wide abandon biblical faith and they embrace the New World Order and the New World Religion. The devil disguised as big helper has replaced biblical truth with deceptive truth. The majority of believers support and promote the foretold hellish nightmare of the one world government. Unless church leaders wake up and stand up for biblical truth, the majority of Christians will be damned to hell. Will Jesus be able to find biblical pure faith on earth, when he returns? You might be instrumental in starting the last and greatest revival.

Morning and Evening Meditations from the Word of God

There are many devotional books available containing brief, daily inspirations that benefit all who read them. This book is different in two respects. The first is obvious: it contains two readings per day—732 in all. The second, more important difference is that the author wanted to do more than offer inspiration; this would make this book no different than so many others. The messages in the book are study sketches in that the content is not only inspirational, but also educational, challenging, and encouraging. Most of these writings were based on author Michael J. Akers's teaching of adult Bible studies for more than thirty years and learning what really brought adults to want to deepen their knowledge and application of the Word of God.

Clean of Heart is written for practicing Catholics who accept all the teachings of the Church, yet are still ensnared by pornography and self-abuse. There is hope! Through the Sacraments, God provides all the grace one needs to become pure. No matter how long one has indulged in pornography or how deep one has sunk into the mire of vice, Our Lord can still break the addiction! What makes Clean of Heart different? First, it is written from a Catholic point-of-view. While Evangelical Christians have many books and programs for pornography addicts, there are few titles on the market for Catholics. Clean of Heart consists of forty-three daily meditations which draw from the power of the Sacraments and the wisdom of the Saints (elements lacking in many Evangelical books). Second, Clean of Heart is a surprisingly chaste book. It contains no obscenities or explicit testimonies which may be an occasion of sin for some. The focus is on attaining a clean heart rather than recalling past sins.

"Social Justice Counseling is the next step toward alleviating the injustices faced by individuals in society and it is a natural extension of multicultural counseling. Issues of social justice are dominating conferences across the mental health disciplines, with a greater focus on alleviating broader social inequities such as equity, access and fairness for each individual. At a micro level social justice issues play out in the form of gender discrimination, sexual harassment, equal access to education, fair housing, and more. Traditionally counselors have been focused on the individual, however, in recent years there has been a shift for all mental health professionals to address issues of social class, race and ethnicity and more. This books offers a supplement to important issues regarding social justice and will highly enhance the content taught in multicultural courses. The authors are leading authorities on social justice counseling and have led the way to create a specialization in social justicecounseling at their school at George Mason University. This book is the first to bring all these concepts together, tie them to multiculturalism, and offer personal applications and tools for mental health professionals. It is theoretical yet highly practical in offering concrete steps toward becoming more social justice oriented"--Provided by publisher.

51 Reasons Why the King James

Since the Bible was first written, the book of Revelation has provided readers with a glimpse of what is to come. But even as the world rapidly fulfills the ancient Scripture, many still avoid its obscure, symbolic language, which often lends itself to fanatical interpretation. In Looking into the Revelation, a seasoned pastor uses various version of the Bible to provide a clear explanation of biblical texts relating to the end of the world as we know it. Dr. Boyd Gray, a minister with more than thirty years of experience, offers a comprehensive study from the premillennial view based on his opinion that the masses are either not ready for the return of Christ or have dismissed it as myth altogether. As Dr. Gray works his way through Scripture detailing the truths of John the Apostle and the predicted tribulations of the Antichrist, he demonstrates through his interpretations that God's Word is the truth-a message he hopes will motivate sinners to heed the Lord's gracious call to salvation. Looking into the Revelation shares a careful examination of biblical text that seeks to encourage people of all faiths to reexamine their lives and their beliefs and to fall in love with the Lord Jesus Christ.

Clean of Heart

"We were excited with the prospect of writing the second edition of this book, but as we embarked on this journey our hearts became heavy and deeply saddened as we witnessed multiple social injustices in our community, the nation, and the world. We have rewritten this Introductory Chapter a number of times as these injustices occurred, aware that these events impacted ours and others personal and professional lives, and subsequently our writing. Astoundingly, each violation of human rights and social and racial justice was as profoundly devastating, disturbing, and shocking as the one that proceeded the injustice one month, one week, one day, or even one hour before"--

SPIRITUAL WARFARE: Defeating the Forces of Darkness is a theological and practical book on overcoming the attacks of the Devil. Christians need to use the many spiritual resources that the Lord of Hosts, the Commander in Chief of the heavenly army, has provided for us to defeat the attacks of the Wicked One. Dr. Bailey describes the nine different types of attacks by demons along with how to respond to each type of attack in order to have victory. He also describes Satan's organizational structure of demons and how they scheme to attack people. Dr. Bailey has appeared on numerous television shows and was the producer and host of a weekly series called "The Christian Counselor." He has trained police departments about Satanic Ritual activities and been a consultant with law enforcement on occult related crime. He was appointed by the Governor as Chairman of the Task Force on Child Abuse and later appointed on the Juvenile Anti-crime Task Force that helped reduce juvenile crime in Florida. Since he has many years of experience in dealing with most types of occult and satanic related groups, he has done numerous seminars in churches and Christian organizations on the subject. Dr. Bailey also has counseled thousands of demonized people and hundreds of people who were ritually abused. Since he has led many Satanists, witches, warlocks, and those involved in the occult to Christ, his insight into the occult has helped him train thousands of Christian counselors in Europe, Canada, and throughout the United States and minister to those who have been demonized. God has given him many unique experiences that he has shared in this book which will enrich your life and reveal startling truths about spiritual warfare and how to have victory over the attacks of Satan.

Studying God's Word G

Before Jesus went to the Father, he gave instructions to his followers to repent and change their way of thinking, for the kingdom was at hand. This would result in a new way of thinking for them. Things were no longer going to work the way they had before. He instructed them in the good news that the kingdom had begun. He healed all kinds of sickness and diseases and taught them that they could be great in this kingdom that was coming from heaven to earth. He explained how it would start small and would grow throughout the earth in the same manner that yeast multiplies in bread making, and the world would not even see it happening. He gave them the authority and ordered them to take charge of this kingdom and called them "children of the kingdom." He gave them, and all who would hear about him through their teaching, the keys to function in this new kingdom and explained how this authority was activated by faith-filled words. He said the kingdom was like a man going into a far country and leaving his servants in charge and taught that they would be accountable for what they had accomplished when he returned. We are those people today. You will learn how this kingdom works, the authority of those in charge, and how to use your authority in the unseen realm.

Answer to Job

This book is meant to illuminate Godlike faith through defining it, giving clarification where it comes from, revealing how to walk in it, and divulging what it is capable of doing. God's soldiers must remember that we are in the army of the Lord. We are fighting a supernatural enemy bent on our destruction. Only Godlike faith knows that Satan has no authority or power over us. That knowledge equips us with the ability to overcome the satanic designs that are aimed at our destruction. However, many Christians are not walking in Godlike faith or living a victorious life in Christ. Many are overwhelmed by defeat and discouragement, and are allowing Satan to take authority or power that he does not have. It's time to walk in the truth that Christ took his authority and gave it to God's soldiers. As we learn to walk in the mind of Christ, we have Godlike faith that gives no place to Satan, his demons, or his diabolical plans to destroy us. By the time this book is read to the end, God's soldiers will take authority over all satanic designs, change the entailment, and live a victorious life through Godlike faith.

God's Devil Study Guide

SIDELINED BY MAN, ANIMALS TURNED TO DEMONS. Plundered by humans of their habitats, animals take a drastic step when they decide to send a team of a cat named as Katy and a dog named as Dug, to an invisible island known, as the Island of 'Five Hundred Graves'. The island becomes visible only for a short time on the night of the full moon. Legend has it that the island is inhabited by the demons. Katy and Dug are supposed to negotiate a deal with the demons, convincing them to allow the animals inhabit the island. Majority of the animal community believe that tinkering with the other world could bring their wrath to the animals. The team is sent to the island nevertheless. But can a deal with the dead be materialized? Are there really demons on the island? Is there any conspiracy involved? Will Katy and Dug be able to negotiate, or will survival remain their only question in the deadly island?

What's That Supposed to Mean?

Satan is a man who walks and lives among us as a real person, yet a spirit appearing as a real person or human being! Only God can identify Satan in human form, also demons; those spirit persons without bodies do not possess transitional power as Satan. Demons cannot materialize, although they need human bodies to enter to perform their operation in the world. Demons are real spirit persons with all human characteristics. Demons, now spirit persons, articulate as well as any human being internally and externally in or out of the human body! Let no one fool you; even though Satan and demons are defeated foes, they still possess great power of influence over the world population because of human ignorance and lack of knowledge. They see and hear everything we do and speak. They are with us and in your presence at this very moment spiritually or physically or both. Demon spirits are assigned to us individually, forever lasting, including myself twenty-four hours a day! People, I stated earlier that they are spirited persons without bodies in search of human bodies to dwell in to perform the works of the devil. Once they enter human bodies, only the name of Jesus Christ and prayers can cast demons out or drive them out of whom they possess! These spirit persons, now demons, that has entered and possessed human bodies as their own are causing people to act violently, committing and performing acts never before committed. "It can't be expressed strong enough the reality of demon spirits are observing, waiting in the Earth's atmosphere for the opportunity to enter and possess human bodies to use as their own!" This is for the world! All mankind are under their invisible attack, every man, woman, or child. Yes, children of all ages are vulnerable of demon possession. The spirit world does discriminate in age nor race nor people of color. All are vulnerable! There isn't a person, dead or alive, that Satan or demons, those spirit persons, have not gone against spiritually or physically or attempted to enter by the power of the devil into the flesh of mankind, which many already has entered. Multitudes have no knowledge of their possession. Satan's spirit enters a person's body, sitting in the presence of Jesus Christ, the King of kings and Lord of lords; imagine what his spirit person is doing to those that are lost in the world. Believe me, he isn't alone when he came to steal, kill, or destroy by any means. In this book, *Satan the Devil Walks the Earth as a Human Being!*, You'll discover how these spirit persons, now demons, perform once they enter human bodies; also, you'll discover how these spirit persons, now demons, enter human bodies even my own of nearly forty years, without my knowledge they were in me. Also, you'll discover today more people are depressed, obsessed, oppressed, or possessed, or under some kind of demonic power of influence and control than ever before, including Christians, believers, nonbelievers, atheists, agnostics, Muslims, and all other religions throughout the entire world!

Transgendering Faith

Transgendering Faith is a resource to help churches respond with love and care to transgender people in our society, both those within the Christian community and those who find themselves--unhappi-

ly--outside its doors. It is also a book for transgender Christians, their families, pastoral counselors, and clergy. The first section, The Basics for Everyone, includes essays written by professionals and therapists who give readers a basic understanding of the transgender issue. Part Two--In Our Own Words--features stories of transgender persons from diverse denominational, age, ethnic, and racial backgrounds. These are stories of their painful experiences of rejection, self-doubt, and Bible-flavored condemnation, but also stories celebrating God's blessing of who they are and their church and family experiences of hospitality, affirmation, and reconciliation. Part Three includes worship resources, Bible studies, and transgender resources for individual and community use.

Trans-gendered

A transgendered clergyperson seeks to explore the spiritual nature of transgendered persons, to listen to the stories of others like himself, and to give a positive voice to the community.

Trans-Gender

"Rev. Dr. Justin Sabia-Tanis is a creative queer theologian and activist with a wealth of pastoral experience. His classic, Transgendered--Theology, Ministry and Communities of Faith, is now available again for faith communities and university students struggling to include trans-people. It is a primer for understanding the spiritual journeys of transgendered people, examining the biblical support for inclusion, and provides faith communities guidelines for hospitality. His notion of 'gender as a calling' is a creative theological proposal for all of us to recognize our own gender calling and the diverse callings of the marginalized. Sabia-Tanis imaginatively uses the image of twilight space of dawn and dusk, in-between space occupied by trans-people. His theology impacted my own commitment to transgendered rights and inclusion. At this time of conservative religious targeting the advances of trans-gendered people, we need the prophetic theological voice of Justin Sabia-Tanis' compassionate inclusion." --Rev. Dr. Robert E. Shore-Goss Queer Theologian and author of Jesus Acted Up "Justin gives tremendous insight into life at the intersection of gender identity and faith. As a transgender Latina religious leader and psychotherapist, I have referenced Justin's book in workshops and discussion groups to help allies and advocates of the transgender community to understand and promote acceptance of the transgender community. Justin's book is a must-read for clergy who want to integrate transgender community members in to their congregations." --Nicole M. Garcia, MDiv, MA LPC "Transgendered: Theology Ministry and Communities of Faith remains a trailblazing work in the exploration of transgender identities, gender variance and Scripture, and responses of exclusion and inclusion conveyed by communities of faith. Dr. Sabia-Tanis' wide-ranging research and candid conversations about transgender persons seeking faithful spiritual identity provides a helpful framework for transgender people; and for families, friends, and communities who want to support us. Outlining explicit and implicit barriers to participation, Sabia-Tanis challenges faith communities to offer genuine hospitality and welcome to transgender and gender non-conforming people, offering several ways to extend such welcome, including liturgical resources created specifically for the transgender community. This text continues to be a valuable resource for my parish ministry, pastoral care, professional writing, and personal reflection. I am grateful to see it back in print." --Rev. Dr. David Weekley

Embodied

Compassionate, biblical, and thought-provoking, Embodied is an accessible guide for Christians who want help navigating issues related to the transgender conversation. Preston Sprinkle draws on Scripture, as well as real-life stories of individuals struggling with gender dysphoria, to help you understand the complexities and emotions of this highly relevant topic. This book fills the great need for Christians to speak into the confusing and emotionally charged questions surrounding the transgender conversation. With careful research and an engaging style, Embodied explores: What it means to be transgender, nonbinary, and gender-queer, and how these identities relate to being male or female Why most stereotypes about what it means to be a man and woman come from the culture and not the Bible What the Bible says about humans created in God's image as male and female, and how this relates to transgender experiences Moral questions surrounding medical interventions such as sex reassignment surgery Which pronouns to use and how to navigate the bathroom debate Why more and more teens are questioning their gender

Understanding Transgender Identities

One of the most pressing issues facing the evangelical church today involves dramatic shifts in our culture's perceptions regarding human sexuality. While homosexuality and same-sex marriage have been at the forefront, there is a new cultural awareness of sexual diversity and gender dysphoria. The transgender phenomenon has become a high-profile battleground issue in the culture wars. This book offers a full-scale dialogue on transgender identities from across the Christian theological spectrum. It brings together contributors with expertise and platforms in the study of transgender identities to articulate and defend differing perspectives on this contested topic. After an introductory chapter surveys key historical moments and current issues, four views are presented by Owen Strachan, Mark A. Yarhouse and Julia Sadusky, Megan K. DeFranza, and Justin Sabia-Tanis. The authors respond to one another's views in a respectful manner, modeling thoughtful dialogue around a controversial theological issue. The book helps readers understand the spectrum of views among Christians and enables Christian communities to establish a context where conversations can safely be held.

Coming Out in Christianity

For many Christians, homosexuality is an issue that is often presented as a matter of "us (straight) Christians" versus "them," or worse, as an isolated behavior that is a questions of behavior somehow not an intrinsic part of the identities of gays and lesbians. Discussion of the issue has become so heated that it threatens to create a yawning chasm within several mainline denominations. This book examines this conflict from the perspective of a group of lesbian, gay, bisexual, and transgendered Christians. It explores the life histories of these individuals and their current beliefs, cultural backgrounds, and community influences to determine what helped each forge an identity as both gay and Christian.

Christian Faith and Gender Identity: An OtherWise Reflection Guide

This 7-day devotional from the author of OtherWise Christian: A Guidebook for Transgender Liberation provides a gentle introduction to concepts around gender identity for transgender, intersex, and OtherWise-gendered Christians as well as those who love us. The text draws from Genesis, Exodus, Matthew, John, Acts, and Galatians, including well-known stories such as Moses at the burning bush, Joseph and the "coat of many colors," and Philip and the Ethiopian eunuch traveler. This affirming guide explores questions of gender identity by exploring seven passages of scripture (Genesis, Exodus, Matthew, Acts, and Galatians) while inviting the reader to reflect on their own experience but also includes terms and definitions, recommended resources, and an appendix of modern-day Psalms. Each chapter is a quick, easy read. Reflection questions are included at the end of each chapter, which can be used individually or in group discussion. Terms and definitions provide modern context and an invitation to explore further. This reflection guide is appropriate both for those who are beginning to explore their own gender identity, and for those who may be trying to gain understanding of a loved one. It can also be used as an accessible study guide for congregations who want to enhance their understanding of transgender experience. Not your typical "transgender 101," Christian Faith and Gender Identity is a

conversation starter that invites us into the lives of OtherWise-gendered people, both in the Bible and in the modern world.

Gender Confirmation Surgery

Written as a guide primarily for surgeons in plastics, urology, and gynecology, this book can also appeal to primary care practitioners, mental health professionals, and endocrinologists. By representing an evolution of technique and advances in the field, Gender Confirmation Surgery offers a framework around which practitioners can familiarize themselves with gender surgery.

Trans Affirming Churches

There remains a lack of knowledge and understanding about trans people in the church, and trans people who are religious can experience bias in their faith communities. With the help of their many years of experience working with trans people negotiating their relationships with religious institutions, the authors (one of whom is trans) have created this accessible, valuable guide that will educate and improve churches' relationship with trans people. Combining first-hand interviews, the authors' own experiences and scripture analysis, this thought-provoking guide uses this combination of ancient and contemporary stories to outline a theology that welcomes and includes all people whatever their gender identity or sexual orientation. Written from this inclusive Christian perspective, the book answers questions about trans people that are specific to church communities.

Religion, Gender and Sexuality in Everyday Life

Exploring the intersection between religion, gender and sexuality within the context of everyday life, this volume examines contested identities, experiences, bodies and desires on the individual and collective levels. With rich case studies from the UK, USA, Europe, and Asia, Religion, Gender and Sexuality in Everyday Life sheds light on the manner in which individuals appropriate, negotiate, transgress, invert and challenge the norms and models of various religions in relation to gender and sexuality, and vice versa. Drawing on fascinating research from around the world, this book charts central features of the complexities involved in everyday life, examining the messiness, limits, transformations and possibilities that occur when subjectivities, religious and cultural traditions, and politics meet within the local as well as transnational contexts. As such, it will be of interest to scholars of sociology, anthropology, geography and cultural studies examining questions of religion and spirituality, gender and sexuality, and individual and collective identities in contemporary society.

Sex and the Sacred

A down-to-earth look at the spiritual power of sex Sex and the Sacred examines the spiritual dimension of human sexuality in a way that is free of religious affiliation but still open to traditional religion and belief in God. Dr. Daniel Helminiak, author of the best-selling *What the Bible Really Says about Homosexuality*, looks at the relationship between sexuality and spirituality, first, from a humanistic perspective and, then, a more familiar Christian point of view. In particular, he encourages LGBTI people to reclaim their spiritual heritage without apology. This unique book emphasizes spiritual commitment as an essential facet of LGBTI/queer consciousness and addresses such burning themes as coming out, the importance of self-acceptance, gay marriage, gay bashing, and the ethics of gay sex. Sex and the Sacred combines a psychological approach to spirituality with common sense and compassion, inspiring a break from moralistic religion and an understanding of what true spirituality means. The book applies this understanding to Christian topics such as the Bible, Fundamentalism, and the future of Christianity, and shows how coming out was an issue for Jesus, how homosexual experience relates to the Christian Trinity, and how Western Civilization became so sex-negative. Sex and the Sacred presents in the end a radical vision of Christianity open to all people. Religious leaders of all denominations, educators, counselors, members of the gay/lesbian/bisexual/transgender community, non-religious spiritual seekers, and anyone interested in the relationship between spirituality and sexuality will find this book enlightening and uplifting. Sex and the Sacred examines: the spiritual drive that is built into human sexuality the standard religious arguments against gay marriage a sustained argument that Biblical Fundamentalism is not Christian spiritual lessons from the AIDS epidemic the right and wrong of sex—queer and otherwise homosexuality in Catholic teaching and practice sexual ethics without religion a vision for a renewed Christianity within a global community

Understanding Sexual Identity

Today’s youth struggle with difficult questions of sexual identity. How can a youth worker offer wise care and counsel on such a controversial and confusing subject? Mark Yarhouse, Director of the Institute for the Study of Sexual Identity, writes to equip youth ministers so they can faithfully navigate the topic of sexual identity in a way that is honest, compassionate, and accessible. Reframing the focus away from the culture wars, Yarhouse introduces readers to the conversation beginning with the developmental considerations in the formation of sexual identity—all of which occurs in the teen years. He offers practical and helpful ways to think about people who experience same-sex attraction. Sections of the book are also dedicated to helping parents respond to their children and teens who struggle with questions of sexual identity, as well as how youth ministry can become more relevant in the lives of youth who are navigating these issues.

The Exuberant Church

This visionary book from one of the most intriguing and unsettling new voices to have emerged from the churches in recent years finds life and growth in surprising places. Barbara Glasson’s widely discussed first book, *I Am Somewhere Else*, described ‘the bread church’, the inclusive faith community in Liverpool where people gathered to bake bread and worship God together. She has since worked with lesbian, gay and transgendered Christians, with survivors of childhood sexual abuse, with a group of disabled ministers and with other individuals and groups dealing with trauma and displacement. It is

in these 'prophetic communities' that she has discovered new ways of understanding the transforming power of the love of God. The 'Exuberant Church' is not a church on a 'journey', not an 'emerging church', but something more explosive and unpredictable and messy, a church undergoing the strange, frightening but liberating process of 'coming out'. In The Exuberant Church we are invited to a new way of understanding mission and the church. At a time of meltdown, reorientation and confusion, Barbara Glasson sees hope for the churches in communities sometimes seen as threatening and troubling, and in the process of 'coming out' something both profoundly human and deeply of God.

Beyond a Binary God

All are made in the image and likeness of God. If this is what we believe, then trans people, like all people, reflect something of God, and not just in the ways that they share in common with others, but also in the ways that they are different. They remind us that God is beyond all of our categories, even gender. In this book, Tara Sougthers explores theology from the position of a trans ally—a parent of a trans young adult as well as priest. What does it mean about God and about humans, that there is not a strict gender binary? How can we affirm and include what we have learned about the permeability of boundaries to affirm those whose path does not follow traditional cultural stereotypes, and how might the broadening help us to understand the God who is never two for Christians, but both one and three? What gifts does this broader understanding bring to the church?

Queer Religiosities

Queer Religiosities is the first comprehensive, comparative, and globally focused introduction to queer and transgender studies in religion. Addressing sophisticated topics in clear and accessible language, award-winning teacher and scholar Melissa M. Wilcox brings her engaging lecture style into conversation with the work of scholars around the globe to welcome students into these rapidly growing fields. Following an introduction to key concepts in religious studies, queer studies, and transgender studies and an overview of the history of transgender and queer studies in religion, thematic chapters address the topics of stories, conversations, practices, identities, communities, and politics and power. This inherently comparative organization helps readers to understand the details and complexities of religions, genders, and sexualities as they are lived out around the world. Additional resources include study questions, discussion questions, suggestions for further reading, a glossary, an annotated filmography, and a selected bibliography to encourage further study.

Why Churches Need to Talk about Sexuality

Journalist and pastor Mark Wingfield describes how the congregation he serves undertook a detailed study of how the church should respond to the inclusion of gay, lesbian, bisexual, and transgender members. The study was conducted by a nineteen-member blue-ribbon task force that included wide representation of the church's various constituencies. The author served as a staff liaison, recording secretary, and resource to the study group, keeping meticulous notes of the process and the aftermath of the study. Why Churches Need to Talk about Sexuality is written for clergy and lay leaders in Protestant congregations of all kinds who need a helpful guide to conversations about human sexuality within congregations. The book also has in mind anyone who wants to understand the controversial debates about human sexuality and the Christian church today and who desire to follow a process to discuss the topic and make decisions about how congregations and individuals will respond to matters of ministry and sexuality. This book not only details the process used at Wilshire but also tells the human story of why the study was undertaken and what happened to the lives and faith of real people inside and outside the church. The author's hope is to provide a resource to other clergy and church leaders to understand why this issue must be addressed, how difficult it is to address, and what to expect along the way. As the title indicates, even though this is a difficult conversation to have, churches must have the conversation anyway.

Radical Love

The first introductory textbook on the subject of queer theology. Contextual theologies have developed from a number of perspectives – including feminist theology, black theology, womanist theology, Latin American liberation theology, and Asian American theology – and a wide variety of academic and general introductions exist to examine each one. However, Radical Love is the first introductory textbook on the subject of queer theology. In this lucid and compelling introduction, Cheng provides a historical survey of how queer theology has developed from the 1950s to today and then explicates the themes

of queer theology using the ecumenical creeds as a general framework. Topics include revelation, God, Trinity, creation, Jesus Christ, atonement, sin, grace, Holy Spirit, church, sacraments, and last things, as seen through the lenses of LGBT theologians.

Ministry Among God's Queer Folk, Second Edition

This practical pastoral care handbook, written by two self-described queer people of faith, covers the basic skills that religious caregivers and ministry students need in order to be effective, enlightened, and supportive pastoral care providers to LGBTQ persons in congregational and other community settings. Authors Schlager and Kundtz distinguish pastoral care from pastoral counseling: while the latter is reserved for those with special training in the practice of therapy, the former can be developed by ministers and lay people with sufficient education and practice. This book requires of the reader no previous experience with LGBTQ communities and treats the following topics: the definition and functions of pastoral care; effective care in challenging times; coming out of the closet; creating communities of care; and caring for a wide variety of LGBTQ relationships. The authors provide case studies throughout the book to ground and illustrate their theology of pastoral care.

When Hope Seems Lost

There is a great deal of mystery and confusion about how to deal with transsexuality in the Christian community. This book provides a resource to the church and families that have faced the issue. To the church the book gives a biblical response to transsexuality. For the families it gives hope, support and the knowledge they are not alone. Marc S. Dillworth, Ph.D. Licensed Psychotherapist specializing in the treatment of Gender Identity Disorder in children and adolescents. Can provide assistance via telephone or skype all over the world, or local office in Bradenton, Florida For Christian families who have known the heartbreak of transsexuality, Denise Shick has written a highly readable and helpful resource. Her combination of insights and real-life stories is a blessing and encouragement to those impacted by gender identity disorder. Carol L. Wagstaff, M.A. Executive Director Living Stones Ministries Words can never describe my feelings as I read through the pages of this book. My heart broke as I realized the magnitude of the problem that many families are facing with Gender Identity Disorder. This book is an invaluable resource to the pastor and the church when faced with these types of issues. As a pastor it is a great blessing to know that should this issue arise, I have a resource to turn to and can offer hope to the hurting. Pastor John Swanger Calvary Road Baptist Church In her newest book, Denise Shick articulates her personal testament and that of others, which provides the opportunity for readers to gain greater understanding and compassion for those affected by gender confusion. In the end, readers will be encouraged and walk away with hope. It is refreshing and honest, a resource like none other. James E. Phelan, LCSW, BCD, Psy.D

The Advocate

The Advocate is a lesbian, gay, bisexual, transgender (LGBT) monthly newsmagazine. Established in 1967, it is the oldest continuing LGBT publication in the United States.

Lesbian, Gay, Bisexual and Transgender Christians

Lesbian, Gay, Bisexual and Transgender Christians details the processes through which LGBT Christians resolve the fraught tensions between their religious, sexual and gendered identities, and examines the associated changes to their religious practice in the pursuit of "authenticity." The book moves between richly described first-person accounts and clear theoretical analysis, contextualising the discussion within contemporary theories of religion and same-sex attraction. Through careful qualitative research with LGBT Christians in the Australian Metropolitan Community Church (MCC), and the Uniting Church, Bronwyn Fielder and Douglas Ezzy show that although painful self-questioning and struggle is experienced by some LGBT Christians, many people ultimately find a resolution and a sense of peace with their sexual identity as LGBT Christians. The pursuit of authenticity is shown to be driven by participants' essentialist understanding of sexuality and gender, and the centrality of religiosity to their sense of self. Offering insight into how participants transform their relationships, emotions, beliefs, and ritual practices in order to make this authentic life possible, this study is an important contribution to the field of religion and sexuality.

Fruitful Embraces

Sexuality and justice often seem odd bedfellows. Sexual embraces of intimacy and passion thrive in our private lives, while justice safeguards the laws and duties that govern the public realm. Yet intuitively, we sense there are deeper connections. Both sexuality and justice support the holistic ideal proclaimed by the early Christian writer Ireneaus: the glory of God is the human person fully alive. Evelyn and James Whitehead combine professional expertise as a psychologist and historian of religion as well as personal experiences and extensive research to explore the interplay of sexuality, love, and justice on the spiritual journey today. While drawing on biblical themes and contemporary psychological insight, the Whiteheads examine modern experiences of attachment and vulnerability, marriage and friendship, compassion and sexual diversity, and the psychological and spiritual experiences of transgender persons—a new and often bewildering consideration for many Christians. Included is a reflection on a prophetic Christian ministry in support of sexuality and justice that illustrates the importance of moral awareness and sensual attunement to the world. *Fruitful Embraces* utilizes Christian theology and effective pastoral ministry to explore the vital connections between sexuality and Christian spirituality and links between compassion and justice that will encourage anyone on a spiritual journey to open their hearts and minds to the extravagant diversity of creation.

These Are Our Bodies, High School Parent Book

A resource for parents or caregivers, this book will keep the parent informed about each session. In each chapter they will read about what their high schoolers is learning as well as journal questions that will help them connect faith with sexuality and with parenting. The adult reader will have an opportunity to reflect on the same scripture that their child has reflected upon so that all involved will learn new ways to think about sexuality and how faith is relevant to understanding the complexities of sexuality and the responsibilities involved. In this program both participants and parents learn and grow together.

An Unspoken Compromise

Rizi Xavier Timane has a message for the world, and for the LGBT community in particular: God loves you just the way you are. For centuries, misguided individuals and indeed entire societies have used religious texts to condemn and persecute minorities and anyone perceived as “different,” and as a transgendered minister and a person of color, Rizi has experienced such discrimination and hatred firsthand. In *An Uncommon Compromise—A Spiritual Guide for LGBT People of Faith*, he shares the struggles he's gone through since childhood to find his own identity and his place in the world—and within his parents' strict Christian religion. What he's found—and what he shares in this book—is that one person can change the world by telling people the truth about God's unconditional love for us all. It all begins with loving yourself just as you are. That is God's way, and it can be—it must be—ours as well.

Retreating Forward

Transgender people are among the most marginalized and vulnerable populations in the world. Misinformation, lack of education, and lack of experience among cis-gendered persons often result in forms of violence and abuse directed towards those perceived as transgender or gender non-conforming. Such violence and abuse are not restricted to secular culture but expand into faith communities and essential forms of spiritual care and support. When transgender people of faith share the reality of their gender identity they often experience rejection by the very communities that should provide support, encouragement, and practical ministries of hospitality. *Retreating Forward: A Spiritual Practice with Transgender Persons* is an educational and practical resource for individuals, spiritual leaders, and faith communities seeking to provide practical and spiritual sustenance. The retreat model included in this text proved transformational for those involved.

The End of Sexual Identity

Sexual identity has become an idol in both the culture at large and in the Christian subculture. And yet concepts like "gay" or "straight" are relatively recent developments in human history. We let ourselves be defined by socially constructed notions of sexual identity and sexual orientation--even though these may not be the only or best ways to think about sexuality. Anthropologist Jenell Williams Paris offers a Christian framework for sexual holiness that accounts for complex postmodern realities. She assesses problems with popular cultural and Christian understandings of heterosexuality and homosexuality alike. *The End of Sexual Identity* moves beyond culture-war impasses to open up new space for conversations in diverse communities both inside and outside the church.

God & The LGBT Community

Who has the answers to tough questions about sexuality? Questions about what the Bible says about the LGBT community abound in Christian circles. Pastors and ministry leaders are flooded with inquiries. Parents and loved ones ask how to respond to a son or daughter asking about reassignment surgery or struggling with same-sex attraction. And many individuals question their own LGBT lifestyle choices. Does anybody have all the answers to these crucial and timely questions? Yes! Author Janet Boynes says God's Word has all the answers! In *God & the LGBT Community*, Janet shares out of her own personal experience of redemption and transformational love. Armed with biblical truths, profound insight, and deeply rooted compassion, she tackles tough issues in an easy-to-read, tangible resource. Is sexual orientation determined at birth? Real-life testimonies of redemption. If you or someone you know struggles with sexuality, this book points the way to compassion without compromise and delivers the freedom that truth brings!

Emerging Gender Identities

"This inviting text provides a useful framework for Christians to use in approaching what can be difficult conversations around gender identity."--Publishers Weekly This book offers a measured Christian response to the diverse gender identities that are being embraced by an increasing number of adolescents. Mark Yarhouse and Julia Sadusky offer an honest, scientifically informed, compassionate, and nuanced treatment for all readers who care about or work with gender-diverse youth: pastors, church leaders, parents, family members, youth workers, and counselors. Yarhouse and Sadusky help readers distinguish between current mental health concerns, such as gender dysphoria, and the emerging gender identities that some young people turn to for a sense of identity and community. Based on the authors' significant clinical and ministry experience, this book casts a vision for practically engaging and ministering to teens navigating diverse gender-identity concerns. It also equips readers to critically engage gender theory based on a Christian view of sex and gender.

Coming Out, Coming Home

Coming Out, Coming Home has the potential for increasing spiritual growth and development in our society. Although many books have been written about gay rights and pro-gay theologies, few have provided people with an opportunity to enlarge belief systems advocating Scriptural principles while embracing the possibility of gay spirituality. In our present culture many people feel the need to split the personal from their professional lives in order to maintain proper boundaries, and the private from the public in order to gain the acceptance of others. This book provides the opportunity for readers to find a deeper connection with themselves and others as you savor the stories of sexual minorities who have sought meaningful connections between their spirituality and sexuality. Expect to experience something profound when you find formerly rigid boundaries between God and gays begin to relax. Your God might be much larger than you ever imagined!

The Logic of Evangelism

The publication of William J. Abraham's *The Logic of Evangelism* in 1989 marked a turning point in the field and practice of evangelism. Almost thirty years later the book still provokes discussion as it stimulates both theorists and practitioners to comprehend evangelism as initiation into God's reign. Combining theological insight and historical analysis, Abraham's groundbreaking work remains the primary text to set the stage for how evangelism may be conceived. In these timely essays written by both theologians and church leaders, *The Logic of Evangelism Revisited* takes a critical and yet appreciative look into the ways Abraham's work still speaks to the church in today's world. The authors, coming from a wide array of backgrounds, show how *The Logic of Evangelism* remains a key text into the twenty-first century.

Religion and Sexuality

The relationship between religion and sexuality is often framed as inherently conflictual. But what actually happens when religion and sexuality converge in contemporary contexts? This provocative volume goes beyond the familiar debates over toleration and accommodation to explore the ways in which various forms of religious affiliation and sexual identity do, in fact, co-exist. Drawing on interviews and analyzing media representations, legislation, and public discourse on topics such as education, economics, and same-sex marriage in North America and the United Kingdom, this book foregrounds the complexity and multiplicity of religious and sexual identities and practices.
