Ruin Me

The third part of Ruin Me: Secret Seduction, a five part series by CJ Thomas. Kim Vogel feels like Cinderella going to the ball. Her first date with Jackson Morgan, that isn't a setup with ulterior motives. He wines and dines her in ways she didn't know money could buy, but remains completely immune to his net worth. She wants him, not what he can buy her. As their dreamy weekend comes to a close, Kim knows reality will soon come crashing down. All of this seems too good to be true. When Jackson could have any woman he desired, why is he going after Kim? Because he likes the challenge, among other things. But he's never had to chase a girl before. They've all cowered at the altar of money, something Kim won't do. So when she starts retreating, he knows something's wrong. He just doesn't know how to fix it because it's not something money can buy. And Kim's biggest fear about Jackson is starting to unfold itself: that he's keeping secrets from her that would change her perception of him. For the worse. == > Please note that this story ends on a cliffhanger and parts 2-5 will be released two weeks apart.

Ruin Me

The second part of Ruin Me: Secret Seduction, a five part series by CJ Thomas. Kim can't believe she's been talked into this plan to make quick cash to help her parents. Sure, she can't come up with another idea that could be so lucrative and possibly give her mother the life saving cancer treatment she needs, but is this really her? Is this really the life she's choosing to live now? There is one question that is eating away at her and can only be answered by going through with her plan: Who will I be on the other side of tonight? As the night progresses and she ends up going out with the last man she expected to see, she realizes that she's both terrified and beyond curious, so she keeps going. They get closer and closer to the main reason for their date and Kim realizes that she's fulfilling her most secret need. She's wanted this for so long but could never put words to it. Finally, as the night comes to a close, she knows she wants more. But she's no longer the million dollar prize that everyone was fighting over, she's no longer anything special. And that question pops up again: Who will I be tomorrow? == > Please note that this story ends on a cliffhanger and parts 2-5 will be released two weeks apart.

Cultural Secrets as Narrative Form: Storytelling in Nineteenth-Century America examines the interplay between the familiar and the forgotten in tales of America's first century as a nation. By studying both the common concerns and the rising tensions between the known and the unknown, the told and the untold, this book offers readers new insight into the making of a nation through stories. Here, identity is built not so much through the winnowing competition of perspectives as through the cumulative layering of stories, derived from sources as diverse as rumors circulating in early patriot newspapers and the highest achievements of aesthetic culture. And yet this is not a source study: the interaction of texts is reciprocal, and the texts studied are not simply complementary but often jarring in their interrelations. The result is a new model of just how some of America's central episodes of self-definition -- the Puritan legacy, the Revolutionary War, and the Western frontier -- have achieved near mythic force in the national imagination. The most powerful myths of national identity, this author argues, are not those

that erase historical facts but those able to transform such facts into their own deep resources. Book jacket.

Her callous husband, Marquis Carey, went into a rampage after Olivia's troublesome younger sister returned from her tour of Spain pregnant, and Harrison impulsively stepped in to save the entire family from scandal. Now, like Olivia, he is trapped in a loveless arrangement. When a tragic accident claims the marquis' life soon thereafter, can Harrison seize his chance and cast aside one sister for another?
