How Healed Do You Want to Be?: Finding hope and wholeness in a sharp-edged world

It is a sharp-edged world and getting hurt is unavoidable. Whether it is physical, spiritual or emotional, we all experience pain on some level and are left with trying to pick up the pieces. What do we do? How do we move forward? Do we want to merely get bandaged up so we can get back into the game? Or do we want something so powerful and miraculous that it leaves us better than when we first experienced pain? In *How Healed Do You Want to Be?* author William Faris explores the world of healing from a different perspective, defining the true nature of healing and challenging the reader to ask those tough questions that help us discover the deep healing God has for our lives. He lays out a biblical road map that helps those on this journey find a healing that leaves them in better shape than when one of the sharp edges from the world first found them.

Do You Want to Be Healed?

So you've prayed to God that He will take your pain away, but it just seems as if He wants you to carry that cross forever. Have you ever thought that perhaps God really does want to heal you, but you're actually standing in the way? *Do You Want to Be Healed? Allowing God to Heal Brokenness in Your Life* shares a little-known truth about Jesus' healing ministry-you have to be ready for healing before Jesus will heal you. That means you can't keep one foot in your dysfunction while crying out to God for help. You have to go all in before Jesus can perform that healing miracle in your life. If you're ready for that kind of commitment-ready for Jesus to wipe away your tears and heal the brokenness in your soul-take a chance and say, yes, I want to be healed. Newspaper editor, soldier, political consultant, private investigator, intelligence officer, adjunct professor, business owner, senior executive, Bachelors and Masters Degrees-on paper Tom Mann looks like one of the more successful people you will meet. You would never see the dysfunction that consumed him, caused by too many years of neglect and abuse as a child. For years, he thought everyone else was nuts until the day he realized it was actually him. Crying out to Jesus, Tom found healing, but not in some "shabalee-doo, you're healed" kind of way. No, more like the "Submit yourself fully to Jesus and do things you don't want to do" kind of way. God has used Tom's pain for good, giving Tom the ability to powerfully speak into other's lives about healing. Now he desperately wants you to have the same kind of healing God has given him. Do You Want to Be Healed?

“Do you want to be healed?” Jesus asks that question several times in the Bible—of the woman at the well, Bartimaeus the blind man, the woman caught in adultery, the rich young man—and he asks the same of you as well. *Do You Want to Be Healed?* is a 10-day personal retreat that uses a healing process similar to the one found in the author Bob Schuchts’s bestselling book *Be Healed*. Each day of the do-it-yourself retreat engages you with a question Jesus asked his followers and uses the traditional practice of lectiodivina (divine reading) to dive into a scriptural scene where Jesus heals the spiritually and physically sick. Through the five movements of reading, meditation, prayer, contemplation, and action, you will encounter the biblical figures who received the healing words of Jesus, you will undergo your own spiritual healing and discover your personal response to Jesus’s most probing questions, including: Do you want to be made well? What are you thinking in your heart? Has no one condemned you? Can you drink the cup? Have you come to believe? and Do you love me more than these? Through these questions and the healing answering them brings about, you will come to understand the principles of spiritual healing—such as facing your brokenness, acknowledging your sin and shame, and discovering the healing power of the sacraments—Schuchts shares in *Be Healed*. Those who have already read *Be Healed* will be drawn deeper into their healing with a refresher on the core principles of Schuchts’s work. The book is also perfect for those who want to begin the process of spiritual healing. *Do You Want to Be Healed?* also is an essential resource for pastors, spiritual directors, therapists, and those who help lead others in an integration of their human and spiritual formation.

Do You Want to Be Healed?

This man had remained on the same spot helpless, hopeless, abandoned, rejected, impotent and unforgiven for 38 years! (That was even before Jesus was born). He had no man to help him. He stayed by the well of blessings and miracles for 38 years, yet all was not well with him. Many knew he had an ugly past. Some had forgotten about him. Most never knew who he was. To his family, he has been forgotten. To the society, he was no longer relevant. The Bible even never mentioned his name. But one day, Jesus was going to the Temple and stopped by to attend to him. He did not even know Jesus. Why would Jesus stop because of a man who had an ugly past? Why would Jesus stop because of such a man who never have faith to be healed nor ever knew Jesus? Why would Jesus stop because of a man who is unforgiving and unforgiven? Jesus stopped and asked this man a simple but heart-searching question: “DO YOU WANT TO GET WELL?” This book is specially written for three reasons. • To find peace in God’s forgiveness • To find peace in forgiving others • To find peace in forgiving yourself The healing begins when the silence is broken. “DO YOU WANT TO GET WELL?”

Do You Want to be Healed?

“Somewhere deep inside each one of us is a burning desire to finally become the person God created us to be.” Do you suffer from spiritual or emotional wounds that are keeping you from reaching that goal? The bestselling book *Be Healed* is based on retired Catholic therapist Bob Schuchts’s popular program for spiritual, emotional, and physical healing. Incorporating elements of charismatic spirituality and steeped in scripture and the wisdom of the Church, this book offers hope in the healing power of God through the Holy Spirit and the sacraments. Schuchts, founder of the John Paul II Healing Center, sensitively shares his own journey of healing after enduring a series of betrayals in high school—his father’s infidelity, his parents’ divorce, his older brother’s drug addiction—and his subsequent periods of struggle with God and faith. *Be Healed* includes helpful tools such as charts, tables, lists, reflection questions, and personal challenges to guide you on your journey of healing. Schuchts’s trusted process for finding inner peace and healing is boldly Christ-centered, maintaining focus on the person of Jesus as “the life-giving and ever-present physician of our souls.” Schuchts will help you recognize your brokenness and find your hope and healing in the risen Christ.

How does healing fit into God's will, especially when God doesn't heal? Our hearts, our bodies, and our world are desperate for healing. We all experience brokenness, and we rightfully look to Jesus for restoration. But many Christians have been taught the lie that God will heal us if our faith is strong enough, and that he is punishing us when bad things happen. Growing up in one of the world's leading faith-healing dynasties, Costi Hinn witnessed the tragedy of people chasing after healing more than the Healer. In this book he provides biblical clarity to some of the most challenging questions of the Christian faith. Does grace guarantee healing? How do we catch ourselves from slipping into the trap of seeking God for what he can do for us and not for who he really is? Beginning with the vivid memory of the night he discovered his son's cancer diagnosis—Costi unpacks the layered feelings and questions we have about God and his healing power, and he provides practical principles for growing closer to Jesus. With gentle clarity and biblical wisdom, he explains how to: Faithfully pray for healing while trusting in God's sovereignty. Navigate tough conversations about the topics of divine healing, love, and justice. Hold on to faith even in the most painful trials. More than chasing after the Jesus we want, this hopeful and encouraging book will guide you to discovering the Jesus we truly need—and the true power and hope that comes from a genuine relationship with him.

Your inheritance of a healthy, joyful life is available here and now--expect to be healed! Known for his clear and compassionate style, Rev. Daugherty provides hope through the Scriptures about God's desire for His children to be whole. "Sickness is an invasion of an outlaw force seeking to rob you of your health," and through the realization of God's promises and the steps provided in this book, you will enjoy the abundant life that the Great Physician promised--You Can Be Healed!

You Can Be Healed

YOU CAN EASILY CONVINCE YOUR LOVING HEAVENLY FATHER TO HEAL YOU! It is EXTREMELY EASY to convince your heavenly Father to reach down and heal you! Think. WHY WOULD IT BE OTHERWISE? God loves you with the greatest love ever! He only requires one thing, and that is to have faith in His Word. Faith is not enough, and even the faith that God is able to heal you is not enough. If you want your loving heavenly Father to reach down and heal you, you need to develop FAITH IN HIS WORD. To do that: READ IT! And allow it to transform you. You need to put God's Word ahead of the words of the hirelings. They are in business to make money. They preach that the easiest path through life is the spiritual path. That is, they preach that giving lip service to God and your heart to the world is the spiritual path. God's Word, however, says something different. When you READ God's Word and seek Him diligently, He PROMISES to reward you! (Hebrews 11:6) And when you humble yourself before God's Word as a little child and as the beggars did, He WILL heal you. The beggars cried out: God be merciful to me a sinner! And, Jesus, PLEASE HEAL ME! Humble yourself before God's Word instead of the words of the hirelings. Humbling yourself before God's Word forces you to be reasonable, you will no longer be able to despise the 1% of God's Word that contradicts what you wish to be true (Luke 20:18). When you understand the obvious and easily overcome obstacles that keep most people from faith in God's Word-you will be shocked at how easy it is to be healed. Just watching the video at the bottom of this page could heal you! This book will reveal everything, YES EVERYTHING, you need to know and to do to convince your loving and all-powerful heavenly Father to reach down and heal you! God is, at this very moment, searching for people to heal. He loves everyone. He wants to heal everyone. Then why has He not yet healed you? God puts His Word and faith in His Word first. He uses the miracle of healing to confirm His Word (Mark 16:20). God's love demands that healings be secondary to faith in His Word. When you develop faith in God's Word, He will heal you. God promises that. To develop faith in His Word, we need to hear it and read it (Romans 10:17) and then allow it to transform our character and our daily lives. Doing works of mercy and rejoicing that our names are written in heaven are two examples of allowing faith in God's Word to transform us. This book explains everything you need to do to be healed. Yes, if you put in the work to develop faith in God's Word-you WILL be healed! Do not miss this opportunity for blessings that will stretch your imagination.

They threaten to leave us financially and emotionally bankrupt if we don't learn how to break free from the chaos and heal our relationship with money for good. Fortunately, our relationship with money does not have to be a major source of stress in our lives. Do you want to know more about encountering "Deliverance and Divine Healing" by the hand of God? These topics are addressed in this *Healing Encounters Primer*. It is an overview of the subject of divine healing. There are three main topics in the primer. The first two topics build a foundation for understanding God's plan for His Kingdom on earth and our role in His plan. The third topic is where everything comes together with information directly related to deliverance and healing. The prayer activations in this text are designed to open the door to healing encounters. The encounters may be similar to the ones that Jesus Christ and His first disciples demonstrated. The Primer explains things such as the powerful gifts of the Holy Spirit that are available to those who surrender to the Lordship of Jesus Christ today. It explains the role of the gifts of the Holy Spirit as they relate to healing. The primer is a reference book for believers who want a solid foundation in their faith and who want to encounter God as a healer. The 5 Steps to Achieve Healing

Writing to heal - Change your life through journaling, reflecting and creative life stories Author: Dale Darley Writing in a journal is powerful, cathartic and life-changing. This book has been described by one reader as different from any other journaling book that she has bought, because of it's positive perspective. Another reader told me "Just wanted to let you know that I started reading your book this morning and was instantly hooked. I found a book to write in and have written seven pages on the most traumatic experience in my life, cried buckets but loved getting it down on paper and feel so much better with it being out and there are so many pages to add over the next four days. This bit comes from my soul - your book is, I feel going to save my life, not from death but disillusionment - a life of disillusionment - can you imagine! I've been facing that for a while, and today you gave me the path out of that, the path I've been looking in the long grass for! For the first time in 2 years, I sit here now with a jewel of excitement in my belly - so long since I felt that." Another said 'I feel as if you really get me and I can finally write and let it all out.' I wrote this book as a result of being in one dark place too many. I had written and journaled for years, using my writing to get my feelings out. As I sat and reflected I found ways to overcome my perceived problems. When I was out walking stories started to come into my head. It was then I realised that creative life writing, where you take your journal entries and turn them into stories was not only fun but incredibly healing. Do you feel stuck? Do you want clarity? Do you want to write and journal in a positive way? Do you want to have fun with your journaling? Then Writing to Heal is for you... Writing to Heal takes you on a journey that asks you first to pick up your pen and write. To then reflect on what you have written and rewrite it with positive intention so that you change the story. This book guides you from starting to journal, through reflective practice and on into creative life writing. Writing stories is a fantastic way for anyone who is interested in making changes to their lives, to be in control of what happens next and to let the healing begin. When you start to use stories to change the way you think, your perspective changes. My dream is that this book inspires you to write and to consider writing your life story or memoir. It's easy to read, pick up and flick through, one of those bedside books to dip into when you are pondering what to write.

Healing Encounters Primer

A compassionate, shame-free guide for your darkest days "A one-of-a-kind book . . . to read for yourself or give to a struggling friend or loved one without the fear that depression and suicidal thoughts will

be minimized, medicalized or over-spiritualized.”—Kay Warren, cofounder of Saddleback Church What happens when loving Jesus doesn't cure you of depression, anxiety, or suicidal thoughts? You might be crushed by shame over your mental illness, only to be told by well-meaning Christians to “choose joy” and “pray more.” So you beg God to take away the pain, but nothing eases the ache inside. As darkness lingers and color drains from your world, you're left wondering if God has abandoned you. You just want a way out. But there's hope. In *I Love Jesus, But I Want to Die*, Sarah J. Robinson offers a healthy, practical, and shame-free guide for Christians struggling with mental illness. With unflinching honesty, Sarah shares her story of battling depression and fighting to stay alive despite toxic theology that made her afraid to seek help outside the church. Pairing her own story with scriptural insights, mental health research, and simple practices, Sarah helps you reconnect with the God who is present in our deepest anguish and discover that you are worth everything it takes to get better. Beautifully written and full of hard-won wisdom, *I Love Jesus, But I Want to Die* offers a path toward a rich, hope-filled life in Christ, even when healing doesn't look like what you expect.

“Wealth without work Pleasure without conscience Science without humanity Knowledge without character Politics without principle Commerce without morality Worship without sacrifice. <https://vidjambov.blogspot.com/2023/01/book-inventory-vladimir-djambov-talmach.html> The holy apostles, enlightened and strengthened by the Holy Spirit, carried the indescribable wealth of God's goodness into the whole universe: the Son of God, who came to the world in flesh, preached; faith in Him was planted in the hearts of men; they denied idolatry, peoples, darkened by the darkness of the ignorance of God, enlightened; the eyes of the heart blinded to the knowledge of the true God opened; founded the Church of God on the face of the whole earth; gathered a single blessed herd from different nations, like wild animals, gathered; The Holy Trinity — the Father and the Son and the Holy Spirit, the one God — was taught to read; they lit the fire of God's love in the hearts of believers and affirmed the hope of life and the bliss of the next century, as it is written about them: they went forth, and preached every where, the Lord working with them, and confirming the word with signs following. (Mk. 16, 20). * * * Christ the Lord the King of Heaven, having come to earth and having done the work of eternal salvation on earth, has sent His saints and apostles to all the countries and cities of the whole earth to proclaim His coming and His coming salvation to them. Go ye into all the world, and preach the gospel to every creature. (Mark 16:15). These messengers of God and faithful servants of Christ went forth, and preached every where, the Lord working with them, and confirming the word with signs following. (Mark 16, 20).
