The Burning Island

Contrasts native and western views of the land and explores attitudes toward nature on the Hawaiian Island of Hawaii.

Hawaiian Legends of Volcanoes

Tells the story of the impetuous and unpredictable Hawaiian goddess of volcanoes, Pele.

Pele and the Rivers of Fire

"Lava shoots in the air, then bubbles down mountains, flattening, burning, and boiling everything in its path. The destructive forces of volcanoes are terrifying and well-known. But what about their other forces? Volcanoes can spur new growth of plants and trees. In the water, they create an environment where coral reefs and sea life can thrive. In fact, the meeting of volcanic fire and ocean water gave way to life on Earth. Award-winning children's science author Mary M. Cerullo brings her excellent research and signature storytelling style to the dynamic subject of volcanoes. Stitching science, history, and mythology together, Cerullo explores these explosive wonders of nature and reveals the secrets they've been keeping since the beginning of the world"--

Volcano, Where Fire and Water Meet

The story of Pele, the Hawaiian goddess of volcanoes, telling of her family, her birth and the events of her life.

Bowker's Complete Video Directory

A Hawaiian legend of the goddesses of fire and ice and the battle they had to try and control the island of Hawai»i.

Pele, the Fire Goddess

Who is the volcano goddess? What makes "Maui the trickster" so tricky? Why are myths so important in our lives? Myths are a rich source of history. People use them to make sense of our world. Even before myths were written down, people told and retold the stories of the gods and goddesses of their homeland. Readers of South Pacific Mythology will learn the history of myths, as well as their deeper meaning. From the desert tribes of Australia to New Zealand's origin of the coconut, this book helps kids understand the myths that shape and direct people's lives. Abdo & Daughters is an imprint of Abdo Publishing, a division of ABDO.

Pele and Poli'ahu

The ancient legends of Hawaii tell how Pele came to the islands from far across the sea. After traveling from north to south, testing each of the islands for a home suitable for herself and her family she took up her abode in Halemaumau Crater at the summit of Kilauea on the island of Hawaii. To the Hawaiians of old she was a living deity. Today Pele personifies the volcano to visitors and residents, showing her capriciousness and power while both destroying and creating new land. Perhaps it is she who weaves the spell that brings people back again and again to the island of Hawaii, sometimes to spend the rest of their days in this vibrant land. That can be said of both Likeke R. McBride, the author, and Dietrich Varez, the illustrator. Often crossing paths, they each found homes for themselves and their families, and lived for decades in Volcano, deep in the land of Pele. Join them in exploring stories of the fire goddess that clearly paint the history of this dynamic land as seen through the eyes of inhabitants over generations, passed down through the ages. Originally published over fifty years ago, Pele, Volcano Goddess of Hawaii will now, with new illustrations, give these tales renewed life.

Discover

Herein are 20 legends of Hawaii's volcanoes and the demigods which occupy them. Many of these legends are about Pele who according to Polynesian myth lives in Kilauea. The story of Pele's arrival and occupation of Kilauea can be found in the very first story, "AI-LAAU, THE FOREST EATER." Ai-laau lived in the volcano spewing forth his fire from the great crater when Pele came to the seashore far below. On seeing Pele, Ai-laau was fearful and fled leaving the volcano to her, where until this day she digs and continues to release plumes of fire and rivers of lava. Herein you will find the legends of: Ai-Laau, The Forest Eater How Pele Came To Hawaii Pele And The Owl Ghost-God The Hills Of Pele Pele And The Chiefs Of Puna Pele's Tree Pele And Kaha-Wali Pele And Kama-Puaa Pele And The Snow-Goddess Genealogy Of The Pele Family Pele's Long Sleep Hopoe, The Dancing Stone Hiiaka's Battle With Demons How Hiiaka Found Wahine-Omao Hiiaka Catching A Ghost Hiiaka And The Seacoast Kupuas Lohiau The Annihilation Of Keoua's Army The Destruction Of Kamehameha's Fish Ponds Kapiolani And Pele We invite you to download and read this very topical edition of Legends Of Hawaii's Volcanoes, the activity of which was just as important to the ancient, original inhabitants of Hawaii as they were to the second generation of Americans who have arrived on the islands in relatively recent times. Instead of wading through the scientific explanations for the recent volcanic activity, just maybe there is another, hitherto, unexplained reason for the eruptions, some of which also give an interesting perspective on Hawaiian history. ===== KEYWORDS/TAGS: fairy tales, folklore, myths, legends, children's stories, children's stories, bygone era, fairydom, fairy land, classic stories, children's bedtime stories, happy place, happiness, laughter, history, historical, Hawaii, Islands, , Pele, Hiiaka, lava, great, fire, Lohiau, beautiful, Kauai, crater, chief, goddess, forest, Kilauea, sister, power, water, volcano, journey, winds, spirit, Kama-puaa, dragons, Puna, pit, Hilo, smoke, Hopoe, clouds, fires, ferns, Kapiolani, struck, volcanic, islands, ancient, death, earth, fish, Wahine, omao, Kamehameha, lightning, mountains, Hawaiians, Pana-ewa, skirt, magic, waves, deep, leap, ocean, Kaha-wali, pig, stone, precipice, erupt, flowers, Poliahu, battle, anger, destroy, divine, river, flee, prophet, pour, native, Mauna, sleep, chant, holua, birds, evil, Na-maka-o-ka-hai, fire-goddess, dragon, Haumea, floods, lehua, king, surf, tabu, lover, ghost-gods, Oahu, Maui, Pau-o-palae, au-makua, missionary, earthquake, sacrifice, Moo-lau, , canoe, Kane, west, kupuas, Keoua, Pii, Ku-waha-ilo, Lono-makua, Ai-laau, Kahuku, bones, Keaau, Kane-hoa-lani, Ka-moho-alii, whirlwind, traveller, guardians, Hiiaka

South Pacific Mythology

Pele and Hiiaka are Hawaii's most spectacular female deities, and this story of their conflict over the mortal Lohi'au stands at the fountainhead of Hawaiian myth, oral tradition, and dance. For centuries, however, it was a varied collection of disparate versions told by widely scattered Hawaiian poets, raconteurs, and dancers. Author, Dr. Nathaniel Emerson spent years traveling, talking to Hawaiians, and compiling notes in an attempt to organize and preserve its text. The result of his efforts, *Pele and Hiiaka: A Myth from Hawaii* was published in 1915, and that edition has since become a rare and expensive collector's item. This digital edition of that book contains all of Emerson's original text as well as a new introduction and new photographs. Pele the fire goddess, who dwells in the Kilauea firepit, is quick-tempered and violent. Hiiaka, her sister, is calm and benevolent and given to wandering through groves of scarlet-blossomed 'ohi'a trees. Pele's roaming dream-spirit falls in love with the handsome chieftain Lohi'au, and Hiiaka is sent to bring him back from Kaua'i to Pele's waiting immortal body. In the saga of Hiiaka's arduous journey are the exploits of stirring romance.

Time

On the island of Oahu two estranged step-siblings find a mysterious white dog who belongs to Pele, the Hawaiian Fire Goddess. Ancient rivalries are re-kindled, throwing Tamino and Timera into a race to save all of Honolulu from the elemental furies of wave, lava and frost. It's a good thing they have kui nuts, a dog, and a Thesaurus.

Bowker's Complete Video Directory 2001

Photographs with text and detailed captions provide a visual tour of the phenomena of volcanoes.

Pele

Hawaiian Legends of Volcanoes (1916) is a collection of Hawaiian folktales and myths by W. D. Westervelt. Connecting the origin story of Hawaii to the traditions of other Polynesian cultures, Westervelt provides an invaluable resource for understanding the historical and geographical scope of Hawaiian culture. Drawing on the work of David Malo, Samuel Kamakau, and Abraham Fornander, Westervelt, originally from Ohio, became a leading authority on the Hawaiian Islands, publishing extensively on their legends, religious beliefs, and folk tales. "When Pele came to the island Hawaii, seeking a permanent home, she found another god of fire already in possession of the territory. Ai-laau was known and feared by all the people. [...] Time and again he laid the districts of South Hawaii desolate by the lava he poured out from his fire pits." Beginning with the origin story of Pele, the goddess of volcanoes, Westervelt introduces his groundbreaking collection of legends on the volcanic nature of the Hawaiian Islands. Despite his fearsome power over creation and destruction, Ai-laau disappeared the moment he became aware of Pele's presence. Having traveled across the limitless ocean, her name was already known far and wide, along with her reputation for strength, anger, and enviousness. Establishing herself within the crater of Kilauea, Pele quickly took command over the gods, ghost-gods, and the people inhabiting the islands. Central to Hawaiian history and religion, Pele continues to be celebrated in Hawaii and across the Pacific today. With a beautifully designed cover and professionally typeset manuscript, this edition of W. D. Westervelt's *Hawaiian Legends of Volcanoes* is a classic of Hawaiian literature reimagined for modern readers.

LEGENDS OF HAWAIIAN VOLCANOES - 20 Legends about Hawaii's Volcanoes

A retelling of the classic Hawaiian legend when Pele ventured off her fiery mountaintop to make mischief and challenge Poliahu to a sled race down the snowy slopes of Mauna Kea. It is the story about the power of nature, the power of wills, the power of skill, and an explanation of why the Big Island, to this day, is an island of contrasts.

Pele and Hiiaka

"These are two stories of the Hawaiian Islands. One is about our earth. The other is a tale of Pele, goddess of fire and maker of land"--Page 3.

My Summer with the Hawaiian Fire Goddess

Explains how volcanoes erupt and the work of scientists who study volcanoes, and describes some well-known eruptions.

Fire on the Mountain

This empowering collection brings together 50 Goddess' from Nut, the Ancient Egyptian Goddess of the Sky to Medusa to Papatuanuku the Maori Earth Goddess.

Hawaiian Legends of Volcanoes

Meet Punky Aloha: a girl who uses the power of saying "aloha" to experience exciting and unexpected adventures! Punky loves to do a lot of things--except meeting new friends. She doesn't feel brave enough. So when her grandmother asks her to go out and grab butter for her famous banana bread, Punky hesitates. But with the help of her grandmother's magical sunglasses, and with a lot of aloha in her heart, Punky sets off on a BIG adventure for the very first time. Will she be able to get the butter for grandma? Punky Aloha is a Polynesian girl who carries her culture in her heart and in everything she does. Kids will love to follow this fun character all over the island of O'ahu.

Pele and Poli'ahu

Los Angeles magazine is a regional magazine of national stature. Our combination of award-winning feature writing, investigative reporting, service journalism, and design covers the people, lifestyle, culture, entertainment, fashion, art and architecture, and news that define Southern California. Started in the spring of 1961, Los Angeles magazine has been addressing the needs and interests of our region for 48 years. The magazine continues to be the definitive resource for an affluent population that is intensely interested in a lifestyle that is uniquely Southern Californian.

Two Tales Of Hawaii

"A valuable library addition for either a folklorist, a linguist, or an ethnologist." --Western Folklore "The stories in this book are reprinted from Volumes IV and V of The Fornander Collection of Hawaiian Antiquities and Folk-lore, published by the Bernice P. Bishop Museum in 1917, 1918, and 1919. They include some of the best-loved of Hawaiian stories, and the collection is probably the most important work on a traditional subject ever published in the Hawaiian language.... In the 1860s and 1870s, Abraham Fornander, circuit judge of Maui, employed several Hawaiians to seek out learned Hawaiians and write down their stories. The collectors included S. N. Kamakau, S. Haleole, and Kepelino Keauokalani, each of whom has made important contributions to our knowledge of the old culture." -from the Introduction

Natural History

'I'm a HUGE fan of Alison Green's "Ask a Manager" column. This book is even better' Robert Sutton, author of The No Asshole Rule and The Asshole Survival Guide 'Ask A Manager is the book I wish I'd had in my desk drawer when I was starting out (or even, let's be honest, fifteen years in)' - Sarah Knight, New York Times bestselling author of The Life-Changing Magic of Not Giving a F*ck A witty, practical guide to navigating 200 difficult professional conversations Ten years as a workplace advice columnist has taught Alison Green that people avoid awkward conversations in the office because they don't know what to say. Thankfully, Alison does. In this incredibly helpful book, she takes on the tough discussions you may need to have during your career. You'll learn what to say when: · colleagues push their work on you - then take credit for it · you accidentally trash-talk someone in an email and hit 'reply all' · you're being micromanaged - or not being managed at all · your boss seems unhappy with your work · you got too drunk at the Christmas party With sharp, sage advice and candid letters from real-life readers, Ask a Manager will help you successfully navigate the stormy seas of office life.

Ring of Fire and the Hawaiian Islands and Iceland

Almost every couple faces a "now what?" moment as their last kid moves out of the house. There's a big empty nest looming over this new and uncertain stage in their lives. David and Veronica James chose to look at this next phase of life as a beginning instead of an ending. Rather than staying put and facing the constant reminders of empty bedrooms and backseats, a plan began to develop to sell the nest and hit the highway. But could a homebody helicopter mom learn to let go of her heartstrings and house keys all at once? Filled with a sense of adventure and humor, Going Gypsy is the story of a life

after raising kids that is a celebration of new experiences. Pulling the rip cord on the daily grind, David and Veronica throw caution to the wind, quit their jobs, sell their house, put on their vagabond shoes, and go gypsy in a beat-up old RV found on eBay. On a journey of over ten thousand miles along the back roads of America (and a hysterical, error-infused side trip into Italy), they conquer old fears, see new sights, reestablish bonds with family and friends, and transform their relationships with their three grown children from parent-child to adult-to-adult. Most importantly, they rediscover in themselves the fun-loving youngsters who fell in love three decades prior.

Gopen's Guide to Closed Captioned Video

In our "wireless" world it is easy to take the importance of the undersea cable systems for granted, but the stakes of their successful operation are huge, as they are responsible for carrying almost all transoceanic Internet traffic. In *The Undersea Network* Nicole Starosielski follows these cables from the ocean depths to their landing zones on the sandy beaches of the South Pacific, bringing them to the surface of media scholarship and making visible the materiality of the wired network. In doing so, she charts the cable network's cultural, historical, geographic and environmental dimensions. Starosielski argues that the environments the cables occupy are historical and political realms, where the network and the connections it enables are made possible by the deliberate negotiation and manipulation of technology, culture, politics and geography. Accompanying the book is an interactive digital mapping project, where readers can trace cable routes, view photographs and archival materials, and read stories about the island cable hubs.

Goddess

"An elegiac prose celebration . . . a classic in its genre."—*Publishers Weekly* In this acclaimed travel memoir, Donald Richie paints a memorable portrait of the island-studded Inland Sea. His existential ruminations on food, culture, and love and his brilliant descriptions of life and landscape are a window into an Old Japan that has now nearly vanished. Included are the twenty black and white photographs by Yoichi Midorikawa that accompanied the original 1971 edition. Donald Richie (1924–2013) was an internationally recognized expert on Japanese culture and film. Yoichi Midorikawa (1915–2001) was one of Japan's foremost nature photographers.

Punky Aloha

Fire as omen and elemental force, as metaphor and searing personal experience--these are the subjects Douglas McCulloh explores in *Facing Fire: Art, Wildfire, and the End of Nature in the New West*. California's diverse ecologies are fire-prone, fire-adapted, even fire-dependent. In the past two decades, however, West Coast wildfires have exploded in scale and severity. There is a powerful consensus that we have entered a new era--nature unbalanced, the end of the stable world. Douglas McCulloh has assembled the work of 16 artists who bring us incendiary images from active fire lines and psychic burn zones. Together the 16 artists face fire, sift its aftermath, struggle with its implications. Throughout is the uneasy sense that wildfire is a stand-in, a site of displacement for more immaterial fears, for the amorphous anxieties of the age. This book is published in conjunction with an exhibition of the same name held at UCR ARTS: California Museum of Photography February 22-August 9, 2020.

Hawaii's Story

"Magisterial. . . . A learned, brilliant and enjoyable study."—Géza Vermès, *Times Literary Supplement* In this exciting book, Paula Fredriksen explains the variety of New Testament images of Jesus by exploring the ways that the new Christian communities interpreted his mission and message in light of the delay of the Kingdom he had preached. This edition includes an introduction reviews the most recent scholarship on Jesus and its implications for both history and theology. "Brilliant and lucidly written, full of original and fascinating insights."—Reginald H. Fuller, *Journal of the American Academy of Religion* "This is a first-rate work of a first-rate historian."—James D. Tabor, *Journal of Religion* "Fredriksen confronts her documents—principally the writings of the New Testament—as an archaeologist would an especially rich complex site. With great care she distinguishes the literary images from historical fact. As she does so, she explains the images of Jesus in terms of the strategies and purposes of the writers Paul, Matthew, Mark, Luke, and John."—Thomas D'Evelyn, *Christian Science Monitor*

The Laser Video Disc Companion

This is Queen Liliuokalani's translation of the Hawaiian Creation chant, the Kumulipo. She translated this while under house arrest at Iolani Palace, and it was subsequently published in 1897. This is an extremely rare book which was republished (in a very scarce edition) by Pueo Press in 1978. The Kumulipo's composition is attributed to one of Liliuokalani's eighteenth century ancestors, Keaulumoku, just prior to European contact. It is a sophisticated epic which describes the origin of species in terms that Darwin would appreciate. The Kumulipo moves from the emergence of sea creatures, to insects, land plants, animals, and eventually human beings. It describes a complicated web of interrelationships between various plants and animals. The most massive part of the chant is a genealogy which enumerates thousands of ancestors of the Hawaiian royal family. The Kumulipo is also available at this site in the 1951 translation of Martha Warren Beckwith, with comprehensive analysis and the complete Hawaiian text. However Liliuokalani's version is of some historical significance. The last Queen of Hawaii, Liliuokalani was extremely literate, and steeped in Hawaiian tradition. She was the author of the well-known Hawaiian anthem, Aloha 'Oe as well as a Hawaiian history book, Hawai'i's Story by Hawai'i's Queen.

Los Angeles Magazine

A counterpoint to biodiversity, geodiversity describes the rocks, sediments, soils, fossils, landforms, and the physical processes that underlie our environment. The first book to focus exclusively on the subject, Geodiversity describes the interrelationships between geodiversity and biodiversity, the value of geodiversity to society, as well as current threats to its existence. Illustrated with global case studies throughout, the book examines traditional approaches to protecting biodiversity and the new management agenda which is starting to be used instead.

The Mac Tire Chronicles

supernatural life, dark secret, drastic changes and life decisions

Crimson Secrets

Dark family secrets. Nightmares. Blood sacrifices. An unimaginable destiny. She's your typical teenager about to graduate from high school. Shay Evans, a good student, looked forward to attending college with her twin brother Tommy in the summer. Her mind was filled with happy thoughts of the future. But then the nightmare started. Someone or something was following her. Shay felt an overwhelming dark change inside. As she ran, she felt her body shift - confused and hunted, Shay is thrown into a new supernatural life as the last female wolf! With the family's dark secret now uncovered, Shay is forced to choose a bond between other wolf shifters. Brothers Duncan and Declan approach Shay with eyes filled with past sorrows. Yet none are prepared when a goddess full of bloodlust appears. Will Shay and her new allies be able to run or stand and fight? Bonus Materials: Sneak peek of Sapphire Secrets. Read chapter 1! Support the Author's Original Work! Any previous version of Crimson Secrets does not support the author. Please do not purchase the version distributed by Green Ivy Publishing. The author, Garnet Davenport, holds all rights to Crimson Secrets and The Mac Tire Chronicles

The Annals of Loch Cé

A Noll Chronicle is the story of German Immigrants to the United States, their travels through the country, and their successes and failures. Unlike many family histories, this chronicle includes background information on the times and places these immigrants lived in. A Noll Chronicle begins in New York City and ends 125 years later in Pasadena, California, with the death of the main character -- Gus Noll. The story covers Reverend John G. Zahner and Reverend Moritz Noll of the German Reformed Church in Ohio and traces the life of William F. Albrecht, who goes from being a butcher to a major land trader and house builder in Philadelphia, Pennsylvania. Author David Noll focuses most of this telling on his grandfather, Gus Noll, who helps start the airline that eventually becomes TWA. Multiple families who are offspring of Gus Noll still reside in Phoenix and Tucson, Arizona; in addition to Las Cruces, New Mexico; the Seattle area in Washington; North Carolina; New Jersey; Montana; and other states.

Chronicum Scotorum : a Chronicle of Irish Affairs from the Earliest Times to A.D. 1135, with a Supplement Containing the Events from 1141 to 1150

Shay's journey continues... Still reeling from the attack, everyone is on high-alert awaiting possible threats. As Shay continues to reconcile the new aspects of her life with the struggles from her family secrets, she decides to hide her hallucinations from those who care most. Declan and Duncan don't find out until it's too late that the Gael Fearg sword left more than a scar. Each kill made from the Gael Fearg will give knowledge to Shay so she can be capable of defending herself and defeating the Morrígan. Leaving Shay linked to the one person who haunts her nightmares the most. As they learn what is happening to Shay, they fight to keep her from returning to the night at the river beneath the tree. More secrets are revealed to bring connections together from the past to the present. Some secrets help build more powerful relationships, and some weaken the bonds already made. With newcomers to Tremper who show up at the most suspicious times and more secrets being hidden from Shay. She will have to fight against her family, allies, and herself to survive another day. However, her wolf may be too far gone, and she will require a great sacrifice to live.

A Noll Chronicle

The United States of America has undeniably attained the status of the world's leading superpower, oftentimes dictating the narrative of the progress of modern society. And just like any other nation, the US also has its share of history that is hard to find compiled in a single place. The author visited the

American sub-continent in the late nineties of the last century. He kept collecting information from fliers, brochures, information leaflets and the publicity material of places he toured and by visiting libraries during his travel across the country. He compiled all this information and put it into a chronology and perspective that reader could digest. He had a desire to publish this and pass it on to all who made America their abode.

Sapphire Secrets

A two-volume edition and English translation of an Irish chronicle from the eleventh to sixteenth centuries, first published in 1871.

A Chronicle of the Late Intestine War in the Three Kingdoms of England, Scotland and Ireland

Athenaeum and Literary Chronicle
