Neve Halloran and her teenage daughter, Mickey, struggle to build a new life together amid the harsh beauty of a wildlife sanctuary in Rhode Island's South County.

What Matters Most

With every New York Times bestseller, Luanne Rice illuminates yet another of the secret wonders of the heart. Her unforgettable evocations of family, friendship, and loves lost and won in such novels as *The Edge of Winter*, *Sandcastles*, and *Summer of Roses* give voice to our most powerful emotions. Now she brings back two of her most beloved characters to tell of their journey across the sea to unravel the mysteries of a shared past—and two undying love affairs.... *What Matters Most* Sister Bernadette Ignatius has returned to Ireland in the company of Tom Kelly to search for the past—and the son—they left behind. For it was here that these two long-ago lovers spent a season of magic before Bernadette's calling led her to a vocation as Mother Superior at Star of the Sea Academy on the sea-tossed Connecticut shore. For Tom, Bernadette's choice meant giving up his fortune and taking the job as caretaker at Star of the Sea, where he could be close to the woman he could no longer have but whom he never stopped loving. And while one miracle drew them apart, another is about to bring them together again. For somewhere in Dublin a young man named Seamus Sullivan is also on a search, dreaming of being reunited with his own first love, the only "family" he's ever known. They'd been inseparable growing up together at St. Augustine's Children's Home, until Kathleen Murphy's parents claimed her and she vanished across the sea to America. Now, in a Newport mansion, that very girl, grown to womanhood, works as a maid and waits with a faith that defies all reason for the miracle that will bring back the only boy she's ever loved. That miracle is at hand—but like most miracles, it can come only after the darkest of nights and the deepest of heartbreaks. For life can be as precarious as a walk along a cliff, and its greatest rewards reached only by those who dare to risk everything...for what matters most.

Edge of Winter

I watched my father run forward in his snowshoes the way one sometimes does in dreams, unable to make the legs move fast enough. I ran to the place where he knelt. I looked down into the sleeping bag. A tiny face gazed up at me, the eyes wide despite their many folds. The baby was wrapped in a bloody towel, and its lips were blue.' The events of a December afternoon on which a father and his daughter find an abandoned infant in the snow will forever alter eleven-year-old Nicky Dillon's understanding of the world which she is about to enter and the adults who inhabit it: a father who has taken great pains to remove himself from society in order to put behind him an unthinkable tragedy; a young woman who must live with the consequences of the terrible choices she has made; and a detective whose cleverness is superseded only by his sense of justice. Written from the point of view of thirty-year-old Nicky as she recalls the vivid images of that fateful December, hers is a tale of love and courage, of tragedy and redemption, and of the ways in which the human heart always seeks to heal itself.

Bestseller Luanne Rice returns with a novel as timeless as the sea on which it's set. From the beloved New York Times bestselling Luanne Rice comes a heartwarming yet heart-wrenching portrait of three far-flung sisters who come home to Martha's Vineyard one last time. Their mother's beach house is the only place any of them ever found true happiness and they need to begin the difficult process of letting go. Memories of their grandmother, mother, and their Irish father, who sailed away the year Dar turned twelve, rise up and expose the fine cracks in their family myth-especially when a cache of old letters reveals enough truth to send them back to their ancestral homeland. Transplanted into the unfamiliar, each sister sees life, her heart, and her relationship to home in a new way. But how do they let go of a place that contains the complicated love of their imperfect family? Without the house, where will they be together? The novel is a season on Martha's Vineyard; a mission to Ireland; a cast of friends, including one wildly off-the-grid Zen genius; passionate love in the surf; and three very different sisters with lives filled with beauty, sorrow, and deep love they'd never been quite sure they could trust. The Silver Boat is Luanne Rice at her very best, complete with her singular talent for capturing a family in all its flawed complexity.
