My Name is Mary Sutter

Traveling to Civil War-era Washington, D.C., to tend wounded soldiers and pursue her dream of becoming a surgeon, headstrong midwife Mary receives guidance from two smitten doctors and resists her mother's pleas for her to return home.

My Name is Mary Sutter

Mary Sutter, a brilliant young midwife, dreams of proving herself as capable as any man. But medical schools refuse to teach women. So when her heart is broken, she heads to Washington DC to tend the Civil War wounded ...

Her Name Was Mary Katharine

A rousing picture book biography of the only woman whose name is printed on the Declaration of Independence. Born in 1738, Mary Katharine Goddard came of age in colonial Connecticut as the burgeoning nation prepared for the American Revolution. As a businesswoman and a newspaper publisher, Goddard paved the way for influential Revolutionary media. Her remarkable accomplishments as a woman defied societal norms and set the stage for a free and open press. When the Continental Congress decreed that the Declaration of Independence be widely distributed, one person rose to the occasion and printed the document--boldly inserting her name at the bottom with a printing credit: Mary Katharine Goddard. Here is an important biography of a groundbreaking woman who had the courage to write herself into the history she helped create.

My Name is Mary

"The AIDS virus is not a political creature. It does not care whether you are Democrat or Republican. It does not ask whether you are Black or White, male or female, gay or straight, young or old. Tonight I represent an AIDS community whose members have been reluctantly drafted from every segment of American society." So said Mary Fisher in her historic speech at the 1992 Republican

National Convention. *My Name Is Mary* chronicles the emotional events leading up to and following this momentous evening. In a memoir that exhibits the same grace and unflinching honesty that moved the nation, Mary Fisher shares the story of her life. Raised in a socially prominent, affluent Michigan family, Mary Fisher seemed to have it all. She socialized with important and often famous friends and eventually married a handsome artist with whom she had two sons. Although the marriage ended in divorce, Mary continued to thrive in her roles as mother and artist. However, in 1991 Mary's world was turned upside down by the news from her ex-husband that he had AIDS. An HIV test revealed that Mary, too, was infected. Terrified, struggling against fear, depression, and anger, Mary ultimately found a new life mission in her positive status—she began to educate others about the need for compassion and activism in the face of this epidemic. Her unspoken motto is powerful—one person can, indeed, make a difference. Whether describing her difficult childhood, reflecting on raising her two sons, discussing her evolution as an artist, or explaining her coping mechanisms for survival, *My Name Is Mary* is warm, caring, and inspirational—like Mary Fisher herself.

My Name is Mary

"Nearly thirty years have passed since the miraculous events that have changed the world. I am old now, and I know that my life here among you will soon be over. As I sit here in my garden in the warm sunshine, I long to tell the story one more time, to one more person, and I pray that you will indulge me, even though you may have heard this story before." (Opening paragraph of *My Name is Mary*). "Ms. Sawyer takes you on a journey inside the mind and heart of Mary. Through the words of the author you touch and feel the raw emotions of Mary, mother of Jesus, a woman, just like any other, who laughed and cried, hoped and dreamed and placed her destiny in the hands of God." (Midwest Book Review). "Though *My Name is Mary*, by Denise Sawyer, is a work of fiction, readers can't help feeling they are reading actual journal entries. Written in the first person, Sawyer conveys articulately what Mary would have described her life to be as the mother of Jesus. This is a very quick and enjoyable read filled with great description and inspiration." (Maine Reviewer)

My Name is Mary

Biographical short stories, some about fictionalized characters, who bear the name Mary.

My Name Is Mary Magdalene

Stepping away from her comfort zone, author JC Miller orchestrates a written tapestry chronicling the fragile state of a woman on the edge of insanity. Plagued by a lifelong curse of mental illness, Mary Magdalene finds herself spending her golden years in a mental asylum. Her once zealous life becomes minimized to an endless routine of over-stimulating antipsychotic drugs. That is until Salmone Abrams, a hidden jewel from her past, resurfaces and helps her remember who she once was—The Queen of Harlem. Madame Mary Mags. Inspired by her jazz playlist, JC Miller's current novella, *My Name is Mary Magdalene*, shakes the family tree while exploring the often-stigmatized topic of mental health. This fictional spin on the biblical account of Mary Magdalene and her seven demons travels from the late 1940s into the mid-1990s as Mary recalls the battles that tore her life apart. Fear, Lust, Entitlement, Greed, Misery, Dependency, and Guilt—emotional baggage that once achingly held her down propels her to victory.

My Name is Mary

Biographical short stories, some about fictionalized characters, who bear the name Mary.

I Am Mary Dunne

A day in the life of a mad housewife in Manhattan: "One of the truest and most awesome books I have ever read" (The Scotsman). She was born Mary Dunne. A New York actress in a stalled career, she's previously been known as Maria and Martha. Married three times, she's also been called Mrs. Phelan, Mrs. Bell, and currently, Mrs. Terence Lavery—wife of the esteemed playwright. No wonder Mary Dunne forgot her name this morning at the hairdresser. She has no idea who she is anymore. Or maybe she's just crazy. She's curious to find out. Over the course of a single day, Mary tries to recall more than her name. But as memories of her past come trickling back—infuriating, illuminating, and grievous—she realizes there's so much she'd prefer to forget. As she tries to escape what she calls "the dooms," Mary must confront what she's done with her life—deliberately, haplessly, or by default. If only she were going

crazy; it would be so much easier to explain it all away. Hailed by the Globe and Mail as a “feminist novel written before the wave of feminist novels began,” I Am Mary Dunne is “as complex and satisfying as anything Moore has yet done” (The Observer).

The Book of Mary

She's the most famous woman in history, yet almost nothing is known about her. Although she's portrayed as the gentlest and most tragic of all women, her name has been used as an excuse for internecine hatred and wars between peoples. But who was Mary, mother of Jesus Christ? What type of family did she have? What was the community like in which she grew from child to teenager forced to marry a man three times her age? And why have virtually all the details of her early life been obscured and censored by the writers of the Bible? In *The Book of Mary*, novelist Alan Gold looks at first century Israel under the iron heels of Roman occupation and uncovers what life was like for a young woman in a distant outpost of the most aggressive and merciless Empire in history. Following Mary's story from teenager to a young woman married to a widower, to mother, and then to become a devotee of the new religion her Son had created. This tragic yet virtually unknown woman is forced to witness the excruciating pain of her son's crucifixion.

Mary, Is My Name

The noted artist and AIDS activist shares the story of her life in this memoir that exhibits the grace and honesty that stunned the nation at the 1992 Republican convention. Since her disclosure that she is HIV-positive, Mary has been an inspiration to audiences across the country--whether reflecting on raising her sons, or describing how she converted her terror, grief and anger into a new life mission.

My Name Is Mary

From a Tesco check-out to the X Factor stage ... Mary Byrne has lived every undiscovered singer's dream. With a voice of pure gold, Mary Byrne took X Factor by storm. Millions tuned in each week to propel this incredible, brave and hugely-talented singer to a life of stardom. And as the lights went down on X Factor Mary Byrne's dream just kept getting better: she recorded a number one hit album; sang for the Queen of England; performed with American legend Neil Diamond in front of a 40,000 audience; and joined the cast of *Grease the Musical* as 'Teen Angel'. In *This Is My Life*, Mary relives every moment of her twelve amazing months and takes the reader behind the scenes of X Factor to meet the judges and contestants and witness the real ups-and-downs of the boot camps and the live shows. Delving into her past, she recounts, in her frank and honest fashion, stories of colourful relationships, broken hearts, life on a kibbutz, world travels and heart-stopping moments. The inspiring, funny, heart-warming and hugely-entertaining story of a woman who found fame against the odds.

This is My Life

Bestselling author Shawn Sarles' most terrifying YA horror yet . . . It starts innocently enough. Four kids - three girls, one boy - are at one of their houses, playing games. One of them has read about "Bloody Mary" and the idea that if you look into a mirror and say her name thirteen times, she will show you the future. Some legends say she'll show you your one true love or a skull to mark your death within five years. Others say that conjuring Bloody Mary will bring her into your world. Both sets of legends are true. The kids go through with the act, saying her name thirteen times. One girl looks in the mirror and sees her longtime crush. One girl looks in the mirror and sees the boy in the group. But she pretends to see something else. One girl looks in the mirror and sees a girl she's never seen before but can't get out of her mind. And the boy . . . he sees a skull. But he pretends to see something else. They try to laugh it off. And mostly they forget about it. Or at least they don't talk about it. Yes, over the next few years, whenever they look into a mirror, it's like there's always another figure standing in the background, getting closer. Just short of five years later, the four of them are no longer friends, having gone on separate paths. The girl whose house it was has always tried to avoid the mirror they used - because she always sensed someone in the background. One morning as she's passing by, she sees much more than her own reflection - it's a scary figure taunting her. She startles and breaks the mirror. When the pieces are put back together (barely), the figure is gone. That day in school, a new girl arrives. Her name is Mary

Mary, Will I Die?

"A novel of Mary Cassatt and Edgar Degas's great romance from the New York Times bestselling author of *My Name Is Mary Sutter* The young Mary Cassatt never thought moving to Paris after the Civil War to be an artist was going to be easy, but when, after a decade of work, her submission to the Paris Salon is rejected, Mary's fierce determination wavers. Her father is begging her to return to Philadelphia to find a husband before it is too late, her sister Lydia is falling mysteriously ill, and worse, Mary is beginning to doubt herself. Then one evening a friend introduces her to Edgar Degas and her life changes forever. Years later she will learn that he had begged for the introduction, but in that moment their meeting seems a miracle. So begins the defining period of her life and the most tempestuous of relationships"--

I Always Loved You

By turns thrilling, dramatic and touching, this is the story of Henry the Eighth and Catherine of Aragon's divorce as you've never heard it before - from the eyes of their daughter, Princess Mary. More than anything Mary just wants her family to stay together; for her mother and her father - and for her - to all be in the same place at once. But when her father announces that his marriage to her mother was void and by turns that Mary doesn't really count as his child, she realises things will never be as she hoped. Things only get worse when her father marries again. Separated from her mother and forced to work as a servant for her new sister, Mary must dig deep to find the strength to stand up against those who wish to bring her down. Despite what anyone says, she will always be a princess. She has the blood of a princess and she is ready to fight for what is rightfully hers.

Lady Mary

SHORTLISTED FOR THE BOOKER PRIZE 2013 "A heartfelt, powerful work." The Wall Street Journal "Lovely, understated and powerfully sad, *The Testament of Mary* finally gives the mother of Jesus a chance to speak." NPR In a voice that is both tender and filled with rage, *The Testament of Mary* tells the story of a cataclysmic event which led to an overpowering grief. For Mary, her son has been lost to the world, and now, living in exile and in fear, she tries to piece together the memories of the events that led to her son's brutal death. To her he was a vulnerable figure, surrounded by men who could not be trusted, living in a time of turmoil and change. As her life and her suffering begin to acquire the resonance of myth, Mary struggles to break the silence surrounding what she knows to have happened. In her effort to tell the truth in all its gnarled complexity, she slowly emerges as a figure of immense moral stature as well as a woman from history rendered now as fully human. MORE PRAISE FOR THE TESTAMENT OF MARY "Toibin is at his lyrical best in *The Testament of Mary*, a beautiful and daring work ... it takes its power from the surprises of its language, its almost shocking characterization, its austere refusal of consolation." The New York Times Book Review "Dramatic and poetic ... A powerful, devastating story." The Washington Post "A slim, grave, exquisitely emotional book ... *The Testament of Mary* is a spellbinding, surprisingly reverent book." Entertainment Weekly "[A] monumental achievement ... equally powerful and poignant whether it's read by one who espouses or eschews the New Testament ... A tender, soul-rending exploration of a mother's mourning; a searing, stunning work." The Independent "The Testament of Mary is an important and persuasive book: Toibin's weary Mary, sceptical and grudging, reads as far more true and real than the saintly perpetual virgin of legend. And Toibin is a wonderful writer: as ever, his lyrical and moving prose is the real miracle." Naomi Alderman, Observer

The Testament of Mary

Angry that everyone bungles her name, Neanderthal Wakawakaloch speaks with her parents and Elder Mooch, who remind her that she was named for a brave, heroic ancestor.

Mary Barton, a Tale of Manchester Life

Come along on the crazy caper of twenty-six boys and girls, one for each letter of the alphabet. Meet Andrew from Augusta. Connect with Claire from Connecticut, and Dylan from Denver. Greet Kayla from Kansas City. With prose that rolls with alliteration, you can go on a colorful romp through each child's fun-filled day!

My Name Is Wakawakaloch!

Watching Jesus grow daily in wisdom and grace, the Blessed Virgin Mary pondered in her heart the secrets of her divine Son. Because Our Lady watched Christ grow each and every day, she created

the most valuable manual of Christian perfection that can be had: her own heart. When from the Cross Jesus said, "Behold your mother," He invited us to read that manual the book of the heart of Mary wherein are found the secrets of the King. Unfortunately, few of Mary's words have come down to us, so we must read her heart as she read the heart of Jesus. We must ponder not only her words, but also the events of her life her attitudes, her actions, and even her silence. By imitating Our Lady, our lives like hers may also come to be full of grace. In *The Little Book of the Blessed Virgin Mary*, Fr. Raoul Plus helps us do just that, opening for us the book of the heart of Mary in the simplest yet most vivid ways. In pages filled with great devotion and penetrating wisdom, he moves us past modern misunderstandings and clichés about Mary into an encounter with the woman who was so remarkable that God Himself made her His spouse! *The Little Book of the Blessed Virgin Mary* will awaken in you the thoughts and emotions that lead to deeper union with Mary and with her beloved son, Jesus.

A, My Name Is Andrew

Third grader Maria Isabel, born in Puerto Rico and now living in the U.S., wants badly to fit in at school; and the teacher's writing assignment "My Greatest Wish" gives her that opportunity.

The Little Book of the Blessed Virgin Mary

A wonderful mother dog tells her life story in her own words.

My Name Is Maria Isabel

"My name is Mary and poetry is my passion. Voltaire says that poetry is the music of the soul and Ezra Pound says that poetry should be spoken aloud so that we may experience the tone and rhythm, just as we do in music. We are each given our own individual music within ourselves and we all have a heart and soul that cry out to be heard. Poetry is a beautiful means of expression. Poetry is truth. Poetry is our heart speaking to us. Much of the wisdom of the ages has been handed down to us through poetry. Poetry is my warm place where I go to touch the world"--Back cover.

My Name Is Sunny

A personalised storybook for girls called MARY. The story is based on the letters of the child's own name. All books are different from one another. The girl wakes up but can't remember her name. Magic Mouse knows how to solve the problem. Magic Mouse takes her on a wonderful adventure in his Magic Bus! Translated and adapted by the author from the Top-Selling Finnish language personalised children's namebook series "Tyttö/Poika, joka unohti nimensä". And the beautiful hand-drawn pictures will delight both the young and the young-at-heart! Looking for a namebook "What's my name?" but couldn't find the right name for your child? Please don't hesitate to contact me with your name request! -Tiina Walsh Author fb.me/whatsmynamestorybooks for more details about the storybooks

My Name Is Mary

Reproduction of the original: *Mary of Plymouth* by James Otis

What's My Name? Mary

Now a major film, this is a dramatic reinterpretation of the life of Mary Queen of Scots by one of the leading historians of this period. For centuries, Mary, Queen of Scots has been a figure of scholarly debate. Where many have portrayed her as the weak woman to Elizabeth's rational leader, John Guy reassesses the young queen, finding her far more politically shrewd than previously believed. Crowned Queen of Scotland at nine months old, Queen of France by age sixteen and widowed the following year, Guy paints Mary as a commanding and savvy queen who navigated the European power struggles of the time to her advantage. Her life was one of drama and conflict - Scottish lords constructed labyrinthine plots to wrest power from her and attempts to prove her claim to the English throne were thwarted by English ministers bent on protecting Elizabeth. *My Heart is My Own* re-examines the original sources, resulting in a riveting new argument surrounding Mary's involvement in her husband Lord Darnley's murder and her subsequent marriage to his suspected assassin. Guy's accessible treatment of the well-trodden story, his deft storytelling and insightful new arguments provide compelling and dramatic reading. 'An absorbing biography . . . meticulously researched . . . scholarly and intriguing' Peter Ackroyd, *The Times* 'Rarely have first-class scholarship and first-class storytelling been so effectively combined' John Adamson, *Daily Telegraph* John Guy is an award-winning historian,

accomplished broadcaster and a Fellow of Clare College, Cambridge. His previous books include the highly acclaimed dual biography *A Daughter's Love: Thomas and Margaret More* a history, Tudor England, which has sold over 250,000 copies worldwide and a biography of Thomas Becket, published in 2012.

Mary of Plymouth

Mary, Queen of Angels is a nondenominational book that follows in the successful vein of two of Doreen Virtue's previous works, *The Healing Miracles of Archangel Raphael* and *The Miracles of Archangel Michael*. Within these pages, Doreen brings forth a collection of true stories from people who have experienced dramatic healings by, and visitations from, Mary. Doreen ties these stories together by category; with comments and narrative for those who wish to deepen their own connection to Mary and the angels. *Mary, Queen of Angels* is for people of all faiths and beliefs. It is filled with prayers for various life situations, fascinating discussions about the history of Mary, and details of geographic locations where she has been sighted.

Mary, Queen of Angels

An overlooked aspect of the iconography of the Annunciation investigated - Mary's book.

The Secret Garden

A “gripping historical drama” that tells the story of young Elizabeth Tudor’s journey to the throne—and her fierce rivalry with her half sister (School Library Journal). Imprisonment. Betrayal. Lost love. Murder. What more must a princess endure? Elizabeth Tudor’s teenage and young adult years during the turbulent reigns of Edward and then Mary Tudor are hardly those of a fairy-tale princess. Her mother has been beheaded by Elizabeth’s own father, Henry VIII. Her jealous half sister, Mary, has her locked away in the Tower of London. And her only love interest betrays her in his own quest for the throne... Told in the voice of the young Elizabeth and ending when she is crowned queen, this novel in the exciting *Young Royals* series explores the relationship between two sisters who became mortal enemies. New York Times-bestselling author Carolyn Meyer has written an intriguing historical tale that reveals the deep-seated rivalry between a determined girl who became Elizabeth I, one of England’s most powerful monarchs—and the sister who tried everything to stop her.

The Virgin Mary's Book at the Annunciation

Ada has three names. Wang Bin is what the caregivers called her at her Chinese orphanage. Ada is the name her American parents gave her. And there is a third name, a name the infant Ada only heard whispered by her Chinese mother.

Beware, Princess Elizabeth

Mary Quant defined the 60s as a renowned fashion designer and all-round style icon, most famous for inventing the miniskirt and hot pants. Not afraid of novelty or experimentation, she showed a generation of women how to dress to please themselves. Quant's career was fulsome and varied - from opening up a clothes shop on the King's Road called Bazaar, designing the interior of the Mini (including her signature daisy), to her vast cosmetics company, Mary Quant Limited, she has widespread appeal to generations of women. In her autobiography, Mary combines the inspirational story of a stellar career with the touching personal story of her life with the man she loved, Alexander Plunkett-Green and her role of mother to their son, Orlando. Mary Quant gives us a glimpse of the real women behind the icon.

Three Names of Me

A revised edition containing new chapters on the Shekhina.

Mary Quant

For the first time a noted historian of Christianity explores the full story of the emergence and development of the Marian cult in the early Christian centuries. The means by which Mary, mother of

Jesus, came to prominence have long remained strangely overlooked despite, or perhaps because of, her centrality in Christian devotion. Gathering together fresh information from often neglected sources, including early liturgical texts and Dormition and Assumption apocrypha, Stephen Shoemaker reveals that Marian devotion played a far more vital role in the development of early Christian belief and practice than has been previously recognized, finding evidence that dates back to the latter half of the second century. Through extensive research, the author is able to provide a fascinating background to the hitherto inexplicable “explosion” of Marian devotion that historians and theologians have pondered for decades, offering a wide-ranging study that challenges many conventional beliefs surrounding the subject of Mary, Mother of God.

The Hebrew Goddess

When ten-year-old Margarita Sandoval's family moves to Wyoming during the Great Depression, she faces racism, homesickness, and the possibility that her grandmother's land in New Mexico may be lost.--

Mary in Early Christian Faith and Devotion

SHORTLISTED FOR THE SALTIRE FIRST BOOK AWARD An eight-year-old girl and her granpa are on the run..."When me and Granpa watched James Bond films, he told me not to be scared because people didn't have guns like that in Scotland. That must've been why the robbers used hammers."Orphaned Mary lives with her granpa, but after he is mixed up in a robbery at the bookies where he works, they flee to the Isle of Skye. Gradually, Mary realises that her granpa is involved. And the robbers are coming after him-and their money.Mary's quirky outlook on life, loss, and her love of all things Elvis, will capture your heart. My Name was Hussein

Although they have kept their Islamic traditions living in their Bulgarian village for many generations, when an army takes over their village, a Muslim boy and his family are forced to take Christian names.

My Name Was Hussein

Young Hussein lives with his Roma family in a small village in Bulgaria. Some call them gypsies, but they are Roma people, whose ancestors migrated many years ago from India. Hussein and his family are Muslims. The boy loves to celebrate the many religious holidays, when his house fills with the delicious smells of his mother's cooking. He also loves his name: Hussein. In Arabic, Hussein means handsome. The name has been handed down in his family for generations. Even so, everyone in his family calls him Hushy. Life is good in Hussein's village--until the soldiers come with guns, and tanks, and dogs. Soon the mosques are closed. No one is allowed to enter and pray. Then Hussein and his family are forced to give up their names and are ordered to choose Christian names. Hussein is now called Harry. This powerful story puts a human face on the victims of racial and religious prejudice.

Zabiba and the King

"This is an allegorical love story set in the mid-600s to the early 700s between a mighty king (Saddam) and a simple, yet beautiful commoner named Zabiba (the Iraqi people). Zabiba is married to a cruel and unloving husband (the United States) who forces himself upon her."--P. [4] of cover.

The Devil's Double Original Book

THE DEVIL'S DOUBLE: is the first of 3 autobiographical books chronicling Latif Yahia's incredible life story. It vividly describes how Latif was forced to become Uday Hussein's 'fidai' (body double) and gives a unique insight into the extreme extravagance and cruelty of the Saddam regime. Latif survived assassination attempts and witnessed Uday's psychotic temper, rapes, orgy parties, torture atrocities, and sadistic murders. The book has recently been made into a highly acclaimed movie. THE BLACK HOLE: gives a fascinating account of what happened to Latif in Europe after he escaped from Iraq. How he was treated by western governments and the CIA. How Uday sought revenge on Latif and vice-versa. How he was offered a British passport by Saudis to murder a dissident and how they beheaded Latif's Saudi princess lover. How Latif made and lost a fortune. How he strived in vain for a peaceful life and survived 4 more assassination attempts. Forty Shades of Conspiracy: brings Latif's story right up to date by detailing his time in Ireland. His run-ins with drug-dealers, Corrupt Irish Garda officers and Irish politicians who continually denied him Irish citizenship. His despair as a beggar on the streets and the happiness he found after he met the love of his life. His reaction to Uday and Saddam's deaths and his opinion on the current political situation in Iraq all makes fascinating reading. Book Description: In 1987, Latif Yahia was taken to Saddam's headquarters to meet Uday, Saddam's eldest son, and told that a great honour had been bestowed upon him: that because of the great likeness between them, he had been chosen to be Uday's double. For many Iraqis it would have been the highlight of their lives, but for Latif, a peace-loving man who did not agree with Saddam's brutal regime, it was not. He refused. Following a week of torture, and realising he would be killed if he continued to refuse, Latif was forced to accept the role. After a gruesome training programme during which he was made to watch over thirty films of torture, hours of tapes of Uday, and undertake a final remodelling of his appearance, Latif was deemed ready. But it was only after the final test, a meeting with Saddam himself, that Latif made his first public appearance. And so began his life as Uday's double - a life on the perimeter of the inner circle of Saddam's eldest son, a witness to the horror of his insane life of debauchery, excess and brutality, and an experience for which he almost paid with his life on more than one occasion.

Follow Me, Akhi

What does it mean to be Muslim in Britain today? If the media is anything to go by, it has something to do with mosques, community leaders, whether you wear a veil, and what your views on religious extremists are. But as all our lives become increasingly entwined with our online presence, British Muslims are taking to social media to carve their own narratives and tell their own stories, challenging stereotypes along the way. Follow Me, Akhi explores how young Muslims in Britain are using the internet to determine their own religious identity, both within their communities and as part of the country they live in. Entering a world of Muslim dating apps, social media influencers, online preachers, and LGBTQ and ex-Muslim groups, journalist Hussein Kesvani explores how British Islam has evolved into a multi-dimensional cultural identity that goes well beyond the confines of the mosque. He shows how a new generation of Muslims who have grown up in the internet age use blogs, vlogging, and tweets to define their religion on their terms -- something that could change the course of 'British Islam' forever.

Lion of Jordan

For most of his long reign (1953-1999) Hussein of Jordan was one of the dominant figures in Middle Eastern politics, its most continuous presence, and one of the most consistent proponents of peace with Israel. This is the first major account of his life and reign, written with access to many of his surviving papers, with the co-operation (but not approval) of his family and staff, and extensive interviews with policy-makers of many different nationalities.

I was Saddam's Son

As the stand-in for one of Iraq's most powerful and hated men, he participated in affairs of state, made public appearances, and, during the Gulf War, visited the troops on the front lines while Uday stayed safely in Switzerland. He also saw firsthand the horrors and absurdities of a regime based on corruption

and intrigue. He was privy to unbridled scenes of debauchery, and witnessed repeated instances of torture, terror, rape, and murder.

Debriefing the President

A riveting, revealing and news-making account of the CIA's interrogation of Saddam, written by the CIA agent who conducted the questioning. In December 2003, after one of the largest, most aggressive manhunts in history, US military forces captured Iraqi president Saddam Hussein near his hometown of Tikrit. Beset by body-double rumors and false alarms during a nine-month search, the Bush administration needed positive identification of the prisoner before it could make the announcement that would rocket around the world. At the time, John Nixon was a senior CIA leadership analyst who had spent years studying the Iraqi dictator. Called upon to make the official ID, Nixon looked for telltale scars and tribal tattoos and asked Hussein a list of questions only he could answer. The man was indeed Saddam Hussein, but as Nixon learned in the ensuing weeks, both he and America had greatly misunderstood just who Saddam Hussein really was. *Debriefing the President* presents an astounding, candid portrait of one of our era's most notorious strongmen. Nixon, the first man to conduct a prolonged interrogation of Hussein after his capture, offers expert insight into the history and mind of America's most enigmatic enemy. After years of parsing Hussein's leadership from afar, Nixon faithfully recounts his debriefing sessions and subsequently strips away the mythology surrounding an equally brutal and complex man. His account is not an apology, but a sobering examination of how preconceived ideas led Washington policymakers—and Tony Blair's government—astray. Unflinching and unprecedented, *Debriefing the President* exposes a fundamental misreading of one of the modern world's most central figures and presents a new narrative that boldly counters the received account.

Nusaiba and the 5th Grade Bullies

Documents the story of twelve young American soldiers deployed to Iraq in the summer of 2006 who were assigned to guard Saddam Hussein in the months before his execution, a responsibility that raised life-changing questions about their beliefs and Hussein's character.

The Prisoner in His Palace

A glittering adventure set in India at the height of the British Raj. The New York Times compared Patrick O'Brian's early novel to Kipling's *Kim* and called it "a gorgeous entertainment."

Hussein

The Algerian Islamist Abdullah Anas, 'perhaps the greatest warrior of the Afghan Arabs', fought the Soviet Union for a decade. As one of the earliest Arabs to join the Afghan jihad, he counted as brothers-in-arms the future icons of Al-Qaeda's global war, from Abdullah Azzam to Osama bin Laden to Omar Abdel-Rahman, and befriended key Afghan jihadi figures such as Gulbuddin Hekmatyar and Ahmad Shah Massoud, the Lion of Panjshir. *To the Mountains* is an intimate portrait of this brutal war, tracing Anas's involvement in the conflict, as well as his experiences of the Algerian civil war (1992-8) and his sojourn in 'Londonistan'. Brushing shoulders with everyone from Abu Mus'ab al-Zarqawi to Jalaluddin Haqqani, Anas opted for his own independent route, seeking to persuade the Afghan Arabs that they should not be distracted by attacks on the West. Paradoxically, he remains committed to the broader Islamist movement, believing that jihad will continue till the end of time, yet has also spent years talking to the Taliban, seeking to build a lasting peace in Afghanistan. This is his story. Co-written with investigative journalist Tam Hussein, Anas's memoir will doubtless become a seminal primary source on the rise of global jihadism.

To the Mountains

What, exactly, is secularism? What has the West's long familiarity with it inevitably obscured? In this work, Hussein Ali Agrama tackles these questions. Focusing on the fatwa councils and family law courts of Egypt just prior to the revolution, he delves deeply into the meaning of secularism itself and the ambiguities that lie at its heart.

Questioning Secularism

The Family Tree

For forty-two days in 1991, eleven-year-old Ali Fadhil and his family struggle to survive as Basra, Iraq, is bombed by the United States and its allies.

Playing Atari with Saddam Hussein

A touching, timely and tender exploration of refugees and migration for the youngest readers.

My Name is Not Refugee

A behind-the-scenes chronicle of the search for Saddam Hussein offers a moment-by-moment narrative account that also profiles the author's non-violent, psychological interrogation method.

Mission: Black List #1

Recent outbursts of sectarian and ethnic violence in Iraq have made many observers question the viability of the state itself. It is said that due to the artificiality of the state and a lack of deep-seated political institutions, Iraqi politics is doomed to endlessly revert back to primordialism. Political parties are mere facades for the real intention of pursuing ethno-sectarian interests, the argument goes. But the present situation has largely been caused by Saddam Hussein's infamous rule over the past three decades, combined with the plight of international sanctions. Before Saddam's ascent to power in the late 1970s, however, the Iraqi political spectrum was full of political parties operating from ideological platforms. The largest, and arguably most important of these groups, was the Iraqi Communist Party (ICP). The ICP stands out as the only true cross-sectarian party in Iraqi history, drawing support from all of Iraq's diverse communities. From its inception in 1934, it continuously fought the various regimes in power and endeavoured to spread communist ideology throughout Iraq. At times the party achieved considerable success in this regard, although ultimately never able to seize power. Red Star over Iraq analyses the twists and turns of the ICP from its inception until its ultimate demise as a significant political force at the hands of Saddam in 1979.

Red Star Over Iraq

**** THE SUNDAY TIMES BESTSELLER ** THE DEBUT POETRY COLLECTION FROM THE ORIGINAL MUMMY'S BOY, HUSSAIN MANAWER.** 'I remember the day I wrote my first ever poem, I was sitting on my bed in the attic and started jotting down lines on this little notepad, little did I know where it would lead me professionally, personally and also psychologically. This is my life's work to this date, all my notes, my favourite pieces that have served me through my darkest nights and carried me through every moment of pain, suffering, anxiety, panic and hardship.' Hussain's debut poetry collection will invite readers on his journey through depression and grief, and out the other side to a better place - there will be joy, hope, tears and laughter - the emotions that make up the fabric of human experience. His words will remind readers, that even in your lowest moments you can find the gold dust, Life is Sad and Beautiful will shift outlooks and stand as a powerful vehicle for growth and change. ABOUT HUSSAIN: Hussain Manawer is a globally acclaimed Poet, Mental Health Advocate and Producer - who was born in Newham and shortly after grew up in Ilford, Essex. Tagged 'The Original Mummy's Boy', Hussain derives much of his inspiration from his own experiences and intense grief at the sudden loss of his mother. Dignitaries, major brands and broadcasters seek him out to articulate the mental health struggles our world is facing. Amongst the credits to his name, commissions and collaborations include The Royal Family, The BAFTAs, The FA, Global Citizen, One Young World, Burberry, Anthony Joshua, Marcus Rashford, Tyson Fury, England FC, Peaky Blinders, Soccer Aid For UNICEF, Apple TV+ and many more. He most recently appeared alongside Prince Harry and Oprah Winfrey in the mental health docu-series, 'The Me You Can't See', alongside Lady Gaga, Glen Close and others. Hussain's poetry can also be heard on the Archewell Audio Podcast Christmas Special with Prince Harry and Meghan Markle. Manawer was called upon earlier this year by The Duke and Duchess of Cambridge to create the 'Mental Health Minute' which was broadcast on all radio stations with an all-star line-up including David Beckham, Joanna Lumley, Shirley Bassey, Jessie Lingard, Jamie Oliver, Anne Marie and Charles Dance.

Life is Sad and Beautiful

Georges Sada was one of Saddam's top generals and foremost military advisors. A truth-teller in a government that made the truth dangerous. A devout Christian in a Muslim country. And a man who would stand up for what was right?even at the risk of his own life. In this eye-opening exposé, General Sada shares his bizarre yet amazing journey as an insider to one of history's most sinister regimes. He also, for the first time, reveals the disturbing truth about Saddam's plots to destroy Israel, hide weapons of mass destruction and overtake the Arab world. As an eye witness to history, Sada paints a painfully truthful picture of Hussein and his country that is at once personal and alarming, truthful and compelling, candid and sobering. It is a story guaranteed to send shock waves around the world.

Saddam's Secrets

"Mustafa Amca and his wife have a yearly tradition--they cook iftar for their friends and neighbours on the first day of Ramadan. This year, Mustafa Amca's wife is sick and can't help him cook! Will he be able to find others to pitch in and create a meal for everyone to enjoy?"--

Who Will Help Me Make Iftar?

"BAGHDAD WAS BURNING." With these words, Ambassador L. Paul "Jerry" Bremer begins his gripping memoir of fourteen danger-filled months as America's proconsul in Iraq. My Year in Iraq is the only senior insider's perspective on the crucial period following the collapse of Saddam Hussein's regime. In vivid, dramatic detail, Bremer reveals the previously hidden struggles among Iraqi politicians and America's leaders, taking us from the ancient lanes in the holy city of Najaf to the White House Situation Room and the Pentagon E-Ring. His memoir carries the reader behind closed doors in Baghdad during hammer-and-tongs negotiations with emerging Iraqi leaders as they struggle to forge the democratic institutions vital to Iraq's future of hope. He describes his private meetings with President Bush and his admiration for the president's firm wartime leadership. And we witness heated sessions among members of America's National Security Council -- George Bush, Dick Cheney, Colin Powell, Donald Rumsfeld, and Condoleezza Rice -- as Bremer labors to realize the vision he and President Bush share of a free and democratic New Iraq. He admires the selfless and courageous work of thousands of American servicemen and -women and civilians in Iraq. The flames Bremer describes on arriving in Baghdad were from fires started by looters. One of his first acts was to request an additional 4,000 Military Police to help restore order in the streets. For most of the next year, as the insurgency spread, Bremer resisted efforts by generals and senior Defense Department civilians to reduce American troop strength prematurely, replacing our forces with ill-trained, poorly led Iraqi police and soldiers. And he lays to rest the myth that the Coalition disbanded Saddam's army, a force comprised of Shiite draftees who had deserted and refused to serve under their former Sunni officers. Bremer also describes his frustration with intelligence operations that concentrated on the search for weapons of mass destruction while the insurgency gathered strength. Bremer faced daunting problems working with Iraq's traumatized and divided population to find a path to a responsible and representative government. The Shia Arabs, the country's long-repressed majority, deeply distrusted the Sunni Arab minority who had held power for centuries and had controlled the detested Baath Party. Iraq's non-Arab Kurds teetered on the brink of secession when Bremer arrived. He had to find Sunnis willing to participate in the new political order. Some in the U.S. government pushed for what Bremer would come to call a cut-and-run policy that would have quickly delivered governance of Iraq to a handful of unrepresentative anti-Saddam exiles. Bremer vigorously resisted this ill-conceived course. He takes the reader inside marathon negotiations as he and his team shepherded Iraq's new leaders to write an interim constitution with guarantees for individual and minority rights unprecedented in the region. My Year in Iraq is required reading for all those interested in the real story of how America responded to its gravest recent overseas crisis.

My Year in Iraq

A poetically written and bitterly sweet memoir about nature, death, life in Palestine, and the universal concept of home. Palestinian writer Hussein Barghouti was in his late forties when he was diagnosed with lymphoma. He had feared it was HIV, so when the cancer diagnosis was confirmed, he left the hospital feeling a bitter joy because his wife and son would be spared. The bittersweetness of this reaction characterizes the alternating moods of narration and reflection that distinguish this meditative memoir, *Among the Almond Trees*. Barghouti's way of dealing with finality is to return to memories of childhood in the village of his birth in central Palestine, where the house in which he grew up is surrounded by almond and fig orchards. He takes many healing walks in the moonlit shadows of the

trees, where he observes curious foxes, dancing gazelles, a badger with an unearthly cry, a weasel, and a wild boar with its young--a return not only to the house but to nature itself. The author decides to build a house where he would live with his wife and son, in whom he sees a renewal of life. The realization of his impending death also urges him to vocalize this experience, and he relates the progress of the disease at infrequent intervals. And, ultimately, he details the imaginative possibility of a return to life--to the earth, where he would be buried among the almond trees.

Among the Almond Trees

Hussein's trial marked the first time since the UN was created that a head of state had been put on trial by an invading, occupying power. Dr. Al-Ani seeks to alert public attention to the threat this precedent poses to developing nations, and to its distortive influence on international law.

The Trial of Saddam Hussein

'A fascinating from-the-heart memoir' Nigel Slater 'A revelatory honest read' Red magazine FUNNY, HEART-WRENCHING, GENEROUS AND TRUE, IN FINDING MY VOICE NADIYA HUSSAIN SHARES THE UNFORGETTABLE MEMORIES AND EXPERIENCES THAT HAVE MADE HER THE WOMAN SHE IS TODAY. 'I am writing this for everyone who was told no. 'No, you are not rich enough. No, that is not credible. No, you can't. No, you won't. No, you are not allowed. No, that is not appropriate. I was told, "No, you do not belong." Finally, I am saying, "Yes, I do."' From the moment Nadiya Hussain was born, she has been questioning her role in life. But the irony is, she never wanted to be a trailblazer. She just wanted to follow a 'normal' path. But life kept telling her 'you can't'. And so she found her own way, beyond anything she dared to dream . . . In this wise, witty, open-hearted book, Nadiya lets us into her life and, for the first time, shares the memories and experiences that have shaped her into the woman and role-model that she is today, alongside her personal recipes and the stories they tell. 'We all have a voice. Yours might be loud and strong, or quiet yet insistent. I have always tried to use mine for the right reasons.'

Finding My Voice

The dramatic and inspiring story of one woman's incredible journey into the heart of a man and his nation. Born into a distinguished Arab-American family, Lisa Halaby was a strongly independent young woman. After studying architecture at Princeton, her work on projects in the Middle East gave her a profound understanding both of the links between the environment and social problems, and also of the tumultuous history of the Arab nations. Then, in 1974, her life took a very different turn, when her father introduced her to the world's most eligible bachelor, King Hussein of Jordan. After a whirlwind romance, she became Noor Al Hussein, Queen of Jordan. With eloquence and honesty, Queen Noor speaks of the obstacles she faced as a young bride and of her successful struggle to create a role for herself as a humanitarian activist. She tells of her heartbreaking miscarriage and the births of her four children, along with her continuing support for King Hussein's campaign to bring peace to the Arab nations. But most of all this is a love story - an honest and engaging portrait of a truly remarkable woman and the man she married.

Leap of Faith

The author who spent twenty years developing Iraq's atomic weapon, recounts his life in Saddam Hussein's inner circle and his daring flight to the West. The book delves into the darkest corners of a regime ruled by a volatile, brutal leader, Dr. Hamza, the only defector who has lived to write a firsthand portrait of Iraq, also presents an unprecedented portrait of Saddam -- his drunken rages, his women, his cold-blooded murder of underlings, and his unrivaled power. If pushed to the wall, Saddam will use the bomb that Dr. Hamza helped create. This is an account of what he endured in Iraq to his harrowing flight across three continents and his first encounter with skeptical CIA agents who turned him away.

Saddam's Bombmaker

Abdirazak Haji Hussein's Memoir, 'My Role in the foundation of Somali Nation-state' constitutes a major, new contribution to knowledge on the modern history of Somalia and Africa by extension. The book not only presents, Abdirazak's role in the foundation of the Somali nation-state, as indicated in the title, but it is an unparalleled chronicle of modern Somali history, the making of which Abdirazak was one of the most prominent figures.

Abdirazak Haji Hussein

The Persian Gulf crisis may well have been the most extensively polled episode in U.S. history as President Bush, his opponents, and even Saddam Hussein appealed to, and tried to influence, public opinion. As well documented as this phenomenon was, it remains largely unexplained. John Mueller provides an account of the complex relationship between American policy and public opinion during the Gulf crisis. Mueller analyzes key issues: the actual shallowness of public support for war; the effect of public opinion on the media (rather than the other way around); the use and misuse of polls by policy makers; the American popular focus on Hussein's ouster as a central purpose of the War; and the War's short-lived impact on voting. Of particular interest is Mueller's conclusion that Bush succeeded in leading the country to war by increasingly convincing the public that it was inevitable, rather than right or wise. Throughout, Mueller, author of *War, Presidents, and Public Opinion*, an analysis of public opinion during the Korean and Vietnam wars, places this analysis of the Gulf crisis in a broad political and military context, making comparisons to wars in Panama, Vietnam, Korea, and the Falklands, as well as to World War II and even the War of 1812. The book also collects nearly 300 tables charting public opinion through the Gulf crisis, making *Policy and Opinion in the Gulf War* an essential reference for anyone interested in recent American politics, foreign policy, public opinion, and survey research.

Policy and Opinion in the Gulf War

Afghanistan, 1975: Twelve-year-old Amir is desperate to win the local kite-fighting tournament and his loyal friend Hassan promises to help him. But neither of the boys can foresee what will happen to Hassan that afternoon, an event that is to shatter their lives. After the Russians invade and the family is forced to flee to America, Amir realises that one day he must return to Afghanistan under Taliban rule to find the one thing that his new world cannot grant him: redemption.

The Kite Runner

Over the course of the thirteenth and fourteenth centuries, the Christian kings of Aragon recruited thousands of foreign Muslim soldiers to serve in their armies and as members of their royal courts. Based on extensive research in Arabic, Latin and Romance sources, *'The Mercenary Mediterranean'* explores this little-known and misunderstood history.

The Mercenary Mediterranean

"A continuously engaging, vitally engaged play about thorny questions of identity and religion in the contemporary world, with an accent on the incendiary topic of how radical Islam and the terrorism it inspires have affected the public discourse." *New York Times* New York. Today. Corporate lawyer Amir Kapoor is happy, in love, and about to land the biggest career promotion of his life. But beneath the veneer, success has come at a price. When Amir and his artist wife, Emily, host an intimate dinner party at their Upper East Side apartment, what starts out as a friendly conversation soon escalates into something far more damaging. Winner of the Pulitzer Prize for Drama, 2013, *Disgraced* premiered in Chicago before transferring to New York's Lincoln Center in 2012. This new Modern Classics edition features an introduction by J.T. Rogers.

Disgraced

From Pulitzer Prize-winning journalist and bestselling author Ron Suskind comes a startling look at how America and the West lost their way, and at the struggles of their respective governments to reclaim the moral authority on which their survival depends. From the White House to Downing Street, and from the fault-line countries of South Asia to the sands of Guantanamo, Suskind offers an astonishing story that connects world leaders to the forces waging today's shadow wars and to the next generation of global citizens. Tracking down truth and hope, Suskind delivers historic disclosures with this emotionally stirring and strikingly original portrait of the post 9-11 world.

The Way of the World

DigiCat Publishing presents to you this special edition of "The Old Man and the Sea" by Ernest Hemingway. DigiCat Publishing considers every written word to be a legacy of humankind. Every DigiCat book has been carefully reproduced for republishing in a new modern format. The books are available in print, as well as ebooks. DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature.

The Old Man and the Sea

From the internationally bestselling author of the “terrifically affecting” (The Philadelphia Inquirer) *Mornings in Jenin*, a sweeping and lyrical novel that follows a young Palestinian refugee as she slowly becomes radicalized while searching for a better life for her family throughout the Middle East, for readers of international literary bestsellers including *Washington Black*, *My Sister*, *The Serial Killer*, and *Her Body and Other Parties*. As Nahr sits, locked away in solitary confinement, she spends her days reflecting on the dramatic events that landed her in prison in a country she barely knows. Born in Kuwait in the 70s to Palestinian refugees, she dreamed of falling in love with the perfect man, raising children, and possibly opening her own beauty salon. Instead, the man she thinks she loves jilts her after a brief marriage, her family teeters on the brink of poverty, she’s forced to prostitute herself, and the US invasion of Iraq makes her a refugee, as her parents had been. After trekking through another temporary home in Jordan, she lands in Palestine, where she finally makes a home, falls in love, and her destiny unfolds under Israeli occupation. Nahr’s subversive humor and moral ambiguity will resonate with fans of *My Sister*, *The Serial Killer*, and her dark, contemporary struggle places her as the perfect sister to Carmen Maria Machado’s *Her Body and Other Parties*. Written with Susan Abulhawa’s distinctive “richly detailed, beautiful, and resonant” (Publishers Weekly) prose, this powerful novel presents a searing, darkly funny, and wholly unique portrait of a Palestinian woman who refuses to be a victim.

Against the Loveless World

This memoir of Graham Greene's life is by his long-term companion.

In Search of a Beginning

The real story behind the investigation of Iraq, and the basis for the MSNBC documentary of the same name hosted by Rachel Maddow. Filled with news-making revelations that made it a New York Times bestseller, *Hubris* takes us behind the scenes at the White House, CIA, Pentagon, State Department, and Congress to show how George W. Bush came to invade Iraq--and how his administration struggled with the devastating fallout. *Hubris* connects the dots between Bush's expletive-laden outbursts at Saddam Hussein, the bitter battles between the CIA and the White House, the fights within the intelligence community over Saddam's supposed weapons of mass destruction, the outing of an undercover CIA officer, and the Bush administration's misleading sales campaign for war. Written by veteran reporters Michael Isikoff and David Corn, this is an inside look at how a president took the nation to war using faulty and fraudulent intelligence. It's a dramatic page-turner and an intriguing account of conspiracy, backstabbing, bureaucratic ineptitude, journalistic malfeasance, and arrogance.

Hubris

Authors Efraim Karsh and Inari Rautsi, experts on Middle East history and politics, have combined their expertise to write what is largely considered the definitive work of one of the world's most reviled and notorious figures. Drawing on a wealth of Iraqi, Arab, Western and Israeli sources, including interviews with people who have had close contact with Saddam Hussein throughout his career, the authors trace the meteoric transformation of an ardent nationalist and obscure Ba'th party member into an absolute dictator. Skillfully interweaving a realistic analysis of Gulf politics and history, and now including a new introduction and epilogue, this authoritative biography is essential for understanding the mind of a modern tyrant.

Saddam Hussein

One of our most respected and controversial liberal thinkers makes the case for war in Iraq. Written in his trademark contrarian voice, *Untitled on Iraq* is comprised of Hitchens' essays on the justification for war in Iraq and other related issues written for Slate.com, The Wall Street Journal, The Nation, and more, as well as 25% new material on the war.

Documentary History of the American Bible Union

A horrendous destruction is about to consume the entire New York City area. Repercussions on the entire country will be horrifying. It is all detailed in ""The End Is Come: An Only Evil, Behold, It Is Come. Who Changed God's Name?"" This great doom is prophesied in the Bible and confirmed by current warnings of seismologists and meteorologists. The Bible Code Has recorded virtually every major incident and important historical event since the beginning of time, all written and recorded before they happened. The September 11, terrorist attack on New York is accurately recorded in great detail. An even more devastating tragedy is recorded for New York. It has the potential to produce the worst human suffrage since the great flood. It could conceivably be a destruction from which the land will never recover. Scientific evidence is in total agreement with Bible prophecy and symmetrical Bible code findings. As a bonus this book contains the newly updated version of "Who Changed God's Name?" (Total pages, 221)

Dr. Robinson's Greek lexicon to the New Testament condensed for schools and students. With a parsing index

Reprint of the original, first published in 1871. The publishing house Anatiposi publishes historical books as reprints. Due to their age, these books may have missing pages or inferior quality. Our aim is to preserve these books and make them available to the public so that they do not get lost.

The End Is Come

The earliest of the four Gospels, the book portrays Jesus as an enigmatic figure, struggling with enemies, his inner and external demons, and with his devoted but disconcerted disciples. Unlike other gospels, his parables are obscure, to be explained secretly to his followers. With an introduction by Nick Cave

A Complete Concordance to the Holy Scriptures Old and New Testaments

A synopsis is a tool which displays different passages of a text side by side for comparison. This is most commonly done with the four Gospels of the New Testament because of their similar material, but it could reasonably be done with any text that has similar passages, such as the Old Testament historical narratives. The synopsis you presently hold contains the four Gospels of the New Testament. It is different from comparing parallel versions, such as one English translation to another, because all of the passages displayed in this synopsis are from the same version, the NET Bible. It is different from a harmony because the passages are not reorganized into one story; each Gospel in a synopsis is separate from the others and can be read by itself or in comparison with the others. This parallel arrangement enables fruitful comparison of the Gospels to each other so each may be understood well on its own in light of the others.

A harmony of the four gospels in english

Mark's genius lies, not in telling a story about Jesus, but in creating conditions under which the reader may experience the peculiar quality of God's good news. The Evangelist hurries one along breathlessly, "immediately," making sure that the reader lurches with the characters into one pothole after another. "What is this new teaching" that consorts with the flagrantly sinful, turning the pious homicidal, intimates into strangers, and mustard seeds into "the greatest of all ... shrubs"? Jesus' closest adherents, the Twelve, are among the most muddled. Who can blame them? They ask for an obscure parable's interpretation and receive an answer even more confounding. They are told to feed thousands with next to nothing. Their boat almost capsizes while their teacher sleeps. As they oar in rough waters, the teacher strides the waves intending to bypass them. Putting the reader in the same boat, Mark structures conversations with Jesus that make little sense, if any. The Twelve are craven, stupid, self-serving, and disobedient: meet the average Christian. Besides, "their hearts were hardened." Who hardens hearts? God. Should not God's Messiah lift the burdens of those following him? What kind of Christ heads to a cross, handing his disciples another for themselves. "Do you not yet understand?" from the Introduction

The Homilist

This book, written for college and seminary age students, is the distillation of reflection on the life and career of Jesus of Nazareth for over three decades. Such reflection needs no legitimizing since preoccupation with Jesus of Nazareth continues in one form or another till the present day. The arrangement of the pieces and fragments which make up the "mosaic" in part pursue the usual chronological order as appears in most editions of the Bible. But the interpretation of events within each sequence are this author's own. In discussion with early or contemporary scholars, the text may reflect agreement or disagreement, but assumes the right to and responsibility for a specific point of view. As indicated, the book is a "mosaic," comprised of pieces and fragments. It in no way intends to match the often massive attempts at describing Jesus of Nazareth that have been published over the centuries. Like a mosaic, it will show wear and tear, but it will be sufficient to indicate to the reader precisely whose face appears amid all those fragments and pieces, and enough to awaken reflection on his life and career.

A Complete Concordance to the Holy Scriptures of the Old and New Testament

The aphoristic form conveys universal truths in a distinctive, compressed format. Such sayings go straight to the heart of the matter and linger long afterward in the memory. Curiously enough, the greatest aphorist of all time, Jesus, often goes unrecognized as such; and, more importantly, his aphorisms--a major part of his teachings--have been largely overlooked by biblical scholars. Now, *In Fragments* offers the first comprehensive analysis of Jesus's aphorisms as an area of study distinct from, but equal in importance to, the parables and dialogues. The heart of Crossan's groundbreaking work is his discussion and interpretation of over one hundred thirty aphorisms of Jesus culled from the narrative Gospel of Mark, the discourse Gospel Q, their dependent versions in Matthew and Luke, and their independent versions in such works as the Gospel of John, the Gospel of Thomas, and the Apostolic Fathers. This representative selection inaugurates a landmark discussion of Jesus's aphorisms, raising the aphoristic tradition to the level of interest that the parabolic tradition has always received. *In Fragments* offers an original method for identifying, organizing, and correlating these sayings that results in a whole new analysis of the stages of New Testament development for this genre. Crossan suggests answers to a variety of critical questions about the historical transmission of these sayings of Jesus, including the shift from the spoken to the written tradition; analyzes their internal structure and dynamic; shows how individual aphorism can be grouped to shed light on each other; discusses how they are transformed into dialogues and stories, and the effect on the original sayings; and, above all, distinguishes what is the "peculiar gift" of the aphoristic mode, as opposed to teachings embodied in the narrative or dialogue forms.

The Systematic Bible teacher

Is Jesus mythological? And is he a mere product of his cultural milieu? Through narratological and social-scientific analysis of the gospel account, Barber systematically demonstrates that there are two opposing patterns structuring the gospel. The first is the pattern of this world, which is the combat myth, with a typical sequence of motifs having mythological meanings. It is lived out by everyone else in the accounts except Jesus, because this pattern of the world is the pattern of myth-culture, which is the pattern of the old Adam and sin nature. The pattern of Jesus is the pattern intended for Adam to walk in, and is the unique pattern of the new Adam, Jesus Christ. Jesus's pattern inverts the sequence and subverts the significance of each and every motif and episode of the myth-culture's pattern. Barber shows that Jesus's "failure" to conform to this world's mythological pattern establishes that he is not mythological, and not a product of his culture. As the apostle Peter states, ". . . we did not follow cleverly devised tales [myths] when we made known to you the power and coming of our Lord Jesus Christ, but we were eyewitnesses of his majesty" (2 Pet 1:16).

Mark's memoirs of Jesus Christ: a commentary on the Gospel according to Mark

Eyewitness accounts prove with absolute certainty that Jesus is the Messiah, the Son of God and God the Son. Investigate the Four Gospels arranged in Narrative and Chronological Order for easy study of the life of Christ. Make Your Study Personal and Your Devotions Serious. You study the Bible to connect with God's heart. The NLT Study Bible gives you the tools you need to enter the world of the Bible so you can do just that. Including over 25,000 study notes plus profiles, charts, maps, timelines, book and section introductions, and approximately 300 theme notes, the NLT Study Bible will make your study personal and your devotions serious. This new large print edition features a generous 10-point font. The New Living Translation breathes life into even the most difficult-to-understand Bible passages, changing lives as the words speak directly to their hearts.

The Baptist Family; Or, a Familiar Treatise on the Subject of Infant Baptism. By a Minister of the Gospel. Translated from the French by Charlotte Southwood

Ask. Seek. Knock. Receive. Find. Open. "For everyone who asks, receives. Everyone who seeks, finds. And to everyone who knocks, the door will be opened." --Matthew 7:8 Explore the Scriptures with almost 50 of today's top evangelical scholars, including Daniel Block, Barry Beitzel, Tremper Longman, John N. Oswalt, Grant R. Osborne, Norman Ericson, and many more. Every feature in the NLT Study Bible has been created to do more than just impart information. Ask questions, and the NLT Study Bible gives you both the words and the world of the Bible. Seek deeper understanding, and find the meaning and significance of Scripture, not just facts. Knock on the door of God's Word, and see what doors are opened to you. The New Living Translation makes the message clear. The features of the NLT Study Bible bring the world of the Bible to life so that the meaning and significance of its message shine through. "I enthusiastically recommend the NLT Study Bible for all of my students and to family and friends." --Dr. William H. Martty, ThD, Professor of Bible, Moody Bible Institute Features from nearly 50 of today's most trusted Bible teachers include: 300+ theme articles identify and explore the major topics and ideas of the Bible. 25,000+ study and textual notes provide background and deeper explanations of words, phrases, verses, and sections. 85 introductory articles set the stage for the Old and New Testament and each major Bible section, book, and time period, including the intertestamental period, the time after the apostles, and a harmony of the Gospels. Each book introduction covers background materials including authorship, setting, meaning and message of the book, an outline, recommended resources and more. 220+ charts, illustrations, maps, and timelines organize and illuminate important information. 200 Greek and Hebrew word studies trace the use of important words throughout the Bible. 90+ profiles paint portraits of major figures in the Bible--good and bad. 50,000+ cross-references connect related verses. Words of Christ in red.

The Gospel According to Mark

The world to which the Gospel of Mark introduces its reader is a world of conflicts and suspense, enigmas and secrets, questions and overturning of evidence, irony and surprise. Its principal actor, Jesus, is perplexing in the extreme. He is evidently so for the religious authorities who oppose him, but also for his disciples, who shift from incomprehension to opposition and flight. Questions of meaning, life and death, good and evil are continually broached. This narrative is a subtle invitation to enter into a new world, that of the coming Reign of God, in which the first are last and whoever wants to save his life must lose it. This commentary on the Gospel of Mark has been enthusiastically reviewed in the French edition as one of the best current commentaries on Mark. As a narrative critical commentary, it favors an interpretation of the Gospel that tries to grasp the dynamic of the text taken as a whole. Even if the technical vocabulary of narrative analysis is not used, and the main results of the historical-critical criticism, particularly those of redaction criticism, are not neglected, as the notes will reveal, it is narrative criticism that guides the proceedings.
