

Race Memory And The Apartheid Archive

[#race memory](#) [#apartheid archive](#) [#South Africa history](#) [#collective memory](#) [#post-apartheid studies](#)

Delve into the complex interplay of race memory and the Apartheid archive, examining how historical records shape contemporary understanding of South Africa's history. This exploration considers the construction of collective memory in a post-apartheid context, highlighting the crucial role of historical archives in preserving and interpreting experiences of racial segregation and trauma.
