God Came Near

Travel back in time when Christ, the Son of God, became man with God Came Near. Based on the iconic Christmas writings by best-selling author Max Lucado, this new musical from veteran arranger/composer Tom Fettke features a blend of new songs, classic texts, and beloved carols with optional congregational participation. The result is a magnificent and unforgettable celebration of the Incarnation. It all happened in a moment---a most remarkable moment---when God came near.

God Came Near Deluxe Edition

Meditations on the divinity of Jesus offer readers inspiration to renew their commitment to a spiritual life.

One Incredible Savior

"This bestselling Lucado Christmas classic is now refreshed and updated with a new title and a beautiful new design. But the heart of the message-the miracle and wonder of the birth of our Lord-remains the same. Max combines warm, personal stories with the ultimate story-one that has reformed the world since Christ was born in a manger more than 2,000 years ago. One Incredible Savior will be a forever classic for generations to come"--Publisher's description.

They Worshiped Him

In today's "hurry-up" world, it seems we rarely take the time to think of other people and "walk a mile in the other man's shoes." If we did, what would we see? *They Worshiped Him* revisits the nativity story from the perspective of the people who were actually there. In this dramatic retelling, we glimpse the innermost thoughts and feelings of some of the very common people whose lives were forever changed by a most extraordinary event. What did the shepherds feel? What did others think of them? Were they perceived as "eccentric"? And what about the wise men who followed the star? Did they have an entire entourage, or did people treat them like three dottering old men? And what about Mary and Joseph; how did this unusual pregnancy affect them? *They Worshiped Him* answers many of these questions while reminding us of the biblical characters' humanity. The singing of favorite seasonal carols is woven into the drama, encouraging audience participation. And it's an adaptable work that can be staged as elaborately or simply as you wish. While there are speaking parts for 12 angels, 5 animals, 6 shepherds, 3 magi, the innkeeper, Mary, Joseph, and a narrator, roles can easily be combined for use with any size congregation. Staging instructions are included. Far too many plays being marketed to churches today are not well written, place unreasonable requirements on the space and talent available in the average local church, and contain biblically inaccurate statements and characterizations. Gail Keffer's play *They Worshiped Him* doesn't present any of those problems. It is written in a flexible manner that makes it easy to adapt to a worship service, dinner theater, or a feature-length play for an annual Christmas production. It also does a magnificent job of presenting a biblically accurate version of the nativity story that can be heard, understood, and remembered by all of God's children.... We used this play two years ago, and people are still talking about it. One comment I heard was that the play "made Mary seem like a real person and not a stained-glass Madonna who's out of touch with the realities people like us face." Kari Turner McClellan Senior Pastor, First Presbyterian Church Levittown, Pennsylvania Gail K. Keffer is a graduate of Slippery Rock University (B.S. and M.Ed.). An active member of Glen-Moore Presbyterian Church in New Castle, Pennsylvania, Keffer is a former schoolteacher who has run a needlework design business and is currently the proprietor of The Amish Peddler, a business specializing in the sale of fine Amish-made furniture.

The Miracle of Christmas

In this relevant book, readers will come to see the truth of Christmas and all its richness in a way they've never seen it before. MacArthur goes to the heart and soul of what Christmas is really about: "The birth of Jesus--Immanuel, God with us, the promised Messiah--who came to save His people from their sins". Fully-illustrated gift edition.

The Christmas Miracle of God with Us

"Brad and Sherry Hansen Steiger are two of my favorite people. Their wonderful book *Christmas Miracles* is a treasury of uplifting stories that demonstrates the wonders that can and do accompany our lives." —Shirley MacLaine, Academy Award-winning actress and author The promise that miracles can happen is never more certain than during the holiday season, when it really does seem that your dreams and wishes can come true. From a guardian angel who finds a desperately needed job for a man whose wife is about to give birth right before Christmas to pair of grieving parents who receive a warm Christmas message from their recently departed son, these incredible-but-true, larger-than-life miracles celebrate the wondrous joys of this special time of year. Because the first Christmas—and every one since—is a miracle.

Christmas Miracles

true meaning is easily lost. Stuart and Jill Briscoe offers insight from Scripture that will help us keep Christ at the center of our celebration. Their heartwarming stories cut through the trivial to the real miracle of the season--the majesty of God cradled in a manger.

Meet Him at the Manger

An incredible chance encounter that changes everything...help that suddenly appears from nowhere...kindness handed to us when it is least expected. We have all experienced miracles in our lives. In *A TREASURY OF CHRISTMAS MIRACLES*, Karen Kingsbury presents a collection of real-life stories about people whose lives were changed by the mystery of Christmas. With an uplifting voice, she shares undeniable proof of God's presence in our lives and gives us a joyous reminder of the true meaning of Christmas: the greatest miracle of all is opening our hearts to love.

A Treasury of Christmas Miracles True Stories of God's Presence

Presents true stories of modern-day people whose Christmas prayers were answered in miraculous ways.

A Treasury of Christmas Miracles

INSTANT #1 NEW YORK TIMES BESTSELLER! From FOX News anchor and author Harris Faulkner comes a collection of powerful, true-life stories of resilience, healing, rescue, and protection. We need reminders of God's power now more than ever. We often think about prayer as a wish list, with God as Santa Claus. The reality is that the power of prayer reminds us not only how small we are, but also how big God is. Prayer is hope put into action. And prayer works. From the aftermath of the devastating earthquake in Haiti to the theater shooting in Aurora, Colorado, believers testify to how God inspired hope even when all seemed lost. Two teenagers who were saved from treacherous seas by a vessel named Amen now give thanks for the rescue that changed their lives. A woman's near-death experience with COVID-19 turned out to be the crisis freeing her from despair. Others speak to how prayer helped them navigate family trauma, overcome abuse, and cope with mental illness and depression. Historical accounts of miracles testify to God's power throughout time, and Faulkner recounts the role of faith and prayer in her own life and the life of her father. Along with these stories of God's presence, the book includes an exclusive packet of newly written prayers. Created to reflect the current times, this prayer booklet will provide a road map for putting the lessons of these stories into action. Faith Still Moves Mountains reminds us that God's light always shines through the darkness. Through these testimonies, we learn prayer isn't just a ritual, it's a vital spiritual strategy in a world that wants us to give up the fight.

Faith Still Moves Mountains

Matthew, Mark, Luke, and . . . Dickens? In an interpretive retelling of this familiar Christmas story the author asks: What if there was room at the inn? The First Christmas Carol combines a timeless work of classic literature with the first documented Christmas story. As darkness cloaks the hills of Bethlehem three angels visit an unscrupulous innkeeper, revealing his past, present, and the miracles yet to come. Not the story you've read. Still the stories you know.

The First Christmas Carol - A Miser, a Manger, a Miracle

The author paints a picture of Christ's calm in what he calls "the second most stressful day in the life of our Savior." He shows the secret of transforming panic into peace, stress into serenity, and chaos into control.

The Star of Bethlehem

The Best Nonfiction Masterpiece of the 20th Century? "There are two lives, the natural and the spiritual, and we must lose the one before we can participate in the other." - William James, *The Varieties of Religious Experience: A Study in Human Nature* *The Varieties of Religious Experience: A Study in Human Nature* is not a book about a specific religion. The author, psychologist William James does not try to convince the reader one religion is better than the other. He doesn't even make a case for atheism and the scientific approach. The book is in fact about human nature and how we experience religion at a psychological level. Xist Publishing is a digital-first publisher. Xist Publishing creates books for the touchscreen generation and is dedicated to helping everyone develop a lifetime love of reading, no matter what form it takes

In the Eye of the Storm

This revised, expanded edition of the Common Worship President's Edition contains everything to celebrate Holy Communion Order One throughout the church year. It combines relevant material from the original President's Edition with Eucharistic material from Times and Seasons, Festivals and Pastoral Services, and the Additional Collects.

The Varieties of Religious Experience: A Study in Human Nature

If her skill was taken for supernatural, the world may never have seen the original handwriting. Feel welcome to Poems by Emily Dickinson, verified against manuscript and print resources piece by piece, organized into thematic stanzas, with an introduction on the poet's inspiration with Greek and Latin,

her correlative with Webster 1828, and the Aristotelian motif: "Things perpetual - these are not in time, but in eternity". ***"The world has always appeared to me perpetual; it is better to believe it without beginning or end\

Common Worship: Times and Seasons President's Edition

One of Woolf's most experimental novels, *The Waves* presents six characters in monologue - from morning until night, from childhood into old age - against a background of the sea. The result is a glorious chorus of voices that exists not to remark on the passing of events but to celebrate the connection between its various individual parts.

Poems by Emily Dickinson

With over 1000 traditional and modern worship songs, this is the most comprehensive collection from the Mission Praise series, and a wonderful compilation of joyful, musical praise. Complete Mission Praise has been the UK's best-selling song and hymn book since its release in the 1980s, and was the first to combine traditional hymns and modern songs of worship in one songbook suitable for all needs. Already boasting 1000 songs and hymns, this new edition includes 100 extra songs from the last few years, making it the most comprehensive and up-to-date hymnbook of its kind. The hymns and songs are clearly laid out, making the singing of traditional favourites and contemporary reworkings a joy.

The Waves

"Lewis struck me as the most thoroughly converted man I ever met," observes Walter Hooper in the preface to this collection of essays by C.S. Lewis. "His whole vision of life was such that the natural and the supernatural seemed inseparably combined. "It is precisely this pervasive Christianity which is demonstrated in the forty-eight essays comprising *God in the Dock*. Here Lewis addresses himself both to theological questions and to those which Hooper terms "semi-theological," or ethical. But whether he is discussing "Evil and God," "Miracles," "The Decline of Religion," or "The Humanitarian Theory of Punishment," his insight and observations are thoroughly and profoundly Christian. Drawn from a variety of sources, the essays were designed to meet a variety of needs, and among other accomplishments they serve to illustrate the many different angles from which we are able to view the Christian religion. They range from relatively popular pieces written for newspapers to more learned defenses of the faith which first appeared in *The Socratic Digest*. Characterized by Lewis's honesty and realism, his insight and conviction, and above all his thoroughgoing commitments to Christianity, these essays make *God in the Dock* very much a book for our time.--Amazon.com.

Complete Mission Praise

Ten years ago a breakthrough book launched a ministry that has helped more than one million people overcome this world and win the battle for their hearts and minds. Now Neil Anderson has revised and expanded *Victory over the Darkness* for a new generation of readers, outlining practical and more productive ways to Christian growth based on Christ's promise, You will know the truth, and the truth will make you free. *Victory Over the Darkness* emphasizes the importance of believing and internalizing the cardinal truths of Scripture as a base from which to renew the mind and fend off the attempts of Satan to convince us that we are less than Christ empowers us to be.

God in the Dock

Blaise Pascal, the precociously brilliant contemporary of Descartes, was a gifted mathematician and physicist, but it is his unfinished apologia for the Christian religion upon which his reputation now rests. *The Pensées* is a collection of philosophical fragments, notes and essays in which Pascal explores the contradictions of human nature in psychological, social, metaphysical and - above all - theological terms. Mankind emerges from Pascal's analysis as a wretched and desolate creature within an impersonal universe, but who can be transformed through faith in God's grace.

Victory Over the Darkness

INTERNATIONAL BEST SELLER HEAVEN IS SO REAL! WITH OVER 1 MILLION COPIES SOLD Do you believe heaven really exists? Choo Thomas retells a stunning, personal story of how she saw the living Christ, visited Hell, and walked in Heaven.

Pensees

Bridging the fields of conservation, art history, and museum curating, this volume contains the principal papers from an international symposium titled "Historical Painting Techniques, Materials, and Studio Practice" at the University of Leiden in Amsterdam, Netherlands, from June 26 to 29, 1995. The symposium—designed for art historians, conservators, conservation scientists, and museum curators worldwide—was organized by the Department of Art History at the University of Leiden and the Art History Department of the Central Research Laboratory for Objects of Art and Science in Amsterdam. Twenty-five contributors representing museums and conservation institutions throughout the world provide recent research on historical painting techniques, including wall painting and polychrome sculpture. Topics cover the latest art historical research and scientific analyses of original techniques and materials, as well as historical sources, such as medieval treatises and descriptions of painting techniques in historical literature. Chapters include the painting methods of Rembrandt and Vermeer, Dutch 17th-century landscape painting, wall paintings in English churches, Chinese paintings on paper and canvas, and Tibetan thangkas. Color plates and black-and-white photographs illustrate works from the Middle Ages to the 20th century.

The Canterbury Tales

Start Your Day in the Very Best Way Discover more joy, peace, and purpose every morning as you listen to the voice of the One who delights in you! In *Coffee for Your Heart*, bestselling author Holley Gerth shares 40 encouraging and powerful reminders of how God sees you as His beloved daughter. You are... wonderfully made chosen irreplaceable strong never alone ...and so much more! This noisy world can make it hard to hear the assurances of God. Let His voice be the loudest one in your life as He stirs up your hope and confidence each new day. "Take a deep breath, grab a cup of something cozy, and let God's love fill your heart with whatever you need most today." —Holley Previously published as *God's Heart for You*.

Crossing the Bar

Kortfattet spørgsmål-svar gennemgang af Den katolske Kirkes katekismus.

Heaven Is So Real!

Life Is Never Mainly About Love and Marriage. So Learn to Live and Date for More. Many of you grew up assuming that marriage would meet all of your needs and unlock God's purposes for you. But God has far more planned for you than your future marriage. Not Yet Married is not about waiting quietly in the corner of the world for God to bring you "the one," but about inspiring you to live and date for more now. If you follow Jesus, the search for a spouse is no longer a pursuit of the perfect person, but a pursuit of more of God. He will likely write a love story for you different than the one you would write for yourself, but that's because he loves you and knows how to write a better story. This book was written to help you find real hope, happiness, and purpose in your not-yet-married life.

Historical Painting Techniques, Materials, and Studio Practice

"As the psalms are a microcosm of the Old Testament, so the Expositions of the Psalms can be seen as a microcosm of Augustinian thought. In the Book of Psalms are to be found the history of the people of Israel, the theology and spirituality of the Old Covenant, and a treasury of human experience expressed in prayer and poetry. So too does the work of expounding the psalms recapitulate and focus the experiences of Augustine's personal life, his theological reflections and his pastoral concerns as Bishop of Hippo."--Publisher's website.

"I will follow thee-but." [A religious tract.]

(Guitar Chord Songbook). 80 songs arranged with their lyrics and chords for easy strum-along fun: Agnus Dei * As the Deer * Firm Foundation * Give Thanks * God of Wonders * He Is Exalted * The

Heart of Worship * I Could Sing of Your Love Forever * Jesus, Lover of My Soul * Lamb of God * Lord, I Lift Your Name on High * More Precious Than Silver * Open the Eyes of My Heart * The Potter's Hand * Shine, Jesus, Shine * We Bow Down * and more.

Coffee for Your Heart

It can no longer be assumed that most people--or even most Christians--have a basic understanding of the Bible. Many don't know the difference between the Old and New Testament, and even the more well-known biblical figures are often misunderstood. It is getting harder to talk about Jesus accurately and compellingly because listeners have no proper context with which to understand God's story of redemption. In this basic introduction to faith, D. A. Carson takes seekers, new Christians, and small groups through the big story of Scripture. He helps readers to know what they believe and why they believe it. The companion leader's guide helps evangelistic study groups, small groups, and Sunday school classes make the best use of this book in group settings.

Compendium of the Catechism of the Catholic Church

Why is cloning wrong? Does the Bible say a divorced person can remarry? Can angels sin? Is body piercing wrong? Can demons read our thoughts? Dr. Elmer Towns, author of over 80 books and Dean of Liberty University's School of Religion, answers these and many other questions you have wondered about. Written for the new Christian too embarrassed to ask, and for the long-time Christian who still has unanswered questions, this one-volume, indexed resource provides the kind of responses your own pastor would give as you're shaking hands after the Sunday morning sermon--short, knowledgeable, and to the point. Topics covered include: Politics The Bible, The Holy Spirit, and Angels Creation Demons and the Devil· God's Names Prayer, Salvation, and Sin If you have questions--and who doesn't--Bible Answers for Almost All Your Questions is an essential resource.

Not Yet Married

(Vocal Selections). 16 vocal selections from the wickedly funny Broadway musical with music by David Yazbek. Includes bio and pages of photos!

Expositions of the Psalms 1-32 (Vol. 1)

"DLP, Developmental Leadership Program; Australian Aid; Oxfam."

Praise & Worship (Songbook)

'A delightful book, full of jokes and confessions' Guardian A hilarious quest to understand life's ultimate guilty pleasure In Schadenfreude, historian of emotions Tiffany Watt Smith offers expert insight and advice. Ranging across thinkers from Nietzsche to Homer Simpson, investigating the latest scientific research, and collecting some outrageous confessions on the way - she reveals how everyone, babies, nuns, your most trusted friends, are enjoying your misfortunes. But rather than an emotional glitch, she argues, Schadenfreude can reveal profound truths about our relationships with others and our sense of who we are. Frank, warm and laugh-out-loud funny, Schadenfreude makes the case for thinking afresh about this much-maligned emotion - and perhaps, even, embracing it.

The God Who Is There

Most Christians have wondered at one time or another if they have committed the unpardonable sin. If this is your fear, be encouraged. You have not committed the unforgivable sin. You are not eternally damned. You are not forsaken by God. You are not hated by God. You are not outside the bounds of His love and grace. Quite to the contrary, you are loved by God more than you possibly know. You are forgiven. You are accepted. In this book, Jeremy Meyers shows why you have not committed the unforgivable sin. He surveys the various views about blasphemy against the Holy Spirit and examines Matthew 12:31-32 to show what Jesus meant when He talked about blasphemy against the Holy Spirit.

Bible Answers for Almost All Your Questions

Understand where we came from. Whether you're an avid student of the Bible or a skeptic of its relevance, *The Book That Made Your World* will transform your perception of its influence on virtually every facet of Western civilization. Indian philosopher Vishal Mangalwadi reveals the personal motivation that fueled his own study of the Bible and systematically illustrates how its precepts became the framework for societal structure throughout the last millennium. From politics and science, to academia and technology, the Bible's sacred copy became the key that unlocked the Western mind. Through Mangalwadi's wide-ranging and fascinating investigation, you'll discover: What triggered the West's passion for scientific, medical, and technological advancement How the biblical notion of human dignity informs the West's social structure and how it intersects with other worldviews How the Bible created a fertile ground for women to find social and economic empowerment How the Bible has uniquely equipped the West to cultivate compassion, human rights, prosperity, and strong families The role of the Bible in the transformation of education How the modern literary notion of a hero has been shaped by the Bible's archetypal protagonist Journey with Mangalwadi as he examines the origins of a civilization's greatness and the misguided beliefs that threaten to unravel its progress. Learn how the Bible transformed the social, political, and religious institutions that have sustained Western culture for the past millennium, and discover how secular corruption endangers the stability and longevity of Western civilization. Endorsements: "This is an extremely significant piece of work with huge global implications. Vishal brings a timely message." (Ravi Zacharias, author, *Walking from East to West and Beyond Opinion*) "In polite society, the mere mention of the Bible often introduces a certain measure of anxiety. A serious discussion on the Bible can bring outright contempt. Therefore, it is most refreshing to encounter this engaging and informed assessment of the Bible's profound impact on the modern world. Where Bloom laments the closing of the American mind, Mangalwadi brings a refreshing optimism." (Stanley Mattson, founder and president, C. S. Lewis Foundation) "Vishal Mangalwadi recounts history in very broad strokes, always using his cross-cultural perspectives for highlighting the many benefits of biblical principles in shaping civilization." (George Marsden, professor, University of Notre Dame; author, *Fundamentalism and American Culture*)

Play this frequency every day Before you sleep or when you wake up.

Today I decide to have an abundant life, with success, love and happiness.

I decide to receive all the blessings that belong to me, no matter how big.

Now I know what I want to do, who I want to be and where I want to go

I decide to attract everything good to my life.

A lot of money in abundance comes into my life.

My thought attracts prosperity, today I live with abundance

My magnetic vibration attracts wellbeing to my life and to everything that surrounds me.

I see myself abundantly, I live abundantly, because my thoughts are

God and the Angels are working for me

I believe in the Power of attraction

The Universe is sending me blessings

The law of prosperity is the most powerful law of God

I believe that everything I attract comes into my life

I'm creating my world

I am creating my world full of abundance.

I affirm with conviction that I deserve a life of prosperity in abundance

I am passionate about success and wealth
 I feel emotions of prosperity and they let me know that I am attracting abundance.
 Today I decide to speak positively and positive things happen in my life
 I am a magnet: I attract wealth, success and love to my life.
 Today I am aware that everything that comes into my life
 As I think of prosperity. I attract prosperity in abundance.
 I attract success and money in abundance, great business and also happiness.
 I feel emotions of satisfaction for prosperity and they let me know that I am attracting it.
 My emotions indicate that my thoughts are aligned with my desires for an abundant life in every way.
 I am feeling success and it becomes real in my life.
 I think, feel and express joy for the achievements of my life
 1 take the first step with Faith, I only need this to succeed.
