

agricultural finance for smallholder farmers rethinking traditional microfinance risk and cost management approaches university meets microfinance

[#agricultural finance](#) [#smallholder farmers](#) [#microfinance innovation](#) [#risk management agriculture](#) [#financial inclusion strategies](#)

Explore groundbreaking agricultural finance models specifically designed for smallholder farmers, critically rethinking traditional microfinance to overcome inherent challenges. This initiative focuses on innovative risk and cost management approaches, demonstrating how academic expertise, where "university meets microfinance," can forge more sustainable and inclusive financial inclusion strategies.

Each publication is designed to enhance learning and encourage critical thinking.
