Poder Transformador del Avivamiento

SPANISH EDITION. Transforming Power of the Gospel

El Poder Transformador del Evangelio de Jesucristo

El avivamiento vendrá acompañado de reforma cultural y restauración social, económica y política cuando la Iglesia venza sus prejuicios y abraza a su comunidad. Así podrá liberar los dones que hoy tiene sentados en las bancas, para que vayan como misioneros, como apóstoles, como - enviados - a las áreas empresariales, políticas, académicas; es decir, para redimir el mundo para Cristo. La restauración será el fruto natural del avivamiento y la reforma.

Una vida al revés

En este libro, Moisés y Betsy Gómez abren la Biblia y sus corazones para relatar cómo su jornada hacia experimentar lo extraordinario de Dios tomó un giro inesperado. Todo cambió al ellos someterse a la autoridad de la Escritura y al vivir cada área de sus vidas a la luz de las buenas nuevas. Ese era el camino que los llevaría a la vida extraordinaria que tanto anhelaban. Los autores desafían a sus lectores a descubrir el poder transformador del evangelio en la vida real y enseñan cómo aplicarlo en los aspectos ordinarios de la vida. In this book, Moisés and Betsy Gómez open the Bible and their hearts to recount how their journey towards experimenting the extraordinary of God took an unexpected turn. Everything changed when they conformed to the authority of the Scripture and lived every area of their lives under the light of the gospel. This was the way that would lead them to the extraordinary life they longed for. The authors challenge the readers to discover the transforming power of the gospel in real life and teach how to apply it to everyday life.

Along the Many Paths of God

Latin American theology is associated with liberation, basic Christian communities, primacy of praxis and option for the poor. The present volume shows that Latin American theologians added new themes to the previous ones: religious pluralism, inter-religious dialogue and macro-ecumenism. It is the fruit of a program of the Theological Commission of the Ecumenical Association of Third World Theologians (EATWOT) in Latin America, to work out a liberating theology of religions.

De Victoria en Victoria

En las páginas de este libro, el pastor Harold Caballeros comparte sus experiencias e investigaciones sobre las maneras en que la iglesia en Guatemala está obteniendo la victoria en la guerra espiritual que enfrenta. Conoce los relatos de soldados de Dios que han vencido y ahora pueden transformar la vida de futuras generaciones con sus testimonios.

Discipling Nations

The power of the gospel to transform individual lives has been evident throughout New Testament history. But what of the darkness and poverty that enslave entire nations? Miller builds a powerful, convincing thesis that God's truth can free whole societies from deception and poverty. Excellent study of worldviews!

Safe in the Arms of God

"Is my baby in heaven?" This is the most important question a grieving parent can ask. And even if the little one is someone else's child, the issue remains: What happens to children? those unborn, stillborn, or youngsters? when they die? Can you hope to see them again? Can you let go of your fear and guilt? Can God's love soothe a wound so jagged? With scriptural authority and the warmth of a pastor's heart, bestselling author John MacArthur examines the breadth of the entire Bible and reveals in this compelling book the Heavenly Father's care for every life. "I have sat by the grave of our daughter and son and wondered out loud if my belief that Hope and Gabriel are in heaven has any solid scriptural support. John MacArthur offers truth from God's Word that puts the doubts of any grieving parent to rest. Safe in the Arms of God reveals that confidence of heaven for the child you love is based on much more than mere sentimentality; it is revealed in the Word of God and reflective of the very heart of God." ?Nancy Guthrie, author of Holding On to Hope

Girls Gone Wise in a World Gone Wild

Inundated by popular culture, many women have lost their bearings and no longer trust the internal compass that intuitively affirms those things that are good, true, and noble about womanhood. As Jesus' favorite and most powerful teaching tactic was the parable, it is appropriate that Mary Kassian walks the reader through the compelling tale of the wild versus wise woman found in Proverbs 7. By using 20 points of contrast, she helps readers discern wild from wise, saucy from biblically savvy, and more. Girls Gone Wise in a World Gone Wild will captivate, convict, and challenge women to become decreasingly worldly and increasingly godly, and it will equip them with truth for that journey. Includes questions for personal reflection at the end of each chapter

Jesus and the Oral Gospel Tradition

A collection of papers from two international symposia by such important scholars as Aune, Dunn, Gerhardsson, Meyer, Rordorf and Talmon. The articles share the conviction that the only way to break the deadlock in the Synoptic problem is to examine the oral tradition about Jesus which lay behind the Gospels, and to continue even beyond them. The book addresses such central issues as the characteristics of oral tradition: oral tradition in Judaism, in the teaching of Jesus (his aphorisms and the narrative meshalim) and in the Gospel narratives; and the relationships of John, Paul and the Didache to oral tradition. This volume should bring onto a new plane the discussion of the all-important oral stage of Gospel tradition.

The Way of the Cross

"David Bosch's *Transforming Mission*, now available in over a dozen languages, is widely recognized as an historic and magisterial contribution to the study of mission. Examining the entire sweep of Christian tradition, he shows how five paradigms have historically encapsulated the Christian understanding of mission and then outlines the characteristics of an emerging postmodern paradigm dialectically linking the transcendent and imminent dimensions of salvation. In this new anniversary edition, Darrel Guder and Martin Reppen explore the impact of Bosch's work and the unfolding application of his seminal vision." --

Walking with Mary

This work describes the reshaping of mission in Latin America in recent years. It covers a broad spectrum of Christian movements that coexist in the area. The book includes themes related to theology of mission, ecclesiology, history, social action, and leadership. It is designed to serve as a guide to understand different Christian trends in contemporary Latin America. Most contributors belong to the young generation of Christian leaders emerging in different locations of the region--from Central America, the Caribbean, and South and North America. They are sensitive to the differences that are part of denominational identity. This work is unique and calls for a meaningful and mature dialogue among Christians on the continent. Latin America is still a continent of hope, where Christianity continues to grow in the midst of poverty and social and political struggles. Christian workers are seeking unity and mutual understanding. Promising young leaders are emerging and bringing innovation, vision, and dynamism to the Latin American church in every country.

Transforming Mission: Paradigm Shifts in Theology of Mission

This series offers a comparative perspective on a critical issue - the often combustible interaction of resurgent religion and the developing world's unstable politics. This volume considers the case of Latin America, where evangelical Protestantism is increasingly challenging the historical Catholic hegemony.

The Reshaping of Mission in Latin America

This stimulating and timely volume marks the coming-of-age of an ecumenical Pentecostal mission theology. The collected papers constitute a transnational dialogue over the meaning, shape, and future of Pentecostal-Charismatic missiology. This is a ground-breaking work with potential to serve as the launching point for reflections on Pentecostal and Charismatic Christianity as a distinctive global mission movement.

Evangelical Christianity and Democracy in Latin America

You're wandering through your favorite store looking for a great new outfit. How do you decide what to wear? Does God have anything to do with it? Does it even matter to Him? Has the Master Designer given us a pattern? Beyond style, what about issues of appropriateness and modesty? Nancy Leigh DeMoss challenges Christians to ask themselves tough questions. Who decides what I will wear, and why? What message does my clothing communicate? And how can I reflect the glory of God in my wardrobe?

Pentecostal Mission & Global Christianity

Man cannot live without love.... His life is senseless if love is not revealed to him, if he does not encounter love, if he does not experience it and make it his own, if he does not participate intimately in it. — John Paul II, *Redemptor Hominis* If you were asked what immediately comes to mind when you hear the words "Catholic Church"

The Look

A great deal of uncertainty exists in the church as to what mission really is. The shifts in political power, away from the traditionally Christian West; the call for a moratorium and the other critical voices from the Third World churches; and the increasing self-assurance and missionary consciousness among

adherents of non-Christian religions--all these have given rise to the question whether Christian mission work still makes sense, and if it does, what form it should take. Is mission identical to evangelism in the sense of proclaiming eternal salvation? Does it include social and political involvement, and if so, how? Where does salvation take place: only in the Church, or in the individual, or in society, or in the 'world', or in the non-Christian religions? The picture is one of change and complexity, tension and urgency. The answers we give to these questions must be consonant with the will of God and relevant to the situation in which we find ourselves.

Love Unveiled

This book will help me craft my future by teaching me to make declarations from God's Word that will set in motion His plan for my life and motivate me to believe good things from a good God so I can fulfill my destiny.

Witness To The World

"My religion is compassion," the Dalai Lama has said. Indeed, the vow to be of benefit to others lies at the heart of Buddhist practice. This book collects dozens of profound and moving stories of true compassion. From the Buddhist monk who offered his body to starving animals, to modern Western practitioners who use Buddhist principles for healing and social reform, these stories inspire with their depth, tenderness, humor, and occasional outrageousness. Included are tales of the "crazy wisdom" kindness practiced by many masters in the Tibetan and Zen traditions, as well as selections from the best-loved Buddhist figures of today, including Sogyal Rinpoche, Sharon Salzberg, Thich Nhat Hanh, and the Dalai Lama.

Hello, Tomorrow!

David Currie was raised in a devout Christian family whose father was a fundamentalist preacher and both parents teachers at Moody Bible Institute. Currie's whole upbringing was immersed in the life of fundamentalist Protestantism - theology professors, seminary presidents and founders of evangelical mission agencies were frequent guests at his family dinner table. Currie received a degree from Trinity International University and studied in the Masters of Divinity program. This book was written as an explanation to his fundamentalist and evangelical friends and family about why he became a Roman Catholic. Currie presents a very lucid, systematic and intelligible account of the reasons for his conversion to the ancient Church that Christ founded. He gives a detailed discussion of the important theological and doctrinal beliefs Catholic and evangelicals hold in common, as well as the key doctrines that separate us, particularly the Eucharist, the Pope, and Mary.

Buddhist Acts of Compassion

In this rich and deeply personal book, Sophy Burnham uses her own momentous journey into mystical awareness to show readers a contemporary path for experiencing divine energy, guidance, and inspiration. Historically, mystical experiences have been available to only a select few. But just as Sophy Burnham made angels accessible to contemporary readers, she now demystifies mysticism and shows the many different paths readers can follow in their everyday lives for powerful spiritual encounters. Threaded through her own story, Burnham gives us scores of firsthand accounts of mystical encounters as recorded by ordinary people today, as well as by saints, seers, ecstasies, and holy men and women of every faith. Burnham insightfully and comfortingly shows how their journeys--and ours--are similar, sharing a subtle, unnamed longing; passing through various stages of prayer, introspection, and spiritual awareness; and opening into a single transformative moment of clarity and connection. In addition, Burnham delves into the physical side of mystical awareness, describes the age-old practices that invite mystical awareness, and points out the landmarks that one passes on this extraordinary spiritual journey.

Born Fundamentalist, Born Again Catholic

Miguez reflects on Latin American Protestantism, considering the liberal, evangelical, and pentecostal facets, and then explores theologically the tasks of unity and mission still before Latin American Protestant churches.

The Search - Women's Guide (English)

Jennifer Fulwiler told herself she was happy. Why wouldn't she be? She made good money as a programmer at a hot tech start-up, had just married a guy with a stack of Ivy League degrees, and lived in a twenty-first-floor condo where she could sip sauvignon blanc while watching the sun set behind the hills of Austin. Raised in a happy, atheist home, Jennifer had the freedom to think for herself and play by her own rules. Yet a creeping darkness followed her all of her life. Finally, one winter night, it drove her to the edge of her balcony, making her ask once and for all why anything mattered. At that moment everything she knew and believed was shattered. Asking the unflinching questions about life and death, good and evil, led Jennifer to Christianity, the religion she had reviled since she was an awkward, sceptical child growing up in the Bible Belt. Mortified by this turn of events, she hid her quest from everyone except her husband, concealing religious books in opaque bags as if they were porn and locking herself in public bathroom stalls to read the Bible. Just when Jennifer had a profound epiphany that gave her the courage to convert, she was diagnosed with a life-threatening medical condition-and the only treatment was directly at odds with the doctrines of her new-found faith. Something other than God is a poignant, profound and often funny tale of one woman who set out to find the meaning of life and discovered that true happiness sometimes requires losing it all.

The Ecstatic Journey

Some lay blame for poverty and need on oppression; others on laziness. Pastor Keller demonstrates that the biblical viewpoint is far more sophisticated than either extreme. He sets forth scriptural principles for mercy ministries, suggests practical steps to begin and persevere in active caring, and deals perceptively with thorny issues. Balanced and informative! Includes discussion questions.

Faces of Latin American Protestantism

Jrgen Moltmann formulates necessary questions about the significance of Jesus the Christ for persons today. He offers a compelling portrait of the earthly Jesus as the divine brother in our distress and suffering and points to the risen Christ as the warrant for the "future in which God will restore everything . . . and gather everything into his kingdom." Urging that acknowledgment of Christ and discipleship are two sides of the same coin, Moltmann contends that the question of Jesus Christ for today is not just an intellectual one. Moltmann takes fresh approaches to a number of crucial topics: Jesus and the kingdom of God, the passion of Christ and the pain of God, Jesus as brother of the tortured, and the resurrection of Christ as hope for the world, the cosmic Christ, Jesus in Jewish- Christian dialogue, the future of God, and others.

Something other than God

W.C. Smith's vastly erudite work asks how it is that certain texts have so seeped in to human life-in a rich, complex, and powerful way-as to be deemed sacred. Examining the history and use of scripture in the world's major religious traditions, he shows how and why scripture continues to carry momentous and at time appalling power in human affairs.

Ministries of Mercy

Starting Right: Thinking Theologically About Youth Ministry is the first academic textbook that introduces youth ministry students (whether undergraduate or graduate level) to a marriage of solid research, real life, and accessible design. Whereas most college-level texts may reflect a thorough (though impenetrable) mastery of the field, they tend to expect readers to plow through unnecessarily thick prose and bland design because "it's good for them." Youth Specialties doesn't agree. In this debut title to a continuing academic book line, college and seminary students will be introduced to real-life research, real-life youth ministry dilemmas, and real-life solutions. Contributing writers represent a spectrum of Christian Education thought and practice, as well as widespread recognition in their field...transdenominational, yet the perfect background to ministry in any denomination or ministry organization This text includes thorough indexes, design, and graphics that compel readers from page to page (now that's a first for a college text!); organization that permits professors to use any part of the text, in any order, rather than plod through the entire book from beginning to end; a perfect primary text that gives students a rich, academic, and readable (though not "popular") grasp of every aspect of youth ministry a typical Intro course touches, while also serving as an ideal secondary text.

Jesus Christ for Today's World

U.S. Hispanic/Latino voices have emerged in the last ten years to become one of the strongest and most creative theological movements in the Americas. Fully ecumenical and organized in systematic, collaborative framework, this major volume features Hispanic theology's sources (the Bible, church history, cultural memory, literature, oral tradition, pentecostalism), loci (urban barrios, Puerto Rico, exile, liberation, social sciences, Latina feminists), and rich and vigorous expressions (mujerista theology, popular religion, theopoetics). Hispanic/Latino Theology not only celebrates the full flowering of U.S. Latino work, it also splendidly reveals the exciting possibilities and future shape of contextual theologies in close touch with the daily realities of struggling people.

What Is Scripture?

"Don't be so judgmental!" "Why are Christians so intolerant?" "Why can't we just coexist?" In an age in which preference has replaced morality, many people find it difficult to speak the truth, afraid of the reactions they will receive if they say something is right or wrong. Using engaging stories and personal experience, Edward Sri helps us understand the classical view of morality and equips us to engage relativism, appealing to both the head and the heart. Learn how Catholic morality is all about love, why making a judgment is not judging a person's soul, and why, in the words of Pope Francis, "relativism wounds people." Topics include: • Real Freedom, Real Love • Sharing truth with compassion • Why "I disagree" doesn't mean "I hate you"

Starting Right

Most observers consider E Y Mullins, president of Southern Baptist Theological Seminary from 1899 to 1928, to be the most influential Southern Baptist theologian and denominational leader of the twentieth century. This title sets a fresh standard in Mullins study and in the study of Baptist history by restoring Mullins to his rightful place.

The Axioms of Religion

In this classic book, leading Pentecostal scholar Steven J. Land offers a constructive and controversial interpretation, a 're-vision', of the Pentecostal tradition. As Pentecostalism approaches its centennial, Land argues that the early years of the movement form the heart, not the infancy, of its spirituality, and he emphasizes the crucial importance of its Wesleyan, Holiness and nineteenth-century revivalist-restorationist roots. Land's foundational study includes - an account of the relationship of spirituality and theology - a description and analysis of Pentecostal beliefs and practices - a demonstration of how these beliefs and practices are integrated into Pentecostal affections - a trinitarian definition of Pentecostal Spirituality, arguing that a passion for the kingdom of God is ultimately a passion for God Himself

The Global Gender Gap Report 2008

Paul's letter to the Romans has been called "the quintessence and perfection of saving doctrine." Perhaps the most challenging and thoroughly doctrinal book of the entire New Testament, Romans deals with many issues that are basic to Christian theology and practice. In this volume respected New Testament scholar Douglas J. Moo provides a superb study of Paul's letter to the Roman Christians and restates the enduring message of Romans for Christians today. Based on the English text but bringing into the discussion the underlying Greek at every point, this commentary focuses both on theological meaning and on contemporary significance. Moo contributes to the continuing debate regarding Paul's teaching on such issues as Jewish law and the relationship between Jews and Gentiles in the people of God. He also critically interacts with "the new perspective on Paul," highlights Romans's emphasis on "practical divinity," and traces the theme of gospel throughout the epistle. - Publisher.

This Bible edition concentrates on the translation of all chapters and verses of both the Old and New Testaments. Sample chapter: Book of John About this book John's Gospel is one of the four Gospels. 'Gospel' means 'good news'. The Gospels are the books that tell us about Jesus' life on earth. John was one of the three disciples who knew the Lord Jesus Christ best. John called himself 'the disciple that Jesus loved'. We think that John wrote his Gospel in the city called Ephesus. He wrote it some years after Matthew, Mark and Luke wrote their Gospels. He wrote it about 70 years after Christ's birth. John's Gospel is different from the other three Gospels. It does not describe many things that the Gospels of Matthew, Mark and Luke do describe. But it does include many things that are not in the other Gospels. John tells us much more about who Jesus was. John shows us Jesus as the Son of God - the only person who can cause us to live. John teaches us more about God's Spirit, too. At the beginning of his Gospel, John calls Jesus 'the Word'. Chapter 1 The Word became human 1 In the beginning, the Word was already there. The Word was with God. The Word was God. 2 He was with God in the beginning. 3 God made all things by the Word. God did not make anything without him. 4 It is the Word who causes us to live. And because of this, he was the light to all people. 5 The light shines in the dark, and the dark cannot put out the light.
