Secret Gardens

Covering the period from the publication of Alice's Adventures in Wonderland to Winnie-the-Pooh, Humphrey Carpenter examines the lives and writings of Lewis Carroll, Kenneth Grahame, George MacDonald, Louisa May Alcott, Frances Hodgson Burnett, A.A. Milne and others whose works make up the Golden Age of children's literature. Both a collective biography and a work of criticism, Secret Gardens forces us to reconsider childhood classics in a new light. 'Secret Gardens permits us to see in a fresh light the interaction between cultural history and literature, and to realize that ... it wasn't mere misfits who withdrew into the writing of children's books, but rather the sort of misfits who reflected the prevailing dissatisfactions of the age.' New York Times Book Review

The Secret Garden - Illustrated by Charles Robinson

The Secret Garden' is the timeless story of Mary Lennox, a sickly girl who is left orphaned and alone when an outbreak of cholera kills her parents and the staff of their home in India. She eventually ends up in Yorkshire with her uncle Archibald Craven, and becomes inspired by the curious story of a nearby 'secret garden' she hears from a neighbour. Frances Hodgson Burnett's novel 'The Secret Garden' was first published as a serial beginning in 1910, it numbers amongst Burnett's most famous works and is widely considered to be a classic of English children's literature. This edition was originally published in 1912 and is accompanied by Charles Robinson's beautiful illustrations. Charles Robinson (1870-1937) was an active painter in his own right, and brother of the famous Thomas and William Heath Robinson, his illustrations still delight both young and old over a century later. Robinson started his illustrative career with 100 pen and ink drawings for 'A Child's Garden of Verses' (1895). The book was an instant hit, and from that point onward, Robinson continued to illustrate fairy tales and children's books - with his characteristic style of subtle line, combined with delicate watercolours. Pook Press celebrates the great 'Golden Age of Illustration' in children's classics and fairy tales - a period of unparalleled excellence

in book illustration. We publish rare and vintage Golden Age illustrated books, in high-quality colour editions, so that the masterful artwork and story-telling can continue to delight both young and old.

A Hundred Years of The Secret Garden

Frances Hodgson Burnett published numerous works for an adult readership, but she is mainly remembered today for three novels written for children: *Little Lord Fauntleroy* (1886), *A Little Princess* (1905) and *The Secret Garden* (1911). This volume is dedicated to *The Secret Garden*. The articles address a wide range of issues, including the representation of the garden in Burnett's novel in the context of cultural history; the relationship between the concept of nature and female identity; the idea of therapeutic places; the notion of redemptive children in *The Secret Garden* and *Little Lord Fauntleroy*; the concept of male identity; constructions of 'Otherness' and the redefinition of Englishness; film and anime versions of Burnett's classic; Noel Streatfeild's *The Painted Garden* as a rewriting of *The Secret Garden*; attitudes towards food in children's classics and Burnett's novel in the context of Edwardian girlhood fiction and the tradition of the female novel of development.

The Secret Garden

"If you look the right way, you can see that the whole world is a garden." --- Frances Hodgson Burnett, *The Secret Garden* *The Secret Garden* is a novel by Frances Hodgson Burnett. It was initially published in serial format starting in the autumn of 1910, and was first published in its entirety in 1911. It is now one of Burnett's most popular novels, and is considered to be a classic of English children's literature. Several stage and film adaptations have been produced. Public reception Marketing to both adult and juvenile audiences may have had an effect on its early reception; the book was not as celebrated as Burnett's previous works during her lifetime. *The Secret Garden* paled in comparison to the popularity of Burnett's other works for a long period. Tracing the book's revival from almost complete eclipse at the time of Burnett's death in 1924, Anne H. Lundin noted that the author's obituary notices all remarked on *Little Lord Fauntleroy* and passed over *The Secret Garden* in silence. With the rise of scholarly work in children's literature over the past quarter-century, *The Secret Garden* has steadily risen to prominence, and is now one of Burnett's best-known works. The book is often noted as one of the best children's books of the twentieth century. In 2003, the novel was listed at number 51 on the BBC's survey *The Big Read*. Based on a 2007 online poll, the National Education Association named the book one of its "Teachers' Top 100 Books for Children." It was one of the "Top 100 Chapter Books" of all time in a 2012 poll by *School Library Journal*. Jeffrey Masson considers it, "one of the greatest books ever written for children".
