The Complete Guide to Northern Praying Mantis Kung Fu

Developed by Wang Lang over 300 years ago, Praying Mantis Kung Fu is the only martial art based on the fighting skills of an insect. This fascinating system utilizes swift, methodical movements for defense and offense, and is well respected as an art that helps practitioners develop great strength and perseverance. The Complete Guide to Northern Praying Mantis Kung Fu provides an in-depth look at the history and practice of this remarkable martial art. Author Stuart Alve Olson, a student of T. T. Liang, draws on the lineages of Masters Feng Huan-I and Wang Han-Fon, but includes detailed description of all major schools, styles, and lineages. The first half of the book focuses on tactics and theory; the second half contains step-by-step descriptions of the fundamental Praying Mantis stances, exercises, footwork, and kicks, clearly illustrated by more than 200 photographs. What sets this book apart from other works on Praying Mantis is its philosophical depth; author Olson gives a clear account of the development of the art and the Taoist principles from which it arose. This book provides the basis for not only mastering the martial art of Praying Mantis Kung Fu but also mastering oneself—the true goal of all martial arts.

Each entry includes a listing of the production company, the cast and crew, distributors, running times, reviews with star ratings whenever possible, and alternate film titles. A list of film series and one of the stars' pseudonyms, in addition to a 7,900 name index, are also included. Illustrated.

The Complete One Pot

The only one-pot cookbook you'll ever need! Simplify dinner and eat well with hundreds of meals that take full advantage of your favorite pans. Today's one-pot recipes are more varied than ever. From sheet-pan suppers to no-boil pastas, these flavorful recipes represent the test kitchen's best strategies for successful single-pan cooking, including staggering cooking times so everything finishes at once and developing an arsenal of no-cook sauces to dress up Instant Pot and slow cooker meals. ATK flips the lid on several one-pot cooking assumptions; first, that it's always slow. More than 130 of the 400+ recipes can be made in 45 minutes or less. Next, that the recipes serve an army: We paid attention to smaller family sizes by adding scaled-down recipes serving two throughout the book. And we made some of the all-time best recipes more flexible with choose-your-own pan options such as Classic Chicken Soup that can be made in a Dutch oven, slow cooker, or pressure cooker. Finally, we realized that decluttering dinner didn't stop with using just one pot but also meant limiting the number of bowls. Skip takeout with Sheet Pan Veggie Pizza. Make date-night Classic Arroz Con Pollo for Two in a saucepan. Cook for a crowd using a roasting-pan for Herbed Lamb Shoulder with Fingerling Potatoes and Asparagus. Set and forget Slow Cooker Spiced Pork Tenderloin with Raisin-Almond Couscous, or get dinner on the table fast using an Instant Pot to make Cod with Warm Tabbouleh Salad.
