weekend books, relaxing reads, leisure reading, books for downtime, short story collections

Looking for the perfect escape during your precious weekend hours? 'The Week End Book' provides a curated selection of engaging stories and thought-provoking novels ideal for unwinding. Explore our recommendations for genres like mysteries, thrillers, contemporary fiction, and collections of short stories, allowing you to find just the right book to complement your weekend relaxation and recharge.

Treasures of the Night

This comprehensive volume celebrates the legendary work of one of this century's most enigmatic, intriguing, and heralded writers by bringing together for the first time a generous selection of Genet's greatest work. Published to coincide with White's new biography of Genet.

The Complete Poems of Jean Genet

Covers authors who are currently active or who died after December 31, 1959. Profiles novelists, poets, playwrights and other creative and nonfiction writers by providing criticism taken from books, magazines, literary reviews, newspapers and scholarly journals.

Poems by Jean Genet

Queer Writing provides the first full-length study of homoeroticism in Jean Genet's fiction. It shows how the theory of writing elaborated in his work provides a new way to understand homosexual literature, not as the inscription of a stable sexual subjectivity but as the mobilization of a perverse dynamic within the text.

The Selected Writings of Jean Genet

Establishing a fusion of literary and serious pop culture, this collection of challenging essays brings together writers and singers who share a common thread of creativity from the cutting edge of their given field. Considering singers ranging from Frank Sinatra and Leonard Cohen to Marc Almond and Scott Walker, this examination also explores writers as diverse as Lautramont, Eugenio Montale, Jean Genet, and Oscar Wilde as well as confronts the subjects of angels in poetry and poetry and magic. An insightful piece on Aleister Crowley and the left-handed path is also included.

Contemporary Literary Criticism

Essays on twentieth-century French playwrights who were largely influenced by non-French traditions, during the greatest age of French theater since the mid 1700s. French drama of the twentieth-century was cosmopolitan, experimental and eclectic and attempted to appeal to a wider audience than in the past. Dramatists came not only from Paris but from the provinces and the French states of the Caribbean as well as from Francophone countries such as Belgium.

Queer Writing

"Jean Genet, the poet-thief and one of the 20th century's most enduring gay icons was born in Paris in 1910. An illegitimate child accused of stealing from his foster parents Genet at the age of 10 was sent to a reform school and spent most of his youth in the all-male communal life of harshly disciplinarian reformatories, including Mettray. In the 1930s, he was variously a deserter, a vagrant who begged his way across Europe, a prostitute, a thief and one of the dispossessed. Learning that imagination was a tool the authorities couldn't suppress, he emerged in 1942 from a series of prison stays with the first of his extraordinarily subversive novels, *Our Lady of the Flowers*. Taken up by Cocteau and Sartre, Genet quickly became a legend to the underworld for his novels *The Miracle of the Rose*, *Funeral Rites*, *Querelle of Brest* and *The Thief's Journal*, all of which fused an inherent romanticism with the celebration of crime and homosexual desires." "An enigmatic, flagrantly controversial figure, Genet lived his life as an itinerant outsider and in the 1970s became a spokesman for the Black Panthers, and finally championed the struggle for a Palestinian homeland, writing his last posthumously published book *A Prisoner of Love* in defence of their cause. He died in 1986." "Jeremy Reed is an award-winning poet and novelist, and *Born To Lose*, his stripped down biography of Genet is a book written with profound empathy for his subject. Using aspects of Genet's character as the building blocks to short chapters on his life and work, Reed explores Genet's criminal activities, his addiction to sleeping pills, his relationships with lovers and rent boys, his mercurial friendships with Cocteau, Sartre and Giacometti, his fugitive poetry, the obsession with death that underscores his work and the whole complex psychological makeup of a rebel born to lose, but in the process exploding into inimitably iconoclastic fiction."--BOOK JACKET.

Angels, Divas and Blacklisted Heroes

Covers writers who have made significant contributions to European literature. Includes in-depth critical and biographical analysis

Critical Survey of Long Fiction: Ralph Ellison-Jamake Highwater

Biographical, bibliographical, and critical information on more than four hundred authors who have figured prominently in gay and lesbian literature and culture since 1900.

Twentieth-century French Dramatists

Includes entries for maps and atlases.

Jean Genet

Combines, updates, and expands two earlier Salem Press reference sets: Critical survey of drama, Rev. ed., English language series, published in 1994, and Critical survey of drama, Foreign language series, published in 1986. This new 8 vol. set contains 602 essays, of which 538 discuss individual dramatists and 64 cover broad overview topics. The dramatist profiles contain more than 310 photographs and drawings.

Translation Review

Description and evaluation of the most important biographical, autobiographical, and critical sources for 146 dramatics worldwide.

Cyclopedia of World Authors II

This work takes the reader through introductions to historically

Cyclopedia of World Authors

Every 3rd issue is a quarterly cumulation.

Major 20th-century Writers

A dictionary of playwrights which contains 485 entries, each of which includes biographical information on the playwright, complete lists of published works (with dates of performance) and a bibliography of critical studies on the playwright.

European Writers

Published yearly from 1980, this biographical series for libraries is international in scope and contains entries for the most prominent men and women who have died during the year indicated in the title. In addition, each annual volume includes cumulative alphabetical and professions indexes.

Small Press Record of Books in Print

Contains twenty-seven alphabetically arranged essays that provide biographical and critical information about significant French novelists active between 1930 and 1960; each with a list of principal works and a bibliography.

Paperbound Books in Print

Covers writers from the ancient Greeks to 20th-century authors. Includes biographical-bibliographical entries on nearly 500 writers and approximately 550 entries focusing on significant works of world literature. Each author entry provides a detailed overview of the writer's life and works. Work entries cover a particular piece of world literature in detail.

An Outline of Genesis

Through a book of remarkable precision, C.A.C. takes you with the help of its unique style to the heart
of the interpretation of the mysterious passages of the Old Testament. He shows with conviction how

all these stories point together towards Jesus, the new Man, who fully responds as a figure to the fall and creation.

In the Beginning

It is written of the risen Lord that "having begun from Moses and from all the prophets, he interpreted to them in all the scriptures the things concerning himself" (Luke 24:27). Many of those "things concerning himself" are found in the book of Genesis--a part of the Holy Scriptures peculiarly rich in typical teaching--and nothing more is needed to make it attractive to those who love Him. I present this Outline for your prayerful consideration.

From Genesis to Revelation

Hailed as "the most radical repackaging of the Bible since Gutenberg\

An Outline of Genesis

This historic book may have numerous typos and missing text. Purchasers can usually download a free scanned copy of the original book (without typos) from the publisher. Not indexed. Not illustrated. 1921 edition. Excerpt: ... read in ii Timothy 3: 16 "All Scripture is given by inspiration of God." In this connection Paul used a significant word; he reminded Timothy that from a child he had known the holy Scriptures. "Holy" is the same word that is used for the most holy place in the tabernacle; the inner room where dwelt the presence of God. Therefore from the Bible's own testimony we conclude that, in their original form, these writings were Divinely given. How this was done we are not told and it is idle to speculate on theories of the mode of inspiration when the important thing is the fact of inspiration. Now we will take up the second part of the first question: When was the Bible written? We have no record of inspired writings before the time of Moses; that is about twenty-five hundred years after man's creation. God communicated with men but we do not find that He caused them to put the communications into writing. That Moses wrote the Pentateuch, or Five Volume book, is a well attested fact. Ezra refers to it as "the book of Moses" and Nehemiah calls it "the book of the law of Moses." Our Lord quoted from the Pentateuch as the writings of Moses and placed them on a level with His own words: "If ye believe not his (Moses) writings, how shall ye believe My words?" John 5: 47. The testimony of the Bible is clear also that Moses was not a compiler of the books that bear his name: "This is that Moses... who received the lively oracles to give unto us." Acts 7: 38. Indeed the Mosaic authorship of the Pentateuch was not questioned, except by a few early heretics, until some modern writers advanced a number of ingenious and complicated theories of different authors and redactors, all living many centuries after Moses the servant of the Lord had died in the...

The First Book of Moses, Called Genesis

"Nave's Topical Bible, " the best known of all topical bibles, has been a valuable Bible-study reference and a best-seller for more than 75 years. It is a comprehensive digest of over 20,000 topics and subtopics with more than 100,000 associated Scripture references. The most significant references for each topic actually include the full text of the verse cited--saving the need to separately look up each verse. Because "Nave's "groups verses by "idea" (or "topic"), it offers a better overview of relevant Scriptures than a concordance, which only lists or indexes verses according to specific words. This edition also includes the helpful Scripture index (left out of some other editions), which makes it possible for the reader studying a particular biblical text to locate every topic and grouping of Scripture in "Nave's "whenever a particular verse is included. That way, it is possible for the reader to study either all the verses related to a particular topic "or" all the topics related to a particular verse--it works both ways. For the pastor or teacher interested in saving hours of time but not willing to give their second best, and for anyone wanting to be challenged by what God has to say about a given subject, "Nave's Topical Bible" is the passport that will allow immediate and successful entry to the many points of interest.

Cyclopaedia of Biblical, Theological, and Ecclesiastical Literature

Start from the Beginning The book of Genesis is all about beginnings. God creates the heavens, the earth, plants and animals, men and women. When rebellion breaks out, God begins the task of mending His relationship with humanity and all creation. The stories that unfold in this extraordinary book grapple with some of our deepest questions: Who am I? Why are we here? Is there a God? Does He love me? To answer these questions, start from the beginning. LifeChange LifeChange Bible studies will help

you grow in Christlikeness through a life-changing encounter with God's Word. Filled with a wealth of ideas for going deeper so you can return to this study again and again. Features Cover the entire book of Genesis in 19 lessons Equip yourself to lead a Bible study Imagine the Bible's historical world Study word origins and definitions Explore thoughtful questions on key themes Go deeper with optional projects Add your notes with extra space and wide margins Find the flexibility to fit the time you have

Genesis I-II

To read Genesis intelligently, we must consider the questions, the literature, and the times in which Genesis was written. In *How to Read Genesis* Tremper Longman III provides a welcome guide to reading, studying, understanding, and savoring this panorama of beginnings—of both the world and of Israel. And importantly for Christian readers, we gain insight into how Genesis points to Christ and can be read in light of the gospel.

From Genesis to Revelation; an Outline of the Bible's Whole Contents

Verse-by-verse commentary on the book of Genesis.

Studies in the Old Testament and the Book of Genesis in Outline

Based on the Revised Standard Version – Second Catholic Edition, this 14th volume in the popular Bible study series leads readers through a penetrating study of the Book of Genesis using the biblical text itself and the Church's own guidelines for understanding the Bible. Ample notes accompany each page, providing fresh insights and commentary by renowned Bible scholars Scott Hahn and Curtis Mitch, as well as time-tested interpretations from the Fathers of the Church. They provide rich historical, cultural, geographical or theological information pertinent to the Old Testament book—information that bridges the distance between the biblical world and our own. The Ignatius Study Bible also includes Topical Essays, Word Studies and Charts. The Topical Essays explore the major themes of Genesis, often relating them to the teachings of the Church. The Word Studies explain the background to important Bible terms, while the Charts summarize crucial biblical information "at a glance". Each page includes an easy-to-use Cross-Reference Section. Study Questions are provided for each chapter that can deepen your personal study of God's Word. There is also an introductory essay covering questions of authorship, date, destination, structure and themes. Also included is an outline of Genesis as well as several maps.

Nave's Topical Bible

This scarce antiquarian book is a facsimile reprint of the original. Due to its age, it may contain imperfections such as marks, notations, marginalia and flawed pages. Because we believe this work is culturally important, we have made it available as part of our commitment for protecting, preserving, and promoting the world's literature in affordable, high quality, modern editions that are true to the original work.

Genesis

Excerpt from *Outline Studies in Genesis* Secondly, to note the Supreme Religions Truths, these form the soul of the Book, for which the historical portions exist. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.

How to Read Genesis

It is traditional to think we should praise Abraham for his willingness to sacrifice his son as proof of his love for God. But have we misread the point of the story? Is it possible that a careful reading of Genesis 22 could reveal that God was not pleased with Abraham's silent obedience? Widely respected biblical theologian, creative thinker, and public speaker J. Richard Middleton suggests we have misread and misapplied the story of the binding of Isaac and shows that God desires something other than silent obedience in difficult times. Middleton focuses on the ethical and theological problem of Abraham's

silence and explores the rich biblical tradition of vigorous prayer, including the lament psalms, as a resource for faith. Middleton also examines the book of Job in terms of God validating Job's lament as "right speech," showing how the vocal Job provides an alternative to the silent Abraham. This book provides a fresh interpretation of Genesis 22 and reinforces the church's resurgent interest in lament as an appropriate response to God.

Preacher's Outline & Sermon Bible-NIV-Genesis I: Chapters 1-11

"This book...is designed to make the Bible of Israel intelligible, relevant, and hopefully, inspiring to a sophisticated generation, possessed of intellectual curiosity and ethical sensitivity...It is based on the belief that the study of the Book of Books must constitute a mature intellectual challenge, an exposure to the expanding universe of scientific biblical scholarship...Far from presenting a threat to faith, a challenge to the intellect may reinforce faith and purify it."--from the Introduction

An Outline of Bible History

"John Phillips writes with enthusiasm and clarity, . . . cutting through the confusion and heretical dangers associated with Bible interpretation." —Moody Magazine

Genesis

By using recent developments in literary theory, W. Lee Humphreys uses Genesis to show how God functions as a character in the Genesis narrative. Very creatively, Humphreys explores the coherence and consistency of God as a character, the way in which God's character changes and develops throughout the narrative, and how giving attention to the character of God enriches our experience of reading Genesis.

The Book of Genesis

What if you could study Genesis with your favorite Bible scholars from across the ages? With The Preacher's Outline & Sermon Bible, you can! This unique resource is designed to empower pastors and leaders to effectively preach and teach God's Word. This is much more than a commentary - it takes the best scholarly works available and combines them in a single resource. Inside each volume of The Preacher's Outline & Sermon Bible, you'll find: - A verse-by-verse outline alongside each passage of Scripture that draws out key concepts. - In-depth commentary synthesized from hundreds of trusted sources, including Matthew Henry, John MacArthur, Charles Spurgeon...and many more. - Thoughts designed to provide practical application of Scripture for your congregation. - Deeper studies that expand on original Greek sources, provide historical background, and explain key points. - An Outline & Subject Index designed for topical study - perfect for quickly creating messages on a particular theme. There's a volume of The Preacher's Outline & Sermon Bible series for nearly any sermon you can imagine. Explore the full series on our website at outlinebible.org

Gems from Genesis

Many today find the Old Testament a closed book. The cultural issues seem insurmountable and we are easily baffled by that which seems obscure. Furthermore, without knowledge of the ancient culture we can easily impose our own culture on the text, potentially distorting it. This series invites you to enter the Old Testament with a company of guides, experts that will give new insights into these cherished writings. Features include • Over 2000 photographs, drawings, maps, diagrams and charts provide a visual feast that breathes fresh life into the text. • Passage-by-passage commentary presents archaeological findings, historical explanations, geographic insights, notes on manners and customs, and more. • Analysis into the literature of the ancient Near East will open your eyes to new depths of understanding both familiar and unfamiliar passages. • Written by an international team of 30 specialists, all top scholars in background studies.

Outline Studies in Genesis (Classic Reprint)

Where do we come from? What is our purpose? The early chapters of Genesis proclaim the origin of the world, and of human life on earth. In The Message of Genesis 1-11, David Atkinson explores how the first eleven chapters serve as an overture to the rest of the Bible. They evoke wonder as God is portrayed in his creative power and beauty. They reveal his loving mercy and salvation even in his terrible judgment of those who turn from him and despoil the harmony of creation. With vivid,

provocative insight, Atkinson illuminates how the meaning of Genesis is still resonant today - providing the insight that allows us to understand both the greatness and the tragic flaw inherent in human beings. Although it was written thousands of years ago, the message of Genesis is one of timely urgency for the modern world: we are responsible participants in God's creation who must, like Noah, confront the possibility of global catastrophe. Part of the loved and trusted The Bible Speaks Today series of commentaries, The Message of Genesis 1-11 offers an insightful, readable exposition of the Biblical text and thought-provoking discussion of how its meaning relates to contemporary life. Used by Bible students and teachers around the world, The Bible Speaks Today commentaries are ideal for anyone studying or preaching Genesis and who want to delve deeper into the text. This beautifully redesigned edition has also been sensitively updated to include modern references and use the NRSV Bible text. Readable and reliable, The Message of Genesis 1-11 will help for anyone looking for a commentary on the Genesis that makes clear its meaning both in its original context and for twenty-first century readers.

Abraham's Silence

Sixty-six books, forty authors, written over nearly 2,000 years, in many different genres. A worldwide best-seller published in countless translations and languages. A book that has been sworn by in court, fought over, and quoted in arguments. Clearly, the Bible is no ordinary book. So how can we begin to read and understand the Bible as a whole? In this excellent overview, Vaughan Roberts paints the big picture, showing how the different parts of the Bible fit together under the theme of the kingdom of God. He offers us tools to read it with confidence, enthusiasm and understanding. Vaughan points us to the Bible's supreme subject, Jesus Christ, and the salvation God offers through him.

Bible History in Outline

Whenever we read, think, hear or say anything about God, we are doing theology. Yet theology isn't just a matter of what we think. It affects who we are. In the tradition of Helmut Thielicke's *A Little Exercise for Young Theologians*, Kelly Kopic offers a concise introduction to the study of theology for newcomers to the field. He highlights the value and importance of theological study and explains its unique nature as a serious discipline. Not only concerned with content and method, Kopic explores the skills, attitudes and spiritual practices needed by those who take up the discipline. This brief, clear and lively primer draws out the relevance of theology for Christian life, worship, mission, witness and more. "Theology is about life," writes Kopic. "It is not a conversation our souls can afford to avoid."

Understanding Genesis

The Knowing the Bible series is a new resource designed to help Bible readers better understand and apply God's Word. Each 12-week study leads participants through one book of the Bible and is made up of four basic components: (1) Reflection questions designed to help readers engage the text at a deeper level; (2) "Gospel Glimpses" highlighting the gospel of grace throughout the book; (3) "Whole-Bible Connections" showing how any given passage connects to the Bible's overarching story of redemption culminating in Christ; and (4) "Theological Soundings" identifying how historic orthodox doctrines are taught or reinforced throughout Scripture. With contributions from a wide array of influential pastors and church leaders, these gospel-centered studies will help Christians see and cherish the message of God's grace on each and every page of the Bible. In this accessible study, pastor and author Greg Gilbert examines the message of James, exploring the book's difficult teachings on wealth, anointing with oil, prayer, healing, and the relationship between faith and works. Through clear exposition of the biblical text and challenging application questions, Gilbert helps readers rightly understand James as a stirring exhortation to fruitfulness, ultimately written to remind Christians of the necessary connection between genuine faith and heartfelt obedience.

Exploring Genesis

Unfortunately, most of our well-versed, highly educated, scripturally correct, biblically strong, doctrinally true interpreters of the Christian Bible have a tendency in their presentation of biblical topics, interpretations, and various studies to utilize generic terms without taking time to define the terminology so that everyone is on the same basic foundation. This book, *Genesis, the Origin of the Beginnings*, however, brings out the basic foundational subject matters as inspired by God through men. It establishes the theme and purpose of the whole Bible, shows you why every subject revealed throughout the scripture began in Genesis, and focuses on definitely defining terms such as God's love so that you will not have

to rely on your own interpretation based on such statements as God's love is sacrificial, unconditional, etc. You will no longer struggle with the question what image of God am I? and the true meaning of life and so on. You will then, in your future study of the scripture, be able to interpret all the symbolic, figurative, parabolic, and illustrative biblical revelations based on the foundational principles found in Genesis. You will find that the foundational principles are straightforward and transcend time, while situations are not and do not. Remember there is nothing simplistic about the written Word of God, who has created all the scripture to be known to all mankind of all times, regardless of future accumulation of knowledge and experience. So read Genesis, the Origin of the Beginnings and continue to grow in the Word.

The Character of God in the Book of Genesis

Drawing on the latest in Genesis scholarship, this volume offers twenty-nine essays on a wide range of topics related to Genesis, written by leading experts in the field. Topics include its formation, reception, textual history and translation, themes, theologies, and place within Judaism, Christianity, and Islam.

The Preacher's Outline & Sermon Bible - Vol. 1

This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work was reproduced from the original artifact, and remains as true to the original work as possible. Therefore, you will see the original copyright references, library stamps (as most of these works have been housed in our most important libraries around the world), and other notations in the work. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. As a reproduction of a historical artifact, this work may contain missing or blurred pages, poor pictures, errant marks, etc. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Genesis

Although the book of Genesis can seem large and overwhelming, this handy little pocket guide provides a quick overview it examines the purpose, personalities, geographical places, and teachings of the book of Genesis. Full color photos, illustrations, and charts help the reader see, at a glance, interesting and important biblical information on Genesis. Thirty-one subjects are examined. A 7-panel fold-out chart provides an outline of the book of Genesis and a 7-week reading plan. It is an ideal resource for Bible study groups, new Christians, seekers, Sunday school gifts, and Bible teachers.

The Message of Genesis 1-11

Every chapter of the Bible summarised in 140 characters or less. These summaries originally appeared as the @biblesummary project on Twitter. For three-and-a-half years, Chris Juby posted one tweet per chapter, one chapter per day to 30,000 followers, finishing the project in November 2013. This edition is the full archive of all 1,189 summaries.

God's Big Picture

The Earliest Account of Jesus' Life When Jesus came claiming to be the promised Messiah, the Jewish people were expecting a powerful warrior-king who would throw off their oppressors. Instead, He served the needs of the weak and suffered injury from the strong. Because He did not fit their ideal picture of a messiah, the people rejected Him. Mark's Gospel, probably the earliest account of Jesus' life, shows us how Jesus upsets our expectations in order to give us something better than we could imagine. LifeChange Bible studies will help you grow in Christlikeness through a life-changing encounter with God's Word. Filled with a wealth of ideas for going deeper so you can return to this study again and again. Features Cover the entire book of Mark in 18 lessons Equip yourself to lead a Bible study Imagine the Bible's historical world Study word origins and definitions Explore thoughtful questions on key themes Go deeper with optional projects Add your notes with extra space and wide margins Find the flexibility to fit the time you have

A Little Book for New Theologians

Danny Hodges became the senior pastor of a young church fellowship known as Calvary Chapel in St. Petersburg, Florida, in April of 1984. Three years later when he was introduced to Pastor Chuck Smith and the Calvary Chapel movement, he felt an immediate sense of being at home and was grateful to God for leading him to this network of churches that upheld a simple, biblical philosophy of ministry and well-balanced doctrine. Calvary Chapel St. Petersburg soon became a fellowship of Calvary Chapel Costa Mesa, and since that time God has steadily grown the ministry from a handful of mostly young single adults to a large church full of families. It has been exciting to see God's Spirit bring many to salvation through Jesus Christ, see lives change and mature in the Lord, see relationships bloom and grow, see ministries evolve and prosper, see a hunger for the Word of God and see a passionate desire to win the lost to Jesus. Pastor Danny and his wife, Wendy, consider it an honor to serve this growing body of believers together with their four children, Tanner, Hayden, Jairus and Audra.

James

Creation, Fall and Redemption is a verse-by-verse commentary of the foundational book of the Bible, Genesis 111. Pastor Bill takes the reader through a devotional and informative tour of the Creation, fall of man, Cain and Abel, the creation of the first city, the development of civilization, the conditions leading to the flood, and the Tower of Babel, and the division of humanity. This book shows us that not only are the early chapters of Genesis about our beginnings but they also foreshadow the end times and final judgments of the Lord upon this earth. But the book is also a testament to the salvation of God, right from the beginning, through the seed of the woman promise, which is the key to unlocking all of the Book of Genesis.

Exploring Genesis

In his clear and readable, style Walter Brueggemann presents Genesis as a single book set within the context of the whole of biblical revelation. He sees his task as bringing the text close to the faith and ministry of the church. He interprets Genesis as a proclamation of God's decisive dealing with creation rather than as history of myth. Brueggemann's impressive perspective illuminates the study of the first book of the Bible. Interpretation: A Bible Commentary for Teaching and Preaching is a distinctive resource for those who interpret the Bible in the church. Planned and written specifically for teaching and preaching needs, this critically acclaimed biblical commentary is a major contribution to scholarship and ministry.

Genesis, the Origin of the Beginnings

Continuing a Gold Medallion Award-winning legacy, the completely revised Expositor's Bible Commentary puts world-class biblical scholarship in your hands. A staple for students, teachers, and pastors worldwide, The Expositor's Bible Commentary (EBC) offers comprehensive yet succinct commentary from scholars committed to the authority of the Holy Scriptures. The EBC uses the New International Version of the Bible, but the contributors work from the original Hebrew and Greek languages and refer to other translations when useful. Each section of the commentary includes: An introduction: background information, a short bibliography, and an outline An overview of Scripture to illuminate the big picture The complete NIV text Extensive commentary Notes on textual questions, key words, and concepts Reflections to give expanded thoughts on important issues The series features 56 contributors, who: Believe in the divine inspiration, complete trustworthiness, and full authority of the Bible Have demonstrated proficiency in the biblical book that is their specialty Are committed to the church and the pastoral dimension of biblical interpretation Represent geographical and denominational diversity Use a balanced and respectful approach toward marked differences of opinion Write from an evangelical viewpoint For insightful exposition, thoughtful discussion, and ease of use—look no further than The Expositor's Bible Commentary.
