Half Breed Angel, Redemption, Siren Publishing, Everlasting Classic, Manlove

Explore the compelling story of 'The Half Breed Angel Redemption', a Siren Publishing Everlasting Classic delving into themes of redemption and love between men. This captivating Manlove novel promises a journey of self-discovery and enduring connection in a richly crafted narrative that will leave you breathless.

Contemporary Theatre, Film and Television

Biographical reference providing information on individuals active in the theatre, film, and television industries. Covers not only performers, directors, writers, and producers, but also behind-the-scenes specialists such as designers, managers, choreographers, technicians, composers, executives, dancers, and critics from the United States, Canada, Great Britain, and the world.

Guy Laliberté

Laliberte means freedom in French, but Laliberte gives freedom new meaning. This title takes you inside Laliberte's world, followed by over-the-top partying by night. It lets you experience relentless drive of this visionary, his passion for life, the Cirque, and women.

Witch Catcher

When her widower father inherits a castlelike estate in the mountains of West Virginia, 12-year-old Jen is thrilled. It seems like a wish come true. But she quickly realizes that not all change is positive. Her dad has a mysterious new girlfriend, Moura, who slowly drives a wedge between Jen and her father. Furthermore, Moura has an unusually strong—almost obsessive—interest in the antiques that fill the mansion, especially a beautiful glass globe that Jen finds hanging in a window. When Jen's cat accidentally breaks the globe, which Moura calls a "witch catcher," strange things begin to happen. . . . An odd-looking girl wearing a torn dress appears, seemingly out of nowhere, and Moura's behavior becomes more sinister, leading Jen to believe that her father is a pawn in an evil scheme. Soon Jen finds herself caught in the midst of a supernatural war, with the fate of an enchanted race—and her family—at stake. Inspired by the age-old legend of witch catchers, Mary Downing Hahn brings a magical cast of characters to life in this compelling fantasy adventure. Author's note.

Hold the Roses

Byron's romantic narrative poem about Mazeppa, the hero of the story, who is strapped naked to a horse in punishment for his affair with a married countess. This volume also contains a fragment of a novel that is widely considered to be one of the first vampire stories in English literature.

Mazeppa

A nurse with a distinguished military career chronicles her life and discusses her decision to challenge the official position on homosexuality

Serving in Silence

This incredible autobiography of Christiane F. provides a vivid portrait of teen friendship, drug abuse, and alienation in and around Berlin's notorious Zoo Station. Christiane's rapid descent into heroin abuse and prostitution is shocking, but the boredom, longing for acceptance, thrilling risks, and even her musical obsessions are familiar to everyone. Previously published in Germany and the US to critical acclaim, Zest's new translation includes original photographs of Christiane and her friends.

Zoo Station

Someone is stalking the little town of Silence. Three victims have fallen to a killer's savage vengeance. Each of the dead men was a successful and respected member of the community—yet each also harbored a dark secret discovered only after his murder. Were their deaths the ultimate punishment for those secrets? Or something even more sinister? Nell Gallagher has come home to Silence more than a decade after leaving one dark night with her own painful secrets. Forced now by family duty to return, she has also come home to settle with the past. But past and present tangle in a murderer's vicious attacks, and to find the answers she needs, Nell must call on the psychic skills that drove her away years before. She must risk her own life and sanity, and regain the trust of the man she left behind so long ago. For the killer she seeks is seeking her, watching her every move, preying upon her every vulnerability—and already so close she'll never see death coming . . .

Whisper of Evil

From time immemorial, men have trembled and withered before the power of the femme fatale. "Ligeia" is a story about a man, whose meeting with a strange, beautiful, and overly intellectual woman in an old city borders on the supernatural and even further into the realms of the unknown. Touching upon subjects like forbidden knowledge and bizarre beauty, Poe's story serves as an example of what awaits men who are easily led astray and then lost in the labyrinthine vistas of female beauty. Famous movie adaptations include Alfred Hitchcock's "Vertigo" (1958) and Roger Corman's "The Tomb of Ligeia" (1964). Edgar Allan Poe (1809-1849) was an American poet, author, and literary critic. Most famous for his poetry, short stories, and tales of the supernatural, mysterious, and macabre, he is also regarded as the inventor of the detective genre and a contributor to the emergence of science fiction, dark romanticism, and weird fiction. His most famous works include "The Raven" (1945), "The Black Cat" (1943), and "The Gold-Bug" (1843).

Ligeia

Ten years after sparks first flew between them in a passionate kiss, a recently divorced woman and a college professor meet in another classroom -- but is it too late to explore what could have been? After leaving her disastrous marriage behind, Shelley Browning goes back to college to get her degree and comes face to face with an unforgettable man from her past. Ten years ago, when she was Grant Chapman's student, they shared a single, scorching, unplanned kiss that still haunts Shelley's dreams. Now, as irresistible as ever, Grant has just returned to teaching after a stint as a congressional aide in Washington . . . and sees no impropriety in asking Shelley out. Isn't this what she secretly longs for? Still, Shelly isn't sure what she really wants. But a stunning accusation is about to change all that -- and she must choose to take some dangerous risks or spend the rest of her life filled with regret.

A Kiss Remembered

100% pure high octane Bogosian.

Wake Up and Smell the Coffee

Established in 1918 as a memorial to the master of the short story genre, O. Henry, Prize Stories has long been recognized as the premier forum for the contemporary story. The 1987 volume carries forth the time-honored literary tradition in 20 selections as original and varied as the current trends in short fiction. The top prize for 1987 is jointly awarded to Louise Erdrich for "Fleur" and Joyce Johnson for "The Children's Wing." Other stories include: Robert Boswell "The Darkness of Love" Alice Adams "Tide Pools" Stuart Dybek "Blight" James Lott "The Janeites" Donald Barthelme "Basil from Her Garden" Gina Berriault "The Island of Ven" Jim Pitzen "The Village" Richard Bausch "What Feels Like the World" Millicent Dillon "Monitor" Norman Lavers "Big Dog" Robert Taylor, Jr. "Lady of Spain" Helen Norris "The Singing Well" Grace Paley "Midrash on Happiness" Lewis Horne "Taking Care" Warren Wallace "Up Home" Joyce Carol Oates "Ancient Airs, Voices" Daniel Stern "The Interpretation of Dreams by Sigmund Freud: A Story" Mary Robison "I Get By"

Prize Stories 1987

The essays in this book lay bare the dynamics of cultural confrontation between Europe and the Mediterranean world from medieval to modern times.

Spectral Sea

Something has happened in the heart of Aldenmor. The Fairy Glen has vanished! New animal refugees are arriving in Ravenswood, including a mysterious and wild unicorn. The creature is frightened, confused, and wounded. Emily must face her greatest challenge to try and save the unicorn and learn its incredible secret.

The Secret of the Unicorn

From the perennially popular Adrian Plass, this book sets down his personal thoughts on Christianity. Adrian Plass's popularity is often put down to his refreshingly honest insight into what it means to be a Christian in today's world. This is what makes him such a sought-after speaker around the world. *Why I follow Jesus* will be an attempt by Adrian to explain why it is that a man who lived 2000 years ago and who lived for such a short time, still has meaning for someone like himself today. Why it is that he feels compelled to spend his life following the example of Jesus and trying to tell others what it means to be a follower of God.

Why I Follow Jesus

Jack the B.

The Blue Last

Eleven women have their faith and strength tested on the Oregon trail.

No Eye Can See

Aided by the powerful magic of Vagel, the evil Arch-Imager, the merciless armies are marching against the kingdom of Mordant. In its hour of greatest need, two unlikely champions emerge. One is Geraden, whose inability to master the simplest skills of Imagery has made him a laughingstock. The other is Terisa Morgan, transferred to Mordant from a Manhattan apartment by Geraden's faulty magic. Together, Geraden and Terisa discover undreamed-of talents within themselves—talents that make them more than a match for any Imager...including Vagel himself. Unfortunately, those talents also mark them for death. Branded as traitors, they are forced to flee the castle for their lives. Now, all but defenseless in a war-torn countryside ravaged by the vilest horrors Imagery can spawn, Geraden and Terisa must put aside past failures and find the courage to embrace their powers—and their love—before Vagel can spring his final trap.

A Man Rides Through

A selection of ever-popular Blyton short stories for the younger reader, with clear text and illustrated throughout.

Popular Rewards

"America's best true-crime writer" (Kirkus Reviews) presents an all-new collection of crime stories drawn from her private files and featuring the riveting case of a fraudulent doctor whose lifelong deceptions had deadly consequences. Dr. Anthony Pignataro was a cosmetic surgeon and a famed medical researcher whose flashy red Lamborghini and flamboyant lifestyle in western New York State suggested a highly successful career. But appearances can be deceiving—and, for the doctor's wife, very nearly deadly. Now, the motivations of the classic sociopath are plumbed with chilling accuracy by Ann Rule. Along with other shocking true cases, this worldwide headline-making case will have you turning pages in disbelief that a trusted medical professional could sink to the depths of greed, manipulation, and self-aggrandizement where even slow, deliberate murder is not seen for what it truly is: pure evil.

Last Dance, Last Chance

New York Times-Bestselling Author: A millionaire is found dead near his yacht, and a local mom launches an investigation... Already juggling four kids' hectic schedules, a rambunctious dog, an attention-craving husband, and a full-time reporter job, Lucy Stone can't possibly squeeze in another responsibility...or can she? There's a big wedding coming up, and Lucy's promised her friend she'll help arrange the lavish event in a newly built gazebo. Too bad the groom, internet millionaire Ron Davitz, is getting on the nerves of the locals, especially after their boats were displaced to make room for his

yacht. When Ron's body is found floating in the harbor, Lucy isn't convinced it was accidental. From the picturesque waterfront to tony Smith Heights Road, Tinker's Cove is awash with suspects. Now, fresh from wedding planning, Lucy finds herself contemplating her own funeral as she pursues a killer who'll do anything to keep from being unveiled.... "Meier takes well-worn plot elements—small-town tensions, in-law troubles—and buffs them into a fresh yarn. Characters and their interactions are realistic and dryly humorous [and] the Maine coast provides an evocative backdrop."—Booklist

Wedding Day Murder

Adriane and Stormbringer the Mistwolf have a unique bond. When Stormbringer is lured into the portal to Aldenmor, Adriane pursues her companion into the magical world, where she must confront the entire mistwolf pack in order to bring Storm home. The strange boy she meets in that land of wonders and terrors may help her, but Adriane will need Emily and Kara's magic as backup if she's going to survive this battle. Cry of the Wolf is the third book in Avalon: Web of Magic, a twelve-book fantasy series by Rachel Roberts for middle grade readers. Through their magical journey, the teenage heroines discover who they really are . . . and run into plenty of good guys, bad guys, and cute guys.

Avalon: Web of Magic Book 3

Terror waits just out of sight Hiding In The Shadows Accident victim Faith Parker has done what her doctors feared she never would: awakened from the coma that held her prisoner for weeks. But she has no memory of the crash that nearly killed her—or the life that led up to it. Nor does she remember journalist Dinah Leighton, the steadfast friend who visited her in the hospital...until she disappeared without a trace. Now as Faith begins to regain her strength, she's shocked by intimate dreams of a man she doesn't recognize and tortured by visions of violence that feel painfully real. Something inexplicable ties her lost memories to Dinah's chilling fate. But even as Faith tries to understand the connection and reach out to save Dinah, death is stalking both women. And one of them will not escape its lethal grasp. FBI agent Noah Bishop has a rare gift for seeing what others do not, a gift that helps him solve the most puzzling cases. Now, read more of his electrifying adventures in two stand-alone tales of psychic suspense.

Hiding in the Shadows

The war for a million Earths spreads to an alternate eighteenth century in the second book of the epic science fiction series the Timeline Wars John Barnes has reinvented alternate-history science fiction in his ingenious saga of the battle to save the multiverse from enslavement by an alien enemy who can transcend time and reality. In the second volume of his remarkable trilogy, the war moves to a new battlefield: a different colonial America still happily tied to the British crown, where miraculous machines prowl the skies. There are a million different Earths across an infinite number of timelines—and every one of them is in peril. Former Pittsburgh private investigator Mark Strang is now a fully trained and blooded Crux Ops special agent, dedicated to the fight against the alien Closers who are invading every Earth in every time. Now the eternal struggle is carrying Strang to a different 1775 Boston, home of astounding technologies, where the colonists remain fiercely loyal to their king across the ocean. Something is rotten in England, though, and Strang must ally himself with the well-respected commander George Washington, the Duke of Kentucky, to derail a terrifying Closer plot and put this world's history back on its proper course. But the enemy has unleashed a secret weapon that could permanently shift the balance: an unstoppable agent of destruction . . . named Mark Strang.

Washington's Dirigible

Joining her husband in the fight to create a home out of a rugged stretch of sagebrush, rattlesnakes, and sand in eastern Oregon, Jane Kirkpatrick uneasily relinquishes the security of a professional career; the convenience of electricity, running water, and a phone li` and, perhaps most daunting, the pleasures of sporting a professional manicure. But the pull of the land is irresistible, and they dream of gathering their first harvest from a yet-to-be-planted vineyard. Rather than the simple life they had envisioned, Jane and Jerry find themselves confronting flood and fire, government bureaucracies, and runaway calves, among other disheartening setbacks. Jane frequently questions the sanity of pioneering in this remote area, known as Starvation Point, and she fights against panic with each trip down the seven-mile, boulder-strewn, rut-carved "driveway" she calls "the reptile road," which threatens to spill them into the ravine with every lurch of the truck. But as she learns to navigate her new life, this novice rancher discovers that disappointment, isolation, and danger can't compete with the generosity of their rural

community, the strength of family bonds, and the faithfulness of the God who planted in their hearts the dream of carving a refuge out of an inhospitable land.

Homestead

Anna Pigeon is in Manhattan to look after her hospitalized sister, and explores the Statue of Liberty in her spare time. But when a teenage girl falls to her death from Liberty's ledge, Anna wonders if the suicide was actually a homicide—and begins an investigation that puts her in the line of fire.

Liberty Falling

In *Mustang Man*, Louis L'Amour takes Nolan Sackett on a dangerous journey into family betrayal, greed, and murder. When Nolan Sackett met Penelope Hume in a cantina at Borregos Plaza, the girl immediately captured his attention. That she was heir to a lost cache of gold didn't make her any less desirable. But Penelope isn't the only one after her grandfather's treasure; Sylvie, Ralph, and Andrew Karnes, distant relatives with no legal claim to the gold, are obsessed with claiming the Hume fortune for themselves. Their all-consuming sense of entitlement recklessly drives them to ambush and murder. Even if Sackett and Penelope are fortunate enough to escape this deadly trio and find the canyon where the gold is hidden, Indian legend has it that nothing will live there—no birds or insects. They say it is filled with the bones of men.

Mustang Man

Even though he is the tallest member of the basketball team, a young boy finds he is far from being the best player.

The Brave Toy Soldier

From the son of Anne Rice comes his electrifying "New York Times" bestseller of infidelity, murder, and betrayal on a college campus. "An enthralling narrative . . ."—"Booklist."

Johnny Long Legs

Readers who eagerly anticipate each new Carl Hiaasen novel will relish this selection of his Miami Herald columns, written with the same dark humor and satirical edge as *Tourist Season*, *Strip Tease*, *Stormy Weather*, and the rest of Hiaasen's brilliant and nationally acclaimed fiction. Known for evoking the disastrously flawed paradise of modern South Florida, Hiaasen proves in these columns that facts can indeed be stranger than the fiction they inspire. Beginning with "Welcome to South Florida," a chapter introducing such everyday events as animal sacrifice, riots at the beach, and a shootout over limes at the supermarket, this collection organizes over 200 columns into 18 chapters, chronicling the events and defining the issues that have kept the South Florida melting pot bubbling throughout the '80s and '90s. An introductory essay provides an overview of Hiaasen's career and outlines his principal concerns as a journalist. Since its inception in 1985, Hiaasen's twice-weekly "baseball-bat-to-the-forehead" column has become enormously popular for its passionate conviction and willingness to confront powerful interests in pursuit of the public good. Amid the corruption and chaos of a city on the edge, Hiaasen's pointblank honesty and clear articulation of what's right have secured him wide respect across the community's many racial and ethnic divides as well as the admiration of his peers, who compare him to A. J. Leibling, I. F. Stone, and H. L. Mencken. In addition to South Florida color and world-class journalism, readers of *Kick Ass* will find one of Florida's staunchest defenders in action, and they'll take great pleasure in watching him work.

The Snow Garden

Jim Qwilleran—along with his lovable Siamese cats Koko and Yum Yum—follows a trail of clues as elusive as a cat burglar in the night in this mystery in the New York Times bestselling series. There's been a rash of petty thievery in Pickax—ever since banker Willard Carmichael and his flashy young wife, Danielle, moved in. But now Willard's been killed in a mugging *Down Below*...or so it seems. Qwill's suspicious, especially when Willard's house-restoration project in Pickax falls into the hands of Danielle's cousin—whose rich new wife then dies on her honeymoon! The clues are confounding. But with Koko's help, Qwill intends to catch a thief—and a killer...

Kick Ass

Get to know the lovable cast of characters that populate the small town of Mitford in this inspirational novel in Jan Karon's #1 New York Times bestselling series. Millions of readers have come home to Mitford, the little town with the big heart, whose endearing and eccentric residents have become like family members. But now change is coming to the hamlet. Father Tim, the Episcopal rector, and his wife, Cynthia, are pondering retirement; a brash new mayoral candidate is calling for aggressive development; a suspicious realtor with plans for a health spa is eyeing the beloved house on the hill; and, worst of all, the Sweet Stuff Bakery may be closing. Meanwhile, ordinary people are leading the extraordinary lives that hundreds of thousands of readers have found so inviting and inspiring.

The Cat Who Tailed a Thief

GIFT LOCAL 11-15-2002 \$13.95.

Guinness Book of Records 2000

The number one New York Times bestselling author offers an irresistible combination of sensuality and charismatic characters in this duo of her earlier hard-to-find full-length novels: *A Will and a Way* and *Boundary Lines*. Reissue.

Out to Canaan

"A true story of obsessive love, murder and betrayal."--Cover

The Florence King Reader

In a deadly game of skill and deception...A master thief is just the first wild card... The priceless, rarely displayed Bannister collection is about to be exhibited—and the show's director, Morgan West, can't ignore her growing uneasiness. She's certain she hasn't seen the last of the infamous cat burglar Quinn. But she never expected him to turn up at her apartment one dark night in desperate need of her help—help she can't refuse. The mysterious master thief is playing a dangerous game, and it's a game that just might get him killed. With Morgan's help, Quinn sets a trap intended to catch someone far more elusive...and more deadly...than a thief. But an unseen threat shadows him in the fog-shrouded San Francisco night, an unknown adversary more cunning than any he has yet encountered. Now, just when the stakes are higher than even Quinn can imagine, no one can be trusted—and everything's at risk.

Engaging the Enemy

Award winning author Julia Spencer-Fleming does it again in this third mystery featuring Rev. Clare Fergusson and Sheriff Russ Van Alstyne in the small town of Millers Kill, N.Y. As the small town's gossip increasingly speculates about the Rev.'s ambiguous relationship with the married Sheriff, a more urgent problem is the disappearance of the doctor of Millers Kill's free clinic, a town institution with roots in events from the 20s and 30s. Digging into the roots of these disturbing happenings, Russ and Clare find that painful events from the town's past can still roil the peace of Millers Kill. *Out of the Deep I Cry* is a 2005 Edgar Award Nominee for Best Novel.

Everything She Ever Wanted

Learning that three instructors who shared her specialty have died under mysterious circumstances, fractal geometry professor Jane Smythe turns for help to former Marine and private investigator Pepper Keane, who investigates clues across the country. A first novel. 18,000 first printing.
