The Adversary, His Person, Power, and Purpose

Spiritual warfare is real, and we are all involved whether we like it or not. The Bible plainly tells us that Satan schemes against humanity and that he wants to devour us. Daily we struggle against Satan's strategies and desire to take over God's kingdom. This battle will not go away, and ignoring it could be disastrous. But don't be afraid. The victory is already won by Christ. No enemy is powerful enough to overcome the risen savior. In these pages, Mark Bubeck exposes the reality of the conflict and the hope believers have. He answers such questions as: What is Satan's strategy in spiritual warfare? Can a Christian be oppressed by demons? Can demonic affliction be passed down through family lines? What are the symptoms of demonic activity in a person's life? Having sold more than 350,000 copies worldwide, this bestseller will help the reader triumph in the battle against demonic activity by relying on the almighty and powerful Son of God.

In the 1990s alone, more than 400 works on angels were published, adding to an already burgeoning genre. Throughout the centuries angels have been featured in, among others, theological works on scripture; studies in comparative religions; works on art, architecture and music; philological studies; philosophical, sociological, anthropological, archeological and psychological works; and even a psychoanalytical study of the implications that our understanding of angels has for our understanding of sexual differences. This bibliography lists 4,355 works alphabetically by author. Each entry contains a source for the reference, often a Library of Congress call number followed by the name of a university that holds the work. More than 750 of the entries are annotated. Extensive indexes to names, subjects and centuries provide further utility.

Mention the word Satan or the Devil and many Christians visibly get a look of concern, intimidation and/or fright. Satan is a force to be reckoned with in today's world. Unfortunately, most churches teach their followers to be afraid of, run from, or remain quiet when the Devil issue is brought up. Has the Christian world been duped into a false understanding of who Satan and the Devil really are? Dr. Ron McRay after much research and study has determined that, yes that is the case. Satan has developed into a superhuman figure with God-like qualities. He can be anywhere at any time and has the power to control circumstances or even you. He is all knowing, all powerful and cannot be eliminated. However, the only true teaching of Satan comes from Scripture. He has never written a book or been seen by anyone. Does the Bible teach that Satan is a force that no one can overcome? What does the Bible actually say about the character and nature of Satan and his demons which most people believe can harm and even kill. This book is sure to shake the standard teachings of most Bible believing churches in America and around the world. The teachings about the Devil are based on a wrong view of scripture and rely heavily on the teachings traditionally passed down from generation to generation. Those teachings were largely based on cultural influence and teachings of false religions and are not in alignment with the teachings of the Bible. Dr. Ron McRay has once again broken through the false teachings of religion and examined the Scriptures to find the truth. This book is about to change every concept you have ever had about Satan, The Devil and The Adversary.

In a day when society has in many ways placed itself under Satan's rule, when Satanism is flourishing in Western nations, when certain branches of the church are preoccupied with "deliverance ministries," and when others deny the devil's existence, Fighting Satan is a sober, practical perspective on this vital subject. Joel R. Beeke states, "We must know our enemy. We must know how to withstand him and what spiritual weapons to take up against him. We must defeat him by faith through lives that bear fruit and spread the truth." With questions for reflection and discussion at the close of each chapter, Fighting Satan is ideal for group and individual Bible study.
