Subject Guide to Books in Print

One day in the pumpkin patch the strangest little pumpkin hatched . . . Spookley the Pumpkin was different. All the other pumpkins teased him, until Spookley proved that being different can save the day! This perennial best-selling children's book delivers a special message of tolerance and kindness that is just right for fall . . . and any time of year! This fixed-layout ebook, which preserves the design and layout of the original print book, features read-along narration.

The Berenstain Bears to the Rescue

The movie that George and the man with the yellow hat have been waiting to see is now playing! Once inside the darkened theater, George is curious about the light coming from the back of the room. As usual, George's curiosity gets him into trouble but his clever tricks save the day. The adventures of Curious George continue in an all-new series beginning in fall 1998 with eight new stories. Written and illustrated in the style of Margret and H. A. Rey, the books will appear in paperback (8 x 8") and hardcover editions and will feature the art of Vipah Interactive, the animators of HMI's Curious George CD-ROMs.

The Berenstain Bears and the Bad Habit

A book that actually takes you inside - and around - the human body to see how it works, with the help of some truly unique illustrations and some very small people! Explore your brain, your bones, and everything in between in incredible cross-section drawings of all the body systems. Inside each one are teams of tiny characters busy at work, and explaining what's going on. Every page includes jaw-dropping facts. Did you know that the skin is your largest organ - in an adult it's 2 sq m (22 sq ft). Have you ever thought about how heavy the brain is? Well, it's about 1.4 kg (3 lb) and is crammed with 100 billion nerve cells that help you think and move. And by the time you turn 75, your heart will have pumped blood around your body 4,000 million times! With the challenge of finding two tiny explorers making their way through the body, learning about anatomy has never been so much fun!

The Legend of Spookley the Square Pumpkin

History comes alive in this incredible children's illustrated book about castles. Slicing through different areas of a medieval fortress, extraordinary views reveal the people busy inside, and preparing for battle as an enemy army approaches. Includes facts, you'll find out what it takes to build a massive 14th-century castle, dress a knight in armour, or prepare a feast fit for a king or queen. From the

drawbridge to the dungeon, Cross-sections Castle swarms with the people who keep the castle ticking over - the workers, craftsmen, and servants. And, as you pore over every page, look out for the villainous spy. Is he in the well... the keep... the moat? No? Keep looking, he's there somewhere! Back in print after 20 years, you can cheer on jousters, be entertained by a troubadour, and witness the gory details of a traitor's demise. This unique illustrated book for kids is not just the story of a castle - it brings medieval history to life.
