Imperial Goblin Capture

Shadow Hand

As You Follow a Suit You Can Feel Kind of the Cold Temperature Begin To Get Colder as You Descend the Sounds Just the Echoing of the Clacking of Your Feet on the Stone Steps each Footfall Getting Seemingly Louder Is the Quiet That Approaches It's More and More Deafening Then the Echoes Begin To Fade About Five Minutes of Travel Down through this Very Wide Curving Spiral until You Open Up into a Grandiose Subterranean Cavern You Can See What It's About a Quarter Mile Across

in every Direction and It Appears that some Sort of a Pillar That You've Been Spiraling Down towards and When You Step Out and Walk along the Side There Are Three Visible Pillars That Seem To Rise Up into the Ceiling Which Might Be Other Ways of Traversing Down to What You Can Only Assume Is the Shadow Shiner

And It Appears that some Sort of a Pillar That You've Been Spiraling Down towards and When You Step Out and Walk along the Side There Are Three Visible Pillars That Seem To Rise Up into the Ceiling Which Might Be Other Ways of Traversing Down to What You Can Only Assume Is the Shadow Shiner Now the Rough Hewn Ceilings above a Couple Hundred Feet above You Glow with a Blue Moss That Fills in the Nooks and Crannies between What Looks To Be Protruding Bit of Rough Rock and Crystals and Other Bits of Strange Exposed or that Kind of Glimmers in the Way that the Softer Glow Hits It Certain Angles as You Walk by the Base of the Cavern around You Is a Surprisingly Bustling New Neighborhood of Stone

Towards the Very Front the Chamber Itself Is Solid Iron the Floor Itself Is Stone a Very Hardy Zone and Elements the Floor Have Scattered Bits of like Soft Dried Grasses There Appears To Be a Bedroll That Has Tossed in the Corner and a Pot and You See Off in the Corner Knees to the Chest Looking Forward Kind Of Spooked They Halfling Men Kind Of Curly Matted Brown Hair Gaunt Pale Bags under His Eyes Wearing a Just a Basic Cloth Tunic That Looks like Somewhat Torn in One Sleeve Remnants of the Vest Actually Looks Partially Even Slacks That Appear To Be Scraped in Torn in Places but There's Just Kind of Knees Close to the Chest He's in There by Himself Are You I'll Cast Disguise Self on Myself

This Director What Did They Hire You for What Did You Do and What Do You Know of What You've Created I Mean I Don't Have like a Special Talent or Anything She Hired Me She Bought this this Strange Box Thing and She Began To Do Experiments She Brought some some People In To Do Different Types of Magic Arcane Violent of the Variations There but but They Would Be Able To Pull this like Weird Ethereal Film out of It this Kind of Like Grey Mist and Then It Was My Job To Try and Find a Compound That Would Adhere to so It Can Be Brought into an Actual Usable Physical Form and They Paid Well as It Was for the Good of the Empire

The Ghost Lands
