Daughter of Aaron: Part One Fear by Joel Vernon Smith When Eddie Sand was given a medical discharge from the Army, he spent the next sixteen years in a Detroit suburb. By 1984, when he had just turned thirty-nine, Eddie was fully aware that the demons from Vietnam wouldn't depart from him. One

night in October, a flamboyant man steps into Eddie's life. Leonard Parks is wealthy, he says, because of his inborn writing talents. He asks Eddie to accompany him to a special project in Grand Traverse County, Michigan, promising him a huge paycheck. The older citizens in Grand Traverse County are in continual disagreement: some say that Elsie DuJack died in a drowning accident during the summer of 1911 when she was only seven years old. Others say that the parents kept their feeble-minded daughter hidden until 1967. A third group argues that a thoroughly haunted and lonely Elsie is still alive at age eighty in 1984, though she had always been incredibly elusive. The two men will spend a night in the home. The motive: to lure the old woman from the shadows.

On writing this work, some or maybe none of it I believe in, or feel is the truth. That's up to the reader to decide, and if the reader relates to any of the subject matter, then I feel I have reached my goal. It is a work trying to bring to the attention of the bias men endure on a daily basis and how women are becoming mostly expectant of better treatment than men in most walks of life, and nothing is questioned, why. Full of hard nosed facts, explaining the level of state interference on a monumental scale, nearly always to the detriment of the average male, also the over used mantra man is bad, woman is good.

Pussy Black-Face, or, "The story of a kitten and her friends" is a book for boys and girls written by Marshall Saunders and illustrated by Diantha Horne Marlowe. Our story starts with Pussy Black Face introducing himself - "My name is Pussy Black-Face, and I am a naughty young kitten. I wish I were good like my mother. She is the best cat that I ever saw. I try to be like her, and sometimes I succeed, but most times I don't." Known to all as Black Face, this cat is a mischievous kitten who does things most cats do, like sleep, eat and hog the warmth of the fire and sleep even more. Black Face and his friends are looked after by Mrs. Darley. She is a widow with two adopted children—Billy and Margaret. Black Face has a sister named Serena, and a brother called Jimmy Dory. But, Black Face is not the first cat which most people choose to stroke or pick up to cuddle. Neither is Black face the most agile cat. He is the most adventurous of the siblings, and is forever knocking over ornaments, and other precious nick-knacks, quite often breaking them. As the summer came on, Mrs Darley opened up the house and Black Face and his friends were allowed to explore the pavement while their mother and father sat on the wide window sill watching. "Beware of the naughty boys," his mother warned. The kittens began to play with a pebble and chase it along the pavement. Before they realised it they had lost sight of the house and chased the pebble right into the hands of the very boys their mother had warned them about. And so began the adventures of Black Face and his friends..... But what happened next you ask? Well you will have to download and read this book to find out for yourselves! The Author as a professional tour guide escorted American and other groups world-wide during a lifetime of travel. He has visited over 100 countries around the globe and virtually every country in Europe. He represented prestigious U.S. and European Tour Operators. Since his first assignment over 50 years ago as a travel host in Switzerland he has escorted tourists on African Safaris, to countries in the Far East, Australia and luxury cruises world wide. There are few, if any, professional tour guides who can match his lifetime of experience, sometimes travelling eleven months of the year. Throughout his career he has contributed travel articles to the travel trade and has also been engaged in travel promotion in the USA. In Call at Six, Bags at Seven the author recalls some of the delightful, spiteful, sad and slightly mad tourists he has travelled with over the years. His recollections are told with dry English humour and illustrated with amusing sketches of some of these incidents, he gives us a candid and unique view together with the inside story of group tourism, sharing with us hilarious and unbelievable experiences that he has had. Call at Six, Bags at Seven should be read by anyone who has travelled with a tourist group and a MUST for anyone who may be planning a trip. If you have travelled with a tourist group in the past and think you recognize yourself as one of the characters in this book, well.....maybe the coincidence is not incidental. Bon voyage!
