

gender violence and the state in asia routledge research on gender in asia series

[#gender violence Asia](#) [#state accountability gender](#) [#violence against women Asia](#) [#gender research Asia](#) [#human rights violations Asia](#)

Delve into critical insights on gender violence across Asia, examining the complex role of the state in both perpetuating and combating these pervasive issues. This essential research sheds light on state accountability and the urgent need for effective interventions to address violence against women and promote human rights in the region.

Each publication is designed to enhance learning and encourage critical thinking.
