

What Is A Case Exploring The Foundations Of Social Inquiry

[#social inquiry](#) [#case study](#) [#social science foundations](#) [#research methodology](#) [#qualitative research](#)

This insightful exploration delves into the crucial question of what constitutes a 'case' within the broader landscape of social inquiry. It meticulously examines the foundational principles and theoretical underpinnings that shape our understanding of social science research. Readers will gain clarity on various research methodologies, particularly the significance of case studies and their role in qualitative research, providing a robust framework for advanced social investigations.
