The Internet and the Google Age: Prospects and Perils

The book commemorates the 25th Anniversary of the Internet in March 2014 and celebrates the achievements and benefits while also pointing out the limitations and perils of the Internet. Edited by Dr Jonathan James of Edith Cowan University in Australia, the book identifies the broad characteristics of the Internet age, and includes several studies that outline the educational benefits of the Internet and social media platforms like Facebook which connect families in the diaspora. The Internet and the Google Age also looks at the place of faith and religion on the Internet. It describes how life in our digital world is both exciting and challenging. An excellent introduction to Internet Studies, the book predicts that life will become more and more digitalized and how the current demarcation between private and public spheres, home and office, human and non humans (robots) will become less and less apparent as the Internet becomes more interwoven into our lives.

Special Edition Using the Internet and Web

Special Edition Using the Internet and Web covers multiple individual end-user activities-it's like having a dozen activity-specific books under a single cover! The book is organized by activity-how people spend their time online. Each chapter describes a specific activity, and shows users the best ways to engage in that activity online-complete with real-world tips and advice for getting the most of that time online. Topics range from getting connected-and getting connected faster-to online shopping and

downloading MP3 files. In short, whatever users want to do online, they'll find in this book-without having to wade through hundreds of pages of software-specific instruction.

A teacher's chance discovery of a pupil's MP3 reveals a recording of a boy's week at the outlandish Summer Skool, where boys go to learn how to manage teachers. At Summer Skool, a secretive group of lecturers teach pupils the art of low-level misbehaviour. The Skool's Vice Principal, his Assistant Deputy, the downtrodden Mr Godfrey and a bombastic, retired Major General Cuthbert-Butterworth maintain that secondary pupils are on a mission – 'The Mission' – to reduce the amount of academic learning imposed by today's curriculum. The boys learn 40 specially-designed tactics, including the 'Snitch-and-Snatch', the 'Bell Rush' and the 'Double-Bubble', to slow down lessons and stress-test the education system. Throughout the book the boys test out their new-found skills on Mr Godfrey, who is only just saved by the bell. Summer Skool demonstrates that while 'The Mission' might work well, most teachers are worthy opponents. This humorous and fictional account will forewarn newly-qualified teachers of the tactics they can expect to face during their early years of teaching. Ideal for anyone interested in the teaching profession, Summer Skool will help them learn the tactics employed by the children of today.

The Holy Bible: Complete and How to Understand It, published by author Roswell Hitchcock in 1869, breaks down the verses of the Bible (more than 30,000) based on their meaning into 27 Books, 242 Chapters, and 2,369 Sections. Topics include Scripture, Jesus Christ, Miracles, the Hebrews, Civil and Social Law, Fallen Man, and Eschatology. It also contains Hitchcock's "Bible Name Dictionary," which describes more than 2,500 Bible and related names and their definitions. Verses are cataloged with like verses, and, though large, the book is extremely navigable. The Cosimo version is unabridged, including the original illustrations by Nast and Carpenter and Cruden's Complete Concordance to the Holy Scriptures; all in all, a unique collection. The Holy Bible: Complete and How to Understand It is a perfect tool for the serious Bible scholar and those who want to break the Bible down into its most essential parts. ROSWELL DWIGHT HITCHCOCK (1817-1887) was an American theologian and writer who graduated from Amherst in 1836 and studied at Andover theological seminary. Hitchcock was a professor at Bowdoin College in Maine and Union Theological Seminary in New York City and was also the pastor of the First Congregational Church in Exeter, New Hampshire, from 1945-1952. He was elected president of the American Palestine Exploration Society in 1871 (after his many travels to Palestine and the Middle East) and of Union Theological Seminary in 1880. He is the author of several books, including The New and Complete Analysis of the Holy Bible, Life of Edward Robinson, and Carmina Sanctorum, among others.
