The Collected Works of Ambrose Bierce

Volume I of Ambrose Bierce's twelve-volume collected works, this volume contains such wonders as "Ashes of the Beacon," "The Land Beyond the Blow," "For the Ahkoond," "John Smith, Liberator," and "Bits of Autobiography."

The Collected Works of Ambrose Bierce - Volume 2

Volume III of the "Collected Works of Ambrose Bierce" (title: "Can Such Things Be?") is a facsimile reprint of the 250-copy limited edition of 1910.

The Collected Works of Ambrose Bierce

'The Collected Works of Ambrose Bierce, Volume 1' is a comprehensive collection of the early works of the celebrated American author and satirist, Ambrose Bierce. This volume includes a range of Bierce's writings, including his essays, short stories, and satirical pieces, as well as selections from his journalism and letters. Bierce's writing is characterized by its acerbic wit, its incisive commentary on American society and politics, and its dark, often macabre themes. His stories frequently explore the darker aspects of human nature, and his satirical pieces are biting critiques of the social and political issues of his day. In addition to his writing, Bierce was also a noted journalist and newspaper editor, and his work in these fields is well-represented in this volume. The book provides readers with a comprehensive overview of Bierce's early career and offers valuable insights into the literary and political landscape of late 19th-century America.

The Collected Works of Ambrose Bierce, V

"The Collected Works of Ambrose Bierce - Volume VIII" from Ambrose Bierce. American editorialist, journalist, short story writer, fabulist, and satirist (1842- 1914).

Can Such Things Be?

This is a reproduction of a book published before 1923. This book may have occasional imperfections such as missing or blurred pages, poor pictures, errant marks, etc. that were either part of the original artifact, or were introduced by the scanning process. We believe this work is culturally important, and despite the imperfections, have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide. We appreciate your understanding of the imperfections in the preservation process, and hope you enjoy this valuable book.

The Collected Works Of Ambrose Bierce Vol 1

The Collected Works of Ambrose Bierce: Antepenultimata brings together the best of Bierce's journalism, essays, and fiction in a comprehensive collection that showcases the satirical wit and literary brilliance of this iconoclastic American writer. From his searing commentary on the Civil War to his macabre tales of horror and suspense, Bierce's work is a testament to the power of the written word to provoke, entertain, and challenge readers. This work has been selected by scholars as being culturally important, and is part of the knowledge base of civilization as we know it. This work is in the "public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

The Collected Works of Ambrose Bierce ...: The opinionator. The reviewer. The conversationalist. The timorous reporter. The March hare

The Collected Works of Ambrose Bierce, Volume 8 Epigrams, On With the Dance, Negligible Tales by Ambrose Bierce My name is John Brenwalter. My father, a drunkard, had a patent for an invention, for making coffee-berries out of clay; but he was an honest man and would not himself engage in the manufacture. He was, therefore, only moderately wealthy, his royalties from his really valuable invention bringing him hardly enough to pay his expenses of litigation with rogues guilty of infringement. We are

delighted to publish this classic book as part of our extensive Classic Library collection. Many of the books in our collection have been out of print for decades, and therefore have not been accessible to the general public. The aim of our publishing program is to facilitate rapid access to this vast reservoir of literature, and our view is that this is a significant literary work, which deserves to be brought back into print after many decades. The contents of the vast majority of titles in the Classic Library have been scanned from the original works. To ensure a high quality product, each title has been meticulously hand curated by our staff. Our philosophy has been guided by a desire to provide the reader with a book that is as close as possible to ownership of the original work. We hope that you will enjoy this wonderful classic work, and that for you it becomes an enriching experience.

The Collected Works of Ambrose Bierce - Volume VIII

This eBook version of The Collected Works of Ambrose Bierce : In the Midst of Life presents the full text of these literary classics.

The Collected Works of Ambrose Bierce ...

Excerpt from The Collected Works of Ambrose Bierce, Vol. 12: Kings of Beasts; Two Administrations; Miscellaneous Beavers is mammals, 'but the mush is am fabulous and lays eggs. And thats why I say every feller to his own taste and the tiger for us all. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. The Collected Works of Ambrose Bierce, Volume 8 Epigrams, on with the Dance

Of the many causes that conspired to bring about the lamentable failure of "selfgovernment" in ancient America the most general and comprehensive was, of course, the impracticable nature of the system itself. In the light of modern culture, and instructed by history, we readily discern the folly of those crude ideas upon which the ancient Americans based what they knew as "republican institutions," and maintained, as long as maintenance was possible, with something of a religious fervor....

The Collected Works of Ambrose Bierce ...: Shapes of clay. Some ante-mortem epitaphs. The scrap heap

The Collected Works of Ambrose Bierce ...: Can such things be? The ways of ghosts. Soldier-folk. Some haunted houses

Excerpt from The Collected Works of Ambrose Bierce, Vol. 4: Shapes of Clay In arranging these verses for publication I have thought it needless to classify them as serious, comic, senti mental, satirical, and so forth. I do the reader the honor to think that he will readily discern the character of what he is reading, and I entertain the hope that his mood will accommodate itself without disappointment to that of his author. The Collected Works of Ambrose Bierce, Vol. 12

Volume I of Ambrose Bierce's twelve-volume collected works, this volume contains such wonders as "Ashes of the Beacon," "The Land Beyond the Blow," "For the Ahkoond," "John Smith, Liberator," and "Bits of Autobiography."

The Collected Works of Ambrose Bierce ...

Ambrose Gwinnett Bierce, known in journalistic circles as 'Bitter Bierce' was by turns a Civil War soldier, journalist, columnist, editor, editor, fabulist and satirist, and author of short stories. He is chiefly remembered today for "The Cynic's Word Book," aka "The Devil's Dictionary." This volume includes many stories wherein Bierce critiques certain societal values by means of reversal, hyperbolic exaggeration, and understatement. A seasoned journalist, he aims satirical jabs at that industry. As always with Bierce, the observations are colored by his individual, iconoclastic, contentious and continual nonconformity.
