Uncle Tom's Cabin Vol 2

Volume Two of the Harriet Beecher Stowe classic. Originally published beginning June 5, 1851 as a
serial in The National Era, an abolitionist weekly published in Washington, DC., Stowe's anti-slavery
novel was finished forty-three chapters and one year later. John Jewett's small publishing house
published the book on March 20, 1852, a couple of weeks before the serial ended. Uncle Tom's Cabin
was the best-selling novel of the 19th century and is credited with significantly advancing the abolitionist
cause. Its historical impact was so great that it spawned the mythical story that Abraham Lincoln, upon
meeting Stowe near the start of the Civil War, was heard to say, ""So this is the little lady who started
this great war.""

A Key to Uncle Tom's Cabin

Uncle Tom's Cabin, in full Uncle Tom's Cabin; or, Life Among the Lowly, novel by Harriet Beecher
Stowe, published in serialized form in the United States in 1851-52 and in book form in 1852. An
abolitionist novel, it achieved wide popularity, particularly among white readers in the North, by vividly
dramatizing the experience of slavery. Uncle Tom's Cabin tells the story of Uncle Tom, depicted as a

saintly, dignified slave. While being transported by boat to auction in New Orleans, Tom saves the life of Little Eva, whose grateful father then purchases Tom. Eva and Tom soon become great friends. Always frail, Eva's health begins to decline rapidly, and on her deathbed she asks her father to free all his slaves. He makes plans to do so but is then killed, and the brutal Simon Legree, Tom's new owner, has Tom whipped to death after he refuses to divulge the whereabouts of certain runaway slaves. Tom maintains a steadfastly Christian attitude toward his own suffering, and Stowe imbues Tom's death with echoes of Christ's. Some 300,000 copies of *Uncle Tom's Cabin* were sold in the United States during the year after its publication, and it also sold well in England. It was adapted for theatre multiple times beginning in 1852; because the novel made use of the themes and techniques of theatrical melodrama popular at the time, its transition to the stage was easy. These adaptations played to capacity audiences in the United States and contributed to the already significant popularity of Stowe's novel in the North and the animosity toward it in the South. They became a staple of touring companies through the rest of the 19th century and into the 20th.

Uncle Tom's Cabin

One of the bestselling books of all time, the heart-wrenching story of Eliza Harris and Uncle Tom, published in 1852, exposed the horrors of slavery and helped bring about the Civil War.

Uncle Tom's Cabin Or Life Among the Lowly Annotated

The life and work of Harriet Beecher Stowe are examined in this book, offering insight into her amazing efforts for women and slaves.

Uncle Tom's Cabin

As Harriet Beecher Stowe's novel *Uncle Tom's Cabin* traveled around the world, it was molded by the imaginations and needs of international audiences. For over 150 years it has been coopted for a dazzling array of causes far from what its author envisioned. This book tells thirteen variants of Uncle Tom's journey, explicating the novel's significance for Canadian abolitionists and the Liberian political elite that constituted the runaway characters' landing points; nineteenth-century French theatergoers; liberal Cuban, Romanian, and Spanish intellectuals and social reformers; Dutch colonizers and Filipino nationalists in Southeast Asia; Eastern European Cold War communists; Muslim readers and spectators in the Middle East; Brazilian television audiences; and twentieth-century German holidaymakers. Throughout these encounters, Stowe's story of American slavery serves as a paradigm for understanding oppression, selectively and strategically refracting the African American slave onto other iconic victims and freedom fighters. The book brings together performance historians, literary critics, and media theorists to demonstrate how the myriad cultural and political effects of Stowe's enduring story has transformed it into a global metanarrative with national, regional, and local specificity.

Harriet Beecher Stowe, Uncle Tom's Cabin

A biography of the American author who, in writing Uncle Tom's cabin, revealed the cruelties of slavery and further split an already divided country.

Uncle Tom's Cabin

Stowe set her 1889 heart-warming fictional story in the real coastal Maine town of Orr's Island, and based the characters on real Mainers she knew.

Harriet Beecher Stowe

Originally published in 1871, Pink and White Tyranny is, seemingly, a light, comic story about a frivolous young girl who marries for money. However, as with most of Beecher Stowe's writings, things are not what they appear on the surface. This ""society novel,"" instead, is a critique of the nineteenth-century's dominant view that women should use their femininity to gain power. Reflective of Stowe's progressive moral and domestic views, the novel is a refreshing work of social satire that showcases Stowe's comic abilities as well as her progressive views.

The Key to Uncle Tom's Cabin, Etc

First published in 1852, Stowe wrote the novel as an angry response to the 1850 passage of the second Fugitive Slave Act, which punished those who aided runaway slaves and diminished the rights of fugitives as well as freed slaves. It was the best-selling novel of the 19th century (and the second best-selling book of the century after the Bible) and is credited with helping to fuel the abolitionist cause in the United States prior to the American Civil War. When Stowe met Abraham Lincoln in 1862 (during the Civil War), he reportedly greeted her with, "So you're the little woman who wrote the book that started this great war!"

Pearl of Orr's Island

Uncle Tom's Cabin, described by Stowe herself as a "series of sketches" depicting the human cruelty of slavery, opens with a description of Arthur Shelby's Kentucky plantation during the antebellum period. Although Shelby is not characterized as a cruel master, he has nevertheless incurred serious debts—prompting him to sell some slaves to avoid financial ruin. Mr. Haley, the slave trader, purchases Uncle Tom, Shelby's loyal servant since childhood, and five-year-old Harry, a beautiful and talented child who sings, dances and mimes. Shelby regrets taking the child away from his mother, Eliza, as much as he regrets betraying Uncle Tom's faithfulness. Eliza overhears Mrs. Shelby, a very religious woman, protesting her husband's decision, and decides to flee the plantation with her son. George, her husband from a neighboring plantation, has already left for Canada via the "underground railroad," a secret network of people who usher runaway slaves to freedom in the North. Eliza plans to do the same, and tries to convince Uncle Tom to save himself and come with her. Uncle Tom, however, must remain loyal to his master, despite his betrayal and the risk of death at the cruel hands of a new master, and does not accompany Eliza on her journey to the Ohio River. Haley searches for Eliza in vain, for she is spurred on by fear of losing her child and reaches the river quickly. Amazingly, Eliza crosses the river by jumping from one ice flow to the next. Upon reaching the shore in Ohio, Mr. Symmes, a man who has observed her brave feat, listens to her story. Fortunately, Symmes hates slave traders and thus takes Eliza and Harry to the house of Senator Bird, where they receive food and lodging. Ironically, Bird has just voted for a bill prohibiting aid to fugitive slaves, but the Senator is very moved by Eliza's story. He thus changes his convictions and takes the runaways to a Quaker settlement, where they stay with the Halliday family. Coincidentally, Eliza's husband George has sought refuge in this very community, and the young family is reunited. The Quakers help the family board a ship for Canada before Haley's hired slave hunters, Loker and Marks, can capture them. After the hunt for Eliza and Harry fails, Haley returns to Shelby's to collect the other half of his purchase, Uncle Tom. The slaves at the plantation are very mournful, but Tom remains placid and tries to read his Bible for comfort. On the steamboat to New Orleans, where Tom is to be sold, Tom befriends an angelic little girl, "Little Eva" St. Clare. Uncle Tom saves the five-year-old beauty from drowning, and she convinces her father to buy Tom for

her own family. Tom finds life on the St. Clare plantation agreeable, for although he is head coachman he spends most of his time with Little Eva. The love and goodness of which she constantly speaks influences those around her, convincing people of their inner value and that of the people around them. Eva even manages to convince the impish slave girl Topsy that she deserves to be loved, and touches the heart of her stern aunt, Miss Ophelia, who has traveled from Vermont to manage the plantation because Mrs. St. Clare is a hypochondriac. Tom's contentment does not last, however, because Eva soon falls ill. Dying, she asks that all the slaves surround her bedside, where she gives each of them a golden lock of hair and tells them they must Christian so that they can see each other in heaven. Eva implores Mr. St. Clare to free Tom after her death. Mr. St. Clare is so distraught by her death, however, that he never legally frees Tom before he himself is killed trying to mediate a barroom scuffle. Mrs. St. Clare sells the slaves to settle her husband's debts, and the deplorable Simon Legree purchases Tom. Legree is a drunkard who beats his slaves brutally. Only one of his slaves, Cassy, defies her master by threatening to do voodoo on him. Cassy tries to help Uncle Tom, but he is a pacifist...

Pink and White Tyranny

Dred: A Tale of the Great Dismal Swamp is the second popular novel from American author Harriet Beecher Stowe. It was first published in two volumes by Phillips, Sampson and Company in 1856. Although it enjoyed better initial sales than her previous, and more famous, novel *Uncle Tom's Cabin*, it was ultimately less popular. *Dred* was of a more documentary nature than *Uncle Tom's Cabin* and thus lacked a character like Uncle Tom to evoke strong emotion from readers. *Dred* is the story of Nina Gordon, an impetuous young heiress to a large southern plantation, whose land is rapidly becoming worthless. It is run competently by one of Nina's slaves, Harry, who endures a murderous rivalry with Nina's brother Tom Gordon, a drunken, cruel slaveowner. Nina is a flighty young girl, and maintains several suitors, before finally settling down with a man named Clayton. Clayton is socially and religiously liberal, and very idealistic, and has a down-to-earth perpetual-virgin sister, Anne. In addition to Harry (who, as well as being the administrator of Nina's estate, is secretly also her and Tom's half-brother), the slave characters include the devoutly Christian Milly (actually the property of Nina's Aunt Nesbit), and Tomtit, a joker-type character. There is also a family of poor whites, who have but a single, devoted slave, Old Tiff. *Dred*, the titular character, is one of the Great Dismal Swamp maroons, escaped slaves living in the Great Dismal Swamp, preaching angry and violent retribution for the evils of slavery and rescuing escapees from the dog of the slavecatchers. The response to Stowe's first work greatly impacted her second anti-slavery novel. *Uncle Tom's Cabin* drew criticism from abolitionists and African-American authors for the passive martyrdom of Uncle Tom and endorsement of colonization as the solution to slavery. *Dred*, by contrast, introduces a black revolutionary character who is presented as an heir to the American revolution rather than a problem to be expatriated. *Dred* can thus be placed within an African-American literary tradition as well as a political revision of the sentimental novel (see David Walker's *Appeal* (1829) and Frederick Douglass's *The Heroic Slave* (1852)). One often-overlooked subplot involves Judge Clayton, who issues a proslavery opinion that absolves the man who attacked Cora's slave Milly of liability. This judge was constrained by the law from providing relief; this fit with Stowe's belief that law and judges-and religious leaders, too-could not be expected to help end slavery. It was humane sentiments rather than the rule of law that would be the lever for antislavery action. The novel is also interesting in the historical context of runaway slave communities surviving for a long time in swamp areas. Swamps were places where runaway slaves could hide, and therefore became a taboo subject, particularly in the south. The best hiding places were found on high ground in swampy areas. The novel also contains detailed descriptions of the wetlands in the "Dismal Swamp" and is therefore also interesting in the context of the way in which African Americans relate to the natural environment. Harriet Elisabeth Beecher Stowe (June 14, 1811 - July 1, 1896) was an American abolitionist and author. She came from a famous religious family and is best known for her novel *Uncle Tom's Cabin* (1852). It depicts the harsh life for African Americans under slavery. It reached millions as a novel and play, and became influential in the United States and Great Britain. It energized anti-slavery forces in the American North, while provoking widespread anger in the South. She wrote 30 books, including novels, three travel memoirs, and collections of articles and letters. She was influential for both her writings and her public stands on social issues of the day.

Uncle Tom, however, must remain loyal to his master, despite his betrayal and the risk of death at the cruel hands of a new master, and does not accompany Eliza on her journey to the Ohio River. Haley searches for Eliza in vain, for she is spurred on by fear of losing her child and reaches the river quickly. Amazingly, Eliza crosses the river by jumping from one ice flow to the next. Upon reaching the shore in Ohio, Mr. Symmes, a man who has observed her brave feat, listens to her story. Fortunately, Symmes hates slave traders and thus takes Eliza and Harry to the house of Senator Bird, where they receive food and lodging. Ironically, Bird has just voted for a bill prohibiting aid to fugitive slaves, but the Senator is very moved by Eliza's story. He thus changes his convictions and takes the runaways to a Quaker settlement, where they stay with the Halliday family. Coincidentally, Eliza's husband George has sought refuge in this very community, and the young family is reunited. The Quakers help the family board a ship for Canada before Haley's hired slave hunters, Loker and Marks, can capture them. After the hunt for Eliza and Harry fails, Haley returns to Shelby's to collect the other half of his purchase, Uncle Tom. The slaves at the plantation are very mournful, but Tom remains placid and tries to read his Bible for comfort. On the steamboat to New Orleans, where Tom is to be sold, Tom befriends an angelic little girl, "Little Eva" St. Clare. Uncle Tom saves the five-year-old beauty from drowning, and she convinces her father to buy Tom for her own family. Tom finds life on the St. Clare plantation agreeable, for although he is head coachman he spends most of his time with Little Eva. The love and goodness of which she constantly speaks influences those around her, convincing people of their inner value and that of the people around them. Eva even manages to convince the impish slave girl Topsy that she deserves to be loved, and touches the heart of her stern aunt, Miss Ophelia, who has traveled from Vermont to manage the plantation because Mrs. St. Clare is a hypochondriac. Tom's contentment does not last, however, because Eva soon falls ill. Dying, she asks that all the slaves surround her bedside, where she gives each of them a golden lock of hair and tells them they must be Christian so that they can see each other in heaven. Eva implores Mr. St. Clare to free Tom after her death. Mr. St. Clare is so distraught by her death, however, that he never legally frees Tom before he himself is killed trying to mediate a barroom scuffle. Mrs. St. Clare sells the slaves to settle her husband's debts, and the deplorable Simon Legree purchases Tom. Legree is a drunkard who beats his slaves brutally. Only one of his slaves....

Uncle Toms Cabin. : Annotated

"Soon after the completion of his college course, his whole nature was kindled into one intense and passionate effervescence of romantic passion. His hour came,—the hour that comes only once; his star rose in the horizon,—that star that rises so often in vain, to be remembered only as a thing of dreams; and it rose for him in vain. To drop the figure,—he saw and won the love of a high-minded and beautiful woman, in one of the northern states, and they were affianced. He returned south to make arrangements for their marriage, when, most unexpectedly, his letters were returned to him by mail, with a short note from her guardian, stating to him that ere this reached him the lady would be the wife of another. Stung to madness, he vainly hoped, as many another has done, to fling the whole thing from his heart by one desperate effort. Too proud to supplicate or seek explanation, he threw himself at once into a whirl of fashionable society, and in a fortnight from the time of the fatal letter was the accepted lover of the reigning belle of the season; and as soon as arrangements could be made, he became the husband of a fine figure, a pair of bright dark eyes, and a hundred thousand dollars; and, of course, everybody thought him a happy fellow. The married couple were enjoying their honeymoon, and entertaining a brilliant circle of friends in their splendid villa, near Lake Pontchartrain, when, one day, a letter was brought to him in that well-remembered writing. It was handed to him while he was in full tide of gay and successful conversation, in a whole room-full of company. He turned deadly pale when he saw the writing, but still preserved his composure, and finished the playful warfare of badinage which he was at the moment carrying on with a lady opposite; and, a short time after, was missed from

the circle. In his room, alone, he opened and read the letter, now worse than idle and useless to be read. It was from her, giving a long account of a persecution to which she had been exposed by her guardian's family, to lead her to unite herself with their son: and she related how, for a long time, his letters had ceased to arrive; how she had written time and again, till she became weary and doubtful; how her health had failed under her anxieties, and how, at last, she had discovered the whole fraud which had been practised on them both. The letter ended with expressions of hope and thankfulness, and professions of undying affection, which were more bitter than death to the unhappy young man. He wrote to her immediately: I have received yours,--but too late. I believed all I heard. I was desperate. I am married, and all is over. Only forget,--it is all that remains for either of us." And thus ended the whole romance and ideal of life for Augustine St. Clare. But the real remained,--the real, like the flat, bare, oozy tide-mud, when the blue sparkling wave, with all its company of gliding boats and white-winged ships, its music of oars and chiming waters, has gone down, and there it lies, flat, slimy, bare,--exceedingly real. Of course, in a novel, people's hearts break, and they die, and that is the end of it; and in a story this is very convenient. But in real life we do not die when all that makes life bright dies to us."

Dred, a Tale of the Great Dismal Swamp (1856), by Harriet Beecher Stowe

Illustrated watered-down version of the classic 1852 novel which Stowe wrote as an angry response to the 1850 passage of the second Fugitive Slave Act, which punished those who aided runaway slaves and diminished the rights of fugitives as well as freed slaves. It was the best-selling novel of the 19th century (and the second best-selling book of the century after the Bible) and is credited with helping to fuel the abolitionist cause in the United States prior to the American Civil War. When Stowe met Abraham Lincoln in 1862 (during the Civil War), he reportedly greeted her with, "So you're the little woman who wrote the book that started this great war!"

Uncle Tom's Cabin (Collins Classics)

This book is a plantation fiction novel. It was a strong commercial success and bestseller. Based on her growing up in Warrenton, Virginia, of an elite planter family, Eastman portrays plantation owners and slaves as mutually respectful, kind, and happy beings.

A Key to Uncle Tom's Cabin

Written partly in response to the criticisms of "Uncle Tom's Cabin" by both white Southerners and black abolitionists, Stowe's second novel, "Dred," attempts to explore the issue of slavery from an African American perspective. Through the compelling stories of Nina Gordon, the mistress of a slave plantation, and Dred, a black revolutionary, Stowe brings to life conflicting beliefs about race, the institution of slavery, and the possibilities of violent resistance.

Josiah Henson (June 15, 1789 - May 5, 1883) was an author, abolitionist, and minister. Born into slavery in Charles County, Maryland, he escaped to Upper Canada (now Ontario) in 1830, and founded a settlement and laborer's school for other fugitive slaves at Dawn, near Dresden in Kent County. Henson's autobiography, *The Life of Josiah Henson, Formerly a Slave, Now an Inhabitant of Canada, as Narrated by Himself* (1849), is widely believed to have inspired the character of the fugitive slave, George Harris, in Harriet Beecher Stowe's *Uncle Tom's Cabin* (1852).

Brother, I'm Dying

From the best-selling author of *The Dew Breaker*, a major work of nonfiction: a powerful moving family story that centers around the men closest to her heart - her father, Mira, and his older brother, Joseph. From the age of four, Edwidge Danticat came to think of her uncle Joseph, a charismatic pastor, as her 'second father', when she was placed in his care after her parents left Haiti for a better life in America. Listening to his sermons, sharing coconut-flavored ices on their walks through town, roaming through the house that held together many members of a colorful extended family, Edwidge grew profoundly attached to Joseph. He was the man who 'knew all the verses for love'. And so she experiences a jumble of emotions when, at twelve, she joins her parents in New York City. She is at last reunited with her two youngest brothers, and with her mother and father, whom she has struggled to remember. But she must also leave behind Joseph and the only home she's ever known. Edwidge tells of making a new life in a new country while fearing for the safety of those still in Haiti as the political situation deteriorates. But *Brother I'm Dying* soon becomes a terrifying tale of good people caught up in events beyond their control. Late in 2004, his life threatened by an angry mob, forced to flee his church, the frail, eighty-one-year-old Joseph makes his way to Miami, where he thinks he will be safe. Instead, he is detained by U.S. Customs, held by the Department of Homeland Security, brutally imprisoned,

and dead within days. It was a story that made headlines around the world. His brother, Mira, will soon join him in death, but not before he holds hope in his arms: Edwidge's firstborn, who will bear his name - and the family's stories, both joyous and tragic - into the next generation. Told with tremendous feeling, this is a true-life epic on an intimate scale: a deeply affecting story of home and family - of two men's lives and deaths, and of a daughter's great love for them both.

The Bloomsbury Handbook to Edwidge Danticat

Edwidge Danticat's prolific body of work has established her as one of the most important voices in 21st-century literary culture. Across such novels as *Breath, Eyes, Memory*, *Farming the Bones* and short story collections such as *Krik? Krak!* and most recently *Everything Inside*, essays, and writing for children, the Haitian-American writer has throughout her oeuvre tackled important contemporary themes including racism, imperialism, anti-immigrant politics, and sexual violence. With chapters written by leading and emerging international scholars, this is the most up-to-date and in-depth reference guide to 21st-century scholarship on Edwidge Danticat's work. The Bloomsbury Handbook to Edwidge Danticat covers such topics as:

- The full range of Danticat's writing from her novels and short stories to essays, life writing and writing for children and young adults.
- Major interdisciplinary scholarly perspectives including from establishing fields of literary studies, Caribbean Studies Political Science, Latin American Studies, feminist and gender studies, African Diaspora Studies, and emerging fields such as Environmental Studies.
- Danticat's literary sources and influences from Haitian authors such as Marie Chauvet, Jacques Roumain and Jacques-Stéphen Alexis to African American authors like Zora Neale Hurston, Toni Morrison, and Caribbean American writers Audre Lorde to Paule Marshall.
- Known and unknown Historical moments in experiences of slavery and imperialism, the consequence of internal and external migration, and the formation of diasporic communities

The book also includes a comprehensive bibliography of Danticat's work and key works of secondary criticism, and an interview with the author, as well as and essays by Danticat herself.

Boats, Borders, and Bases

"Discussions on U.S. border enforcement have traditionally focused on the highly charged U.S.-Mexico boundary, inadvertently obscuring U.S.-Caribbean relations and the concerning asylum and detention policies unfolding there. *Boats, Borders, and Bases* offers the missing, racialized histories of the U.S. detention system and its relationship to the interception and detention of Haitian and Cuban migrants. It argues that the U.S. response to Cold War Caribbean migrations actually established the legal and institutional basis for contemporary migration and detention, and border-deterrent practices in the United States. This book promises to make a significant contribution to a truer understanding of the history and geography of the U.S. detention system overall."--Provided by publisher.

Faulkner and His Contemporaries

Although he spent the bulk of his life in Oxford, Mississippi-far removed from the intellectual centers of modernism and the writers who created it-William Faulkner (1897-1962) proved to be one of the American novelists who most comprehensively grasped modernism. In his fiction he tested its tenets in the most startling and insightful ways. What, then, did such contemporaries as Ernest Hemingway, Eudora Welty, and Walker Evans think of his work? How did his times affect and accept what he wrote? *Faulkner and His Contemporaries* explores the relationship between the Nobel laureate, ensconced in his "postage stamp of native soil," and the world of letters within which he created his masterpieces. In this anthology, essays focus on such topics as how Faulkner's literary antecedents (in particular, Willa Cather and Joseph Conrad) influenced his writing, his literary/aesthetic feud with rival Ernest Hemingway, and the common themes he shares with fellow southerners Welty and Evans. Several essays examine the environment in which Faulkner worked. Deborah Clarke concentrates on the rise of the automobile industry. W. Kenneth Holditch shows how the city of New Orleans acted as a major force in Faulkner's fiction, and Grace Elizabeth Hale examines how the civil rights era of Faulkner's later career compelled him to deal with his ideas about race and rebellion in new ways.

Family Trouble

Whenever a memoirist gives a reading, someone in the audience is sure to ask: How did your family react? Revisiting our pasts and exploring our experiences, we often reveal more of our nearest and dearest than they might prefer. This volume navigates the emotional and literary minefields that any writer of family stories or secrets must travel when depicting private lives for public consumption. Essays by twenty-five memoirists, including Faith Adiele, Alison Bechdel, Jill Christman, Judith Ortiz Cofer, Rigoberto González, Robin Hemley, Dinty W. Moore, Bich Minh Nguyen, and Mimi Schwartz, explore the fraught territory of family history told from one perspective, which, from another angle in the family drama, might appear quite different indeed. In her introduction to this book, Joy Castro, herself a memoirist, explores the ethical dilemmas of writing about family and offers practical strategies for this tricky but necessary subject. A sustained and eminently readable lesson in the craft of memoir, *Family Trouble* serves as a practical guide for writers to find their own version of the truth while still respecting family boundaries.

Fairy Tales in Contemporary American Culture

In the twenty-first century, American culture is experiencing a profound shift toward pluralism and secularization. In *Fairy Tales in Contemporary American Culture: How We Hate to Love Them*, Kate Koppy argues that the increasing popularity and presence of fairy tales within American culture is both indicative of and contributing to this shift. By analyzing contemporary fairy tale texts as both new versions in a particular tale type and as wholly new fairy-tale pastiches, Koppy shows that fairy tales have become a key part of American secular scripture, a corpus of shared stories that work to maintain a sense of community among diverse audiences in the United States, as much as biblical scripture and associated texts used to.

Exiles, Travellers and Vagabonds

Travel writing, migrant writing, exile writing, expatriate writing, and even the fictional travelling protagonists that emerge in literary works from around the globe, have historically tended to depict mobility as a masculine phenomenon. The presence of such genres in women's writing, however, poses a rich and unique body of work. This volume examines the texts of Francophone women who have experienced or reflected upon the experience of transnational movement. Due to the particularity of their relationship to home, and the consequent impact of this on their experience of displacement, the study of women's mobility opens up new questions in our understanding of the movement from place to place, and in our broader understanding of colonial and postcolonial worlds. Addressing the proximities and overlaps that exist between the experiences of women exiles, migrants, expatriates and travellers, the collected essays in this book seek to challenge the usefulness, relevance or validity of such terms for conceptualising today's complex patterns of transnational mobility and the gendered identities produced therein.

The Oxford Handbook of Cognitive Literary Studies

This title considers how the architecture that enables human cognitive processing interacts with cultural and historical contexts. Organised into five parts (Narrative, History, and Imagination; Emotions and Empathy; The New Unconscious; Empirical and Qualitative Studies of Literature; and Cognitive Theory and Literary Experience), the volume considers case studies from a wide range of historical periods and national literary traditions.

On Christian Dying

Is there an art of dying well? If human lives have a meaning—and we experience them as profoundly meaningful—then so must our deaths and the deaths of our loved ones. Too often we are tempted to ignore our own mortality and fill our lives with distracting and strenuous activity. Yet, despite all our efforts, death plays an inescapable role in shaping our lives. Whether due to ordinary circumstances, a life-threatening diagnosis, military service, or even religious or ethnic persecution, we are called at times to have the courage to accept the possibility of death. *On Christian Dying* gathers original texts from the great saints and teachers of the Christian tradition to present 2000 years of theological wisdom on death and dying. Editor Matthew Levering mines the best of classical thought with selections that offer both ancient and contemporary Christians as models for emulation. He includes writings from Ignatius of Antioch, St. Augustine, Thomas Aquinas, Catherine of Siena, Thomas More, John Henry Newman, and St. Therese of Lisieux, among others. This volume explores the questions: What is a

'good' death? How can we live life to prepare for it? What happens to those who have died? What is 'martyrdom'? How should a Christian understand death in light of Christ's cross? How are those who have died related to the living? Distinguished by its historical scope, accessible appeal for classroom and seminary use, and the spiritually profound accounts of Christian death and dying, *On Christian Dying* will be of value to anyone interested in the ultimate meanings of life or facing their own death or that of a loved one.

A Lesson Before Dying

NATIONAL BOOK CRITICS CIRCLE AWARD WINNER • A deep and compassionate novel about a young man who returns to 1940s Cajun country to visit a Black youth on death row for a crime he didn't commit. Together they come to understand the heroism of resisting. "An instant classic." —Chicago Tribune A "majestic, moving novel...an instant classic, a book that will be read, discussed and taught beyond the rest of our lives" (Chicago Tribune), from the critically acclaimed author of *A Gathering of Old Men* and *The Autobiography of Miss Jane Pittman*. "A Lesson Before Dying reconfirms Ernest J. Gaines's position as an important American writer." —Boston Globe "Enormously moving.... Gaines unerringly evokes the place and time about which he writes." —Los Angeles Times "A quietly moving novel [that] takes us back to a place we've been before to impart a lesson for living." —San Francisco Chronicle

Contemporary American Memoirs in Action

This book analyzes a collection of literary memoirs to demonstrate how this genre is an avenue for participation in public life. Writers are repurposing the memoir, a genre known for its personal and expressive function, to engage in debate and serve political goals. The chapters provide case studies for memoir as social action that effects change by looking at the writing of Joan Didion, John Edgar Wideman, James McBride, M. Elaine Mar, Janisse Ray, Lucy Grealy, and Ann Patchett. Drawing on theories of genre and agency, Danielewicz asserts how these writers are acting pragmatically. Memoirs contribute to democratic society by offering solutions, creating new knowledge, revealing social trends, bringing issues to light, creating empathy and connection, and changing public opinion.

Georges Woke Up Laughing

Combining history, autobiography, and ethnography, *Georges Woke Up Laughing* provides a portrait of the Haitian experience of migration to the United States that illuminates the phenomenon of long-distance nationalism, the voicelessness of certain citizens, and the impotency of government in an increasingly globalized world. By presenting lively ruminations on his life as a Haitian immigrant, Georges Eugene Fourn—along with Nina Glick Schiller, whose own family history stems from Poland and Russia—captures the daily struggles for survival that bind together those who emigrate and those who stay behind. According to a long-standing myth, once emigrants leave their homelands—particularly if they emigrate to the United States—they sever old nationalistic ties, assimilate, and happily live the American dream. In fact, many migrants remain intimately and integrally tied to their ancestral homeland, sometimes even after they become legal citizens of another country. In *Georges Woke Up Laughing* the authors reveal the realities and dilemmas that underlie the efforts of long-distance nationalists to redefine citizenship, race, nationality, and political loyalty. Through discussions of the history and economics that link the United States with countries around the world, Glick Schiller and Fourn highlight the forces that shape emigrants' experiences of government and citizenship and create a transborder citizenry. Arguing that governments of many countries today have almost no power to implement policies that will assist their citizens, the authors provide insights into the ongoing sociological, anthropological, and political effects of globalization. *Georges Woke up Laughing* will entertain and inform those who are concerned about the rights of people and the power of their governments within the globalizing economy. "In my dream I was young and in Haiti with my friends, laughing, joking, and having a wonderful time. I was walking down the main street of my hometown of Aux Cayes. The sun was shining, the streets were clean, and the port was bustling with ships. At first I was laughing because of the feeling of happiness that stayed with me, even after I woke up. I tried to explain my wonderful dream to my wife, Rolande. Then I laughed again but this time not from joy. I had been dreaming of a Haiti that never was."—from *Georges Woke Up Laughing*

Brothers and Strangers

Unprecedented in scope and detail, *Brothers and Strangers* is a vivid history of how the mythic Africa of the black American imagination ran into the realities of Africa the place. In the 1920s, Marcus Garvey—convinced that freedom from oppression was not possible for blacks in the Americas—led the last great African American emigrationist movement. His U.S.-based Universal Negro Improvement Association worked with the Liberian government to create a homeland for African Americans. Ibrahim Sundiata explores the paradox at the core of this project: Liberia, the chosen destination, was itself racked by class and ethnic divisions and—like other nations in colonial Africa—marred by labor abuse. In an account based on extensive archival research, including work in the Liberian National Archives, Sundiata explains how Garvey's plan collapsed when faced with opposition from the Liberian elite, opposition that belied his vision of a unified Black World. In 1930 the League of Nations investigated labor conditions and, damningly, the United States, land of lynching and Jim Crow, accused Liberia of promoting "conditions analogous to slavery." Subsequently various plans were put forward for a League Mandate or an American administration to put down slavery and "modernize" the country. Threatened with a loss of its independence, the Liberian government turned to its "brothers beyond the sea" for support. A varied group of white and black anti-imperialists, among them W. E. B. Du Bois, took up the country's cause. In revealing the struggle of conscience that bedeviled many in the black world in the past, Sundiata casts light on a human rights predicament which, he points out, continues in twenty-first-century African nations as disparate as Sudan, Mauritania, and the Ivory Coast.

A Heartbreaking Work of Staggering Genius

"I think this book is kind of malleable. I've never really wanted to put it away and be done with it forever -- the second I first 'finished' it, I wanted to dig back in and change everything around. So I'm looking forward to getting back into the text, and straightening and focusing and deleting. Most of all, I'm thrilled that Vintage will be letting me include all the cool chase scenes, previously censored." -- Dave Eggers
The literary sensation of the year, a book that redefines both family and narrative for the twenty-first century. *A Heartbreaking Work of Staggering Genius* is the moving memoir of a college senior who, in the space of five weeks, loses both of his parents to cancer and inherits his seven-year-old brother. Here is an exhilarating debut that manages to be simultaneously hilarious and wildly inventive as well as a deeply heartfelt story of the love that holds a family together. *A Heartbreaking Work of Staggering Genius* is an instant classic that will be read in paperback for decades to come. PAPERBACK EDITION -- 15% MORE STAGGERING - Eggers has written 15,000 additional words for the Vintage Canada edition, including an entirely new appendix.

Seven Brothers

This book builds upon recent theoretical approaches that define queerness as more of a temporal orientation than a sexual one to explore how Edgar Allan Poe's literary works were frequently invested in imagining lives that contemporary readers can understand as queer, as they stray outside of or aggressively reject normative life paths, including heterosexual romance, marriage, and reproduction, and emphasize individuals' present desires over future plans. The book's analysis of many of Poe's best-known works, including "The Raven," "The Fall of the House of Usher," "The Black Cat," "The

Masque of the Red Death," and "The Murders in the Rue Morgue," show that his attraction to the liberation of queerness is accompanied by demonstrations of extreme anxiety about the potentially terrifying consequences of non-normative choices. While Poe never resolved the conflicts in his thinking, this book argues that this compelling imaginative tension between queerness and temporal normativity is crucial to understanding his canon.

Claire goes missing the night her father agrees to give her up for adoption. Her mother died when she was born. In the tiny fishing town of Ville Rose, Haiti, she and her father are not the only ones to have experienced loss. As the poor townspeople search by moonlight for the seven-year-old girl, each remembers what death has stolen from their own lives: a forbidden love cut down by slum gangsters; a mother whose rare affluence could not save her child. In prose that shimmers with folkloric imagery, Danticat intertwines their stories to reveal a deep connection between locals of distinct classes and creeds. Her vision of modern Haiti makes the unknowable familiar; like the townspeople, the reader shares a common humanity - always caught between the darkness and the light.

"The Grand Inquisitor" is a significant and widely read chapter from Fyodor Dostoevsky's novel "The Brothers Karamazov." Dostoevsky's novel was first published in 1880. "The Grand Inquisitor" is a stand-alone section within the novel where Ivan Karamazov tells the story to his brother, Alyosha, of a Grand Inquisitor who questions and confronts Jesus Christ upon His return to Earth. In the story, the Grand Inquisitor represents the authority of the church and the state, while Jesus Christ represents spiritual and moral truth. The Grand Inquisitor's argument revolves around the idea that the church and state must control and limit individual freedom for the sake of the common people, who are not capable of handling true freedom. This section of the novel is often studied independently because it presents a thought-provoking exploration of religious, philosophical, and moral themes. Dostoevsky's work is celebrated for its deep and complex examinations of the human condition and the role of faith and morality in society. "The Grand Inquisitor" is a prime example of his ability to grapple with these profound questions.

Like Engels in south Lancashire, young Cole in North America yearns toward an ideogram of "classic perfection," "Arcadia." It was Cole, not Engels, who made the transition to a more mature view, dividing his energies, after 1844, between a radical new empiricism and an iconic transcendentalism that, together, implied an abandonment of the pseudoclassic Arcadia of adolescence."--Jacket.

According to an old story, a woman concealed her sex and ruled as pope for a few years in the ninth century. Pope Joan was not betrayed by a lover or discovered by an enemy; her downfall came when she went into labor during a papal procession through the streets of Rome. From the myth of Joan to the experiences of saints, nuns, and ordinary women, *The Oldest Vocation* brings to life both the richness and the troubling contradictions of Christian motherhood in medieval Europe. After tracing the roots of medieval ideologies of motherhood in early Christianity, Clarissa W. Atkinson reconstructs the physiological assumptions underlying medieval notions about women's bodies and reproduction; inherited from Greek science and popularized through the practice of midwifery, these assumptions helped shape common beliefs about what mothers were. She then describes the development of "spiritual motherhood" both as a concept emerging out of monastic ideologies in the early Middle Ages and as a reality in the lives of certain remarkable women. Atkinson explores the theological dimensions of medieval motherhood by discussing the cult of the Virgin Mary in twelfth-century art, story, and religious expression. She also offers a fascinating new perspective on the women saints of the later Middle Ages, many of whom were mothers; their lives and cults forged new relationships between maternity and holiness. *The Oldest Vocation* concludes where most histories of motherhood begin—in early modern Europe, when the family was institutionalized as a center of religious and social organization. Anyone interested in the status of motherhood, or in women's history, the cultural history of the Middle Ages, or the history of religion will want to read this book.
