The Lives of the Twelve Caesars Volume VI

"The Lives of the Twelve Caesars Volume VI" from Suetonius. Roman historian (70A.D.-130A.D.).

The Lives of the Twelve Caesars

The Twelve Caesars, is a set of twelve biographies of Julius Caesar and the first 11 emperors of the Roman Empire written by Gaius Suetonius Tranquillus. The work, written in AD 121 during the reign of the emperor Hadrian, was the most popular work of Suetonius, at that time Hadrian's personal secretary, and is the largest among his surviving writings. The Twelve Caesars is considered very significant in antiquity and remains a primary source on Roman history.

The Lives of the Twelve Caesars: Julius Caesar

As private secretary to the Emperor Hadrian, the scholar Suetonius had access to the imperial archives and used them (along with eyewitness accounts) to produce one of the most colourful biographical works in history. The Twelve Caesars chronicles the public careers and private lives of the men who wielded absolute power over Rome, from the foundation of the empire under Julius Caesar and Augustus, to the decline into depravity and civil war under Nero and the recovery that came with his successors. A masterpiece of observation, anecdote and detailed physical description, The Twelve Caesars presents us with a gallery of vividly drawn – and all too human – individuals.

The Twelve Caesars

The Lives of the Twelve Caesars, Volume 01: Julius Caesar, has been regarded as significant work throughout human history, and in order to ensure that this work is never lost, we have taken steps to ensure its preservation by republishing this book in a contemporary format for both current and future generations. This entire book has been retyped, redesigned, and reformatted. Since these books are not made from scanned copies, the text is readable and clear.

The Lives of the Twelve Caesars, Volume 01

C. Suetonius Tranquillus was the son of a Roman knight who commanded a legion, on the side of Otho, at the battle which decided the fate of the empire in favour of Vitellius. From incidental notices in the following History, we learn that he was born towards the close of the reign of Vespasian, who died in the year 79 of the Christian era. He lived till the time of Hadrian, under whose administration he filled the office of secretary; until, with several others, he was dismissed for presuming on familiarities with the empress Sabina, of which we have no further account than that they were unbecoming his position in the imperial court.

The Lives of the Twelve Caesars, Volume 01

"The Lives of the Twelve Caesars Volume I" from Suetonius. Roman historian (70A.D.-130A.D.).

The Lives of the Twelve Caesars Volume I

The Lives of the Twelve Caesars, Volume 06: Nero, has been regarded as significant work throughout human history, and in order to ensure that this work is never lost, we have taken steps to ensure its preservation by republishing this book in a contemporary format for both current and future generations. This entire book has been retyped, redesigned, and reformatted. Since these books are not made from scanned copies, the text is readable and clear.

The Lives of the Twelve Caesars, Volume 10

C. Suetonius Tranquillus was the son of a Roman knight who commanded a legion, on the side of Otho, at the battle which decided the fate of the empire in favour of Vitellius. From incidental notices in the following History, we learn that he was born towards the close of the reign of Vespasian, who died in the year 79 of the Christian era. He lived till the time of Hadrian, under whose administration he filled the office of secretary; until, with several others, he was dismissed for presuming on familiarities with the empress Sabina, of which we have no further account than that they were unbecoming his position in the imperial court. How long he survived this disgrace, which appears to have befallen him in the year 121, we are not informed; but we find that the leisure afforded him by his retirement, was employed in the composition of numerous works, of which the only portions now extant are collected in the present volume.

The Lives of the Twelve Caesars, Volume 04

The Twelve Caesars, is a set of twelve biographies of Julius Caesar and the first 11 emperors of the Roman Empire written by Gaius Suetonius Tranquillus. The work, written in AD 121 during the reign of the emperor Hadrian, was the most popular work of Suetonius, at that time Hadrian's personal secretary, and is the largest among his surviving writings. The Twelve Caesars is considered very significant in antiquity and remains a primary source on Roman history.

The Lives of the Twelve Caesars

One of the most controversial of all works to survive from ancient Rome, the Augustan History is our main source of information about the Roman emperors from 117 to 284 AD. Written in the late fourth century by an anonymous author, it is an enigmatic combination of truth, invention and humour. This volume contains the first half of the History, and includes biographies of every emperor from Hadrian to Heliogabalus - among them the godlike Marcus Antonius and his grotesquely corrupt son Commodus. The History contains many fictitious (but highly entertaining) anecdotes about the depravity of the emperors, as the author blends historical fact and faked documents to present our most complete - albeit unreliable - account of the later Roman Caesars.

The Twelve Caesars

The Lives of the Twelve Caesars, Volume 02: Augustus, has been regarded as significant work throughout human history, and in order to ensure that this work is never lost, we have taken steps to

ensure its preservation by republishing this book in a contemporary format for both current and future generations. This entire book has been retyped, redesigned, and reformatted. Since these books are not made from scanned copies, the text is readable and clear.

The Lives of the Twelve Caesars, Volume 03: Tiberius

The Lives of the Twelve Caesars, Volume 09: Vitellius, has been regarded as significant work throughout human history, and in order to ensure that this work is never lost, we have taken steps to ensure its preservation by republishing this book in a contemporary format for both current and future generations. This entire book has been retyped, redesigned, and reformatted. Since these books are not made from scanned copies, the text is readable and clear.
