

Oblomov Russian Edition

[#Oblomov](#) [#Ivan Goncharov](#) [#Russian literature](#) [#classic Russian novel](#) [#literary inertia](#)

Explore Ivan Goncharov's iconic 'Oblomov,' a cornerstone of Russian literature offering a deep dive into the concept of 'Oblomovism' – a state of profound inertia and apathy. This classic novel masterfully critiques 19th-century Russian society and the human condition, making it essential reading for understanding the era's social dynamics, psychological introspection, and the enduring struggle against stagnation. Discover why this tale of idleness and unfulfilled potential remains remarkably relevant.

Oblomov (Russian Edition)

Oblomov is the second novel of Ivan Goncharov, and is presented here complete in its original Russian. Published in 1859 at a time when Russia was becoming more sceptical of the abilities of its ruling classes, Oblomov is a staunch satire of the nobility and their inadequacies. The titular main character is fraught with inertia, being incapable of doing anything or going anywhere: indeed, the first fifty pages of the book only see him traverse from his bed to his bedroom chair. Renowned for questioning the nature of Russian nationality and personality, Oblomov has a unique place in Russian literature and remains studied by scholars within and outside the country. At first the novel appears to be narrated neutrally - however, as Oblomov's character and incapacity to act become clear, the narrator increasingly judges and criticises characters such as members of Oblomov's wider family for their overprotective tendencies. This edition of the text is complete and unabridged, with the original Russian preserved identically to the original publication.

Oblomov (Special Edition)

Oblomov is the best known novel by Russian writer Ivan Goncharov, first published in 1859. Oblomov is also the central character of the novel, often seen as the ultimate incarnation of the superfluous man, a symbolic character in 19th-century Russian literature. Oblomov was compared to Shakespeare's Hamlet as answering 'No!' to the question "To be or not to be?" Oblomov is a young, generous nobleman who seems incapable of making important decisions or undertaking any significant actions. Throughout the novel he rarely leaves his room or bed. The book was considered a satire of Russian nobility whose social and economic function was increasingly in question in mid-nineteenth century Russia.

Oblomov

Ilya Ilyich Oblomov is the central character of the novel, portrayed as the ultimate incarnation of the superfluous man, a symbolic character in 19th-century Russian literature. Oblomov is a young, generous nobleman who seems incapable of making important decisions or undertaking any significant

actions. Throughout the novel he rarely leaves his room or bed. The book was considered a satire of Russian intelligentsia. The novel was popular when it came out, and some of its characters and devices have imprinted on Russian culture and language.

Oblomov

Oblomov is the second novel by Russian writer Ivan Goncharov, first published in 1859. Ilya Ilyich Oblomov is the central character of the novel, portrayed as the ultimate incarnation of the superfluous man, a symbolic character in 19th-century Russian literature. Oblomov is a young, generous nobleman who seems incapable of making important decisions or undertaking any significant actions. Throughout the novel he rarely leaves his room or bed. In the first 50 pages, he manages only to move from his bed to a chair. The book was considered a satire of Russian intelligentsia. This Ultimate Book Club edition also includes footnotes and discussion questions for the perfect book club gathering. This modern minimalist design will look sleek on a coffee table or bookshelf and a great way to get your classic novel collection started.

Oblomov

Written with sympathetic humor and compassion, this masterful portrait of upper-class decline made Ivan Goncharov famous throughout Russia on its publication in 1859. Ilya Ilyich Oblomov is a member of Russia's dying aristocracy—a man so lazy that he has given up his job in the Civil Service, neglected his books, insulted his friends, and found himself in debt. Too apathetic to do anything about his problems, he lives in a grubby, crumbling apartment, waited on by Zakhar, his equally idle servant. Terrified by the activity necessary to participate in the real world, Oblomov manages to avoid work, postpones change, and—finally—risks losing the love of his life.

Oblomov—Classic Edition(Annotated)

Oblomov is the second novel by Russian writer Ivan Goncharov, first published in 1859. Ilya Ilyich Oblomov is the central character of the novel, portrayed as the ultimate incarnation of the superfluous man, a symbolic character in 19th-century Russian literature.

Oblomov

Set at the beginning of the nineteenth century, before the ideal of industrious modern man, when idleness was still looked upon by Russia's serf-owning rural gentry as a plausible and worthy goal, there was Oblomov. Indolent, inattentive, incurious, given to daydreaming and procrastination—indeed, given to any excuse to remain horizontal—Oblomov is hardly the stuff of heroes. Yet, he is impossible not to admire. He is forgiven for his weakness and beloved for his shining soul. Ivan Goncharov's masterpiece is not just ingenious social satire, but also a sharp criticism of nineteenth-century Russian society. Translator Marian Schwartz breathes new life into Goncharov's voice in this first translation from the generally recognized definitive edition of the Russian original, and the first as well to attempt to replicate in English Goncharov's wry humor and all-embracing humanity, chosen by *Slate* as one of the Best Books of 2008.

Oblomov and his Creator

Goncharov's novels have been popular in Russia since their publication, and Oblomov, the central character of his most famous novel, has become the prototype of a fat and lazy man. Milton Ehre offers new interpretations of the complex personality of Goncharov and shows how in many ways Oblomov was a self-portrait of his creator. The introductory chapter neither idealizes Goncharov nor glosses over his weaknesses but shows a sensitive understanding of this major nineteenth-century Russian writer. The author goes beyond the standard critical clichés about Goncharov to a contemporary reading of his entire artistic production. Proceeding from the assumption that meanings in art are intimately related to forms, he discusses Goncharov's works with close attention to style, structure, and distinctions of genre, to arrive at an understanding of Goncharov's themes and his view of experience. Milton Ehre's extensive knowledge of the Russian literature on Goncharov and his own literary sensitivity combine to provide a new understanding of Goncharov and his novels. Originally published in 1974. The Princeton Legacy Library uses the latest print-on-demand technology to again make available previously out-of-print books from the distinguished backlist of Princeton University Press. These editions preserve the original texts of these important books while presenting them in durable paperback and hardcover editions. The

goal of the Princeton Legacy Library is to vastly increase access to the rich scholarly heritage found in the thousands of books published by Princeton University Press since its founding in 1905.

The book was considered a satire of Russian nobility whose social and economic function was increasingly in question in mid-nineteenth century Russia.

Oblomov

Ilya Ilyitch Oblomov is a Russian landowner brought up to do nothing. As a child he was pampered by his parents, even to the point where a valet put on and took off his shoes and stockings for him. The elder Oblomovs lived a bovine existence. Their land, maintained by three hundred serfs, provided them with plenty of money. Their days were taken up with eating and sleeping; they did nothing until an absolute necessity arose.

Oblomov

OBLOMOV'S DREAM: In the dining room -- a room at once elegant and simply appointed -- a cheerful fire was glowing, and Zakhar, now promoted to the dignity of a major-domo, and adorned with whiskers turned wholly grey, was laying a large, round table to a pleasant accompanying tinkle of crystal and silver as he arranged, here a decanter and there a fork. Presently the dreamer saw his wife and himself sit down to a bountiful supper. Yes, and with them was Schtoltz, the comrade of his youth, his unchanging friend, with other well-known faces. Lastly, he could see the inmates of the house retiring to rest. . . . Oblomov's features blushed with delight at the vision. So clear, so vivid, so poetical was it all that for a moment he lay with his face buried in the sofa cushions. Suddenly there had come upon him a dim longing for love and quiet happiness; suddenly he had become athirst for the fields and the hills of his native place, for his home, for a wife, for children. . . .

The book was considered a satire of Russian nobility whose social and economic function was increasingly in question in mid-nineteenth century Russia.

Oblomov

AN EVERYMAN'S LIBRARY HARDCOVER CLASSIC. Ivan Goncharov's 1859 masterpiece—a magnificent farce about a gentleman who spends the better part of his life in bed—brilliantly employs humor to explore the absurdities and injustices of an outmoded social order. Ilya Ilyich Oblomov is

a good-hearted nobleman whose majestic slothfulness renders him incapable of making decisions or taking the simplest of actions. Raised in idyllic comfort on his family's country estate, he has become so lazy as an adult that he lets his affairs deteriorate and allows unscrupulous people to take advantage of his weakness and good nature. Living in a shabby apartment and tended by his indolent serf, Zahar, he relies on the efforts of his increasingly exasperated friend Stolz to protect him from himself. Falling in love briefly rouses Oblomov to exert himself in courting Olga, a young woman Stoltz introduces him to, but his astonishing lethargy eventually defeats even their romance. Wildly successful upon its publication, Oblomov was taken as a slyly subversive indictment of the uselessness and corruption of the nobility, but the character of Goncharov's superfluous man is rendered in such vivid detail and epic richness that it transcends satire and achieves iconic status, earning a place among the masterworks of Russian literature. Translated by Natalie Duddington (Book Jacket Status: Not Jacketed).

Oblomov

Oblomov, novel by Russian writer Ivan Goncharov, published in 1859. The work is a powerful critique of 19th-century Russia, contrasting aristocrats with the merchant class and condemning the feudal system. Its hero, Oblomov, is a generous but indecisive young nobleman who loses the woman he loves

to a vigorous, pragmatic friend. A perpetual daydreamer, he lives his life in his mind and spends his time in bed. From this character derives the Russian term *oblomovshchina*, epitomizing the backwardness, inertia, and futility of 19th-century Russian society.

Oblomov

Oblomov is the best known novel by Russian writer Ivan Goncharov, first published in 1859. Oblomov by Ivan Alexandrovich Goncharov

"Oblomov" de Ivan Gontcharov. Ecrivain russe (1812-1891).

Oblomov (Illustrated)

Abridged Version]"Oblomov" is one of the greatest Russian classics. It constitutes a study of a perfectly new type in Russian fiction of a man who, though plunged in a slough of apathy from which nothing can arouse him, is yet a man of fine and noble instincts. What he utterly lacks and is ruined by, is his total lack of will-power. Mr. Maurice Baring says: "In Oblomov Goncharov created a type which has become immortal, and Oblomov has passed into the Russian tongue, just as Tartuffe has passed into the French language, or Pecksniff into the English tongue."

Oblomov

Oblomov, novel by Russian writer Ivan Goncharov, published in 1859. The work is a powerful critique of 19th-century Russia, contrasting aristocrats with the merchant class and condemning the feudal system.

This book is a result of an effort made by us towards making a contribution to the preservation and repair of original classic literature. In an attempt to preserve, improve and recreate the original content,

we have worked towards: 1. Type-setting & Reformatting: The complete work has been re-designed via professional layout, formatting and type-setting tools to re-create the same edition with rich typography, graphics, high quality images, and table elements, giving our readers the feel of holding a 'fresh and newly' reprinted and/or revised edition, as opposed to other scanned & printed (Optical Character Recognition - OCR) reproductions. 2. Correction of imperfections: As the work was re-created from the scratch, therefore, it was vetted to rectify certain conventional norms with regard to typographical mistakes, hyphenations, punctuations, blurred images, missing content/pages, and/or other related subject matters, upon our consideration. Every attempt was made to rectify the imperfections related to omitted constructs in the original edition via other references. However, a few of such imperfections which could not be rectified due to intentional\unintentional omission of content in the original edition, were inherited and preserved from the original work to maintain the authenticity and construct, relevant to the work. We believe that this work holds historical, cultural and/or intellectual importance in the literary works community, therefore despite the oddities, we accounted the work for print as a part of our continuing effort towards preservation of literary work and our contribution towards the development of the society as a whole, driven by our beliefs. We are grateful to our readers for putting their faith in us and accepting our imperfections with regard to preservation of the historical content. HAPPY READING!

Oblomov

Oblomov is the central character of the novel, often seen as the ultimate incarnation of the superfluous man, a symbolic character in 19th-century Russian literature. Oblomov was compared to Shakespeare's Hamlet as answering 'No!' to the question "To be or not to be?" Oblomov is a young, generous nobleman who seems incapable of making important decisions or undertaking any significant actions. Throughout the novel he rarely leaves his room or bed and famously fails to leave his bed for the first 150 pages of the novel. The book was considered a satire of Russian nobility whose social and economic function was increasingly in question in mid-nineteenth century Russia.

Oblomov

Oblomov is the second novel by Russian author Ivan Goncharov, initially distributed in 1859. Ilya Ilych Oblomov is the main character of the novel, depicted as a definitive incarnation of a pointless man, a typical character in nineteenth century Russian writing. Oblomov is a youthful, liberal aristocrat who appears to be unequipped for settling on critical choices or undertaking any noteworthy activities. All through the novel he seldom leaves his room or bed. In the initial 50 pages, he oversees just to move from his bed to a chair. The book was considered, by modern critics, a parody of Russian respectability whose social and monetary capacity was progressively addressed in mid-nineteenth century Russia. It has been often noted that no other novel has been utilized to portray the intangible "Russian mindset" or "Russian soul" as much as Oblomov. The novel was famous when it initially published as some of its characters and devices have engrained on on the Russian culture and dialect

Oblomov

"Set at the beginning of the nineteenth century, when idleness was still looked upon by Russia's serf-owning rural gentry as a plausible and worthy goal, Ivan Goncharov's Oblomov follows the travails of an unlikely hero, a young aristocrat incapable of making a decision. Indolent, inattentive, incurious, given to daydreaming and procrastination, Oblomov clearly predates the ideal of the industrious modern man, yet he is impossible not to admire through Goncharov's masterful prose.

Oblomov

Written with sympathetic humor and compassion, this masterful portrait of upper-class decline made Ivan Goncharov famous throughout Russia on its publication in 1859. Ilya Ilyich Oblomov is a member of Russia's dying aristocracy-a man so lazy that he has given up his job in the Civil Service, neglected his books, insulted his friends, and found himself in debt. Too apathetic to do anything about his problems, he lives in a grubby, crumbling apartment, waited on by Zakhar, his equally idle servant. Terrified by the activity necessary to participate in the real world, Oblomov manages to avoid work, postpones change, and-finally-risks losing the love of his life.
