Healing Hands

Healing Hands is a part of my life story how I was able to overcome the challenges that I've faced as child and up into adulthood. Growth is a natural process of life but if the foundation is not set right, your growth can be impaired. Parental separation; family disintegration; verbal, mental, and physical abuse; sexual molestation; abandonment; hunger; false accusations; feeling rejected; low self-esteem; depression; marital problems; betrayal; anger; bitterness; and resentment, but yet, desperation for change drove me into the arms of God's loving embrace where I found a sense of meaning, purpose for living, healing, and the ability to forgive by exchanging my will for God's will for my life. Our gifts, talents, and abilities do not always come wrapped in pretty packages but sometimes hidden and then revealed through the seemingly harsh experiences of life. Like Joseph in the Bible, you may suffer at the hands of your own family members and experience some very dark times of your life or by the heavy hands of cruel taskmasters who would want to whip you into subjection or by a Potiphar's wife who would try to rip your robe of righteousness off of you because of their own ignorance of who they are, who and whose

you are, and of the will and plans of God for your life. But they can only give to you what they possess and that is their pain. It is written in Romans 8:20 (KJV), "And we know, that all things work together for good to them that love God, to them who are called according to his purpose." There is purpose in your pain. There is testimony and message in your test and mess. There is a crown for your cross and there is compassion for the poor and sick soul. My prayer is that you will experience a sense of peace and healing as you read Healing Hands.

The and Healing Hand of God

God's Healing Hands by Evelyn Winfield God's Healing Hands follows the life of the author, Minister Evelyn Winfield, through her abusive childhood filled with harmful relationships. Because of unresolved issues like rejection and self-hatred, it was difficult for her to see herself as someone worthy of love. However, after she accepted Christ into her heart, He transformed her. He cleaned her mind and helped her to see herself as valuable. The author wants to help others to see themselves as valuable and inspire hope in their lives through God's Healing Hands. She hopes that her story will help others to begin to dream again and know that they can succeed in life.

God's Healing Hands

In the masterful chronicle of The Healing Hand of God, Shirley Kirwan aptly compresses her six-month critical illness into a few pages of faith-affirming reading. The book synthesises the certainty of bible promises with her practical extra-biblical deliverance from the cold arms of death, by God's mighty hand. The authenticity of this personal testimony is corroborated by eyewitness accounts and medical interventions, showing cumulatively, that while her physical heart was at its weakest, her spiritual heart was at its strongest. This testimony has the ability to strengthen the grip of believers in Christ, awaken the conscience of skeptics and cynics and, for the confused struggling in the valley of indecision, be a firm stepping stone for ascent to a mountain-top experience with a miracle-working God. I recommend this book as a powerful and timely resource for all those desiring to have a closer walk with God.

His Healing Hands

"The Healing Hands of God" was inspired by the power of prayer and divine healing from the Bible. God has allowed us the privilege of speaking directly to Him through prayer, the most powerful force in the universe. As children of God, Jesus gave us the power to heal through prayer.

The Healing Hands of God

Archangel Michael taught interactive healing to author Rekha Vidyarthi; through this technique, she has assisted the healing process in people for sixteen years. Michael said to her "You need to heal yourself in order to heal others." Written with Jesus's guidance, Healing Hands of Jesus illustrates how you can choose to change the karmic things and past lives that are happening right now. Angels heal many lives at once by healing one personality and integrating one fragment at a time into the higher self, shortening the incarnation of a troubled past and present. Every experience in life is created by unconscious thoughts. Your outer situation triggers your innermost emotions and feelings. The mind requires answers in order to change one's perspective. Because most answers lie either in childhood or in a past life, it is necessary to look within. The angels trigger our memories to identify the connection, which is when healing begins. Such things as parental imprinting, family karma, ego, anger, fear, guilt, sadness, depression, or learned behavior perpetuate from one life to the next. These issues repeat themselves through many lives until we learn how to heal the issues. Healing Hands of Jesus explains that we must ask forgiveness for the negative things that are happening to us now in order to heal ourselves.

THE EYE: God's Healing Hand Unveiling Our Spirit is an inspiring, motivating, and educating Christian Book.

The Eye

At eight years old, I went to live with my grandparents in Mullins, South Carolina. My grandmother's name was Rachel, and she was a woman full of love. It seemed as though God chose her to be that special, spirit-filled woman for the world to love, to those that knew her. I remember being burned; my grandmother called me over to her, and she began to mumble some words to herself. A few minutes later, the burned feeling had completely left. There were no blisters whatsoever. I asked her, "Will you teach me how to do that? How did you do that?" She said to me, "It's a secret gift from God." I felt hurt, and my grandmother said, "Cheer up, one day I'll tell you." I thought that day would never come. A few months later, my grandmother took sick and called me to her bedside. She said, "Do you remember the day you wanted me to tell you about the healing gift God gave to me? To be able to pray and talk secretly whenever someone had gotten burned and heal them?" "Yes, Grandma," I said. She then began to tell me a few words. She also said to me, "Promise me that you will never tell anyone." I made her a promise that I would not tell anyone. She had spoken a few words, closed her eyes, and passed on.

Healing Hands

1922. The Healing Hand presents the basic principles of the Law of Life and the lessons that life teaches. There are three desirable impulses in each life seeking opportunity for expression. They are health, happiness and prosperity. The text also teaches the principles of healing through the threefold method of: suggestion through the hand; suggestion through the spoken word and written word; and suggestion through telepathy, as explained in the home method of healing. There is also an extensive discussion of the primary and fundamental principles of the laws of mental healing based upon the actual experience of the author, Professor Weltmer, which is intended to give the reader

adequate information to understand himself and to prepare him for the practical study of the principles of Suggestotherapy.

The Healing Hand of God

I dedicate this book to dysfunctional families, and to addictions, and to abuse. I wrote this book to be able to help someone to give them courage, in their time of need, that have found there self-walking in despair. And to let you know there is a God, that will never forsake you or leave you. There is a passage in the bible Matthew 11:28-29-30. {"Come to me, all you who are weary and burdened, and I will give you rest." {"Take my yoke upon you and learn from me, for I am gentle and humble in heart, and you will find rest for your souls, for my yoke is easy and my burden is light."} Therefore, I dedicate this book to all dysfunction events that has arrived in your life, and you can find help in your time of need. When I look back on my life, I give the glory to God, as I dedicate my life to God, for he has brought me, back from the gates of hell. As you read this book you will see the healing hands of God, that show me his love, and show me how to forgive myself, and to love who I became in Christ Jesus. As you read this book you will see the hurt, the sadness, and the joy, that has arrived from different events in my life. To whom I am today. I am proud, that I am a woman of God. I thank God that he has healed this broking vessel, God give me my life back. May this book bless your life, as we, bring our life to Christ you will find rest, and the blessing that he has for you and me.

Prayers for Healing

This book is written with the one big purpose of being helpful to everyone who reads it. Whether this reading is only for a few moments to merely glance at its pages or to read it consecutively chapter after chapter; it has in it, in every line of it, a statement of fact learned from every day life. It will teach the avid reader the principles of healing through the three-fold method of: suggestion through the hand; suggestion through the spoken and written word; suggestion through telepathy, as explained in the home method of healing.

The Healing Hand of God

A true story of childhood sexual abuse, redemption, and healing Recent statistics show 1 in 4 girls are sexually abused before the age of 18 and more than 90% of abusers are people the girls know, love, or trust. In Sarah's heartfelt and sincere testimony, she shares her childhood traumas and how God radically healed her in her young adult years. Sarah's story is a message of hope, depicting specific encounters with the Lord that took place in Sheffield, England. You will be amazed as you read of her healing and reminded what Numbers 23:19 says about the Lord, "God is not a man that He should lie. He promises and fulfills." Sarah experienced the fullness of God's healing and wrote about it in this remarkable and insightful testimony. "My hat is off to Sarah for this thought-provoking treatise that exposes the works of darkness often inherent with sexual abuse. Having experienced her own breakthrough under God's anointing, Sarah's vulnerability in discussing personal strongholds validates the message. "The Healing Hand of God" serves as a quick primer for victims of abuse regarding the types of opposition they may encounter in their pursuit of freedom." -Dave Hinman, DOVE Administrator/Pastoral Elder "An expertly written, descriptive account of the enemy's tactics to render believers hopeless. Sarah's testimony of healing, redemption, and freedom illuminates the Holy Spirit's power available to believers today. A must read for all who are called friends of God." -Steve Fricke, DOVE Church/Senior Elder SARAH MILLER-STAVER, daughter of a Lutheran pastor and native of Ohio, lives near Dayton, Ohio with her husband Curt, daughter Aurora, and son Kaegan. She is a Board-Certified Music Therapist and sings with her church's contemporary praise team. Sarah has also written and recorded her own worship music along with children's songs. The writing of this book is Sarah's response to her calling as a child of God to share about His healing power and prolonged healing through His spiritual insight.
