Opening to Your Intuition and Psychic Sensitivity - Book Three

The Level Three Classes of working with your psychic energies or sixth sense bring you into a new area of Spiritual awareness; that of raising your vibration, while letting go of fears, phobias, and addictions. Your inner belief system creates energetic responses to all events that occur around you. This energy brings the result of either uncertainty or strength. Learn the different areas of vibration that can affect your entire body as well as your Spiritual Body System. Work with your Akashic Records and Cellular Memory, while raising your Energetic Blueprint (through the 9th Chakra). Begin to magnetically attract people, events, and situations that reflect the real you and fulfill your life destiny. Learn that you can actualize what you visualize and the art of creating a positive lifestyle. Know that your Soul Mate is already within you. Past generations have left an impact in your cellular structure which you can access to enhance your life. As Rumi said - "True lovers don't just meet somewhere, they're in each other, all along." You will work with the new 5th Dimension frequencies, past, present, and future lives, your personal Guides and Angels, the new Spiritual Chakras and Divine Seals, and the powerful Circle of Light. There are many magical benefits when you commit to your Spiritual advancement. Book Three throws a Light on how to raise your vibration, manifest your desires, attract your Soul Mate, work with your Akashic Records, and create the fulfilled, balanced, and joyful life you deserve.

Opening to Your Intuition and Psychic Sensitivity

The second level of Spiritual Classes and Opening to your Intuition, taught by Elizabeth Joyce. In these pages we will look at the higher energies. Book One introduced us to Metaphysics, the invisible energies and their initial use. Book Two brings in the ways to work with these energies, once you have built your body and spiritual strength up to be able to work with these forces safely. You will work with the basics of: Astrology, past, present, and future lives, setting a condition, creating a positive outcome, going out-of-body, and learn how to manifest as well as receive messages and direction from your guides, angels, and Masters from the other side. There are many benefits of talking to our departed on the Other Side, while sitting at a Séance. You will gain the knowledge and awareness of how the cycle of life works, and be able to continue on your personal path, while maintaining good physical, mental-emotional, and spiritual health; the Housework of the Soul.

Empath and Psychic Abilities

Psychic power is an ability to perceive, that which is beyond the normal human senses and through extrasensory perception. Humans have five senses: sight, smell, taste, sound, and touch. Although some call psychic abilities the sixth sense, people with psychic abilities generally have over-exaggerated human senses. An empath is a person with the special gift of perceiving the emotions and feelings of other people as though they were their own without even trying. They are naturally tuned in to the energies floating around them. If an empath walks into a room and sits next to a person who's quietly mourning, the empath will pick up on the sorrow and experience it as though it were their own. An empath who lacks awareness of their gift can be deeply conflicted, as they cannot tell apart their own feelings from those of others. Humans are born with psychic senses or psychic power but because this ability is not encouraged to grow, people tend to forget about it. Those who continue to pursue this power tap into it mostly when they grow up and begin looking into their spirituality or when they have a desire to connect with a higher being. A number of people can experience their psychic abilities on a day-to-day basis. Others cannot comprehend the weird senses they get while others chose to give psychic power other names such as intuition or gut feeling. If life is a resume, then psychic abilities can be considered valuable points in it. Even so, it's not their existence that makes them important, but the fact that you can help other people by using them. It is like having a beautiful horse, one of a kind, but savage, that can't be ridden. That horse becomes truly special when you succeed in domesticating it and start using it for your purposes. The goal of this book is simple To help you understand the empathic nature much better and give you clear-cut techniques on how to shield your energy from harsh environments and also begin realizing your psychic potential and become confident and empowered as you journey into the world of psychic power. Other things You will also learn in the book include: - How to Develop your psychic abilities - Aura Reading - Spirit Guides - What is an empath and how to recognize it? - How to recognize if you are an empath - Understanding the potentials of your energy and abilities - How to stop absorbing stress and draining of energy - Get into intimate relationships - How to find the right work that feeds you - The ways of developing yourself as an empath And more than 3 hours of guided meditation for you!

EMPATH AND PSYCHIC ABILITIES

Where does psychic power originate from? What are the various kinds of psychic abilities? What exactly does it mean to be empathic? Most individuals have no clue how to distinguish between various psychic abilities because of the swirl of myths, misunderstandings, and general uncertainty surrounding psychic activity and parapsychology. Hang on a minute, you say, I had no idea there were so many distinct kinds! You're in the same boat as the vast majority of people who have a rudimentary grasp of psychic activity and reading. The average population is unaware that it is not all psychic phone readings and tarot cards; there are clear differences between everything from the apparent (telepathy and tarot reading) to the unexpected (clairsentience, clairvoyance, and clairsaudience). Extrasensory perception, foresight, and a "sixth sense" may all be lumped together under the umbrella phrase "psychic aptitude." However, where does psychic power originate? No one, not even psychic readers, knows for sure. Ones who proclaim to have psychic abilities express a feeling of "having it" without knowing how it came to be. Most people claim it's just part of their normal awareness and that they "know" or "feel" things before, while, or after they happen, while not describing how. Even though parapsychology has been extensively questioned, examined, and stigmatized, the reality is that there is just as much evidence for it as against it. Empathy is a sentiment, or a state of being that enables one individual to connect with another individual emotionally and intellectually. It refers to the ability to "place oneself in another's shoes" to better This may aid in developing personal and professional connections alike. Someone who empathizes more than an ordinary person is known as an empath. When gazing at another individual's face, these individuals are generally more accurate in detecting emotions. They are also much more prone than other individuals to identify emotions sooner and evaluate them as more powerful. Individuals who score high on the interpersonal reactivity index's perspective-taking and empathetic concern scale are more likely to be empathic. Several indicators indicate that someone might be an empath, and scientists have discovered some biological reasons for these characteristics. This guide will discuss the following: · Psychic Abilities And Their Types · Intuition And The Clair Senses · Dream Interpretations And What Is Causing Your Dreams to Be So Vivid? · Mystical Powers And Obstacles To Your Intuitions · What Are Auras And What Should You Consider While Reading An Aura?

· Spirit Guides, Types, And How To Connect With Them · Meditation And Tips To Boost Your Intuition · Empaths And Empathic Traits · Spiritual Direction For The Highly Sensitive Person · Energy Clearing: Know What Matters · Strategies To Open Your Third Eye And Obstacles To Self-Mastery And much more! How to Open Your Third Eye and Develop Psychic Abilities

Have you ever acted on a hunch and achieved great results? Have you ever not followed an instinct to do something, and then regretted it later? Have you ever done something and achieved great success, only to later realize that you have no idea why you did this? Have you ever said to yourself, "If only I had trusted my intuition."? If yes, you know what the third eye is all about. Your third eye is the center of your intuition. This is where you get hints about what is right and what is wrong. "I don't know why, but I just don't trust that guy"; statements like these indicate that your third eye is telling you something that you wouldn't know otherwise. It is telling you not to trust a person. It is trying to protect you from hurt, pain, and loss. Ignore it and you find yourself regretting that decision. "I should have trusted my instinct and not trusted that guy." Yes, your third eye warns you that something is amiss. Your third eye encourages you to take that step because it knows that it is going to make your life better and happier. Your third eye knows it all, even if you don't know yourself. But that's not all; you can further develop your third eye and refine your intuitive skills. You can learn to listen to what your inner self is telling you. You can learn to trust your third eye and follow its indications with confidence. This is the purpose of this short book. Its purpose is to introduce you to the concept of third eye. It intends to introduce you to the power of your intuition. The book intends to let you know about the concept of the third eye and how it developed through history. It intends to make you realize the benefits you can achieve through developing your intuition and psychic abilities. It intends to teach a few simple techniques that you can use yourself to develop your third eye and bring about a drastic and positive change in your life. So, are you ready to get started on this journey? Let's begin by learning about how the concept of third eye developed through history.

Empath and Psychic Abilities

Discover the Little-Known Secrets to Becoming a True Psychic and Learn How to Become a True Empath Capable of Perceiving Things Beyond the Reach of The Five Senses! Have you ever encountered someone who was in touch with their inner Nostradamus and seemed to have extra-sensory abilities? Do you want to develop powerful psychic abilities you can use to help yourself and your loved ones? Do you want to harness the same power used by psychics and empaths to develop a razor-sharp, clairvoyant intuition that can perceive things that cannot be seen or felt by your normal senses? If yes, then you've come to the right place. Psychics are special individuals who can perceive information hidden from the normal five senses of smell, touch, sound, hearing, and sight through extrasensory perception. They are people with amplified human senses. Empaths on the other hand are people who are completely in tune with their emotions and the emotions of others. They are highly sensitive and can pick up on the energy around them. This can be both a blessing and a curse. People tend to trust empaths quicker, but on the other hand, they can be easily manipulated by malicious individuals. An empath who isn't aware of their gift and how to protect themselves from negative energies is in for a bad time and can lead to destruction if they aren't careful. But it doesn't have to be that way. The goal of this book is clear: You will understand what empathy really means and discover a treasure trove of techniques and strategies to shield yourself from being contaminated by toxic energies and environments. You'll also learn how to bring out your potential psychic abilities and become unstoppable. Filled with easy-to-follow exercises, guided meditations, and illuminating stories from Sherrie's years of teaching, *You Are Psychic* shares the secrets of the four psychic types and shows you how to identify your spiritual strengths while overcoming the doubts or fears that may be standing in your way. Learning to trust the elusive energy of psychic awareness can be an important step in your life's journey. This book helps you interpret the intuitive information you receive, opening the gateway to support, guidance, and love from the realm of spirit. Whether you desire to improve your relationships, career, health, or finances, *You Are Psychic* helps you move beyond the five senses and embrace your deep inner wisdom. Praise: "Sherrie Dillard's *You Are Psychic* is one of the best books I've read to naturally develop your intuitive skills. This book offers comprehensive teachings to help you develop your intuition and know yourself—from the basics to in-depth exercises. A must read to improve success for personal awareness, protection, and the ability to interpret your intuitive realizations. You'll refer to Dillard's book again and again."—Margaret Ann Lembo, author of *Chakra Awakening: Transform Your Reality Using Crystals, Color, Aromatherapy and the Power of Positive Thought* "Having worked in the field of energy medicine for over fifteen years, I have run across so many people who wish to open up their psychic awareness but don't know how. Wouldn't it be nice if there was an easy and effective way to open up your intuition? Well, look no further than *You are Psychic* by Sherrie Dillard. Sherrie beautifully addresses one of the key secrets of developing your intuition that is rarely addressed: opening up your psychic abilities is not a rational, step-by-step process! Instead, she shows us how we can naturally and spontaneously connect with our innate psychic awareness, in a way that is inspiring, empowering, and easy to follow. I highly recommend *You are Psychic* whether you are intending to expand your practice or even just enhance your intuitive abilities to improve your everyday life!"—Jennifer Taylor, CEO of Quantum-Touch, Inc. "Sherrie opens your mind to all that you can achieve while pointing out why you may be holding back, which is so very helpful when trying to understand and nurture your psychic abilities. Throughout *You Are Psychic* there is a deep sense of the importance of becoming one with your intuitive energy and psychic type so that you can become the most complete, aware, and evolved spiritual being possible. Sherrie says we need psychic awareness, I say, everyone needs to read this eye-opening and extremely helpful book! Thanks so much for writing it, Sherrie!"—Melissa Alvarez, author of *Believe and Receive, Your Psychic Self, Animal Frequency, and 365 Ways to Raise Your Frequency*

The Return of Intuition

Natural psychic sensitivity is often associated with children. The Return of Intuition reveals the little-known, widespread phenomenon of profound intuitive awakening occurring in adults—usually around the age of fifty. Bringing this emerging trend to light is psychic medium Kathryn Harwig, who has helped thousands of clients understand, nurture, and embrace their newfound psychic awareness. Their inspiring stories highlight the transformative power of intuition and reveal how this life-changing gift can be used to help others, receive messages from friends and family in spirit, and gain new levels of confidence, courage, and clarity. In this unique guide, Harwig presents tips for enhancing your own intuition and determining whether you are a part of this momentous spiritual movement. The Return of Intuition affirms the gifts of aging, encouraging those over age fifty to reclaim their once-revered roles as elders and sages by passing on spiritual wisdom to a new generation. Praise: "Compelling."—Foreword Reviews "It's a lively read, with a message of hope and transcendence."—New Age Retailer/p

Third Eye Awakening

If you want to try to see the invisible... if you're like me, you always knew you had a "special" talent, but you didn't know how to use it. Or maybe you felt you were a bit odd, and you've just wanted to hide your intuitive side. Don't you think you've got any exceptional analytical skills? Think about it again. You've got a great present! And you can learn how to use these abilities by opening your third eye. I did it, and you should do it. Did you wish you had the talent that your mates didn't have? Would you want to see what the others can't see? Could you want spiritual knowledge in the human realm? Do you want inner peace? Everyone's got a third eye. Not everybody knows how to make sense of it. In this guide, you will learn a lot. The third eye is an unseen eye that, when raised, will bring healing, spiritual development and enhanced intuition. Once you've opened, you'll immediately notice that people are attracted to you and respect you. Suddenly, you will have the power to see and predict things that are not seen in the physical realm. You should become more attuned and linked to the world, contributing to profound harmony and knowledge. We do obviously have a third eye, which means that we all have the ability to gain that capacity, but the general population has not yet worked out how to use this very inherent spiritual skill. It's not as rough as it sounds. We've discovered a method that will work for you, even if you've failed in your previous attempts.

Managing Psychic Abilities

Approximately 20% of the population is sensitive or in some way psychic. Being sensitive or psychic can allow you to understand the world in a way that most people can't, and to see beyond what others are able to. But for many of you sensitivities are a burden, causing overwhelm or even physical ailments. Most information about psychic abilities on the market is aspirational, meaning that all of the books out there focused on "opening your third eye" or "becoming psychic" are not meant for the highly sensitive person. You don't want to become more sensitive, you may in fact be holding on for dear life because you are overwhelmed, panicked, have issues with sleep, body pain, headaches, digestive issues, and constantly shifting emotions. Or you might be mildly sensitive, but still need skills to manage going to work, or want to know more about how to become more functional while still being sensitive in this world.

Learn how psychic abilities and sensitivities develop, where you are on the spectrum of these abilities and sensitivities, and most importantly, the basic and intermediate skills and techniques needed to be healthier, more functional, and to feel in control of your sensitivities and psychic abilities, so that you can live in the world more joyfully again.

Developing Your Intuition

The little book will help you connect more readily and easily with your intuition. We all have the capacity for intuitive insight; in fact, intuition is already within us - whether we are aware of it or not. Having intuition doesn't involve having psychic powers or having to visualize white lights coming out of our heads. These common "new age" style techniques are not at all necessary to develop our intuition. In some cases, these techniques further impair our capacity to be intuitive simply because it can add more clutter into our minds. Developing your intuition is not about adding more or wanting more, it's about throwing things out and wanting less - when we have cultivated a healthy space within, we can hear, see and feel our intuition more clearly. This book will help you to understand what intuition is and why it is an important part of our lives. It will outline some very simple and progressive steps to take in order to de-clutter the mind so that you can become more aware and sensitive to your intuitive abilities.
