Forever at the Finish Line

Forever at the Finish Line tells the remarkable and inspiring story of Daniel Mitrovich, a runner from San Diego, who had a goal of putting a life-size statue of New York Marathon founder Fred Lebow in Central Park. New York's Parks Commissioner Henry Stern said "It will be easier for a camel to go through the eye of a needle than to put a statue in Central Park." It would not be easy for someone that lacked financial backing and who wasn't even a New Yorker to make this happen. But with the faith and blessing of Fred Lebow, the support of his family, and his own personal determination, he knew it would happen. His journey involved crossing the continent many times, securing the support of some of the most famous runners of our time, including Joan Benoit Samuelson, Grete Waitz, Alberto Salazar, Bill Rodgers, and Carl Lewis. He would ultimately gain the endorsements of some of the most powerful political people of our time: Presidents George Herbert Walker Bush and William Jefferson Clinton, Governor Andrew Cuomo, US Senators Alan K. Simpson and Al D'Amato, Mayor Rudolph Giuliani, and thirteen members of Congress. Daniel Mitrovich's personal story will show you if you pursue a dream with the right intent you will be "Forever at the Finish Line."

A collection of multisport articles, interviews, and short stories that speak to the human side of the sport of triathlon and to the spirit of the triathlete. These pieces were all previously published by the author in different periodicals over a few years but have been brought together to serve as a dedication to the life, memory, and mission of Jon "Blazeman" Blais. Jon won the hearts of millions in 2005 when he became the first patient with Lou Gehrig's disease to cross the finish line of the Ironman Triathlon World Championship. In May, 2007, Jon lost his battle with ALS, but his war carries on through The Blazeman Foundation. Author, Stephen Brown encapsulates many of his multisport experiences which began back in 1987 and a portion of all book proceeds benefit The Blazeman Foundation and their continuous fight against ALS. INFINITY IS NOT WHAT IT SEEMS... Infinity is commonly assumed to be a logical concept, reliable for conducting mathematics, describing the Universe, and understanding the divine. Most of us are educated to take for granted that there exist infinite sets of numbers, that lines contain an infinite number of points, that space is infinite in expanse, that time has an infinite succession of events, that possibilities are infinite in quantity, and over half of the world's population believes in a divine Creator infinite in knowledge, power, and benevolence. According to this treatise, such assumptions are mistaken. In reality, to be is to be finite. The implications of this assessment are profound: the Universe and even God must necessarily be finite. The author makes a compelling case against infinity, refuting its most prominent advocates. Any defense of the infinite will find it challenging to answer the arguments laid out in this book. But regardless of the reader's position, Forever Finite offers plenty of thought-provoking material for anyone interested in the subject of infinity from the perspectives of philosophy, mathematics, science, and theology.

First Place 4 Health has helped tens of thousands of people lose weight and bring balance to the four core areas of their lives; physical, mental, emotional and spiritual. In this new title from Carole Lewis, First Place 4 Health's national director, readers are challenged to give God a year to change them from the inside out. Change will happen over the course of 12 months, but the right changes only happen when we set the right goals and take the right steps to achieve them. Written with Carole's signature warmth and humor, the book invites readers to dream big about the changes they long for in their lives and then offers practical, biblical, step-by-step guidance for how to see those dreams made into reality. In a culture of "right now" a year may seem like an eternity. A year in the hands of God, however, means change that will last eternally.

Marriage is great, but it's not forever. It's until death do us part. Then come eternal rewards or regrets depending on how we spent our lives. In his latest book, Francis Chan joins together with his wife Lisa to address the question many couples wonder at the altar: "How do I have a healthy marriage?" Setting aside typical topics on marriage, Francis and Lisa dive into Scripture to understand what it means to have a relationship that satisfies the deepest parts of our souls. In the same way Crazy Love changed the way we saw our personal relationship with God, You and Me Forever: Marriage in Light of Eternity will radically shift the way we see one of the most important relationships in our life. Jesus was right. We have it all backwards. The way to have a great marriage is by not focusing on marriage. Whether you are single, dating or married, You and Me Forever will help you discover the adventure that you were made for --and learn how to thrive in it. 100% of the net proceeds from this book will support various ministries including those that help provide shelter and rehabilitation for thousands of children and exploited women around the world. Stealing Her Heart Was Not In His Job Description Romance is the last thing on Carmen Navarro's mind. Up to her neck in student debt, she needs a teaching job, and she needs one fast. As if that wasn't stressful enough, she's also overseeing her parents' renovation project—which would be easier if the carpenter on the job had a little more work ethic and a lot less swagger. She has no time for his flirty

banter and affable charm. So why can't she get him out of her head? Matt Stetman is a catch. Everyone in Hendricks knows he'd give the shirt off his back to help a friend in need. He's been told a time or two that he's pretty delightful to be around too. But for some reason, the enigmatic Carmen seems immune to his charms. Just as Matt begins to make headway—with the project and with Carmen—a secret from his past threatens to ruin everything. Can Carmen find the courage to trust Matt and take a shot at love? Or is the foundation of their relationship now broken beyond repair?

People Forever

Silver Point wasn't a place I ever wanted to come home to. But what starts as helping a friend turns into so much more... I might have grown up in Silver Point, but LA is my home now. I've made a career for myself there, a life, and coming back to the small town I was raised in has never been on my radar. But when my best friend needs my help, everything changes. She's the closest thing I've ever had to a sister, and she needs me. That's the only reason I'm staying—until she's well, and not a minute longer. Nothing is going to change that—certainly not the boy I once had a crush on, who grew up to be one of Silver Point's firefighters, and somehow still every bit the jerk that I remember. Or is he? I want to keep as far away from him as possible. But Silver Point is a small town, and one thing after another keeps bringing us closer together. It's easy to get caught up in what could have been—what could still be, if I changed my mind. Until I discover that the boy I knew has a secret...one that I'm not sure I can forgive. This town could be what brings us back together—or it could be what drives us apart forever.

Until Forever

When night comes, look at the sky. If you see a falling star, don't wonder why, just make a wish. Trust me, it will come true, because I did and found Jesus Christ. Sometimes we think that things will never change in life. I don't know anyone who has not yet experienced pressure of one kind or another in life. It may raise its head swiftly and unexpectedly. Or we may see and feel it coming slowly but surely, like a slight crack in the wall of a building going up or down. You might arrive late for some event and miss something special. This is a minor pressure, and it usually does not last long; it's an everyday occurrence that does not really matter very much. There are many such pressures. On the other hand, the pressure of realising that the dream you had has failed to come true may overcome you. You may feel depressed because of the loss of your spouse, the chaos in the workplace, the loss of friends, or the insincerity of those you considered friends, a lack of understanding on the part of your family, heartache that never seems to end, or feeling that God does not hear your prayer. There are more types of pressure than there is grass growing on the plains of the Highveld. Do not give up when you still have something to give. I know that through Christ I am strong enough to make all my dreams come true. I know love, therefore I give love. I recognise that my love has great value and must be reciprocated. If my unconditional love is taken for granted, it doesn't disappear. I am quite capable of articulating my needs. I know that with God the world is my playground, but without God I will just be played with. I understand that my life experiences are merely lessons meant to bring me closer to self-knowledge and unconditional self-love. I know that I will at times have to inspire others to reach the potential God gave them. I know my past, understand my present and face my future. I am not afraid of tomorrow for

I have seen yesterday and I love today. Jim Rohn says that happiness is not something you postpone for the future; it is something you design for the present.

Nothing Lasts Forever

Yesterday, Today, and Forever is not a theology of the Letter to the Hebrews, nor is it simply another commentary on the text. Nevertheless, if you take time to work through this reading guide, you will gain a rich, holistic understanding of Hebrews' theology, and you will be able to come back to this volume again and again as a resource for personal growth, teaching, and preaching. This book was written out of the author's desire to share the fruit of more than thirty-five years of study and meditation on this often neglected but rich New Testament book, to help readers see its vision of the all-sufficient Christ and to gain a holistic grasp of the way the author of Hebrews has arranged the material of this book to encourage us in a life of faithfulness—a message of importance for the world in which we live. The book of Hebrews has been divided into seven weeks of daily readings (forty-nine days), so you will have time for Hebrews to permeate your heart and mind. If you patiently follow this schedule, you will be rewarded with an understanding of Hebrews unavailable to those who want a quick fix.

Yesterday, Today, and Forever

Perhaps nowhere in America did three distinct and diverse cultures create such a colorful tapestry of the social fabric which forms the backdrop of this book. "Bulldogs Forever" is a history of a New Mexico school, Albuquerque High School, from its founding in 1879 to the author's graduation in 1954. The book effectively relates the reflections of teenagers from the waning pioneer days of the late 19th century to the Golden Era that followed World War II. The author, an outstanding athlete, relates how the team sports of football, basketball and baseball played a major role in the feeling of togetherness, belonging and accomplishment in a school of culturally diverse students. "Bulldogs Forever" pays tribute to teachers, coaches, teammates and students in a nostalgic look at high school life.

"Our job is to be there when things are bad." Matt Newman said this to financial planners on a daily basis as a wholesaler in the financial services industry. He constantly preached the need to plan in advance, to be prepared for the unexpected and inevitable. As a young man in his late thirties, he lived a healthy lifestyle, had a beautiful family, and a successful career. He practiced what he preached, and made sure he had a financial plan in place for his family. Everything seemed to be going in the right direction: Life was about to change drastically. After he began experiencing horrible headaches, insomnia, and strange speech issues, he realized something was very wrong. Four months into dealing with these issues, he finally went to the hospital; the doctors confirmed the worst; he had grade three astrocytoma. Matt was diagnosed with brain cancer at 39 years old. Luckily, he had someone to help him through every terrible moment. Matt's own father-in-law Larry had been diagnosed with pancreatic cancer three years earlier. The two men found support in each other and their combined family as they worked to find normalcy in an abnormal situation. Matt's memoir chronicles the journey that his entire family and support group took together which got him to a place of clarity, understanding and appreciation.

Every Day, Forever is a collection of letters written from a mother to her young daughter after her passing. Written in real time, the letters chronicle Mattocks' day-to-day journey during her first two years of grief. With grace and poise, Mattocks boldly refuses to accept that grief is a season of getting over pain, but instead insists grief is a season of getting used to it. As heartwarming as it is heartbreaking, the letters paint a picture that anyone who has experienced deep loss can find themselves in. Every Day, Forever serves as a powerful reminder for us all. That we can have hearts that are broken and still love. Have dreams that were shattered and still live. And we can be grateful for what we were given and still grieve for what we weren't.

Butterflies At the Edge of Forever

In the tradition of *The Promise of a Pencil* and *Kisses from Katie* comes an inspirational memoir by the founder of Comfort Cases about his turbulent childhood in the foster care system and the countless obstacles and discrimination he endured in adopting his four children. Rob Scheer never thought that he would be living the life he is now. He's happily married to his partner and love of his life, he's the father of four beautiful children, and he's the founder of an organization that makes life better for thousands of children in the foster care system. But life wasn't always like this. Growing up in an abusive household before his placement in foster care, Rob had all the odds stacked against him. Kicked out of his foster family's home within weeks after turning eighteen—with a year left of high school to go—he had to resort to sleeping in his car and in public bathrooms. He suffered from drug addiction and battled with depression, never knowing when his next meal would be or where he would sleep at night. But by true perseverance, he was able to find his own path and achieve his wildest dreams. "A heartwarming, hopeful memoir brimming with humanitarianism and compassion" (Kirkus Reviews), Rob's story provides a glimpse into what it's like to grow up in the foster care system, and sheds necessary light on the children who are often treated without dignity. Both a timely call to action and a courageous and candid account of life in the foster care system, *A Forever Family* ultimately leaves you with one message: one person can make a difference.

The Race Forever

Are we living in the end times? The condition of the world today would seem to suggest that we indeed may be! As a result, this book is quite timely. It presents God's events in an easy-to-understand manner. The beginning prophecy student as well as the advanced student can study this book and have a better understanding of God's events-now and forever and a better understanding of how our Lord Jesus fits into the picture. MISS NAN spent many years in the educational field. She started as an English teacher, moved into administration, and served as president of a private junior college in Jackson, Mississippi, for twenty years, a position from which she retired in 1995. It was in Jackson that she found her true calling, teaching the Word of God in a local church, Colonial Heights Baptist Church. Soon after becoming a member, she began to teach Sunday School, first to older women and currently to younger women, during a span of over thirty years. Throughout the years she has taught men and women of all ages in other Bible studies, particularly studies concerning end times. Soon after she began to teach prophecy, she came to understand that no one book tells the whole story. God's events-now and forever-are presented from Genesis through The Revelation of the Lord Jesus Christ. She has pieced together God's plan by consulting the whole Bible. Some people may not hold all the views Miss Nan has presented, but it is important to understand that she wrote what God laid on her heart as she studied His Word.

Every Day, Forever

A remnant of dedicated fans joined in from the stands and surrounding grounds... Those left were there because they had to stay—not because they wanted to. 'Always the loser, never the champ,' Nick mumbled, the scuffed helmet still covering his face. A clump of grass from the final tackle still clung to the bars on the facemask. He kept the headgear well-secured to shroud his watery eyes, still glassy from the result of the night's battle. Looking around, he noticed at least ten others still keeping their helmets on. For thirty nine years, the phrase 'always a loser' echoed in the halls of not only the North Adams football team, but the entire Decatur community. Prognosticators reviewing this year's team with little talent and less size all said the Braves would add one more notch to their dismal history. For an entire city and a team of factory workers facing their own losses, the odds for success were even longer. 'Not this year' according to head football coach Tony Glandorf. 'No is not an answer,' four workers proclaimed. 'We will not fail,' the city's Mayor shouted out. As a player, two teams, and an entire city try to carry on in the face of continual adversity, can they find a way to 'run to the green'? Always a Loser, Forever a Champion is inspired by true stories.
