The Pursuit of Holiness

This new edition replaces both The Pursuit of Holiness and the separate study guide by combining both resources into one volume! "Be holy, for I am holy," commands God. But holiness is something that is often missed in the Christian's daily life. According to Navigator author Jerry Bridges, that's because we're not exactly sure what our part in holiness is. In The Pursuit of Holiness, he helps us see clearly just what we should rely on God to do—and what we should take responsibility for ourselves. As you deepen your relationship with God, learn more about His character, and understand the Holy Spirit's role in holiness, your spiritual growth will mature. The included study guide contains 12 lessons.

In the Pursuit of Holiness

This book is a tool that we can use to redirect our lives and the lives of others as we fulfill the call and the command that every Christian has on their life . . . and it is to live holy and pleasing lives unto God the Father. The Bible tells us For God did not call us to be impure, but to live a holy life. Inside this book it will show you how Jesus and the Apostles not only gives us instructions about holiness, it will also show how they model holiness in this fallen and sinful world.

The Pursuit of Holiness Study Guide

Holiness should mark the life of every Christian. But holiness often is hard to understand. In the 12 lessons in this companion study guide to The Pursuit of Holiness (ISBN 9781576839324) by Navigator author Jerry Bridges, you can discover the Bible's guidelines for holy living. As you develop a deeper relationship with God, you will learn more about His character, grow in maturity, and understand the role the Holy Spirit plays in your pursuit of holiness.

Holiness

This book lays out the requirements and difficulties that will come with the pursuit of holiness in our Christian lives. Ryle starts out with the way to achieve holiness and the difficulties that arise with pursuing a holy life, and then going throughout the Bible giving true examples of the cost of holiness and the rewards it brings as the Bible promises us. To often we sing and pray for such a life without being willing to undergo the necessary life changes and adjustments to get there. This book lays out what we can expect in such a journey and what God will ask of each of us to get us to the point He wants us to be.

Christian Home-life

You long for a deeper walk with God but you seem to be missing out on that daily intimacy that you desire. What is standing in your way? Holiness is a concept that many believers do not fully grasp and therefore cannot live out daily. Yet God makes it very clear and simple. So, if the lack of holiness is blocking your intimate relationship with God, begin now to understand holiness, hear God's call to holiness, and practically live out a holy life. Embraced by Holiness is a focused six-week study that allows you to interact with specific Scripture passages. Be encouraged to take a guided, deep, and consistent look at Scripture for biblical principles dealing with holiness. And, after five weekly lessons, you will have the life-changing opportunity to experience practically and personally these principles at work in your everyday life.

Embraced by Holiness

How important is holiness to you? How much thought, attention, and effort do you devote to the pursuit of holiness? Is it your priority and mission to be holy? Nancy Leigh DeMoss teaches that we must make it our constant, conscious ambition to be holy. Just as an athlete sets his sight on winning an Olympic gold medal, so we as believers must focus on the pursuit of holiness. And the reward that awaits us brings a depth of joy that far outweighs a fading gold medal; it is the humble pleasure of hearing the Father say, "Well done, good and faithful servant." Do you long for an authentic faith? Are you eager to know your heavenly Father in a more intimate way? Read Holiness and learn how to say 'no' to corruption and 'yes' to grace. Holiness is the third book in The Revive OurHearts Series, which has sold well over 240,000 copies. All three include study questions at the end of each chapter, making them ideal for personal or small group study.

Holiness

"Be holy as I am holy," says the Lord. It's the most extravagant--and audacious--invitation ever sent: Or in the words of Jesus: "Be perfect as your heavenly Father is perfect." But can that really happen? Is holiness an achievable goal for sinful human beings? That's the ultimate focus of this thoughtful, thorough, and engaging study of what it means to be holy. Drawing on the Bible and Christian thinkers through the ages, Simon Ponsonby affirms that because of God's gracious love and desire for communion with us, he has done what is possible for us not only to pursue holiness, but to achieve

it. While we can never count on attaining moral perfection in this life, we need not settle for less than increasing victory over sin. And as more and more Christians choose to partner with God in the ongoing process of sanctification, we set the stage for revival.

The Pursuit of Holiness: a Sequel to Thoughts on Personal Religion, Intended to Carry the Reader Somewhat Farther Onward in the Spiritual Life

Noel Perkin, a banker-turned-missionary, led Assemblies of God World Missions (AGWM) for more than thirty years (1927-59). His life exemplifies the missionary zeal historians have noted within the early Pentecostal movement. Perkin's experience of the Holy Spirit and his experiences as a missionary in Argentina led him to create systems intended to empower others to fulfill Christ's commission to make disciples of all nations. Perkin's empowering leadership played a significant part in AGWM's remarkable growth into a leading Pentecostal mission-sending agency which currently sends over 2,000 missionaries to 140 countries. As one of the principal architects of AGWM's missiology and operation, Perkin transformed a two-person office relying on envelope boxes for its accounting system into a well-structured, strategic mission agency and laid a foundation for AGWM's continued growth. *Empowering Spirit, Empowering Structures* uses the foundation of a biographical study to examine the concept of empowerment through Perkin's life and the impact that Perkin and his missiology had and continues to have upon AGWM.

The Pursuit of Belief - Christian Classics Collection

In The Forgotten Desert Mothers, Laura Swan introduces readers to the sayings, lives, stories, and spirituality of women in the early Christian desert and monastic movement, from the third century on. In doing so, she finally sets the record straight that women played an important and influential role in early Christianity, indeed a role that has been long overshadowed by men. She begins with an exploration of the historical context and spirituality of the desert ascetics. Then she weaves together the sayings of the major desert ammas, or mothers, along with commentary that invites readers to reflect on their own spiritual journey as they share their wisdom. The book then journeys between desert, monastery and city to reveal the stories of ascetics and solitaries whose stories are rarely heard, organized in the author's own alphabetical collection. The Forgotten Desert Mothers demonstrates, like no other work, that women have long had a history of leadership in Christianity. This engaging, eye-opening, and insightful work targets all faith seekers looking to reclaim the history and spirituality of the women who came before them, as well as to understand their own inner journey. It will be a welcome addition to courses on early church history, women's studies, and religious studies.

Holiness, Truth, and the Presence of God: For Those Who Are Unsatisfied with Their Spiritual Life and Willing to Do Something about It

The Pursuit of Holiness.

The hole in our holiness is that we don't care much about holiness. Or, at the very least, we don't understand it. And we all have our reasons too: Maybe the pursuit of holiness seems legalistic. Maybe

it feels like one more thing to worry about in your already overwhelming life. Maybe the emphasis on effort in the Christian life appears unspiritual. Or maybe you've been trying really hard to be holy and it's just not working! Whatever the case, the problem is clear: too few Christians look like Christ and too many don't seem all that concerned about it. This is a book for those of us who are ready to take holiness seriously, ready to be more like Jesus, ready to live in light of the grace that produces godliness. This is a book about God's power to help us grow in personal holiness and to enjoy the process of transformation.

Life, Liberty, and the Pursuit of Holiness

HOLY HITCHIKING FOREIGN HIGHWAYS relates an odyssey on four Continents. Vernon Elgin began hitchhiking rural dirt roads in Pennsylvania when he was an adolescent. He graduated from dirt and asphalt to concrete, from Armstrong County Route 210, to Pennsylvania Route 422, to U.S. Route 66. Most of his hitchhiking conveyed him to work or college; all of it afforded him pleasure and adventure. He frequently broached religion as a topic of conversation with the driver. More often than not he received a stimulating response. He credits his education on the road for contributing to his future clergy profession.
