add chords to a melody

start off with this octave jump from the c

start just by looking at the main chords that populate

start with the f major chord

make a bar chord

start on a c major chord

make every one of those notes a new chord

diminished to a g major to a minor

thinking of an e minor chord in this position

look at my list of triads

cycle through chord voicings for something

buying the 3rd fret
using triads and extended chords from other keys
thinking as f major for the c note
add that on top to an f major chord
use a major chord to a minor
populate a skill with chords

adding two melodies like the seventh on top of a chord
