Intro

Eat food that's good for you. Good food helps your bones to grow. It makes you strong and it stops you getting sick.

Everyone needs food to live. It gives you energy to work and play. It also gives you nutrients to grow well and stay healthy. Do you eat a balanced diet with lots of different nutrients ?

Your body needs proteins to build muscles. Proteins are also important for healthy hair and fingernails. You can get lots of proteins from meat, fish and eggs. Dairy products, like milk, cheese and yogurt, also contain proteins. Many people don't eat animal products, but they can get proteins from plant products. Pulses, like beans and lentils, are rich in proteins. Many grains, nuts and seeds have proteins, too. Which of these foods do you eat?

of meat and fish have a lot of fats. Dairy products, like butter and cheese, have fats, too. You can also get fats from plant products like nuts, seeds and vegetable oils. Be careful! Too many fats can make you fat.

Your body also needs minerals. You need calcium for strong bones and healthy teeth. Dairy products, like milk and yogurt, are good sources of calcium. You also need iron for healthy blood. You can get iron from red meat and eggs, or from vegetables like broccoli and spinach. Salt is also an important mineral, but be careful! Too much salty food is bad for you.

Most waste materials decompose. They break down into very small pieces. Food waste decomposes fast, but some waste materials decompose slowly. Paper materials take from two to five months to decompose. Some metal materials take from eighty to one hundred years, and plastic materials take maybe up to one thousand years. Some materials, like glass, never decompose.

The sun is a star. It's very, very hot! The sun has lots of heat and light. Heat and light from the sun come to Earth. The heat and light make Earth warm so we can live here. Light from the sun comes to Earth in eight minutes.

Some places are warm and sunny all year, and they have no seasons. Some places have seasons. In summer, there's more light from the sun, so it's warm. In winter, there's less light from the sun, so

it's cold. Is it warm and sunny where you live?

The view is great.
I am running late.
Let me see.
You're in a bad mood.
What's going on?
You look like a million dollars.
The answer is zero.
Who's driving?
Give me a hand!
Have a good trip.
How was your day?
Don't let me down.
You've got a great personality.
He lacks courage.
What day is today?
Let go!
What a good deal!
Everything tastes great.
I am a football fan.
What time is it?
admire your work.
Your hand feels cold.
Are you kidding?
Make up your mind.
Where are you going?
What did you say?
How are things at the office?
Help yourself.
Slow down!
Call me tomorrow.
My mouth is watering.
You look great! have you - been working out?
See you tomorrow.
Don't trust to chance!
You're crazy.
What about you?
The food is delicious.
What's the date today?
There comes a bus.
He came by train.
Did you miss the bus?
Be quiet!
You're welcome.
I want to speak with him.
It's the same thing.
You're very professional.
To be careful!
Don't fall for it!
You look tired.
Of course!
What do you think?
It really takes time.
You're really talented.
Guess what?
Knowledge is power.
Congratulations.
Time is money.
He owes my uncle \$100.
Congratulations!

Good job!
