JPS Illustrated Children's Bible

Acclaimed storyteller and Jewish scholar Ellen Frankel has masterfully tailored 53 Bible stories that will both delight and educate today's young readers. Using the 1985 JPS translation (NJPS) of the Hebrew Bible as her foundation, Frankel retains much of the Bible's original wording and simple narrative style as she incorporates her own exceptional storytelling technique, free of personal interpretation or commentary. Included in the volume is an "Author's Notebook," in which Frankel shares with rabbis, parents, and educators the challenges she faced in translating and adapting these stories for children,

such as how she deals with adult language in the original Bible text and themes inappropriate for most young readers. With his enticing, full-page color illustrations of each Bible story, award-winning artist Avi Katz ignites readers' imaginations. His brush captures the vivid personalities and many dramatic moments in this extraordinary collection.

The Children's Bible Picture-Book. Illustrated with Eighty Engravings. (The Accompanying Descriptions by the Writer of "Historical Tales by M. J.").

From Genesis to the writings of the prophets, all the key stories from the Hebrew Bible are beautifully and clearly told in this refreshed edition of the popular Children's Illustrated Jewish Bible. The book features all the key characters and tells their stories- Adam and Eve in the Garden of Eden; Cain and Abel; Noah on the Ark; the patriarchs Abraham, Isaac, Jacob; Joseph; Moses; King David - plus some of the less well-known figures, such as Joshua, Gideon, Ruth, Solomon, Elijah, Jeremiah, Jonah, and Esther. Psalms and poetry are also included. Plus pages on 'Life in Egypt' and 'Life in Canaan' along with glossaries of people and places in the Bible bring the stories of ancient tradition to life. In the book's

foreword, the authors say that we are encouraged to think for ourselves- "The stories of the Bible ... can be understood in many ways and on many different levels. ... As we grow up and change, we can see new questions in each story. Why does God tell Adam and Eve about one tree but not another? Why does God ask Abraham to sacrifice his son?... To write the stories in this book, we looked at the Bible and asked many, many questions. How? What? When? Who? And of course, why? Why, why, why? And why not?" The authors' sensitive and perfectly pitched retellings aren't simply an introduction to the Bible - they inspire the next generation to carry on the tradition.

Children's Bible Reader

The Bible! No other book in the world has the power to nourish and inspire, to mold and to guide the life of a child. Even the youngest child who hears or reads Scripture is drawn toward our loving heavenly Father and our tender and affectionate Savior, who loves little children and calls them to come to Him. The Children's Illustrated Bible Primer with Commentary is an alphabet of lessons for young children who are beginning to read and children beginning to read the Bible. The book uses the fine arts to teach the Bible with beauty and reverence. Through pictures, comments, stories, and music, children are taught to understand and appreciate the Word of God. Each letter of the alphabet has a Scripture followed by a brief commentary in plain and simple words. Scriptures are from the King James Bible because it is praised as a literary masterpiece. The commentary is illustrated by a beautiful color picture. It is a fact that children become more interested in and remember longer information that is illustrated. The comments include some of the fundamental doctrines of the Gospel and practical application to young children's lives. At the end of each lesson is a suggested song to reinforce the teaching of the Scripture. The Bible Primer with Commentary encourages children to love God and lovingly obey his Word. It is full of sound guidance for everyday life, and hope, and joy. It is valuable not only as a book for teaching children to read or beginning to read the Bible, but also as a children's devotional or a book that may be read aloud at family worship. It is also valuable as a beginning textbook for home school, Christian school, children's Sunday school, or other Christian settings. Children will be blessed each time they hear or read it.
