Alien Base

"Earth is being visited by a number of different alien species - some of which have established bases here on Earth. Written by a researcher recognised internationally for his objective and unsensational approach, Alien Base is the first book to make sense of the bewildering diversity of reports from around the world. Culminating with an analysis of the disquieting stories of alien bases now coming from the Puerto Rico area, Timothy Good shows that there is a hard core of such cases which cannot easily be dismissed."

Alien Base

In his popular books *Above Top Secret*, *Alien Contact*, and *Beyond Top Secret*, Timothy Good has focused on the worldwide involvement of the intelligence community in UFO research, sightings by witnesses such as military and civilian pilots, and the recovery of alien vehicles. Now this bestselling writer concentrates on reports of actual encounters with extraterrestrial beings, presenting evidence that Earth is actually the base of operations for several alien species. The most authoritative and comprehensive account of alien visitation and colonization in the twentieth century, *Alien Base* is the culmination of nearly forty years' research that for the first time offers an in-depth understanding of this diverse, bewildering and bizarre range of phenomena. New Evidence from Timothy Good's files includes: The most impressive collection of photographs of alien craft The first convincing photographs of aliens Retrievals of alien craft and bodies predating Roswell Cases involving repairs carried out to grounded craft Visits to alien bases on Earth New stories of worldwide encounters with aliens (1920-97) Unidentified submarine objects reported by naval observers Remarkable new cases involving space-time distortion Sensational new encounters reported by pilots Written by a researcher recognized internationally for his objective and unsensational approach to this complex and multidisciplinary subject, *Alien Base* provides a unique insight into Earth's most enduring enigma.

Alien Base:

Unearthly Disclosure is a story of alien bases, alien contacts and abductions, genetic mutants, animal mutilations, and government paranoia. Here, Timothy Good, one of the world's most respected authorities on the alien phenomenon, reveals for the first time sensational information provided to him by high-level military and scientific sources, who confirm that aliens have established subterranean and submarine bases on Earth and that extra-terrestrial contact has been made with a select group in the US military and scientific intelligence community. Among numerous revelations in this book are those involving the alien creature photographed by Filiberto Caponi in Italy. The author spent several years investigating this controversial case and commissioned an Expert Witness checked by the Law Society to analyse Caponi's astonishing photographs. Published for the first time, this unique story forms the central section of *Unearthly Disclosure*.

Alien Base

A shocking new exposé of the 20th century's extraterrestrial encounters and cover-ups by distinguished UFOlogist Good. Good.

Unearthly Disclosure

Unlike books that accept deceptive accounts at face value, *The Alien Plan for Earth* relies on critical analysis to uncover what has long been hidden from the public by government and aliens alike. The *Alien Plan for Earth* weaves all aspects of UFOlogy and history into a coherent picture. It tells the whole story: • What aliens are really up to; • Why and how they deceive us; • What is their ultimate goal. With unparalleled insight and frankness, the book spells out exactly what the long-term impact of *The Alien Plan* will be. *The Alien Plan* will be of great interest to everyone curious about what the future holds.

Earth - An Alien Enterprise

WARNING! THIS BOOK DOES NOT CONTAIN REPORTS OF LIGHTS IN THE SKY! --- OR OF MUNDANE UFO SIGHTINGS THAT CAN EASILY BE EXPLAINED! THOUSANDS OF UNLUCKY INDIVIDUALS HAVE HAD CLOSE ENCOUNTERS OF THE THIRD KIND - OR FAR WORSE! WITNESSES HAVE BEEN HARASSED, FOUGHT WITH, PARALYZED, ABDUCTED AND SEXUALLY MOLESTED. Over 25 of the world's leading UFOlogists join us on an incredible search for the true nature of UFOs without any of the malarkey and BS that often seems to prevail in the field. IMPORTANT NOTICE: This book is over 450 large size pages; almost the size of an old Manhattan White Pages phone book. It is fully illustrated with maps, art and one of a kind photos. Now you will be able to find out these stunning facts regarding: * The Return of the "Giants" in the Holy Land. * UFOs that stalked our military in the Persian Gulf. * What the deep-rooted connection is between UFOs and graveyards. * The Hollywood stunt man who came face-to-face with aliens on the road to Las Vegas, and whose polygraph test was said to have been rigged by a prominent UFO group. Also his subsequent clash with the Men In Black, who used Bigfoot creatures as their security force. * How humanoids under three feet tall (UFOlogy's "little men") have continually stalked and physically fought with ordinary citizens

out for an evening's stroll or returning home from work after dark. * The New England woman whose camera opened its lens upon another world, enabling her to capture images of interdimensional beings and their hardware. * The Canadian family whose minds were manipulated and controlled by "outside agitators" to the point where they thought they were about to go insane. * Flying saucers "spruced up" when a UFO landed in a tree in a well-documented case from a rural community in Australia, proving that these vehicles are willing to go out on a limb for us! * Don't think that only the CIA or the former KGB (and whatever has replaced it) are interested in these unknown aerial objects. Both Israel's Mossad and Europe's Interpol have gone deep undercover to become involved in the field. * The Scottish forestry worker who was ambushed by several sharply spiked oval objects that emanated from a landed metallic conveyance. Now you are able to read the official government-sanctioned report. * The rural Brazilian who was taken up into the sky in a whirlwind and never returned. * Furthermore, beware of the incredibly "sexy saucer people," who can't keep their hands off of humans. Editor Tim R. Swartz is an Emmy award winning television producer, editor of the "Conspiracy Journal" and "Tesla Secret Files" websites, and co-host of the weekly show "Exploring The Bizarre." He has made numerous appearances on "Coast to Coast AM," "The Paracast," as well as "Ancient Aliens" on the History Channel. He has been an investigator of the UFO phenomenon for almost three decades, and has contributed to or authored such books as "UFO Hostilities," "Alien Blood Lust," "The Lost Journals Of Nikola Tesla," and "Area 51 - Warning! The Alien Plan for Earth

THE SEXTERRESTRIALS ARE HERE - AND THEY WANT TO MATE WITH YOU! THEY SAW THAT THEIR DAUGHTERS WERE FAIR AND TOOK THEM AS WIVES - Genesis 6:1-2, 4 The Bible says it in a "civilized way." But the truth is that since the beginning of time otherworldly entities - no matter how you wish to identify them - have been pillaging and plundering our planet, raping our women, probing our bodies in an ungentlemanly manner, and ostensibly creating a "master race" of alien hybrids by removing the fetuses from artificially inseminated females who have been abducted by UFO occupants around the globe. The aliens then raise the "children" as their own. The molestations go on, and, despite the credible nature of a large percentage of such encounters, these sensationalistic events are perhaps the most closely guarded secret of the UFOlogical community, for fear that such disclosure will lead to ridicule on the part of skeptics, the scientific community, the media, and a large portion of the general public, who have not been privileged to scrutinize the available data - much of which is presented in the pages of this book for the first time. THIS IS NOT "FAKE NEWS!" But One Hundred Percent Documented . . . These are the anal probes, the kidnapping and removal of men, women and couples from the planet for evil, inhuman purposes that often involve molestation and torture. Some of those abducted have literally been branded and physically scarred for life. "Tattoos" have been placed on their skin, and horrific scratch and claw marks can be found on their chests and stomachs, arms, legs and breasts. Some of these markings can only be seen under florescent lighting; others can be viewed with the naked eye because they are so obvious. What sometimes starts out as a "simple bedroom invasion," with aliens coming through the walls or ceiling, frequently transforms into a fully consciously-recalled nightmare, often becoming an ongoing series of events onboard a spacecraft outside the Earth's atmosphere or in underground human/alien bases, such as the main one to be found in Dulce, New Mexico.- the mystery of the alien anal probes is also revealed! Here are historical as well as some of the most recent cases of copulation with Reptilians, the handsome Nordic "Space Brothers," the Greys, insectoids, and a host of other intergalactic stalkers - the real invaders from "Mars" - as taken from the files of some of the top researchers of our time. To paraphrase Cindy Lauper's 80s smash pop single, there are a few space aliens who it seems are coming here because they "just want to have fun!"

Tim R. Swartz's Big Book of Incredible Alien Encounters: A Global Guide to Space Aliens, Interdimensional Beings And Ultra-Terrestrials

In Above Top Secret, Timothy Good examined evidence of US government research into alien visitations to Earth. In this book he investigates what he describes as top-secret UFO units in Britain, Canada and the USA, in which captured spacecraft are said to be tested and aliens subjected to medical examination. The book includes interviews with RAF and USAF personnel, scientists and doctors, as well as personal stories of alleged alien contact.

Screwed by the Aliens: True Sexual Encounters with Ets

ALIEN BASES EXIST ALL AROUND US THEIR OCCUPANTS LURK IN THE DARKNESS OF THE SHADOW WORLD THESE ARE THE STRONGHOLDS OF THE ULTRA-TERRESTRIALS, THE MYSTERIOUS ABODES FROM WHICH THEY TERRORIZE AND TORMENT THEIR HUMAN PREY -- AS WELL AS OFFERING FRIENDSHIP AND ADVICE FROM TIME TO TIME There is evidence that human-looking ETs may be living right down the road from you, hidden in some secluded base of operations. They have been seen to emerge from a landed craft and then observed in the checkout line of the local supermarket the next day. Should they be "found out" and followed into the parking lot just a few feet away, they are seen to vanish right before the eyes of stunned witnesses. Some UFO strongholds are believed to be located high in the mountains - such as Mount Shasta, Mount Olympus, at the highest points of the Andes and around the red rocks of Sedona, Arizona. Other ET bases are located way back in the jungles of Mexico and along the Amazon. Still others require diving and sonar equipment to pinpoint the aliens' watery world. Additional bases are "hidden" in plain sight. They could be in what seem to be abandoned buildings. Or out-of-the-way castles or mansions that can house a sizable encampment of Ultra-terrestrials. They might be concealed along darkened trails that lead to the swamplands of America, or in the unpopulated areas of Australia's Outback. One of the most hidden alien bases is believed to be within forty miles of the White House. For decades we have collected a multitude of reports that have come our way, regulating some to the waste basket because they lack credibility. Others remain in our "grey basket," because they have yet to be proven or disproven, while the remainder might lead us to some well-deserved discoveries if we manage to enter the star gate that is poised on the dark end of sundown. It's believed - and we are seeking concrete proof - that at least some of those researchers who have gone in search of alien "hangouts" have never returned to give accounts of what they came across. Such a case would be that of Raymond Bernard, who entered the jungles of Brazil in search of an alien cavern base. The intrepid explorer might have gotten snatched by the reptilians or Richard Shaver's "Dero," who want to keep well secluded from the prying eyes of the human race. Others, more lucky, have returned to share their positive experiences with friends and associates. You are invited to join our quest for the emerging truth about such potentially catastrophic cosmic matters. Who knows? Perhaps the next alien stronghold to be discovered might be just a few blocks away or down the road, right in your very own neighborhood. So keep your eyes wide open, for it would be a world-changing revelation, one that would not only make the evening news but cause us to rewrite the history of humanity. The Ultra-terrestrials' footholds on our earthly plane are numerous, and this book offers a unique look into some of these alien fortresses.

Earth

SHOCKING FULL COLOR PHOTO ALBUM OF OVER 100 PAGES - SOME UFOLOGISTS BELIEVE THESE PICTURES TO BE MORE AUTHENTIC THAN THOSE OF BILLY MEIER! HERE IS SHOCKING PICTORIAL EVIDENCE OF UFOS ON EARTH AND ONGOING ENCOUNTERS WITH ET'S AS EXPERIENCED BY A HUMBLE MAN FROM RURAL NEW MEXICO. The UFO photos of one Paul Villa are in a category all of their own. They show solid hardware of what can only be "alien" craft originating from outside Earth's atmosphere. For a period of several years Paul Villa remained a rather mysterious figure, claiming contact with advanced beings from other worlds. What placed him in a category almost all by himself is the fact that he was able to produce - just about on command! - photographs of real-world, solid vehicles - not "supernatural manifestations" - which hovered and darted about near his desert mobile home. According to Villa, he would receive a telepathic message that his otherworldly friends were in the neighborhood and he should go outdoors. There in the sky would be silvery discs complete with "windows," looking like nothing manufactured on Earth. The ships Villa saw and photographed ranged in size from just a few feet across to well over 30 feet in diameter. WERE THEY FAKED? WAS HE SILENCED? As might be expected, the UFO skeptics began to attack Villa's photographic evidence. They claimed that his photos - over 50 of them - were faked, offering as proof supposed computer enhancements which are open to various interpretations. After a while, Villa became silent. There were rumors that he had been threatened and that his house had been burned to the ground. The late Lt. Col. Wendelle Stevens, who possessed the world's largest UFO photo collection, was impressed enough to want to meet Villa and bring his story to the world. Stevens looked high and low for the photographer and, after a lengthy search, found him "hiding out." Stevens got this amazing gentleman to open up completely and tell his story for the first time. The result is one of the few books with color photos of alien spacecraft ever presented to our world as proof of the existence of another race of beings who live among the stars but visit us on a regular basis. The photos in this book are simply astonishing . . . showing a UFO hovering over Villa's home as well as over his farm equipment, hovering above his work truck and just "hanging out" in the neighborhood. For the first

time, we can see two or three different types of UFOs in photos, which add to the weight of evidence that the shots have not been staged. We see spinning tops standing by the larger ships as if to protect them. Villa also claims that the weeds in some of the photos were wilted due to the magnetic field which surrounded the craft as they came in low over the ground. And if the skeptic still wishes to be a nonbeliever, it should be pointed out that Villa never profited from any of the pictures he took, though he might have been able to sell them for hundreds of dollars. Instead he gave away stacks of copies free of charge to schools, prisons, libraries and government officials. But **THE SECRET UFO CONTACTS OF PAUL VILLA** goes beyond just the photographic evidence. It gets into his contact claims and his belief that aliens live and work among us and are here now getting us ready for that "great day" when we will be unshackled from our chains and redeemed from our present failed condition. It would seem that such a time is upon us right now! **THIS IS A LARGE FORMAT 8x11 book with page after page of Paul Villa's impressive COLOR photos -- the best quality we could obtain. It is a coffee table book that will be a great enhancement to any collector's library. There has never been such a tantalizing collection of UFO pictures printed in color in America that has so defied the critics. This book also includes the UFO contacts of Italy's "Alien Friendship Case."**

Beyond Top Secret

Are ETs benevolent or malevolent? The answer is both according to the people who have been abducted repeatedly by different ET species. In this breakthrough book, Extraterrestrial Encounters of The Extraordinary Kind, Earth Mysteries Investigator Betsey Lewis reveals firsthand accounts by people who have had UFO encounters, medical examinations by aliens, taken to underwater and subterranean bases, and given urgent messages about the fate of Earth and humanity. Read about the deadly encounter with alien beings in Russia's deepest lake-- Lake Baikal by Russian divers and the firefight that ensued between UFOs and Navy ships during the Vietnam War. How best-selling author and MUFON investigator Ann Druffel witnessed clouds morphing into physical spaceships off the coast of Southern California near Catalina Island, not far from where the Nimitz Navy pilots had their "Tic Tac" UFO encounters in 2004. Southern California is a hotbed for UFO sightings over water. Is there an undersea base? Also included in this book: - Gigantic angels seen in space by both U.S. astronauts and Russian cosmonauts - Cloned beings dropped off by UFOs on Native American reservations and taken to cities - How reptilian aliens were once earthly dinosaurs - Lewis reveals her investigations into the bizarre cattle mutilations cases during the late 1970s and early 1980s - The captured gray alien called "Squiggly" from 1947 - What President Trump, former Presidents, and politicians have said about UFOs and aliens -How USO have been seen diving and exiting into oceans, lakes, and rivers - Children who have experienced UFO encounters and received special messages by the aliens - Betsey Lewis reveals here own UFO encounters since childhood and a possible abduction Are humans merely experiments for certain aliens or is there a higher agenda for Earth and humanity?

A Fascinating Firsthand Nuts & Bolts Analysis of the Grays When an alien craft stalled Stewart Bench's truck on a backcountry road, he tried his best to just forget about it. But then they came back and made it personal. In A Cosmic Encounter, for the first time, Stewart tells the incredible true story of being encountered and then abducted by aliens. As an engineer, Stewart uses his technical experience to describe the specifications of the alien craft, their technology, their communications, and their mission. You will discover the details of the alien device implanted in his nose, the telepathic communication displayed by the aliens, and a wealth of information about the layout and operation of their vehicle and equipment. This is a highly detailed, close-up look at how aliens infiltrate our airspace and conduct

experiments on humans—without any official acknowledgement—as well as the personal toll these encounters have on the abductees.

The Authentic Book of Ultra-Terrestrial Contacts: From the Secret Alien Files of UFO Researcher Timothy Green Beckley

The UFO phenomenon is undoubtedly the greatest enigma of modern times. Who are these visitors? Where do the aliens come from? Why do they come here? What is their purpose or plan? Why don't they just land? Why do they behave the way they do? Legions of writers have produced a plethora of works on the subject, yet until now, none have been able to solve this great mystery. Some previous books are an honest but flawed search for the truth; others are deliberately intended to mislead us. This work finally reveals the truth about all aspects of the phenomenon—alien planning, Roswell, alien-government collaboration, abductions, sightings, mutilations, crop circles and disinformation of all kinds. Here at last is the truth that both government and aliens have jointly kept from us, including their liaison and methods employed to protect its secrecy. *The Truth About UFOs and Aliens* envisions a great future for Earth.

Extraterrestrial Encounters of The Extraordinary Kind

An expose of the controversial issue of human contact with aliens and the U.S. government's role in covering it up presents new evidence of extraterrestrial visitation. By the author of *Above Top Secret*. 35,000 first printing.

A Cosmic Encounter

This is the true story of over thirty years of UFO and alien contact. I became involved because I was going to prove that UFOs did not exist. This started me on my long journey of finding out what the truth is. But, then I had contact with the aliens and once it began, I balked and questioned everything that they were trying to tell me. It did not take me long to realize I had to live a dual existence as I struggled to keep from looking like a nut case. For me, this is a frustrating journey and yet rewarding. I knew the road would be difficult and that there would be ridicule, but I keep steadily moving forward. Included in the book are discussions with the aliens. Some of the topics covered are: 1. UFOs and the aliens who are piloting them 2. Where the aliens come from 3. How long the aliens have been visiting Earth and why they are here 4. There are two factions of aliens here at this time 5. Why some of the aliens are abducting 6. The aliens take on our Bible, Jesus and The Creator of all 7. The coming earth changes and what it means 8. What the aliens have said about meditation, addictions, love, marriage, reincarnation and the soul.

Subject Guide to Books in Print

Addressing a field that has been dominated by astronomers, physicists, engineers, and computer scientists, the contributors to this collection raise questions that may have been overlooked by physical scientists about the ease of establishing meaningful communication with an extraterrestrial intelligence. These scholars are grappling with some of the enormous challenges that will face humanity if an information-rich signal emanating from another world is detected. By drawing on issues at the core of contemporary archaeology and anthropology, we can be much better prepared for contact with an extraterrestrial civilization, should that day ever come.

The Truth about UFOs and Aliens

"Extraordinary Encounters: An Encyclopedia of Extraterrestrials and Otherworldly Beings" is the first ever illustrated A-Z encyclopedia to explore these fascinating modern day beliefs, personalities, beings, and events. Among the beings you'll meet in its pages are Abraham, a collection of highly evolved entities that speak in one voice; Metranon, the divine interface between God and the Outer Worlds (and sometime Old Testament angel); and The Planetary Council, whose members include Jove, Merlin, Quetzalcoatl, and Lao-Tzu.

Alien Contact

More so than any other medium, cinema has shaped our expectations of potential alien life and visitation. From *The Day the Earth Stood Still* and *Close Encounters of the Third Kind*, to *Battleship*, *Prometheus* and beyond, our hopes and fears of alien contact have been fuelled by the silver screen.

But what messages does Hollywood impart to us about our possible otherworldly neighbours, from where do UFO movies draw their inspiration, and what other factors - cultural or conspiratorial - might influence their production and content? *Silver Screen Saucers* is a timely and revealing examination of the interplay between Hollywood's UFO movies and the UFO phenomenon itself, from 1950 to present day. The book grants the reader a rare, close-up examination of the DNA that builds our perceptions of the UFO mystery: one strand of this DNA weaves real events, stories and people from the historical record of UFOlogy, while the other spins and twists with the film and TV products they have inspired. With our alien dreams and nightmares now more fully visualized onscreen than ever before, *Silver Screen Saucers* asks the question: what does it all mean? Are all UFO stories just fever dreams from LA screenwriters, or are they based in something else? Could any of them be real and are they part of a bigger message? From interviews with screenwriters and directors whose visions have been shaped by their lifelong UFO obsessions; to Presidents Carter and Reagan talking aliens with Spielberg at the White House; to CIA and Pentagon manipulation of UFO-themed productions; to movie stars and producers being stalked by real Men in Black, *Silver Screen Saucers* provides fresh perspective on the frequently debated but little understood subject of UFOs & Hollywood. The book addresses questions such as: Does Hollywood fuel the UFO mythos, or vice versa? In other words, are our beliefs about alien visitation shaped by UFO movies, or are UFO movies shaped by our beliefs about alien visitation? Do Hollywood's UFO movies fictionalize the UFO phenomenon in the public mind, actualize it, or both? If and when humanity makes full and open contact with an unearthly intelligence, would we, as cinemagoers, be able to divorce Hollywood's historical imaginings from the reality with which we are presented? Indeed... Should we? After all, a great deal of Hollywood's UFO movie content has been closely informed by supposedly factual UFOlogical literature, events and debates. Perhaps, then, there is more truth to be found in Hollywood's UFO movies than we might imagine - which raises the question: Just how has so much dense UFOlogical theory (by its very nature 'fringe' and subcultural) managed find its way into Hollywood's populist science fiction narratives? Is Hollywood's incorporation of UFO lore attributable to a "Hollywood UFO conspiracy" designed to acclimate us to a UFO/alien reality, or is it merely the result of a natural cultural process? *Silver Screen Saucers* is bursting with ideas and information that will excite and intrigue any reader with a passing or serious interest in UFOs and/or science-fiction cinema."

Bill Cooper, former United States Naval Intelligence Briefing Team member, reveals information that remains hidden from the public eye. This information has been kept in Top Secret government files since the 1940s. His audiences hear the truth unfold as he writes about the assassination of John F. Kennedy, the war on drugs, the Secret Government and UFOs. Bill is a lucid, rational and powerful speaker who intent is to inform and to empower his audience. Standing room only is normal. His presentation and information transcend partisan affiliations as he clearly addresses issues in a way that has a striking impact on listeners of all backgrounds and interests. He has spoken to many groups throughout the United States and has appeared regularly on many radio talk shows and on television. Since Bill has been "talking," he has correctly predicted the lowering of the Iron Curtain, the fall of the Berlin Wall and the invasion of Panama. All Bill's predictions were on record well before the events occurred. Bill is not a psychic. His information comes from Top Secret documents that he read while with the Intelligence Briefing Team and from over 17 years of thorough research. Is the Search for Extra Terrestrial Intelligence a genuine scientific research programme? David Lamb evaluates claims and counter-claims, and examines recent attempts to establish contact with other intelligent life forms. He considers the benefits and drawbacks of this communication, how we should communicate and whether we actually can. He also assesses competing theories on the origin of life on

The Search for Extra Terrestrial Intelligence

SHOCKING. CONTROVERSIAL. UNPRECEDENTED. A CASE LIKE UNLIKE ANY OTHER IN THE ANNALS OF UFO INVESTIGATION, DNA RESEARCH, OR ALIEN ABDUCTION. Sydney, Australia. July 23, 1992. Twenty-eight-year-old Peter Khoury was awoken by what appeared to be two females—both striking and unearthly—kneeling on his bed. What transpired between them was a physical assault as bizarre and disorienting as it was unnatural. Then, as quickly as they had arrived, they vanished. Khoury had become one of a legion of alien abductees with inexplicable experiences, but this particular incident stood apart from all the others. This time, there was evidence—two strands of white-blond hair from one of the females. Khoury's case would result in the very first forensic DNA analysis of "alien abduction" evidence and revealed an extraordinary biological anomaly—one genetically close to human yet almost impossibly far from the human mainstream. A gripping account of one of the great mysteries of our time, Hair of the Alien, brings us closer than ever before to understanding our past, our origins, and our place in the universe.

The Quiet Invasion

There he was in his sailboat in the middle of the Atlantic, all alone and loving it. Well, there was a US Navy carrier group on his southern horizon, but he was a Navy guy himself, so he didn't mind. Then came the UFOs, hurtling in from the Outer Black to overfly the carriers at Mach 17. Their impossible aerobatics were bad enough^¾but then they started shooting at each other. And at the Navy. With nukes. Little ones at first, but winding up with a 500 megatonner at 90 miles that fried every piece of electronics within line-of-sight. Richard Ashton thought he was just a ringside observer to these now over-the-horizon events. Until the crippled alien lifeboat came drifting down and homed in on his sailboat; suddenly he has his hands full of an unconscious, critically wounded and impossibly human alien warrior who also happens to be a gorgeous female. Global warming is effecting the world, if left unchecked, it promises to transform global politics, the meaning of technology and the trajectory of human progress. In sobering detail, Wallace-Wells lays out the mistakes and inaction of past and current generations that we see negatively affecting all lives today and more importantly how they will inevitably affect the future. But readers will also hear—loud and clear—his impassioned call to action, as he appeals to current and future generations, especially young people. As he states: “the solutions, when we dare to imagine them . . . are indeed motivating, if there is to be any chance of preserving even the hope for a happier future—relatively livable, relatively fulfilling, relatively prosperous, and perhaps more than only relatively just.”
