A Just and Upright Man

Shortlisted for the Historical Novel Society's 2015 Indie Prize, *A Just and Upright Man* shows us life in northeast England in the 1760s not as lived by the rich and powerful but from the point of view of those at the bottom of the heap. Life was precarious; when James Blakiston fell, he fell a long way and now he had two struggles on his hands--to bring the murderer of old Reuben Cooper to justice and to deny his love for the beautiful and spirited but low-born Kate Greener. As he builds a picture of the history of the murderous Cooper family over three generations, a missing coat begins to occupy his attention. How did it get from where it was to where it is--and why? A chance remark opens the door to the murderer at last. And Blakiston rejects love. But will love let him go?

The Straw Men

Sarah Becker is the fifth girl to be abducted by a homicidal maniac. Judging from the state of the bodies that have been found, her long hair will be hacked off and she will be tortured. She has about a week to live.

Gift and Award Bible-KJV

The Case For Biblical Christianity, in which the full range and development of Carnell's mind is revealed, gives the Christian community ready access to many of Carnell's finest articles. They have been selected and edited by Ronald M. Nash, and in this collection, as in all of Carnell's writings, will be found thoughtful, stimulating, and often thought-provoking essays on a variety of topics, all of contemporary interest.

The Case for Biblical Christianity

Running from a horrifying evil that he encountered in the high plains of the Columbia River, Wade Hopkins leaves a trail of death and destruction in his wake as he fights to survive. Original.

The Upright Man

"The editor's preface (1707), p. xiii stated that the works of Richard Baxter are 'perhaps the best body of practical divinity that is extant in our own or any other tongue.' Richard Baxter lived from 1615-1691. The DIRECTORY was completed in 1665. Its scope was intended to cover all of practical theology, a summa of casuistry . . ." Timothy Keller calls it "the greatest manual on Biblical counseling ever produced."

A scriptural commentary on the Book of Genesis and the Gospel according to st. Matthew, the text, with marginal references in the words of Scripture, by C.L. Coghlan

Dr. Albert G. Mackey, also the author of The Lexicon of Freemasonry appears as author of this " Encyclopedia of Freemasonry and its Kindred Sciences," which, being a library in itself, superseded most of the Masonic works which have been tolerated by the craft—chiefly because none better could be obtained. Here, in one giant volume is a work which fulfils the hope which sustained the author through ten years' literary labor, that, under one cover he "would furnish every Mason who might consult its pages the means of acquiring a knowledge of all matters connected with the science, the philosophy, and the history of his order." For more than thirty years Dr. Mackey has devoted earnest and constant study and research to the history, the objects, and the condition of Masonry. In the present work, the crowning and successful result of a life's labors, he has received no assistance from any one. He says, " Every article was written by myself," and he adds, which would extenuate errors, had he fallen into any, "For twelve months, too, of the time occupied upon this work, I suffered from an affection of the sight, which forbade all use of the eyes for purposes of study. During that time, now happily passed, all authorities were consulted by the willing eyes of my daughters—all writing was done by their hands. I realized for a time the picture so often painted of the blind bard dictating his sublime verses to his daughters," and his preface closes with the words, "Were I to dedicate this work at all, my dedication should be—To Filial Affection." Up to the present time the modern literature of Freemasonry has been diffuse, lumbering, unreliable, and, out of all reasonable proportions.

The Christian Temper: Or, a Discourse Concerning the Nature and Properties of the Graces of Sanctification, Etc

Foreword by Jordan Maxwell. This incredibly detailed book reveals the hidden meanings behind occult signs and symbols from ancient times, found in what is termed stellar theology, and then carried over into modern religions. Few people have any knowledge of the occult or hidden connections between Judaism, Christianity and the Bible with World Freemasonry. Brown, a Freemason, provides these important connections. Covers ancient astronomy and how it became incorporated into the various religions. Also explores the worlds early legends and symbols and how they were connected to ancient astronomical systems. These revealing facts form the basis for many of today's religious concepts and belief systems.

A Hebrew and English Lexicon of the Old Testament

More Than a Million Copies Have Been Sold of this Powerful Book for Men, Now Revised for a New Generation For forty years, The Measure of a Man has taught hundreds of thousands of men around the world how to live according to God's direction--faithfully, lovingly, and spiritually. Now revised this classic guide to biblical masculinity is poised to impact a new generation of men. True masculinity is not measured by the strength of a man, but by these twenty biblical guidelines drawn from the Apostle Paul's letters to his young protégés Timothy and Titus. Inspiring, encouraging, and practical, this book

shows men how they can reach God's standards as fathers, husbands, and mentors to other men. This updated edition includes QR codes that take the reader to online video resources for further study.

The Homilies of S. John Chrysostom, Archbishop of Constantinople, on the Acts of the Apostles

Reprint of the original, first published in 1872. The publishing house Anatiposi publishes historical books as reprints. Due to their age, these books may have missing pages or inferior quality. Our aim is to preserve these books and make them available to the public so that they do not get lost.

A Library of Fathers of the Holy Catholic Church, Anterior to the Division of the East and West

Homilies: On the Acts of the apostles. 1851-52
