Breath of Magic

From the nationally bestselling author of *Fairest of Them All* comes this bewitching time-travel romance that shimmers with love and laughter. An enchantress from seventeenth-century Massachusetts collides with a future beyond her imagining . . . and with a handsome cynic who's about to learn a lesson in the power of love. Arian Whitewood hadn't quite gotten the hang of the powerful amulet she'd inherited from her mother, but she never expected it to whisk her more than three hundred years into the future. Flying unsteadily on her broomstick, she suddenly finds herself among towers of glass and metal, then tumbling from the sky to land at the feet of a man with frost-gray eyes and a seemingly flint-hard heart. Reclusive billionaire Tristan Lennox didn't believe in magic, but he had his own reasons for offering one million dollars to anyone who could prove it existed. Now he finds himself besieged by fakes, frauds, and an old nemesis ready to leap on this opportunity to destroy him. But the smoky-voiced beauty who appeared to fall from the clouds into his climate-controlled existence is something else entirely—a woman able to enchant his lonely heart with wonder, but who can't possibly be what she seems.

A Breath of Magic

A Breath of Magic is a guide for magicians that are wanted and needed in the world to make a difference. Easy breathing instructions are included, and no batteries are needed. Our breath is the active ingredient of magic that manifests our wishes. The living message of this book is that magic is tangible when you breathe and merge with nature. For when you do, watch out, your world will transform just as the identical twins Nicholas and Gabriella's did one day after school. Their parents are struggling working two jobs each to make ends meet. George T., their neighbor and an illustrious retired professor, watches over them and walks them home on their last day of school and introduces them to the energy of nature and much more. They are initiated and are led to more experiences of its power that they find within themselves. The energy awakens their senses and inner core to a memory of the powerful magic that is theirs and that sparks its magical presence within their hearts. Their loving energy weaves their journey into a colorful tapestry, each thread displaying their inner wisdom, where through their hearts breath, they become the sole creators and true healers of their world.

Warbreaker is the story of two sisters - who happen to be princesses, the God King one of them has to marry, a lesser god, and an immortal trying to undo the mistakes he made hundreds of years ago. Theirs is a world in which those who die in glory return as gods to live confined to a pantheon in Hallandren's capital city. A world transformed by BioChromatic magic, a power based on an essence known as breath. Using magic is arduous: breath can only be collected one unit at a time from individual people. But the rewards are great: by using breath and drawing upon the color in everyday objects, all manner of miracles and mischief can be performed. Brandon Sanderson proves again that he is a master of what Tolkien called 'secondary creation,' the invention of whole worlds, complete with magics and myths all their own.

Breathe and Be

Harry Potter meets James Bond in this story of a twenty-something slacker who discovers that he is descended from a line of magical spies and is thrust into the middle of a secret and epic battle. "Magicians Impossible is a mind-bending page-turner! A brilliant and unique mash-up of spells, myth and mayhem, once it got its claws in me I couldn't put it down. Like a veteran stage magician, Brad Abraham has created a hip thriller that turns convention on its ear with misdirection and mayhem. A must read for enthusiasts of edgy and extreme fiction." —Don Coscarelli, director of *John Dies At The End* Twenty-something bartender Jason Bishop's world is shattered when his estranged father commits suicide, but the greater shock comes when he learns his father was a secret agent in the employ of the Invisible Hand; an ancient society of spies wielding magic in a centuries-spanning war. Now the Golden Dawn—the shadowy cabal of witches and warlocks responsible for Daniel Bishop's murder, and the death of Jason's mother years before—have Jason in their sights. His survival will depend on mastering his own dormant magic abilities; provided he makes it through the training. From New York, to Paris, to worlds between worlds, Jason's journey through the realm of magic will be fraught with peril. But with enemies and allies on both sides of this war, whom can he trust? The Invisible Hand, who've been more of a family than his own family ever was? The Golden Dawn, who may know the secrets behind his mysterious lineage? For Jason Bishop, only one thing is for certain; the magic he has slowly been mastering is telling him not to trust anybody.

The Fifth Magic

A Darker Shade of Magic, from #1 New York Times bestselling author V.E. Schwab Kell is one of the last Antari—magicians with a rare, coveted ability to travel between parallel Londons; Red, Grey, White, and, once upon a time, Black. Kell was raised in Arnes—Red London—and officially serves the Maresh Empire as an ambassador, traveling between the frequent bloody regime changes in White London and the court of George III in the dullest of Londons, the one without any magic left to see. Unofficially, Kell is a smuggler, servicing people willing to pay for even the smallest glimpses of a world they'll never see. It's a defiant hobby with dangerous consequences, which Kell is now seeing firsthand. After an exchange goes awry, Kell escapes to Grey London and runs into Delilah Bard, a cut-purse with lofty aspirations. She first robs him, then saves him from a deadly enemy, and finally forces Kell to spirit her to another world for a proper adventure. Now perilous magic is afoot, and treachery lurks at every turn. To save all of the worlds, they'll first need to stay alive. "A Darker Shade of Magic has all the hallmarks of a classic work of fantasy. Schwab has given us a gem of a tale...This is a book to treasure."—Deborah Harkness, New York Times bestselling author of the All Souls trilogy Shades of Magic series 1. A Darker Shade of Magic 2. A Gathering of Shadows 3. A Conjuring of Light At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Magicians Impossible

The hilarious and adventurous sequel to E. D. Baker's beloved *The Frog Princess*, which was the inspiration for Disney's *The Princess and the Frog*. Emma and Eadric have no sooner turned back into humans (from being frogs) than Emma's mother is in a panic, Aunt Grassina is distracted because she's found her true love turned into an otter, and Emma's magic is so out of control she sends herself to the dungeon by mistake. The neighboring kingdom has chosen this moment to attack, and if Emma can't get Grassina's mind back on protecting the kingdom, life as they know it in Greater Greensward will be in peril. From underwater sea monsters to fire-breathing dragons, this witty pair of young friends manages to sweet-talk, cajole, and race their way to victory. But when it looks as if everything will

finally work out, disaster strikes, and Emma finds that magic is not enough-it takes real bravery and a strong, new friendship, to succeed. Don't miss the rest of the Frog Princess series by E. D. A Darker Shade of Magic

Things are going well for Alex Verus. He's on moderately good terms with the Council, his apprentice is settling in and his shop in Camden is gaining quite a reputation. But when a mysterious woman bursts into the Arcana Emporium one night with an assassin on her tail, Alex is thrown into a plot to revive a long-forbidden ritual. His old enemies are after the secret, as well as a Council mage named Belthas and a mercenary named Garrick, and at least one of them is trying to get Alex killed - if he only knew which. He can see the future, but knowing who to trust is something else.
